**ADMINISTRATIVE POLICY 7.16
ALTERNATIVE SCHOOL PROGRAMS**

(1) GENERAL PRINCIPLES

(a) Milwaukee Public Schools students represent a wide range of cultural, ethnic, and social backgrounds, and their needs differ from school to school as well as within a single school.

(b) In response to these needs, the Board may periodically approve the establishment of a variety of alternatives to the regular school program. Such alternatives may include, but shall not necessarily be limited to, program improvements developed by the staffs of individual schools.

(c) All proposals for alternative schools and programs shall be presented by the superintendent to the Board for its consideration and action.

(2) REPORTS ON ALTERNATIVE PROGRAMS

The Administration shall provide the Board with a routine monthly report on alternative education enrollments, to include:

- (a) the capacity and current enrollment of each of the Milwaukee Public Schools and partnership programs;
- (b) current vacancies for at-risk students in each program;
- (c) monthly attendance percentage for each program.
