ANNUAL PLAN OF AUDITS – FISCAL YEAR 2024**

FINANCIAL AUDIT

A) Audit: Basic Financial Statements

MPS is required to have an annual examination of the MPS basic financial statements. The Office of Board Governance has overall responsibility for the annual year-end examination and contracts with a certified public accounting firm to perform the audit. The accounting firm conducts the audit in accordance with government auditing standards to form an opinion on the basic financial statements. The audit includes audits of the two early-retirement pension plans, a Report on Internal Control, and a Status Report on the Prior Year’s Internal Controls. In addition to the financial statement audits, the district is also required to have a Report on Federal and State Awards (Single Audit), Student Membership (general, summer school, and integration transfer program) Audits, and a Parent Consent Audit.

- The Single Audit satisfies the audit requirements of both the state and federal governments for all state and federal funds received by MPS.
- The Student Membership Audits and Parent Consent for Transportation Audit satisfy the audit requirements mandated by the Wisconsin State Statutes and the Wisconsin Department of Public Instruction.
- The Report on Internal Control details areas where internal accounting controls need to be enhanced. A separate report is also provided which reports on prior year management comments and management’s progress in implementing those recommendations.

In addition to coordinating and monitoring the year-end audit activities, Office of Board Governance-Audit Services is responsible for completing various segments of the year-end audit.
