Contractor shall provide a comprehensive, mixed-methods evaluation of MPS charter schools and their impact on the district (academically, financially, and organizationally) around four primary evaluation questions, to ensure that the report provides the district with the information it is seeking through this work. These four questions align to MPS request and reflect key areas of inquiry that have emerged from recent research on charter schools in Wisconsin and nationwide. Comparisons of MPS authorized charter schools to others at the national, state, and local level are outlined throughout the research questions. Contractor shall provide a report to MPS by June 30, 2022 with qualitative fieldwork, quantitative data and analyses of the evaluation questions in accordance with Contractors proposal which is attached hereto as Exhibit A and incorporated herein by reference.
