<b>Funder</b>	<b>Proposal</b>	<b>Total Awarded</b>	<b>Abstract</b>
Constellation	E2 Energy to Educate Grant (Bay View High School)	25,000	The funds will support the Fusion Team in the study of nuclear fusion and their research in preparation for the Project Lead The Way competition in the spring. The team will hold Fusion Fest at the school and participate in the STEAM showcase in January. In March, a team of teachers and students will take a school trip to Princeton University and the Massachusetts Institute of Technology to see fusion reactors.
Green Schools Consortium of Milwaukee	Conceptual Schoolyard Redevelopment (Hawthorne)	10,000	The grant provides funds for collaborative planning between the school and nonprofit Reflo, school partners, and other supporting organizations with the intent to develop a set of conceptual plans that include meaningful green and healthy school projects that have a positive impact on the school, community, and environment. The result will include feasible plan drawings, estimated fundraising targets, timelines, potential curriculum connections, maintenance considerations, etc.
Green Schools Consortium of Milwaukee	Conceptual Schoolyard Redevelopment (Benjamin Franklin)	10,000	The grant provides funds for collaborative planning between the school and nonprofit Reflo, school partners, and other supporting organizations with the intent to develop a set of conceptual plans that include meaningful green and healthy school projects that have a positive impact on the school, community, and environment. The result will include feasible plan drawings, estimated fundraising targets, timelines, potential curriculum connections, maintenance considerations, etc.
Green Schools Consortium of Milwaukee	Conceptual Schoolyard Redevelopment (Zablocki)	10,000	The grant provides funds for collaborative planning between the school and nonprofit Reflo, school partners, and other supporting organizations with the intent to develop a set of conceptual plans that include meaningful green and healthy school projects that have a positive impact on the school, community, and environment. The result will include feasible plan drawings, estimated fundraising targets, timelines, potential curriculum connections, maintenance considerations, etc.
Green Schools Consortium of Milwaukee	Conceptual Schoolyard Redevelopment (Neeskara)	10,000	The grant provides funds for collaborative planning between the school and nonprofit Reflo, school partners, and other supporting organizations with the intent to develop a set of conceptual plans that include meaningful green and healthy school projects that have a positive impact on the school, community, and environment. The result will include feasible plan drawings, estimated fundraising targets, timelines, potential curriculum connections, maintenance considerations, etc.
Green Schools Consortium of Milwaukee	Conceptual Schoolyard Redevelopment (Hayes)	10,000	The grant provides funds for collaborative planning between the school and nonprofit Reflo, school partners, and other supporting organizations with the intent to develop a set of conceptual plans that include meaningful green and healthy school projects that have a positive impact on the school, community, and environment. The result will include feasible plan drawings, estimated fundraising targets, timelines, potential curriculum connections, maintenance considerations, etc.
Justin J. Watt Foundation	Charitable Funding for 6th-8th Grade After School Athletic Programs	48,940	Grant funds will support the cost of purchasing new uniforms for volleyball, basketball, and cheerleading teams at twenty-two MPS middle schools.
