ADMINISTRATION'S RECOMMENDATION

The Administration recommends that the Board approve the following professional services contracts:

B 5759 Authorization to Contract with Four Contractors for Human Service Vehicle or Van Type Transportation

The Administration is requesting authorization to enter into contracts with Able Access Transportation, LLC, American United Taxicab, Inc., First Student, Inc., and Transit Express, Inc. for Human Service Vehicle (HSV) or Van Type Transportation. These vendors will be used to provide transportation to students throughout the metro-Milwaukee area, to travel to and from school.

Services under this contract will be utilized for specific high mileage, low occupancy situations where HSV and van alternatives maximize cost effectiveness and minimize ride times for students.

These contractors were chosen pursuant to B 5759, which closed on May 9, 2017. The original contracts provided for two one-year options to extend if certain performance metrics were met. Each Contractor met the performance metrics codified in the contracts, therefore, MPS is exercising the second option year for the contracts.

These contract extensions will run from July 1, 2019 through June 30, 2020, with no additional extension options remaining.

The total cost of these contracts in this second option year will not exceed \$780,000 as follows:
