The Administration is requesting authorization to enter into a contract with the Board of Regents of the University of Wisconsin System on behalf of the University of Wisconsin Milwaukee (UWM) for teacher professional development services as stated in the Margaret A. UWM will also support those MPS arts teachers in the Art Teacher Certification Cohort (ATCC) through coaching, observations, stipends to support professional development, student field trips and classroom resources. It is anticipated that 16 MPS teachers will participate in the ATCC.

UWM will also provide arts integration opportunities as supported through the Lynden Sculpture Garden, also working in conjunction with the Cargill program. This will include the Innovative Educators Institute (IEI), artist workshops, teacher support (for both current IEI participants and IEI alumni), and Lynden Residencies. This support will be for MPS general education teachers as well as MPS arts teachers.
