 - Scope and sequence
 - Pacing guide
 - Unit plan template and examples
 - Lesson plan template and examples
 - Focus on culturally responsive teaching
 - Opportunities to infuse social emotional learning
 - Curriculum guides supported by FLEX Learning from the Art of Education

Work Underway

EQUITY in the Arts

- Supply and support new visual art teachers who will be in their classrooms for the first time
- Create a database of visual art equipment across the district to ensure equity and access
- Create common syllabi for high school courses to increase equity of content and instruction across the district

Next Steps

- Year 3 visual art expansion schools under consideration to increase visual art FTEs by approximately 12 FTEs
- Year 4 art expansion to add additional fine arts (dance, theater) to schools with an arts designation
- Purchase of additional items such as kilns, printing equipment, and technology
- Survey teachers for supply needs – increase in funds to \$10 per student

Thank you.
