Milwaukee Recreation Before and After School Programs Summer Showcase. The contractor (Adventure Rock) will provide a rock-climbing experience for participants of the Summer Showcase. The 2023 Summer Showcase is focused on Strong Mind, Strong Body, and Strong You. The purpose of the showcase is to educate our students on the practices, resources, and tools that exist to improve and maintain their overall well-being. On Wednesday, July 26, 2023, from 9:00 a.m.-2:30 p.m. at Wick Playfield (4929 West Vliet. Street), the contractor will use the skills associated with rock climbing to increase participants' problem solving skills (mental), and their physical skills.

The contractor agrees to: -Arrive at 8:30a.m. for the event. 30 minutes will be allowed for set-up. -Disassemble all equipment at 2:30p.m. 30 minutes will be allowed for takedown. Milwaukee Recreation agrees to: Coordinate all logistics for the event. Maintain communication with the vendor throughout the event. If Milwaukee Recreation cancels the event, Milwaukee Recreation will be able to reschedule with the contractor for a mutually agreed-upon date/time. Milwaukee Recreation will not be responsible for payment if the event is canceled at least 24 hours prior to the start of the event. This contract shall be in effect from 07/26/23 to 07/26/23. Total compensation under this contract shall not exceed \$1,112.50 Contractor shall be compensated for work performed on a one-time basis at the rate of \$650 from 9:00 a.m-12:00pm and \$462.50 from 12:00pm - 2:30p.m at the completion of the event.

The Contractor shall conduct an evaluation featuring both qualitative and quantitative methods conducted by evaluators from WI Evaluation Collaborative (WEC) in the WI Center of Educational Research (WCER) at the University of Wisconsin-Madison. The evaluation will be led by Dr. Annalee Good with assistance from a team of evaluators with specific expertise in evaluating advanced learning initiatives. The team will provide both formative and summative feedback to the SURGE grant team, with the ultimate priority of improving the implementation and impact of the initiative. Evaluation will include focus groups, interviews, and pre- and post - surveys assessing teacher understanding of STEM practices, culturally responsive teaching and teacher identification of potential in students as well as other quantitative data. Reporting of evaluation findings will occur throughout the life of the project. The evaluation team will be available for regular phone and in-person communication about data collection and program analysis, and it will provide in-person and written briefings to the SURGE grant team, MPS educators and administrators on an annual basis to review emerging findings from both qualitative and quantitative inquires.

The intent of these briefings will be to discuss patterns in findings, as well as how the evaluation might inform program implementation and future evaluation design.- See Contract- Contract shall not exceed \$49,000.00 01/01/2023-09/30/2023 Contract term: October 1, 2022 through September 30, 2023. Include (1) one year option to renew.

Project 304 Contractor will deliver a 7-week computer literacy and entrepreneurship course and provide industry-mentored internship experiences for up to 20 MPS high school students in Summer 2023, to expose more students to the field of technology, and equip them with the necessary knowledge base and skills for their futures. Computer concepts covered will include fundamentals of coding, probability, regression, and machine learning. Contractor will provide an in-person instructor at Bradley Tech High School every Monday, Wednesday, and Friday for the duration of the contract. In addition, contractor will provide a volunteer worker knowledgeable in computer science concepts every Tuesday and Thursday for the duration of the contract to work on internship tasks with students, in conjunction with one or two certified MPS high school teachers. This course and internship experience is part of the city of Milwaukee's Earn and Learn program. Contractor is the student employer of record and will ensure that student participants complete their weekly time cards, and receive their weekly paychecks. This may entail ensuring that student timecards are submitted on a timely basis to Employ Milwaukee for processing. The objectives, projects, and weekly overview are detailed below. Objectives: *Students will learn the fundamentals of computer programming/usdesign. *Students will learn the fundamentals of product development life cycle from ideation to building on MVP (minimum viable product). *Students will learn how to construct a pitch deck for investors. *Students will be exposed to various STEM fields and careers. Projects that students will work on: *Students will be required to complete labs and homework assignments.

Read Lead Succeed Consulting LLC (Contractor) shall provide two-day guided reading workshops with a focus on what guided reading should look like for students reading at particular reading levels. This workshop is expected to have 125 participants. This is an in-person workshop and district guidelines (mask, social distancing, etc.) will be followed. The workshop will run from 9:00 AM through 1:00 PM. Two full day guided workshop training August 1st and August 2nd, 2023. Each training session will focus on what guided reading should look like for students reading at a particular reading level (Transitional). Trainings will be face-to-face. District guidelines at the time of the sessions such as masks, and social distancing, etc. will be followed.

During the training, a consultant will model a guided reading lesson with two to four students from the school on the reading level of focus using our district adopted reading materials (Rigsby Readers or Start Right Decodable Readers Houghton Mifflin Harcourt, 2022). Participants will observe in a fishbowl manner. After a debrief of the lesson, participants will have an opportunity to plan a guided reading lesson at the level of focus. Additional students at the reading level of focus will be invited to join the training. In pairs, participants will engage in teaching a guided reading lesson to those students while being coached by the consultant. The session will wrap up with a share out of the experience followed by suggestions for next steps. Daily rate \$2100 Tuesday, August 1st & Wednesday, August 2nd 9:00am - 1:00pm Central Time.
