May 11, 2020

Dear Parent/Guardian of MPS Senior:

Congratulations to you and your family on the upcoming graduation of your child from Milwaukee Public Schools! We are happy to celebrate this milestone accomplishment with you even during these trying and uncertain times.

Thank you to all of the seniors and parents that took time to complete our graduation survey. While this survey served as our attempt to include you in the graduation planning, we have received a directive from the Department of Public Instruction to hold our ceremonies virtually for the safety and well-being of all. As a result, all MPS 2020 high school graduations will be produced through the MPS YouTube channel.

Below you will find the scheduled time for your school's graduation. A specific link to your ceremony will be provided via an email the week of May 27, 2020.

Date and Time	Monday 6/1	Tuesday 6/2	Wednesday 6/3	Thursday 6/4	Friday 6/5
9am	Alliance	Hamilton	Meir	Project STAY/MCYEC	Transition
11am	Audubon	King	MHSA	Pulaski	Vincent
1pm	Bay View	MacDowell	MSL	Reagan	Washington
3pm	Bradley Tech	JMAC	North	Riverside	WCLL
5pm	Groppi	Marshall	Obama	South	

We are preparing for the recording of every element of a traditional graduation ceremony, including the reading of each graduate's name. Our plan is to include the first and last name of each graduate along with their yearbook photo. If for any reason, you do not want your graduate's name or photo to be shared as a part of the graduation ceremony, please send an email with that request to smithj2@milwaukee.k12.wi.us no later than 5:00pm on May 22, 2020.

Again, congratulations to you and your son/daughter on the successful completion of high school. We wish them well in all of their future endeavors.

Sincerely,

Jennifer Smith, Ed.D.
Regional Superintendent
