# 3D Virtual Field Trip Creation for Oak Ridge Farm Term: December 4, 2021, through June 30, 2022 The contractor (Patrik F Beck DBA Electric Crayon Studio) will create an overview of the Oak Ridge Farm location encompassing its features and assets through the use of 360 virtual tours, photography, video, and text. The topics will include most or all of the points of interest of the farm, focusing on the animals, harvesting, machinery, and farm life. The virtual tour creation will be interactive, allowing online visitors to navigate the grounds through the website. Particular points of interest will have 'hot spots' that are clickable data points that can bring up photos/video, text articles, or external web links. Original content for the project will be generated in the form of 360 photos/video and standard photo and video. Whenever possible, the contractor will make use of existing media that the department already has in place. Contractor shall be compensated for work performed on a 3 installment (as projects are completed) basis at a rate of \$1,600.00 for each installment.

C030326	V005718	UNIVERSITY OF WISCONSIN - STOUTTE-CAREER & TECHNICAL EDUCATION		4,320.00	0.00	0.00	4,320.00

Contractor shall provide Milwaukee Public Schools with a professional development course that consists of one (1), two-day face-to-face session to be taught to new Milwaukee Public School CTE teachers. This is the fourth (4th) and final two-day professional development session for this cohort of new CTE teachers. Session four (4) will be taught between the hours of 8:00 AM and 4:00 PM, tentatively scheduled for March 3-4, 2022. If March 3-4 is not feasible for the Contractor, MPS CTE office will work with the Contractor to schedule another two (2) consecutive days in winter or spring, 2022. Session four (4) will be taught to approximately four (4) adult students in their third (3rd) year of the CTE license, whose licenses are set to expire 6/30/2022. Session four (4) will be taught at a Milwaukee Public School location to be determined. Every effort will be made to reserve the same room for both days of the session. The teacher certification areas within CTE are as follows: Session four (4) for third (3rd) year teachers: Home Economic-Related Services (1); Technical Education (3). The Contractor will teach the courses from a CTE perspective, and that whenever possible, the content of the course and any related pre-work or post-work, be from a CTE perspective. This will be a practical course that new CTE teachers will be able to implement lessons learned/assignments worked on in their own classrooms. The Contractor will provide an instructor(s) and any required materials to present the session. The course material will be provided electronically through a course management system and will reflect current educational practices. Milwaukee Public Schools will purchase the required textbook, Career and Technical Educators Survival Guide, Revised Edition, for four (4) students outside of this
