Funder	Proposal	Total Awarded	Abstract
Wisconsin DPI	21st Century Community Learning Centers	4,575,000	Grant funds will support 21st Century Community Learning Centers (CLCs) that provide students with academic support, enrichment and youth development opportunities in an after-school setting. CLC lead agencies coordinate with the school staff, principal and identified Academic Coordinator to ensure programming goals support student academic achievement. The primary goal of the program is to support academic instruction from the day school through enriching and interactive academic activities after school.
