### SPECIAL BOARD MEETING 5:30 p.m., Tuesday, October 27, 2020

- 1. Action on a Request for Authorization to Seek Educator Effectiveness and Personnel Evaluation Waivers for the 2020-2021 School Year from the Wisconsin Department of Public Instruction as a Result of the COVID-19 Pandemic
- Action on the Phased-in MPS School Reopening Plan for the 2020-2021 School Year
- 3. Action on a Request to Approve the 2020-21 (FY21) Proposed Fall Budget Adjustments to the Adopted FY21 Budget

JACQUELINE M. MANN, PH.D. Board Clerk

(Item 1) Action on a Request for Authorization to Seek Educator Effectiveness and Personnel Evaluation Waivers for the 2020-2021 School Year from the Wisconsin Department of Public Instruction as a Result of the COVID-19 Pandemic

#### **Background**

Milwaukee Public Schools uses the Educator Effectiveness System for professional growth and evaluation. The Educator Effectiveness System identifies specific criteria for best practices in teaching (teachers) and leadership of schools (principals and assistant principals).

The Wisconsin Legislature developed the 20 Wisconsin Education Standards found in Wisconsin Administrative Code sec. PI 8.01, which establish minimum expectations for each school district. Standard 17 requires each school district to evaluate all licensed school personnel in their "first year of employment and, at least, every third year thereafter." Wis. Stat., §115.415, requires that the Wisconsin Educator Effectiveness System be the specific process by which all Wisconsin districts meet the requirements listed in PI 8 for principals and teachers.

The Wisconsin Department of Public Instruction (DPI) is offering districts flexibility during the COVID-19 pandemic as they continually seek new ways in which to best serve all students, to improve student learning, and to increase opportunities for the children whom they serve through a variety of options. As a result, the DPI created the COVID-19 District Flexibility application, which provides districts the ability to apply for regulatory flexibility and waivers needed as a result of the impacts of the pandemic relative to K-12 education. The Administration is seeking the Board's authorization to seek waivers from the DPI for Educator Effectiveness and Personnel Evaluation for the 2020-2021 school year via submission of the COVID-19 District Flexibility Application.

During the 2019-2020 school year, the statewide alteration of school calendars as a result of the COVID-19 pandemic caused disruption to the Educator Effectiveness Cycle. Based on this, the district applied for and received a waiver of the Wisconsin Educator Effectiveness System for the 2019-2020 school year.

The statewide alteration of school calendars in 2019-2020, the current virtual learning model being implemented in Milwaukee Public Schools, and continued uncertainty associated with the COVID-19 pandemic have compounded the impact on the Educator Effectiveness System for professional growth and evaluation for the 2020-2021 school year.

Due to the continued and unexpected impacts as a result of the COVID-19 pandemic, the Administration is requesting that the Board authorize the Administration to seek waivers from the Educator Effectiveness and Personnel Evaluation from the Wisconsin Department of Public Instruction for the 2020-2021 school year.

### Statute, Administrative Policy, or Board Rule Statement

#### **Fiscal Impact Statement**

This item does not authorize expenditures.

#### Implementation and Assessment Plan

Upon approval by the Board, the Administration will submit a request for waivers of the Educator Effectiveness and Personnel Evaluation from the Wisconsin Department of Public Instruction.

#### Administration's Recommendation

The Administration recommends that the Board authorize the Administration to seek waivers of the Educator Effectiveness and Personnel Evaluation from the Wisconsin Department of Public Instruction as a result of the COVID-19 pandemic for the 2020-2021 school year.

Director Peterson moved to approve the Administration's recommendation. The motion passed, the vote being as follows:

```
Ayes — Directors Báez, Herndon, O'Halloran, Peterson, Phillips, Siemsen, Taylor, and President Miller — 8.

Temporarily Absent — Director Woodward — 1.

Noes — None — 0.

### (Item 2) Action on the Phased-in MPS School Reopening Plan for the 2020-2021 School Year

#### **Background**

In May, June, and July 2020, the Administration shared with the Milwaukee Board of School Directors preliminary and updated plans associated with the reopening of school for the 2020-2021 school year. Due to the fluid nature and the need for flexibility during the pandemic, the plans continue to be further refined to best support the health and safety of our community.

Early on in the process, the Administration convened work groups to address different areas of consideration for school reopening: health and safety, academics, school operations, communications, professional development, and classroom and schoolwide supports. The work groups include teachers, school leaders, other staff, MTEA representatives, students, parents, and community members. The groups continue to meet to plan for the schools' reopening.

The Administration continues to take into account the feedback from the work groups, parents, students, and staff while reviewing and considering guidance from various entities such as the Council of the Great City Schools and other school districts, as well as local and state guidance.

The full Roadmap to Readiness Update has been provided under separate. The update provides information for moving into Phase 2. This phase will be structured for hybrid learning, which will include a blended learning model whereby students are divided into three cohorts: Two cohorts will alternate oncampus learning days with at-home learning days. The third cohort will be for students who wish to continue full-time at-home learning.

In addition to the new learning models, the update provides additional details on Phase 2. The protocols for personal protective equipment are described and include mask wearing, hygiene practices that will be stressed, and enhanced cleaning strategies. Protocols for proper distancing have also been developed for student transportation, meal times, and use of shared technology devices. There will also be new protocols and restrictions on visitors, gatherings, and after-school and extracurricular events.

In addition, the update describes how the district will respond to symptomatic individuals, positive cases, and contact tracing. Use of student exclusion and isolation rooms is also detailed. The update also describes parent and family supports, as well as staff readiness efforts.

#### Roadmap to Readiness 2020-21 Update

#### **Guiding Principles**

- Health and Safety
- Quality Instruction
- Student and Staff Support
- Efficient and Safe Operations
- Effective Communications

#### **Academic Expectations**

#### Core Instruction

- MPS Standard of Care
- Maximize Small-group Instruction
- In-person Virtual Instruction

#### • Formative and Summative Assessments

Grading/Credit Attainment

#### Technology

- Ensuring schools have a Chromebook available for each student so devices do not need to be brought to and from school.
- Continuing to process connectivity requests for hotspots.
- Testing various camera solutions for instruction.
- Purchasing additional touchscreen Chromebooks for younger students' use in school.
- Continuing to create support documentation and training opportunities in virtual tools for teachers.

#### Parental Support

- Phase-2 Learning Modules
- Diverse Family Support

- Parent Survey
- CLC/Camps Learning Labs

#### **Health and Safety**

- Physical Distancing
  - Masks/Face Coverings
- Cleaning and Disinfecting
- Symptomatic Individuals
- Hygienic Practices

#### Transportation

- Limited Capacity
- Assigned Seating
- · Required Masks
- Safety Precautions

To accomplish social distancing to allow for one student per seat, every other seat, the following number of students will be able to ride the bus:

| Rated    | Number      |
|----------|-------------|
| Capacity | of Students |
| 34       | 6           |
| 52       | 9           |
| 66       | 11          |
| 70-74    | 12          |
| 78       | 13          |
| 84       | 14          |

To decrease social distancing to allow for one student per seat, not skipping any seats, the following number of students will be able to ride the bus:

| Rated    | Number      |
|----------|-------------|
| Capacity | of Students |
| 34       | 12          |
| 52       | 18          |
| 66       | 22          |
| 70-72    | 24          |
| 78       | 26          |
| 84       | 28          |

Neither of these scenarios accounts for sharing of seats by family members who reside in the same household. Households would and should share seating — up to three students in the respective seat — thereby slightly increasing the average capacity for student transportation.

#### School Nutrition

- Meal sites continue to support students
- Individually-packaged meals when possible
- Meals served in the classroom
- Safety measures in place

#### **Building Readiness**

- All sites checked and ready to open
- Cleanliness and ventilation
- Signage for safe practices

- PPE/Sanitation Stations
- Deep cleaning every Wednesday

#### **Classroom and School-wide Supports**

#### Social Emotional Learning

- Embedded teaching of social emotional skills
- Community building .
- Re-introduction to the physical building
- Support staff
- Self-care and mental health

#### Special Populations

- Students with disabilities
- English-language learners

### (Item 3) Action on a Request to Approve the Proposed 2020-21 (FY21) Fall Budget Adjustments to the Adopted FY21 Budget

#### **Background**

The Wisconsin Department of Public Instruction (DPI) certified school district's aid amounts and updated the district's revenue-limit worksheet on October 15, 2020. Since the institution of revenue limits, it has been routine to amend the district's annual budget at this point in the fiscal year in order to adjust projections to actual revenue and enrollment. These changes require adjustments to revenues and expenditures, as well as technical adjustments to the 2020-21 budget as adopted by the Milwaukee Board of School Directors (Board) on May 28, 2020.

Attachment 1 to this item, provided under separate cover, summarizes the recommended fall changes to the budget adopted in May 2020, based on current data and the priorities established in the Board's three goals of academic achievement; student, family and community engagement; and effective and efficient operations.

Below are the proposed budget resolutions, including the total budget amount and the portion of tax levy for the School Operations Fund, the Construction Fund, and the Extension Fund. The final board-adopted budget resolution will be transmitted to the Common Council of the City of Milwaukee for adoption as prescribed by State Statutes, §§ 119.46 and 119.48, prior to the adoption of the City's budget in November 2020.

#### SCHOOL OPERATIONS FUND

RESOLVED, That, pursuant to the provisions of Section 119.46, Wisconsin Statutes, relating to the School Operations Fund, the Board of School Directors hereby advises the Common Council that the amount of \$1,059,393,719 \$1,062,557,424 will be required for the operation of the Milwaukee Public Schools, for the repair and keeping in order of school buildings and equipment, and the making of material improvements to school property during the 2021 Fiscal Year. In addition, pursuant to action taken by the Board of School Directors at its regular meeting on September 22, 2011, the Board of School Directors is required to advise the Common Council that [TO BE DETERMINED] \$24,958,272 will be required for the operation of the Milwaukee Parental Choice Program; and that \$ [AMOUNT TO BE DETERMINED] \$251,155,664 will be required for the operations of the Milwaukee Public Schools and that a total of \$ [AMOUNT TO BE DETERMINED] \$276,113,936 thereof is to be raised by a tax levy on all real and personal property in the City of Milwaukee subject to taxation for Milwaukee Public School purposes in 2021, pursuant to the provisions of Section 65.07(1)(e), Wisconsin Statutes, said amount to be raised by tax levy being in addition of the money to be received from state aids, shared taxes, and from other miscellaneous sources.

#### CONSTRUCTION FUND

RESOLVED, That, pursuant to the provisions of Section 119.48, Wisconsin Statutes, the Board of School Directors hereby advises the Common Council that the amount of \$6,637,203 \$5,762,395 will be required for the 2021 Fiscal Year Construction Fund budget purposes and that it is to provide, in accordance with Section 65.07(1)(f), Wisconsin Statutes, \$5,511,274 \$4,636,466 by a tax levy on all real and personal property in the City of Milwaukee subject to taxation for Milwaukee Public School purposes in 2021, said amount to be in addition to the money received from other miscellaneous sources.

#### **EXTENSION FUND**

RESOLVED, That, pursuant to the provisions of Section 119.47, Wisconsin Statutes, relating to the Extension Fund, the Board of School Directors hereby advises the Common Council that the amount of \$32,708,590 \$34,708,590 will be required for the maintenance of playgrounds, recreation centers, and similar activities during the 2021 Fiscal Year, and that \$25,225,000 \$27,225,000 thereof is to be

raised by a tax levy on all real and personal property in the City of Milwaukee subject to taxation for Milwaukee Public School purposes in 2021, pursuant to the provisions of Section 65.07(1)(g), Wisconsin Statutes, said amount being required in addition to other miscellaneous sources.

In accordance with Board Rule 1.14(3)(g) a recorded affirmative vote of two-thirds of the Board's membership shall be necessary to: request tax funds or the sale of bonds for the purpose of school construction.

#### **Strategic Plan Compatibility Statement**

Goal 1, Academic Achievement

Goal 2, Student, Family and Community Engagement

Goal 3, Effective and Efficient Operations

### Statute, Administrative Policy, or Board Rule Statement

Administrative Policy 3.01, Annual Operating Budget

#### **Fiscal Impact Statement**

Approval of the proposed fall budget changes as outlined in Attachment 1, provided under separate cover, will result in a total budget, including estimated categorical grants, of \$1,343,360,782, based upon current law and revenue-limit calculations.

#### Implementation and Assessment Plan

Upon the Board's approval, the adjustments will be made to the 2020-21 budget.

#### Administration's Recommendation

The Administration recommends the Board adopt the fall budget changes as proposed and that the revised annual budgetary resolutions be adopted.

Director Peterson moved approve of the FY21 proposed fall budget adjustments to the adopted FY21 budget and resolutions for the School Operations and Extension Funds as follows:

#### SCHOOL OPERATIONS FUND

RESOLVED, That, pursuant to the provisions of Section 119.46, Wisconsin Statutes, relating to the School Operations Fund, the Board of School Directors hereby advises the Common Council that the amount of \$1,062,557,424 will be required for the operation of the Milwaukee Public Schools, for the repair and keeping in order of school buildings and equipment, and the making of material improvements to school property during the 2021 Fiscal Year. #### United Way of Greater Milwaukee & Waukesha County Sets \$55 million Campaign Goal

During the month of September, the United Way of Greater Milwaukee & Waukesha County kicked off its 2020-2021 Community Campaign with a goal of raising \$55 million. As part of this community effort, Milwaukee Public Schools kicked off its 2020 MPS Combined Giving Campaign. The MPS campaign started on October 12, 2020, and will run through November 13, 2020. The MPS community has been especially generous through this important effort that provides funding to over 200 health-and-human-services agencies in our community: Last year, we raised nearly \$200,000 and remained the number-one educational unit (K-12 through higher education) throughout Metro Milwaukee. In just the first week of this year's campaign, we raised \$24.301!

Thank you to all who have donated so far. Your contributions make a positive impact within our community.

#### October Is Time to Thank a Principal

This month is National Principals Month. Each October, the National Association of Secondary School Principals, the National Association of Elementary School Principals, and the American Federation of School Administrators honors the hard work and dedication of America's principals. National Principals Month is a great opportunity to show appreciation to principals everywhere.

Principals are often taken for granted, and few people understand the long hours and hard work that are needed to run a school. Principals are accountable to the school district, to school staff, and to families — a balancing act that requires patience, compassion, and dedication. In addition, principals continually drive student achievement while maintaining a positive environment and managing school safety, family engagement, a wide range of students' needs, transportation, extracurriculars, and minor emergencies. Very often, the principal is the first person in the door in the morning and the last person to leave at night.

Virtual learning during the pandemic has brought new challenges to all our principals, who are working to support students, families, and staff as they navigate at-home learning. In MPS, we are hearing that virtual learning is working — but that principals miss seeing students and staff each day. Yet they

persevere and rise to the challenge of keeping education on pace until students and teachers can safely return to classrooms.

MPS is grateful for the dedication and commitment of our school leaders, especially during this everchanging school year.

#### MPS Families Can Pick up Free Fresh Produce Each Thursday in October

During October, Milwaukee Public Schools offered families free weekly produce bags at MPS Stop, Grab, and Go locations. Produce bags were provided during regular meal-distribution hours (11:00 a.m. through 1:30 p.m.) by the MPS Department of Nutrition Services through a grant from the United States Department of Agriculture's Fresh Fruit and Vegetable Program (FFVP). The FFVP is designed to promote healthful eating. It encourages adults to be role models for children by trying new fruits and vegetables together.

The FFVP's produce bags celebrated four cultures through food: Hispanic, European, Asian, and African American. Each produce bag offered fresh fruits and vegetables from around the world, nutrition facts, and ethnic recipes.

### Milwaukee Public Schools Receives Donation of Backpacks and School Supplies for Students

Milwaukee Public Schools announced the donation of 4,000 backpacks, courtesy of Educators Credit Union and assembled and delivered by Beyond Vision. These backpacks, stuffed with school supplies from BestEd, have been donated for MPS students who are experiencing homelessness.

Last school year, MPS's Homeless Education Program (HEP) identified 5,008 students experiencing homelessness within the district. HEP works with community partners such as Educators Credit Union, BestEd, and Beyond Vision, who offers a variety of career opportunities for the blind and visually impaired, to provide these students with supplies and to remove barriers that prevent full participation in school.

The donation from Educators Credit Union is worth \$80,000, which includes the backpacks and supplies for students. We thank our partners and our staff who continue to support our students.

#### MPS Celebrates 15 Years of AEDs Saving Lives in Schools

Milwaukee Public Schools is celebrating AEDs — automated external defibrillators, also known as AEDs — which are portable devices capable of starting a person's heart during an episode such as a heart attack. MPS has had AEDs in schools for 15 years.

AEDs are easy to use and can be operated with little or no training. Since AEDs have been placed in MPS schools, nine lives have been saved — two children and seven adults — including one in 2019.

MPS placed AEDs in schools through the HeartSafe Schools program. The program, in partnership with Children's Wisconsin, the Milwaukee Fire Department, and Project ADAM, places AEDs, provided professional development for district staff, and offers drills to keep schools prepared for emergencies.

In 2005, the first AEDs in MPS were installed at Bradley Tech and Washington High Schools, the only locations with full-time nurses. Within two years, with assistance from the Wisconsin Masonic Foundation and other fundraising efforts, AEDs were placed in every MPS school. MPS currently has 225 AEDs throughout the district, with at least one in each of 156 school sites.

In MPS, 22 CPR/AED instructors provide professional development to Code Blue teams, the name for first responders in the school setting. Every year, at least 70 CPR classes are provided to MPS staff, and the school Code Blue teams' leaders run at least four drills per school year to monitor reaction time and to increase chances of survival. All MPS safety assistants are also certified via the Heart Saver CPR/AED Program.

The goal for MPS is to have all sites designated as HeartSafe Schools, meaning that a cardiac plan is in place and a knowledgeable team of community members and professional staff are ready to respond with up-to-date equipment. AEDs for MPS cost just under \$700 for a new unit and around \$150 to maintain per school year. From the program's inception until now, the Wisconsin Masonic Foundation has provided the funds to replace 23 aging-out AEDs in MPS buildings. Currently, 195 AEDs are aging out and will need replacement.

The MPS HeartSafe Schools program has been represented at multiple national conferences as a model of a high-quality AED program in an urban school district.

#### Virtual Enrollment for MPS High Schools and Middle Schools Is Open September 26-November 1, 2020

Enrollment for MPS high schools and middle schools for Fall 2021 opened on September 26 and will continue through November 1, 2020. Families are encouraged to research schools, to attend virtual openhouse events, to learn about programs and transportation, and to find the best fit for their students' needs, such as bilingual programs, art, music, college prep, career pathways, special education, and more.

Enrolling during the Early Admissions timeframe improves the chances of students getting their first-choice schools. Families of students applying for schools with selection requirements must submit required information by the November 1 deadline.

All enrollment activities will be conducted virtually this year due to building closures during the pandemic.

For more information on enrollment, call the district enrollment office at (414) 475-8448, email the enrollment manager at spidelmg@milwaukee.k12.wi.us, or visit our enrollment Frequently Asked Questions page.

#### We Energies Information Sessions for Youth Apprentices and Interns

We Energies is looking for students to train as line mechanic or gas technician interns, or as natural-gas-design youth apprentices. These opportunities allow students to get paid while still in high school.

#### Line Mechanic Intern

Maintain power lines and climb electrical poles. Learn about electric distribution, basic electric theory, safety, and materials and operations.

#### Gas Technician Intern

Maintain equipment, repair leaks, and troubleshoot problems with natural gas lines. Understand how natural gas is used in homes and businesses.

#### Natural Gas Design Engineer Youth Apprenticeship

Work 900 paid hours and learn natural-gas design and engineering concepts. Design construction prints and see them implemented on job sites. Earn up to 12 college credits transferable to MATC.

For more information on these opportunities, contact Tamera Coleman at colemat@milwaukee.k12.wi.us and complete the We Energies Internship application by November 2, 2020, at mpsmke.com/we-energiesapp.

#### Design Engineer Youth Apprentice

For more information on this opportunity, contact Terri Salzer at salzertj@milwaukee.k12.wi.us and fill out the Wisconsin Youth Apprentice application at mpsmke.com/yaapp.

#### Completing the Free Application for Federal Student Aid (FAFSA)

High-school seniors should begin the process of applying for financial aid for college. The first step is to fill out the Free Application for Federal Student Aid (FAFSA). This application, which determines eligibility for grants and loans, is used by colleges across the country to develop each student's financial-aid package.

MPS has College and Career Centers in 20 high schools to help students fill out the FAFSA, to explore colleges, to write essays, and to complete college applications. Virtual access varies by school. MPS students can contact any College and Career Center to get the help they need from a college and career advisor. For more information about College and Career Centers' locations, hours, and services, visit the MPS College and Career Centers page.

College Goal Wisconsin is offering free virtual sessions so students can receive information and assistance in completing the FAFSA. Students can register at https://collegegoalwi.org/register/ to sign up for November 4 or November 11.

FAFSA for the 2020-21 school year opened on October 1, and more money is sometimes available to early applicants. Students who wish to fill out the FAFSA should visit this website to avoid being charged a fee: https://studentaid.ed.gov/sa/fafsa.

### (Item 1) Action on the Election of a Delegate to the Wisconsin Association of School Boards (WASB)

The Board postponed consideration of this item until its regular meeting in November 2020.

\* \* \* \* \*

### (Item 2) Update on Legislative Matters or Related Issues Concerning Milwaukee Public Schools

#### **Background**

The updates here in writing are being provided on the morning of Tuesday, October 20, 2020. Given the rapid speed with which policy is changing in the midst of the COVID pandemic, revisions and further updates will be provided at the convening of the Board's meeting at the end of October.

Two weeks from the election and with COVID-19 infection rates spiking in the state and across the country, negotiations over the next round of needed federal stimulus funding continue to be stalled. Speaker Nancy Pelosi has stated that October 20 is the final deadline date to come to terms on a fiscal package before the general election.

The Wisconsin State Legislature has not met since April 15, 2020.

It is anticipated that the Wisconsin Department of Public Instruction will introduce its public-instruction budget request for the upcoming biennium in the first weeks of November. The funding situation for education and for the state in general is highly fluid and will change significantly if federal stimulus funds are secured. It is clear that near-term, significant federal stimulus policy will be needed to support the economy and K-12 education. The Department of Public Instruction's budget proposal will likely be introduced in a context in which federal dollars have not been secured. That context, and the potential budget for K-12 education, could significantly change by February, 2021.

Over the past few months, the Evers administration has done significant work to limit spending and to reduce costs in order to avoid the need for a budget-repair bill. Those efforts have helped to protect school districts from cuts that could have otherwise occurred with a budget-repair bill. Revenue updates will continue to provide information as to whether a repair bill will be needed as we enter the last half of the fiscal year.

Due in large part to the influence of the pandemic, public schools' enrollment levels are down by roughly 21,000 students, compared with what would otherwise have been expected based on data from prior years. Over the next several years, the fiscal consequences of this undercount will be massive, and it is anticipated that a large majority of those students will, in fact, return to school. 21,000 students suddenly absent from count records is the rough equivalent of the entire school district of Green Bay (21,865 students in FY19), Kenosha (21,404 students in FY19), or Racine (19,590 students in FY19) simply disappearing for an entire year.

In blunt, revenue-limit financial terms, 21,000 students multiplied by an average revenue limit perpupil of \$10,677 (FY19) equals \$224,217,000. The reverberations of the precise financial impact will play

out over the next several years if not attended to by the state. Wisconsin's school-finance system is simply not designed to the overwhelming impact of a pandemic, and state assistance will be needed.

### REPORTS AND COMMUNICATIONS FROM THE OFFICE OF ACCOUNTABILITY AND EFFICIENCY

### (Item 1) Monthly Report, with Possible Action, on Activities within the Office of Accountability and Efficiency

#### **Background**

The Office of Accountability and Efficiency (OAE) was established to enhance transparency, oversight, and accountability to the District's financial operations; to evaluate fiscal performance; and to recommend solutions in furtherance of fiscal stewardship of Milwaukee Public Schools. Each month, the OAE's monthly report will provide a highlight of one area of the OAE's Work Plan and on the Work Plan's progress from the previous month.

#### **Monthly Report**

The Office of Accountability and Efficiency's (OAE) Report provides the Milwaukee Board of School Directors and the public with an update on current activities in service areas headed by the Senior Director of the OAE:

- Accountability and Transparency Services
- Process Improvement and Efficiency Services
- Contract Compliance Services.

The following report includes activities from late September through mid-October.

#### Work Plan Highlight: Requests for Information/Research

The Office of Accountability and Efficiency routinely receives requests for information, including research requests. Examples include requests for sending and receiving reports, employee demographics reports, and vendor cost/spending information.

The OAE, which had completed 48 requests for research/information in FY20, has completed 20 requests for research/information to-date in FY21.

#### **Accountability and Efficiency Services**

Between September 15, 2020, and October 20, 2020, Accountability and Efficiency Services fulfilled six requests for research/information, three constituent inquiries, and two requests for independent hearing

officer's (IHO's) assignment. Additionally, Accountability and Efficiency Services completed three special projects.

During the reporting period, Accountability and Efficiency Services also continued to work on transitioning the day-to-day management of the Principal's Landing Page to the Department of Research, Assessment, and Data. This transition will not cause any interruption in service and is anticipated to be completed by the end of 2020. Once transitioned, the OAE will continue to provide technical assistance and functional enhancements as needed.

Accountability and Efficiency Services also continued to support the District's implementation of Administrative Policies 3.09 and 6.35.

#### **Contract Compliance Services**

This month, Contract Compliance Services (CCS) continued to work collaboratively with the Administration and the Office of Board Governance on implementation of Resolution 2021R-008, regarding establishing a code of conduct for outside contractors and their employees. This work includes drafting a new administrative policy and corresponding procedure for presentation to the Board upon completion.

Contract Compliance Services also continued to support the District's implementation of Administrative Policies 3.10 and 3.13.

(Item 3) Action on a Request for an Early Start Date for Ronald Wilson Reagan College Preparatory High School (Grades 9-12), Rufus King International High School (Grades 9-12), and Casimir Pulaski High School (Grades 9-12) for the 2021-22 School Year

#### **Background**

4

Hispanic

2001 Wisconsin Act 16 requires school boards to start school terms after September 1, unless a school board submits a request to the Wisconsin Department of Public Instruction (DPI) stating the reasons why it would like the school term to start earlier. DPI may grant a request if it determines that there are compelling reasons for doing so.

By approving the Administration's recommendation, the Milwaukee Board of School Directors will move to submit a request to the DPI for an early start date (no earlier than August 2, 2021) for the 2021-22 school year for Ronald Wilson Reagan College Preparatory High School, Rufus King International High School (grades 9-12), and Casimir Pulaski High School. All three schools have requested early start dates for the 2021-22 school year because the post-September 1, 2021, start date conflicts with the curricular requirements of the International Baccalaureate (IB) program.

The district made this request on behalf of these schools for the 2020-21 school year, which DPI granted.

#### **Strategic Plan Compatibility Statement**

Goal 1, Academic Achievement

### Statute, Administrative Policy, or Board Rule Implication Statement

#### **Fiscal Impact Statement**

The item does not authorize expenditures. Ronald Wilson Reagan College Preparatory School, Rufus King International High School (grades 9-12), and Casimir Pulaski High School agree to pay any additional costs incurred as a result of this unique school year.

#### Implementation and Assessment Plan

Upon approval by the Board, the Administration will submit a request to the DPI prior to the January 1, 2021, deadline for an early start date for the 2021-22 school year for Ronald Wilson Reagan College Preparatory High School, Rufus King International High School (grades 9-12), and Casimir Pulaski High School.

#### Committee's Recommendation

Your Committee recommends that the Board approve this request for an early start date (no earlier than August 2, 2021) for Ronald Wilson Reagan College Preparatory High School, Rufus King International High School (grades 9-12), and Casimir Pulaski High School, and direct the Administration to submit a request to the Wisconsin Department of Public Instruction prior to the January 1, 2021, deadline for an early start date for the 2021-22 school year for Ronald Wilson Reagan College Preparatory High School, Rufus King International High School (grades 9-12), and Casimir Pulaski High School.

### (Item 4) Report with Possible Action on Strategies Used to Maximize Fiscal Year 2020-21 State Aid

Your Committee reports having received the following report from the Administration. Although this item has been noticed for possible action, no action is required.

#### **Background**

One of the board-approved budget parameters each year is to maximize the amount of state aid which the district receives. Maximizing state aid decreases the amount of local property taxes needed to fund the district.

There are three district factors that are used in the calculation of State General Aid, which is also called Equalization Aid: equalized property value, membership, and spending (shared cost) from the prior year. Shared cost can be defined as the expenditures for which the district has no other revenues except for local property tax and Equalization Aid. When the district increases spending in these two categories, it helps maximize the amount of State Equalization Aid the district will receive the next year.

Administrative Policy 3.11 gives the Office of Finance authorization to oversee investment decisions. The district has board-approved investment policies that include Other Post-Employment Benefits (OPEB) and the Long-term Capital Improvement Trust Fund (Fund 46)

The district invested in both OPEB and the Long-term Capital Improvement Trust Fund in fiscal year 2020. That investment counts toward shared costs. The shared costs then help maximize State Equalization Aid in fiscal year 2021.

Goal 3, Effective and Efficient Operations

### Statute, Administrative Policy, or Board Rule Implication Statement

Administrative Policy 3.11, Investment Policy

#### **Fiscal Impact Statement**

This item reports on expenditures made in the amount of \$13,000,000 to Other Post-Employment Benefits (OPEB) and \$6,000,000 to the Long-term Capital Improvement Trust Fund to increase our eligibility for State General Aid in fiscal year 2020-21 through our fiscal year 2019-20 shared costs.

# (Item 5) Action on a Request to Carry Over FY20 School Deficit and Surplus Amounts Background

A school leader takes the lead responsibility for spending in accordance with his/her school's budget. A school's overall deficit balance occurs at the end of a fiscal year when total expenditures exceed the total authorized funding amount in non-position costs. A school's overall surplus balance occurs at the end of a fiscal year when total expenditures are less than the total authorized funding amount in non-position costs.

A school's spending is tracked monthly by the school leader and the Administration. The Administration and school leader are alerted to potential problems, and where warranted, controls to limit a school's spending are put in place to mitigate risk.

According to Administrative Policy 3.05, concerning schools' deficits or surpluses, year-end deficits or surpluses incurred shall be carried over into the next year. Surpluses have been limited to \$5,000 per school except as adjusted by contract for instrumentality charter schools.

#### **Strategic Plan Compatibility Statement**

Goal 3, Effective and Efficient Operations

### Statute, Administrative Policy, or Board Rule Implication Statement

Administrative Policy 3.05, Fund Carryover

#### **Fiscal Impact Statement**

Approval of the deficit carryover will result in each school's paying back its deficit within three to five years. Surpluses are available to the school to use during the following year. The total deficit among schools is \$864,788. About \$288,263 will be paid back in the first year. \$646,530 will be carried over as a surplus to be used by the school.

#### Implementation and Assessment Plan

Upon the Board's approval, the adjustments will be made to school budgets.

#### Committee's Recommendation

Your Committee recommends that FY20 school deficit and surpluses, as noted above, be carried over, and that schools with deficits from FY20 pay back the amounts within three to five years, but no later than five years.

Approved with the roll call vote on the Reports of the Standing Committees.

(Item 6) Action on Monthly Finance Matters: Report on Emergency Purchases Due to COVID-19 and Change Orders in Excess of \$25,000 and Cumulative Purchases in Excess of \$50,000; Acceptance of the Report on Revenues and Expenses; Monthly Expenditure Control Report; Report on Contracts under \$50,000 and Cumulative Total Report; Report on Monthly Grant Awards; Acceptance of Donations

### Report on Change Orders in Excess of \$25,000

In compliance with Administrative Policy 3.09(10)(e)1, the Administration is reporting change orders to existing contracts whose collective net value exceed \$25,000. This is an informational item, and no action is required.

#### Contract: C029235

Walk on Water Consulting, Inc.

On January 1, 2020, the Administration requested authorization to enter into a contract with Walk on Water Consulting, Inc., for PeopleSoft support and upgrades. Additional funds in the amount of \$94,000 are now necessary to increase the contract due to the contract's initially having been scheduled to be a 12-to18-month project for which the funds would span over that longer term. The project has progressed much faster than anticipated and has a "go-live" for October 2020. The funds include regular support from the contractor on routine PeopleSoft consulting work.

| Original Contract Amount:\$ | 198,500.00 |
|-----------------------------|------------|
| Increase <u>\$</u>          | 94,000.00  |
| Adjusted Contract Amount:\$ | 292,500.00 |

### Report on Emergency Purchases Due to COVID-19

In compliance with Administrative Policy 3.09(14)(c), the Administration is reporting emergency purchase orders with multiple vendors for products related to the COVID-19 pandemic. Due to the emergency nature of these procurements, these purchases were not previously approved by the Board.

| Vendor                  | PO Number | PO Total    | Description of Goods/Services | Procurement Basis |

Authorization to Contract with the Board of Regents of the University of Wisconsin System on Behalf of the Wisconsin Center for Educational Research (WCER) for **Grant-evaluation Services** 

The Administration is requesting authorization to enter into a contract with the Board of Regents of the University of Wisconsin System on behalf of the Wisconsin Center for Educational Research (WCER) for grant-evaluation services. Contractor will be used to provide and conduct a mixed-method evaluation featuring both qualitative and quantitative analyses by evaluators from the Wisconsin Evaluation Collaborative (WEC) and the WCER at the University of Wisconsin-Madison. Services will be provided to Milwaukee Public Schools' Office of Academics, Department of Curriculum and Instruction.

The exception from the requirement of a competitive procurement process for this contract has been granted on the basis that the services under this contract are required pursuant to the Jacob K. Javits Gifted and Talented Students Education Program grant (Administrative Policy 3.09 (2)(c)).

The evaluation will be led by Dr. Annalee Good with assistance from a team of evaluators with specific expertise in evaluating advanced learning initiatives as well as best practices in programmatic implementation. The team will provide both formative and summative feedback to the program manager and to the programming team, with the ultimate priority of improving the implementation and impact of the initiative.

The contract will run from November 1, 2020, through September 30, 2021, (the "Initial Term") with one additional one-year option to extend.

The total cost of the contract in the Initial Term will not exceed \$69,000.

Authorization to Increase Funds for the Agreement with the Bicycle Federation of Wisconsin for Bicycle and Walking Safety Programs

The Administration is requesting authorization to increase expenditure authority for an agreement with the Bicycle Federation of Wisconsin in furtherance of a grant obtained from the State of Wisconsin's Department of Transportation. The contract coordinator and staff will teach MPS children at MPS sites how to walk and to bike safely within the school community. The coordinator will schedule and teach biking and walking units entitled "Walking Wisdom" and "Bike Driver's Ed," which include both in-class and outdoor components and rides. The contractor is working with MPS to provide virtual learning and following the CDC's guidelines for any in-person learning, including social distancing and wearing masks. The contractor

will also coordinate the repair and maintenance of a fleet of used bikes through the Valid Bike Shop Program, currently located inside North Division High School.

Due to high population density, mixed-use zoning, and schools embedded in neighborhoods, Milwaukee has a good environment for increased walking and biking. In addition, the Milwaukee Common Council recently passed the Complete Streets resolution, which was designed to make walking and biking safer and, thus, to increase the likelihood of youth needing the education in pedestrian and bike safety.

Since its inception in 2005, more than 25,000 students have participated in the program, and it has shown a 14% increase in safety knowledge. There has been an increase in walking and biking by as much as 22% in some neighborhoods.

The exception from the requirement of a competitive procurement process for this contract has been granted on the basis that the services under this agreement are required pursuant to a grant obtained from the State of Wisconsin's Department of Transportation (Administrative Policy 3.09(2)(c)).

This current intergovernmental agreement's term runs from July 1, 2019, through June 30, 2021. While the agreement attached to the minutes of your Committee's meeting reflects two years, the Administration requests consent to implement the second year along with expenditure authorization for the State's Fiscal Year 2020-21 ("SFY20") in the amount of \$205,440 to be added to this agreement for the services during this term.

### (Item 12) Report with Possible Action on Central Region Staffing

Your Committee reports having received the following report from the Administration. Although this item has been noticed for possible action, no action is required.

## **Background**

On June 25, 2020, Resolution 2021R-005 was introduced and referred to the Committee on Accountability, Finance and Personnel.

- WEREAS, In response to the COVID-19 pandemic, the Milwaukee Public Schools (MPS) has the responsibility to provide an environment that addresses the safety concerns of our students, staff, and families; and
- WHEREAS, In August of 2017, the Milwaukee Board of School Directors adopted Administrative Policy 1.06, Equity in MPS, which states, in part:
  - (a) The Milwaukee Board of School Directors is committed to the success of every student, regardless of race, ethnicity, family economics, mobility, gender identity, sexual orientation, disability, or initial proficiencies. The Board holds itself and all district and school-site decision makers, faculty, and support staff accountable for building a district-wide culture of equity.

and

- WHEREAS, The principals, teachers, and staff of the schools in MPS's Central Region which encompasses the 53205, 53206, 53208, 53210 ZIP Codes among others are committed to providing quality educational opportunities to their students, who are some of the most vulnerable children not only in the city or state, but in the country; and
- WHEREAS, Schools in the Central Region specifically the schools in the 53206 ZIP Code, have historically been understaffed, and the vacancy rate in this region remains one of the highest in the school district; and
- WHEREAS, The schools in the Central Region experience a high rate of staff absenteeism among teachers, which is detrimental to our day-to-day instruction and to the safety and wellbeing of our staff and students; and
- WHEREAS, Substitute teachers historically have been reticent to accept positions in this Region, especially in the schools located in ZIP Codes 53205, 53206, 53208, and 53210; and
- WHEREAS, If school buildings are to be reopened for either in-person or physically-distanced learning during the COVID-19 crisis, MPS must ensure that all schools have reduced student-to-adult ratios; and
- WHEREAS, As the MPS community comes together to move forward in its efforts to support equity, the unique needs of the Central Region must be a major focus both during and after the COVID-19 crisis; now, therefore, be it
- RESOLVED, That the MPS Office of Human Resources is hereby directed to give priority in filling vacancies to the schools in the Central Region; and be it
- FURTHER RESOLVED, That substitute teachers shall be assigned as "floaters" at specific schools in the Central Region i.e., they shall be required to work at their assigned schools for a specified period of time to ensure that there are sufficient adults in each school to provide the required supervision; and be it

- FURTHER RESOLVED, That the current paraprofessionals assigned to schools in the Central Region shall be offered 40-hour-per-week positions, which will allow them to be in the school buildings for more hours in order to reduce the student-to-adult ratios; and be it
- FURTHER RESOLVED, That Central Office staff be assigned specifically to assist in Central Region schools on a day-to-day basis; and be it
- FURTHER RESOLVED, That Central Region schools shall be given priority in developing partnerships which will ensure that these schools will have additional adults to support them; and be it
- FURTHER RESOLVED, That MPS shall give priority to filling vacancies in the Central Region and to providing extra staffing support to the specialist that works with the Central Region, including diverting Central Services staff from other responsibilities as needed to support this work; and be it
- FURTHER RESOLVED, That MPS shall offer develop incentives for teachers who select and commit to three-year assignments in the Central Region; and be it
- FURTHER RESOLVED, That MPS shall strive to ensure that 80% of the incentivized positions in the Central Region will be filled by teachers of color; and be it
- FURTHER RESOLVED, That a portion of the funding allocated to strengthen MPSU (Milwaukee Public Schools University) shall be used to support paraprofessionals who are serving in the Central Region in getting certified as teachers; and be it
- FURTHER RESOLVED, That the Administration shall present its analysis of, and recommendations regarding, this Resolution at the Milwaukee Board of School Directors' regular meeting of July 2020.

The Board discussed this resolution at its meetings on July 30 and September 24, 2020, at which time the Administration provided additional analysis as requested by the Board.

At the its meeting on September 24, 2020, the Board approved a motion to send the resolution back to committee. The motion also included direction to the Administration to form a task force to review possible revisions in current policies or procedures to increase the recruitment and long-term stability of employees working in hard-to-staff schools. The work is to include, but not be limited to, the current school transfer and interview processes, possible incentives, and the need to ensure that building leaders are collaborative and practice shared leadership.

The Administration has worked to begin formation of the task force, which includes the following:

- Annie Woodward, Board Member, District #4
- Mr. Calvin Fermin, Deputy Superintendent (Chair)
- Dr. Carletta Noland, Regional Superintendent, Central Region (Vice-chair)
- Ms. Felice Beal, Instructional Leadership Director, Central Region
- Ms. Kirsten Brown, Principal, Gaenslen School
- Parent, Gaenslen School
- Mr. Keith Carrington, Principal, North Division High School

- Parent, North Division High School
- Student, North Division High School
- Ms. Tiffany Fisher, Principal, Roosevelt Middle School
- Parent, Roosevelt Middle School
- Student, Roosevelt Middle School
- Dr. Christlyn Frederick-Stanley, Principal, Keefe Avenue School
- Parent, Keefe Avenue School

- Ms. Rhoda Jones-Goodwin, Principal, Manitoba School
- Parent, Manitoba School
- Ms. Debra Rash, Principal, Maple Tree School
- Parent, Maple Tree School
- Mr. Ben Ward, Milwaukee Teachers' Education Association
- Ms. Pepper LaMothe, Manager, Talent Management
- Ms. Bernadine Cosey, Talent Management Specialist

The first virtual meeting of the task force is scheduled for later in October. The focus of the first meeting will be to familiarize participants with the resolution and the focus of the task force as detailed in the motion that was approved by the Milwaukee Board of School Directors on September 24, 2020. The Administration will continue to report to the Board on a monthly basis.

#### (Item 13) Report with Possible Action on the School Nutrition Program

Your Committee reports having received the following report from the Administration. Although this item has been noticed for possible action, no action is required.

#### Background

On December 21, 2017, the Board adopted Resolution 1718R-004 regarding the MPS School Nutrition Program and directed that updates on the implementation of the resolution be shared with the Board. In addition, on October 31, 2019, the Board adopted Resolution 1920R-002, also regarding the MPS School Nutrition Program, and directed that annual updates on breakfast participation be brought to the Board.

Despite the COVID-19 pandemic, School Nutrition Services remained focused on serving students with healthy, nutritious meals through the district's Stop, Grab & Go distribution sites. The district has increased the number of distribution site locations from 25 in Spring 2020, to 50 starting with the 2020-21 school year. We have also expanded the meal-distribution time since the beginning of the 2020-21 school year to allow greater flexibility for families. In addition, we are continuing to explore options to extend the meal distribution times.

School Nutrition Services (SNS) has served more than 1.6 million meals since March 15, 2020. Additionally, we have helped various organizations with distributing a variety of donations, including food boxes, masks, and hygienic items.

School Nutrition Services proudly participates in the USDA's Fresh Fruit & Vegetable Program (FFVP), in which MPS students and children under 18 can participate. During October 2020, different cultures are being celebrated through the Fresh Fruit & Vegetable Program. Produce bags with nutritional facts and recipes are being distributed to families.

## Administration's Report

#### Stop, Grab & Go Sites

25 locations opened on March 15, 2020. This was increased to 50 locations on September 1, 2020. Service hours initially were 11:00 a.m.-1:00 p.m., then were extended to 11:00 a.m.-1:30 p.m.

#### Meals Distributed

1,680,146 meals have been served since March 15, 2020.

# (Item 2) Report with Possible Action Regarding Bilingual Education and the District Multicultural Multilingual Advisory Council (DMMAC)

Your Committee reports having received the following report from the Administration. Although this item has been noticed for possible action, no action is required.

### **Background**

In June 2014, the Milwaukee Board of School Directors adopted Resolution 1415R-003 regarding bilingual multicultural education. The Board's action promotes bilingualism through the implementation of essential aspects to enhance our one-way and two-way dual-language programs.

Our goals related to bilingual education are that students graduate academically prepared in English and Spanish, conversant in other languages, and capitalize on the cultural and linguistic backgrounds of all English Learner students (Els).

Another important component of the Board's action is encouraging the participation of parents, staff, and other community stakeholders. To that end, the District Multicultural Multilingual Advisory Council (DMMAC) is supporting these efforts.

Since the Board's action, district staff has been working with the community to implement the resolution. The following presentation will provide a brief overview regarding progress and next steps as well as a DMMAC update.

## Administration's Report

#### **MPS Bilingual Schools**

- 13.026 students
- 20 schools
- 35.3% English-language learners

- 23.1% students with disabilities
- 79.5% economically-disadvantaged
- 0.4% American Indian
- 4.0% Asian
  - 21.9% Black
- 68.0% Hispanic
- 0.1% HI/Pl
- 1.8% Two or More
- 3.8% White

## **Bilingual Multicultural Education Department**

#### Mission

The mission of the Department of Bilingual Multicultural Education is to provide equitable access to quality multilingual and multicultural programming in Milwaukee Public Schools.

#### Vision

MPS students graduate with strong cultural and linguistic identities, leveraging these assets to navigate college, career, and life as global citizens in an inclusive society.

## Fundamentals: Resolution 1415R-003

- Bilingual expansion and programming
- Parent engagement and marketing
- District Multicultural Multilingual Advisory Council (DMMAC)
- Seal of Biliteracy
- Professional development to schools

# (Item 3) Report with Possible Action Regarding Data and Progress Associated with the Office of Civil Rights (OCR) Report

Your Committee reports having received the following report from the Administration. Although this item has been noticed for possible action, no action is required.

#### **Background**

In 2014-15, the U.S. Department of Education's Office for Civil Rights (OCR) conducted a biennial review of data and discovered a disproportionality of African American students having received referrals, suspensions, and other disciplinary actions.

The Administration has been working with the OCR to fulfill ten agreed-upon action items to ensure the equity of discipline measures within the District and compliance with the Title VI of the Civil Rights Act of 1964, 42 U.S.C. 2000d (Title VI), and its implementing regulation, 34 C.F.R. Part 100, which prohibit discrimination based on race, color, or national origin by any recipient of federal financial assistance.

At your Committee's meeting on September 8, 2020, the Administration provided a report regarding the submission of the district's end-of-year report to the OCR. At its regular meeting on September 24, 2020, the Board took action to direct the Administration to report monthly on progress relative to the ten agreed-upon action items, as well as to report on suspensions, expulsions, and referrals. The requested information can be found below.

### **Administration's Report**

Below you will find an update of activities within each of the 10 requirements with Resolution #05-14-5003 with The Office of Civil Rights.

## Requirement — Designation of Responsible Employee

Completed.

# Requirement 2 — Early Identification of Students At-risk for Behavioral Difficulties and Early Intervention

Ongoing implementation of the multi-tiered system of behavioral support continues districtwide in an effort to identify students at risk for behavioral difficulties. All schools are documenting behaviors and supports within PLP Classroom Behavior in Infinite Campus. Schools utilize this data to identify school-wide supports and individual students who are in need of greater support.

## Requirement 3 —Outreach to Students

All schools were informed through the district's Thursday Updates that they were required to establish a Student Discipline Committee. On August 28, 2020, during their monthly collaboration meeting, middle-and high-school principals were given a brief overview of the discipline committees' role and expectations for the year. Student Discipline Committees' facilitators received professional development on expectations for the committees and best practices on August 28, 2020. Additionally, a make-up session for committee facilitators was offered on September 2, 2020.

The committees' facilitators are supported by the District Discipline Manager, as well as the following departments: Black and Latino Male Achievement (BLMA); Equity and Inclusion; Student Services; and, Violence Prevention. A Student Discipline Committee Facilitators' networking site has been created with links to best practices, examples, mini lessons, articles, and other districtwide supports.

As of October 9, 2020, each traditional middle and high school has established a Student Discipline Committee. All schools have submitted the name of their committee facilitators and details of how students were recruited in alignment with the resolution agreement with the Office of Civil Rights. During the month of September, 14 schools held meetings of their Student Discipline Committees, also in alignment with the resolution agreement with the Office of Civil Rights.

The fall Student Leadership Summit will occur virtually on November 13, 2020. This is one of two Leadership Summits planned for the 2020-2021 school year.

## Requirement 4 — Outreach to District Staff

Schools were instructed to establish Discipline Work Groups to address disproportionality, school climate, and culture. Each school was required to identify a Discipline Champion to serve as the facilitator of the group.

The Discipline Work Group and Discipline Champions are supported by the District Discipline Manager as well as by the following departments: Black and Latino Male Achievement (BLMA); Equity and Inclusion; Student Services; and, Violence Prevention. Discipline Champions consistently receive a monthly informational update and a weekly email with best practices as an effort of continuous support.

Discipline Champions can seek support during the Discipline Manager's weekly office hours or seek guidance/support from the following departments: Black and Latino Male Achievement (BLMA); Equity and Inclusion; Student Services; and, Violence Prevention. An online networking site has been established to provide ongoing support and resources.

#### Requirement 5 — Outreach to Community Members

A draft flyer for community conversations has been created, with the first community conversation to be held on November 4, 2020, at 6:00 p.m. The conversations will be virtual, with a short presentation regarding updates with the resolution work and then a discussion on the following questions:

- What about our progress excites you? What concerns you?
- Where do you see opportunities to impact this work?
- What supports should be brought to the table to assist our students/staff/community in this work?

In collaboration with a grant with the Wisconsin Humanities Council's Project Community CARE (Collaboration Around Racial Equity), the district will be launching a variety of activities throughout the 2020-2021 school year. The first collaborative activity will be a virtual screening of the documentary *Milwaukee 53206*, followed by a solutions-based roundtable discussion on November 11, 2020. Community members will also have the opportunity to join a book cohort reading either *Educating Milwaukee or Pushout: The Criminalization of Black Girls in Schools*.

#### Requirement 6 — Policies, Practices and Procedures

Updates to our district code of conduct were submitted to Office for Civil Rights in February 2019, and we are awaiting response from their office.

#### Requirement 7 — Staff Training

The district informed all Discipline Champions, principals, and school leaders through Thursday Updates that they were required to watch a self-paced introductory module, Addressing Disproportionality of Discipline Introduction, to prepare for the opening week of professional development associated with the 2020-2021 school year.

All school leaders were required to provide time during opening week for all staff members to complete the self-guided modules and the check for understanding. Content included directions for documenting students' behaviors, understanding disproportionality, and the five best practices for reducing disproportionality.

## Requirement 8 — Data Collection

Completed

#### Requirement 9 — Data Evaluation

Below are all behavior events documented across the district as of October 12, 2020. The column on the far left lists administrator resolutions used by school leaders. Some behavior events may have more than one administrator resolution.

#### Requirement 10 — Implementation Plan

The following departments have been collaborating on the Implementation Plan: Black and Latino Male Achievement (BLMA); Equity and Inclusion; Student Services; and, Violence Prevention. A monthly District Discipline Disproportionality Leadership Team has been meeting to review monthly data, to discuss updates from all departments, and to create next steps.

There are multiple cohorts of staff members — including school administrators, centralized staff members, and several school-based cohorts — engaging in a book study on Glenn Singleton's Courageous Conversations About Race. Another cohort is reading and discussing Ibram X Kendi's book How to Be an Antiracist. Eighteen new educators will start a monthly cohort in October using The New Teacher Book published by Rethinking Schools.

All schools are continuing implementation of the Wisconsin Department of Public Instruction's Culturally-responsive Problem-solving model. This includes the creation of a variety of standard operating procedures for teams to utilize to implement the model and to interrupt bias in data-based decision making.

Self-paced modules focused on the five research-based best practices were created for staff members to engage in through Google Classroom. During the opening week of the 2020-2021 school year, all school psychologists completed the five modules. A presentation regarding the role of bias and systemic racism in discipline was presented to all school social workers and social work assistants.

A self-paced comprehensive module going over the Antiracist Universal Supports has been created for interested staff members districtwide. In addition, staff members can sign up through LMS to attend an all-day virtual professional development session.

#### REPORT OF THE COMMITTEE ON STUDENT ACHIEVEMENT AND SCHOOL INNOVATION

Director Báez presented the following report for the Committee on Student Achievement and School Innovation:

TO THE BOARD OF SCHOOL DIRECTORS:

Your Committee on Student Achievement and School Innovation presents the following report:

# (Item 1) Action on Approval of Areas to be Opened for Textbook Study for the 2021-2022 School Year

## **Background**

MPS Administrative Policy 7.26 and Administrative Procedure 7.26, Textbooks/Instructional Materials Adoption, provides that, as adoptions near expiration, the Administration shall report the subject areas, along with the titles of the textbooks/instructional materials for which adopted textbooks/instructional materials have been in use seven years or more and may be discontinued at the end of the following school year.

In order to provide for inclusion and alignment to the district's Ambitious Instruction 3.0 plan, general criteria for the evaluation of textbooks/instructional materials are provided to the textbooks/instructional materials-evaluation committees. These criteria include availability of Spanish partner language and high-quality materials for use in bilingual classrooms; alignment to the district's literacy and language-development goals; and alignment to adopted standards and graduation requirements. In addition, each evaluation committee will develop its own specific criteria applicable to the subject area under consideration.

The Administration may also recommend opening any subject areas for adoption study in which no textbook adoption is in effect, but in which an adoption is considered desirable.

Every student has the need for, and right to, textbooks/instructional materials that support learning and achievement. Since 2018, MPS has worked to develop and refine a comprehensive plan to improve student outcomes. The plan has two main elements: Five Priorities for Success, a series of organizational-wide strategies to reinforce key efforts; and a regional development effort to increase the number of high-performing seats throughout the district while creating learning pathways for students and families and also improving the capacity of quality community-support activities. The Milwaukee Board of School Directors' goals — Student Achievement and School Improvement; Parent and Community Engagement, and Strategic Planning and Budget — guide all district efforts.

The Administration is recommending opening the following subject areas for adoption study during the 2020-21 school year, as these proposed science resources are obsolete for the grade levels and courses indicated:

- science (gr. k-8)
- high-school anatomy and physiology
- high-school biology
- high-school botany
- high-school chemistry
- high-school earth science
- Advanced Placement biology
- International Baccalaureate biology 1 & 2

Due to the significant number of students with print disabilities, MPS needs to ensure that alternative formats (audio, large print, Braille, digital, accessible web-based, site license for electronic access), as well as supplemental intervention resources, are available at the time of the adoption of new textbook/instructional materials. Publishers will be requested to provide information about availability of the abovementioned formats

## Statute, Administrative Policy, or Board Rule Implication Statement

Administrative Policy 7.26, Textbooks/Instructional Materials Adoption

## **Fiscal Impact Statement**

This item does not authorize expenditures. The estimated cost of implementing the textbook adoption for these areas is \$16,435,600.

#### **Implementation and Assessment Plan**

The procedures listed below will be implemented following the Board's action with respect to opening subject areas for textbook adoption study.

When a subject area is to be opened for adoption, an evaluation committee led by a curriculum specialist, shall be established to study and evaluate available materials and make recommendations to the Superintendent concerning textbook/instructional materials adoptions for the subject areas.

- 1. Principals and teachers will be notified.
- 2. Parents will be notified and invited to serve on the parent advisory committee for the evaluation of textbook/instructional materials. In addition, community organizations such as the District Advisory Committee, La Causa, United Community Center, NAACP and Urban League will be invited to send parent representatives. In an effort to further increase parental involvement in the process of the evaluation of textbook/instructional materials, the Administration will also solicit parents through school governance councils.
- 3. Publishers will be notified.
- 4. Teacher nominations and expressions of interest in serving on textbook/instructional materials-evaluation committees for the various subject areas will be obtained.
- 5. Textbook/instructional materials-evaluation committees will be appointed.
- 6. Curriculum specialists will provide training for textbook/instructional materialevaluation committees' members on selecting culturally-responsive materials that promote critical thinking.
- 7. Textbook/instructional materials-evaluation committees will establish criteria for evaluating materials, based on the most recent literature and research related to instruction in that area. The committees will obtain and evaluate available materials; meet with parents, publishers, representatives; and solicit reactions and assistance from other teachers, department chairpersons, curriculum committees, etc.
- 8. Curriculum Specialists and the Department of Procurement will review the proposals submitted by the textbook/instructional materials' publishers.
- 9. Textbook/instructional materials-evaluation committees will formulate recommendations with respect to the subject areas and the materials under evaluation for possible adoption. The Textbook/instructional materials-evaluation committee may recommend a single adoption for a subject/course or it may recommend delaying adoption, pending further study.
- 10. Recommendations from the textbook/instructional materials-evaluation committees will be reviewed by the Director of Curriculum and Instruction, who will then forward them to the Superintendent. The Administration then submits recommendations to the Board for approval.

#### **Committee's Recommendation**

Your Committee recommends that the Board approve the following areas to be opened for textbook study for texts to be used during the 2021-2022 school year:

- science (gr. k-8)
- · high-school anatomy and physiology
- high-school biology
- high-school botany
- high-school chemistry
- high-school earth science
- Advanced Placement biology
- International Baccalaureate biology 1 & 2

Approved with the roll call vote on the Reports of the Standing Committees.

## (Item 2) Report with Possible Action Regarding the 53206 Initiative

Your Committee reports having received the following report from the Administration. Although this item has been noticed for possible action, no action is required.

## **Background**

To better serve the community in the 53206 ZIP code, the Board approved implementation of the 53206 Initiative. The Principals' Cohort — consisting of eight school leaders from North Division, Andrew Douglas, Auer Avenue, Benjamin Franklin, Hopkins-Lloyd, Gwen T. Jackson, Keefe Avenue, and Lafollette — continues to meet regularly to further discuss the needs in 53206 schools.

The 53206 Initiative is focused on five tenets: High-quality Instructional Practices, Social-emotional Wellbeing, Family Engagement, Community Partnerships, and Teaching and Leadership Development.

The following presentation provides an overview of the progress that has been made to date.

#### 53206 Initiative

### **Foundational Tenets**

- High-quality Instructional Practices
- Social-emotional Wellbeing
- Family Engagement
- Community Partnerships
- Teaching and Leadership Development

## 2020-2021: Focus Pillars

- Strengthening the 53206 K-12 Narrative
- College and Career Readiness
- Equitable Resources

## Strengthening the 53206 K-12 Narrative

#### Cohort's Vision

The 53206 Cohort envisions a future in which schools are anchors of the community, connected to students, families, and community partners while providing opportunities that build upon existing assets. Each school leverages high expectations, academic rigor, and access points for resources and options that lead every child to become college- and career-successful.

#### Career Tracks:

- Health Sciences
- Information Technology

- Finance
- Engineering

## **College and Career Readiness**

- College Access Centers
- Post-secondary emphasis
- Partnerships with universities and local businesses
- Academy-related field trips through Learning Journeys

### **Equitable Resources**

- Staffing priorities
- Specialized professional development for leaders and staff
- Pathways for teacher-certification programs
- Flexible curricular material modifications

#### Measurable Outcomes

Cohort will:

- improve the results of the Essentials of School Culture and Climate (ESCC) survey
  - 1. 50% or greater response rate of staff
  - 2. score of 3 or higher in three of five areas
- close the gap between the district and 53206 cohort by 50% in each of the following:
  - 1. attendance
  - 2. Spring PALS
  - 3. WSAS ACT Aspire, ACT, Forward
  - 4. the Xello a career and college research and portfolio program

### (Item 3) Report with Possible Action on MPS Montessori Strategic Plan

Your Committee reports having received the following report from the Administration. Although this item has been noticed for possible action, no action is required.

### **Background**

The Montessori Strategic Plan, which was adopted on March 28, 2019, is a framework for structural supports for our eight Montessori schools, which educate more than 4,000 students.

The following update on the implementation of the Montessori Strategic Plan covers items that have been completed, what is being worked on at this time, and an outline of future work. Included is the MPSU's ((Milwaukee Public Schools University's) pathways for Montessori training and an overview of the Montessori re-opening plan.

### Montessori Strategic Plan's Progress

#### **Completed Work**

- Established a Montessori Re-opening Team which developed a plan for re-opening
- Provided professional development for schools on the Re-opening Plan
- Solidified secondary Montessori certification's details and began classes
- Presented professional development on updated dual-language Montessori report cards
- Coordinated and developed the six-week virtual curriculum guides, weeks 7-12
- Completed the Montessori Advisory Committee's meeting on October 5

#### **Current Work**

- Participating in bi-weekly virtual Montessori school support teachers' meetings
- Holding Montessori principals' virtual monthly meetings
- Providing targeted support for Montessori virtual instruction
- Supporting New Educator Institute Montessori Focus
- Finalizing setup of MPSU (Milwaukee Public Schools University)-Montessori classroom at Grant Gordon Learning Center
  - Coordinating and developing of the six-week virtual curriculum guides, weeks 13-18

### Montessori Re-opening

- Montessori Re-opening Team
- Support and guidance for teachers
- Montessori materials' alternatives at home
- Considerations for students with special education and language needs
- Montessori Virtual Learning from Home family guide

### **Montessori Teacher Pathways**

#### **MPSU**

- Courses moved online for Autumn 2020
- 47 MPS employees in Montessori training

#### Secondary Certification at MPSU

- In collaboration with CMSTEP (Cincinnati Montessori Secondary Teacher Education Program)
- Post-baccalaureate program for MPS employees
- Virtual instruction, with in-person instruction planned for summer 2021 at MacDowell Montessori School
  - 16 MPS employees enrolled

#### Montessori Strategic Plan: Next Steps

#### November 2020

- Montessori Advisory Committee meeting on November 2, 5:30pm
- Provide ongoing professional development for staff around Montessori virtual instruction
- Provide targeted support for individual schools
- Develop curriculum and support for the Re-opening Plan as needed
- Year two: Montessori scholarships

### December 2020

- Montessori Advisory Committee meeting on December 7, 5:30pm
- Support development of Montessori-specific district professional development
- Develop and disseminate a retention survey for Montessori program's employees
- Establish Montessori material-ordering requirements for expansions

#### January 2021

• Montessori Advisory Committee meeting on January 4, 5:30pm

- Define expectations for the implementation of the Montessori middle- and high-school curricula per the Strategic Plan
- Develop MPSU's pathway for state licensing support for Montessori teachers completing Montessori certification

# (Item 4) Report with Possible Action Regarding the MPS/MKE Early Childhood 1,825 Initiative

Your Committee reports having received the following report from the Administration. Although this item has been noticed for possible action, no action is required.

#### **Background**

The first five years (or 1,825 days) of life for a child are the most important in a child's education and development. In November 2018, Milwaukee Public Schools, in collaboration with the City of Milwaukee and other public and private partners, announced an initiative and call to action to improve early childhood education across the city. MPS and city leaders joined together to build on past momentum and to push forward with the MPS/MKE Early Childhood 1,825 Initiative.

The mission of this work is to improve the learning experiences for children ages birth through five years in the city of Milwaukee by ensuring that all educators and childcare providers, who directly impact our students' learning, possess the understanding, skill set, knowledge base, capacity, and resources needed to provide high-quality instruction to all students participating in early childhood education programs.

This report provides an update on the work, accomplishments, and future tasks of the MPS/MKE Early Childhood 1,825 Initiative.

## Early Childhood Initiative's Focus and Goals

#### Early Childhood Staff Development

Provide high-quality professional learning opportunities for all early-childhood care providers and educators

#### Equitable Resources

Ensure that early-childhood programs are equitably equipped with resources to meet the needs of the children and families they serve

## Family Support and Transition

Provide families with support as students transition from early-care centers to MPS

#### Instruction

Ensure that high-quality, research-based instruction is provided for all early-childhood children and students

#### Social-emotional Learning and Cultural and Linguistic Needs

Provide support for students to address SEL needs as well as take into consideration the cultural and linguistic needs of students

## **Completed Work**

- Purchased ReadyRosie a research-based and standards-aligned comprehensive family-engagement resource designed to build on parents' knowledge to help close the opportunity gap for pilot study at two school sites
  - Distributed 1,400 Frog Street at Home learning kits to K3 and K4 Head Start families
  - Contributed early-childhood information during a virtual parent-engagement session
  - Completed four Frog Street professional learning courses
  - Purchased materials for packaging of swag bags
  - Participated In civic-, community-, and family-engagement series

## **Current Work**

- Continue pilot study of ReadyRosie
- Distribute 500 swag bags to MPS-enrolled families with pre-K and kindergarten children
- Provide professional development and advertise the MPS/MKE 1,825 Initiative at community virtual conferences such as WECA (Wisconsin Early Childhood Association) and Pathways to Quality
  - Share community resources with MPS community for additional support of early-learning goals
  - Continue partnership work and support toward the Initiative's goals

#### **Future Work**

- Continue pilot study of impact that ReadyRosie has on parental engagement and student learning
- Pursue the inquiry of and possible adoption of a universal screener that can be used with the EC Initiative's population
- Roll out Countdown to Kindergarten district-wide process (visit and choose your school, register, meet your school, get ready, start school) for SY21
  - Continue sharing community resources with MPS
- Continue partnership work and support toward Initiative's goals (use of Frog Street's curriculum in childcares, specific professional development for childcares, etc.)

# (Item 5) Report with Possible Action Regarding Black Lives Matter Week Campaign and Planning for the 2020-2021 School Year

Your Committee reports having received the following report from the Administration. Although this item has been noticed for possible action, no action is required.

#### **Background**

At its regular July 2020 meeting, the Board referred Resolution 2021R-010 by Director Miller to the Committee on Student Achievement and School Innovation. At its August 27, 2020, meeting, the Board took action to adopt Resolution 2021R-010 as provided below:

- WHEREAS, In April 2015, the Milwaukee Board of School Directors adopted the Black Lives Matter resolution and followed with the Black Lives Matter at School resolutions in 2018 and 2019; and
- WHEREAS, The Black Lives Matter resolution identified the need to end racism and to tear down the systems of white supremacy in schooling, policing and much more; and
- WHEREAS, The 2019 resolution called for an advisory committee to advance the work which lead to a coalition of the Black Educators Caucus, Milwaukee Teachers Education Association, Metropolitan Milwaukee Alliance of Black School Educators, Milwaukee community Schools Partnership, SURJ Milwaukee, Leaders Igniting Transformation, Black and Latino Male Achievement, the Superintendent's Advisory Council, and Milwaukee Inner-City Congregations Allied for Hope which led to a successful week of action in February of 2020; and
- WHEREAS, The national Black Lives Matter movement, in the past, has called for a week of "Black Lives Matter at School Week" to focus on the need to:
  - replace harsh zero-tolerance discipline policies, which disproportionately suspend students of color, with a Restorative Justice practices
  - establish African American studies and other critical ethnic studies in all schools
  - increase the hiring, training and support of Black teachers and other teachers of color
    - "fund counselors, not cops;" and

WHEREAS, There has been some success in MPS with-

- ending contracts with the Milwaukee Police Department
- increased funding for counselors, social workers, nurses, psychologist and trauma care specialists
- increased funding for ethnic studies
- increased hiring and training of Black and Brown teachers largely through MPSU
- expansion of training staff in Restorative Justice practices; and
- WHEREAS, The progress made in the last 5 years, since the adoption of Black Lives Matter policy, is far short of the anti-racism transformation that was intended and still necessary; and
- WHEREAS, A key issue needed to be addressed with MPS's Black Lives Matter work is the reduction of the disciplinary actions of suspensions and expulsions for Black and Brown students; therefore, be it
- RESOLVED, That the district again hold a week of action in coordination with the national Black Lives Matter at School movement encouraging dress in BLM attire the first month of school and that there be a review of the BLM at school reflection questions and that school staff begin to draft their school's annual anti-racist action plan in a quarterly report; and be it
- FURTHER RESOLVED, That MPS establish a campaign for the whole year, beginning the first week of school, with the purpose of integrating the demands and actions of the Black Lives Matter at School program into every school and classroom; and be it
- FURTHER RESOLVED, That MPS will reach out to other movements of people of color fighting racism, to support the week of action and year-long campaign; and be it
- FURTHER RESOLVED, That the month of September and each month of the school year be done with educational antiracist, social justice activities celebrating the activists and martyrs (George Floyd, Breonna Taylor, Dontre Hamilton, Joel Acevedo, Earnest Lacy, and many more) of the fight for racial justice; and be it
- FURTHER RESOLVED, That MPS aggressively expand the professional development of staff and the training of students in restorative justice practices; and be it

FURTHER RESOLVED, That discussions and trainings targeting racism are to be held at every school throughout the year to include—

- creating safe spaces, community and parent involvement, and involvement of student leaders of all types;
- discussions of biases, racial micro-aggressions, fears, cultural and linguistic ignorance, and stereotypes of Black, Brown, Indigenous, and other youth of color;
- discussions that lead to the professional development of school staffs in methods of de-escalation, mindfulness, creating a culture of trust, and how to weave cultural relevance, ethnic studies and anti-racism into all curricular areas and grade levels in developmentally appropriate ways;
- bringing community into our schools and strengthening schools as centers of support for communities; and be it

FURTHER RESOLVED, That student voice be included in professional development sessions when feasible; and be it

FURTHER RESOLVED, That MPS practice the concept of "Intersectionality" advanced by Black Lives Matter and other leaders which identifies an intersectional approach that acknowledges systemic discrimination due to race, economic status, immigration status, gender and gender identity, sexual orientation and identity, national origin, and ability, and that this systemic discrimination impacts access to opportunity.; and be it

FURTHER RESOLVED, That an advisory committee be established of students, community, community educators, parents, teachers, and school and administrative staff to assist in planning and implementation of the national Black Lives Matter at School program; and be it

FURTHER RESOLVED, That the advisory committee emphasize participation of students in planning that includes youth groups such as Leaders Igniting Transformation (LIT), Youth Empowered in the Struggle (YES), the school-based discipline committees, the ACLU youth committees, the Community Schools Youth groups, and the Superintendent's Advisory Group; with an invitation to all MPS high schools to send student representation, etc.; and be it

FURTHER RESOLVED, That the Administration report monthly on this work to the Board through the appropriate committee.

Since the Board's action, the Administration has started implementing the resolution. The Office of School Administration assembled the 2020 Black Lives Matter (BLM) Week of Action and a Year of Purpose Advisory Committee in alignment with the resolution. The resolution items were identified and addressed with the BLM committee, and sub-groups were created that will focus on the following areas: Curriculum & Professional Development; Week in Action; Monthly BLM Projects. All sub-groups include student representation to ensure that students' voices are heard.

The committee met as a collective twice and met with sub-groups once to identify next steps for implementation. The next meeting, to be held in October, will identify the first phase of implementation for all schools. The Administration will report its progress relative to the implementation of Resolution 2021R-010 monthly.
