

(ATTACHMENT 43) ACTION ON THE AWARD OF PROFESSIONAL SERVICES CONTRACTS

MILWAUKEE BOARD OF SCHOOL DIRECTORS PROFESSIONAL SERVICES CONTRACT

This Contract is being entered into this 1st day of July 2015, by and between **Lakeside Ventures Inc. dba International Languages** (“Contractor”) and Milwaukee Board of School Directors (MPS). This Contract results from an open competitive procurement, specifically MPS Request for Proposal (“RFP”) 885.

1. SCOPE OF SERVICES

Contractor is a qualified professional firm that will provide translation services upon request from MPS. Services will be provided on an as-needed basis; there is no guarantee of the quantity of services to be requested under this Contract.

These services will include revision, proofreading and terminology services ensuring the best possible quality level of translated materials from English to every major language, including, at a minimum: Spanish; French; German; Italian; Hmong (White); Arabic; Somali; Burmese; Karen S’gaw; Chin; Hindi; Thai; Bengali; Tigrigna; and Rohingya (collectively, “Listed Languages”).

Contractor will specifically perform the following tasks, to be delivered according to the terms and conditions of this Contract, RFP 885 and Contractor’s Response to RFP 885:

1. Provide various translation related tasks, inclusive of revision and proofreading, including, but not limited to:
 - a. Translation of four major publications.
 - b. Translation of media materials (Press releases, letters from the Superintendent, media advisories, fact sheets, letters to parents, invitations to meetings, nutrition documents), usually of 600 words or less with a rapid turnaround (24 hours or less).
 - c. Translation of curricular materials, usually over 20,000 words.
 - d. Translation of any other documents as required.
2. Update databases and documents as required and amend the vocabulary and style following the recommendations made by MPS’s reviewers.
3. Handle documents in Adobe Creative Cloud.
4. Return documents to MPS in the same format/software that they were provided to Contractor, *e.g.* Adobe Creative Cloud, Microsoft Word. When working with Trados, deliverables will include all documents as well as databases. In the case of documents sent to the Contractor in Adobe Creative Cloud, Contractor will be expected to include desktop publishing services as priced per hour herein.
5. Provide Desktop Publishing Services as required.
6. Produce all documents translated so that the material is understandable to the broadest groups and greatest numbers of individuals speaking different dialects or variants of the target languages as is reasonably possible and provide culturally sensitive translations that will not offend the target populations.
7. Maintain internal policies regarding ethics and confidentiality for its translators to follow that comply with Health Insurance Portability and Accountability Act (“HIPAA”) requirements.

Translators performing services for Contractor under this Contract will:

1. Be physically located in the United States. Documents may not be forwarded to individual translators outside of the United States.
2. Have technical knowledge in the field of education.
3. Be able to handle large amounts of text in a short timeframe and have the adaptability and flexibility required to work under pressure and meet tight deadlines.
4. Be certified translators and proofreaders with perfect mastery of mother tongue and excellent knowledge of English (university degree or higher), excellent drafting skills and good written style with sensitivity to the cultural context and the target audience.
5. Have good IT skills and experience in computer-assisted translation software, mainly Trados.

Contractor specifically agrees that:

1. The scope of each task, the deadline for completion and other conditions will be mutually agreed upon in advance through the translations coordinator at MPS’s Bilingual Multicultural Office or other MPS staff person requesting the translation.
2. MPS will have the right of refusal over substitution of a translator when performance is not satisfactory.
3. MPS will have the right to reject a translation when internal review finds the quality is not acceptable. MPS will release funds for payment upon delivery of a satisfactory final product.

4. Contractor will accept projects only when it is confident of being able to produce the translated document within the delivery time required in MPS's request.
 - a. If it is anticipated that the project cannot be completed within the delivery time required, Contractor must contact MPS within 4 business hours to decline. MPS may then alter the delivery time or withdraw the project, at its discretion. Contractor will not be penalized for declining orders for which they are unable to meet the deadline, if done so within the 4 hours.
 - b. When a project is accepted and Contractor finds itself unable to adhere to the delivery time, then Contractor may approach the MPS staff person requesting the translation to negotiate delivery time. The decision whether to postpone the delivery time rests with that staff member in his/her sole discretion.
5. If a previously translated document must be updated to reflect revisions made to the original English document, MPS will only be charged for the number of words changed. If the new updated information triggers changes elsewhere in the document, those changes should be made as well and may be billed accordingly.
6. MPS has the right to return translated documents with errors to Contractor for correction at Contractor's expense. Errors are defined as any error or omission of words, sentences or paragraphs that change the content of the document, including, but not limited to, context, grammar, spelling and syntax. Correction of errors must be made within the time frame agreed to by MPS.
7. For projects over 50,000 words or projects where on-site translation services are required, MPS has the right to send a quotation solicitation with project specifics to Contractor. Contractor will have the opportunity to compete for the project by responding as directed in the quotation. The quotation pricing for such projects will supersede pricing in this Contract, but all other terms of this Contract will apply to the services performed by Contractor.
8. For pricing of any language other than a "Listed Language", MPS has the right to send a quotation solicitation to Contractor. Contractor will have the opportunity to compete for the project by responding as directed in the quotation. This Contract and its terms will apply to the services performed by Contractor. If MPS determines that there is adequate need, MPS will indicate in the quotation solicitation that pricing is sought to add this language to the Contract as a Listed Language.
9. The following will constitute unacceptable performance and may be grounds for Contract termination:
 - a. Contractor provides a document with errors or omissions four or more times within six-month period; or
 - b. Contractor fails to meet the delivery requirement agreed to when they accepted the assignment four times within a six-month period; or
 - c. Contractor bills to an incorrect billing address six times within a six-month period.

Contractor will provide, at its own expense, all personnel required to perform the services under this Contract.

2. TERM

This Contract will be in effect from July 1, 2015 to June 30, 2016, with the option to extend for up to two additional one-year terms upon mutual written consent. Any extension of the Contract beyond June 30, 2016 must be set forth in writing and signed by authorized signatories of the parties. MPS will determine whether such extensions are requested based on the performance metrics identified below.

Performance Objective	Measurement Mechanism	Performance Threshold
1. Contractor will provide a summary of words translated, per language, as well as hours of desktop publishing per language.	The report will be delivered to MPS's Translation Coordinator or his/her designee twice annually, on April 1st and January 15th. MPS reserves the right to determine in its sole discretion whether services have been adequately and fully delivered; to withhold payment until services are fully and adequately delivered; or to disallow a pro rata share of payments for services not fully and adequately delivered.

Milwaukee Public Schools does not pay in advance for services. No payment will be made until a properly submitted invoice is approved. Invoices will be submitted directly to the school or MPS department requesting the services.

A properly submitted invoice must include: document title and any form number; language(s); number of English words; price per word; if Desktop Publishing was authorized; the number of hours; and hourly rate.

As a matter of practice, MPS attempts to pay all invoices in 30 days. It is mutually agreed that State Prompt pay law does not apply to this Contract.

Unless otherwise specified, MPS will not pay invoices submitted more than 60 days after actual work. In the case of grant funding, no payments will be made after grant close out. Final invoices must be marked as such.

4. NON APPROPRIATION OF FUNDS

This Contract is contingent upon the appropriation of sufficient funds by appropriate MPS officials. If funds are not appropriated, Contractor agrees to take back any commodities furnished under the Contract, terminate any services supplied to MPS under the Contract, and relieve MPS of any further obligations under the Contract.

5. NON-DISCRIMINATION

In the performance of work under this Contract, Contractor will not discriminate in any way against any employee or applicant for employment because of race, religion, color, national origin, ancestry, physical handicap, mental disability, medical condition, marital status, age (over 40) or sex. This prohibition includes but is not limited to employment; promotions, demotions and transfers; recruitment; advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeships. Contractor is required to include a similar provision in all subcontracts to this Contract.

If MPS determines Contractor has violated this non-discrimination policy, MPS may terminate this Contract without liability for undelivered services or materials. MPS may also deem the Contractor ineligible to participate in future contracts with MPS.

6. INDEMNITY

Notwithstanding any references to the contrary, Contractor assumes full liability for all of its acts or omissions in the performance of this Contract, as well as the acts or omissions of its subcontractors. Contractor will indemnify and hold harmless MPS, its agents, officers and employees against all liabilities, losses, judgments, decrees, costs, and expenses that may be claimed against MPS as a result of granting of this Contract to said Contractor, or that may result from the carelessness or neglect of said Contractor, its agents, or employees. If judgment is recovered against MPS in suits of law or equity for any reason, including by reason of the carelessness, negligence, or acts or omissions of the Contractor, against such persons, firms or corporations carrying out the provisions of the Contract for the Contractor, the Contractor assumes full liability for such judgment, not only as to any monetary award, but also as to the costs, attorneys’ fees or other expenses resulting therefrom.

In accordance with applicable laws, MPS will be responsible for defending and paying judgments on behalf of its officers, employees and agents while acting within the scope of their employment or agency for any claims that may arise out of MPS’ negligence for acts, policies, or directives that affect the activities covered by this Contract.

7. BACKGROUND CHECKS

A criminal information background check is required for all persons providing services under this Contract, including volunteers, that: (1) provide services in MPS facility(ies) on a regular and ongoing basis or more than 5 hours per week; and (2) come into contact with or have access to MPS students with or without the presence of an MPS teacher or MPS supervisor.

The purpose of this check is to ensure there is nothing that would render the person(s) unfit to perform services under this Contract where there is contact and or access to MPS students. MPS will, in its sole discretion, determine whether there is anything in a background check that would render a person unfit to work in an MPS facility with contact or access to MPS students. MPS will perform background checks in the state(s) in which the individual resided for at least 6 months in the last 5 years, and was 18 years old or older at the time.

Contractor may perform its own criminal background checks through the Wisconsin Department of Justice Crime Information Bureau (“CIB”). Contractor will provide the completed criminal background checks at least 10 days prior to any services being performed pursuant to this Contract.

MPS will perform the necessary background investigation at the rate of \$10.00 per person. In the event Contractor chooses this option, Contractor may contact the Office of Classified Staffing at 475-8157 to obtain the necessary forms. Please note that all forms must be filled out and submitted at least 30 days prior to the commencement of the services.

All background checks must be completed prior to the commencement of services under this Contract. MPS will NOT be responsible for the payment of any services rendered by Contractor before the completion of these criminal information background checks.

8. INSURANCE AND PROOF OF FINANCIAL RESPONSIBILITY

Contractor understands and agrees that financial responsibility for claims or damages to any person, or to Contractor’s employees and agents, will rest with the Contractor. Contractor and its subcontractors will effect and maintain any insurance coverage, including, but not limited to, Workers’ Compensation, Employers’ Liability, General Liability, Contractual Liability, Professional Liability, Automobile Liability and Umbrella Liability to support such financial obligations. The indemnification obligation, however, will not be reduced in any way by existence or non-existence, limitation, amount or type of damages, compensation, or benefits payable under Workers’ Compensation laws or other insurance provisions.

The minimum limits of insurance required of the Contractor by MPS will be:

Workers’ Compensation	Statutory Limits
Employers’ Liability	\$100,000 per occurrence
General Liability	\$1,000,000 per occurrence/\$2,000,000 aggregate
Professional Liability	\$1,000,000 per occurrence
Auto Liability	\$1,000,000 per occurrence
Umbrella (excess) Liability	\$1,000,000 per occurrence

MPS will be named as an additional insured under Contractor's and subcontractors' general liability insurance and umbrella liability insurance. Evidence of all required insurances of Contractor will be given to MPS. The certificate of insurance or policies of insurance evidencing all coverages will include a statement that MPS will be afforded a thirty (30) day written notice of cancellation, non-renewal or material change by any of Contractor's insurers providing the coverages required by MPS for the duration of this Contract.

9. SHIPPING /TAXES

If goods are provided pursuant to this Contract, please note that MPS is exempt from Federal Excise and Wisconsin Sales Taxes. All vendor quotes, bids and invoices must include delivery FOB destination to the MPS location receiving the goods and freight must be prepaid. This means any freight, shipping, processing, handling or like charges must be part of a unit price. Any separate line items for freight, shipping, processing, handling or like charges listed on an invoice will be deleted and NOT PAID.

All textbook purchases will be governed by the terms and conditions in the Milwaukee Board of School Director Textbook Contract, found on the Milwaukee Public Schools portal (<http://mpsportal.milwaukee.k12.wi.us>) which provides that textbooks shipped to MPS or its schools must be done at no additional charge to MPS or its schools.

MPS reserves the right to reject any items that do not conform to the bid, quote or Purchase Order. All return freight charges associated with the rejected materials will be borne by the vendor.

10. IRREPARABLE HARM

It is mutually agreed the breach of this Contract on Contractor's part will result in irreparable and continuing damage to MPS for which money damages may not provide adequate relief. Therefore, the breach of this Contract on Contractor's part will entitle MPS to both preliminary and permanent injunctive relief and money damages insofar as they can be determined under the circumstances.

11. TERMINATION BY CONTRACTOR

Contractor may, at its option, terminate this Contract upon the failure of MPS to pay any amount, which may become due hereunder for a period of sixty (60) days following submission of appropriate billing and supporting documentation. Upon said termination, Contractor will be paid the compensation due for all services rendered through the date of termination including any retainage.

12. TERMINATION BY MPS - BREACH BY CONTRACTOR

If Contractor fails to fulfill its obligations under this Contract in a timely or proper manner, or violates any of its provisions, MPS will thereupon have the right to terminate it by giving five (5) days written notice before the effective date of termination of the Contract, specifying the alleged violations, and effective date of termination. The Contract will not be terminated if, upon receipt of the notice, Contractor promptly cures the alleged violation with five (5) days. In the event of termination, MPS will only be liable for services rendered through the date of termination and not for the uncompleted portion, or for any materials or services purchased or paid for by Contractor for use in completing the Contract.

13. TERMINATION BY MPS

MPS further reserves the right to terminate this Contract at any time for any reason by giving Contractor written notice by Registered or Certified Mail of such termination. MPS will attempt to give Contractor 20 days' notice, but reserves the right to give immediate notice. In the event of said termination, Contractor will reduce its activities hereunder, as mutually agreed to, upon receipt of said notice. Upon said termination, Contractor will be paid for all services rendered through the date of termination, including any retainage. This section also applies should the Milwaukee Board of School Directors fail to appropriate additional monies required for the completion of the Contract.

14. INDEPENDENT CONTRACTOR

Contractor agrees and stipulates that in performing this Contract, it is acting as an Independent Contractor, and that no relationship of employer and employee, partnership or joint venture is created by this Contract. Contractor has exclusive control over work hours, location, and other details of such services, and MPS' sole interest is to ensure that said service will be performed and rendered in a competent, safe, efficient, timely and satisfactory manner in accordance with the terms of this Contract.

Contractor has the sole obligation to provide for and pay any contribution or taxes required by federal, state or local authorities imposed on or measured by income. Contractor specifically covenant not to file any complaint, charge, or claim with any local, state or federal agency or court in which Contractor claims to be or to have been an employee of MPS during the period of time

covered by this Contract and that if any such agency or court assumes jurisdiction of any complaint, charge or claim against MPS on Contractor's behalf, Contractor will request such agency or court to dismiss such matter. MPS will not be charged any obligation or responsibility whatsoever of extending any fringe benefits which may be extended to MPS employees, including any insurance, or pension plans.

Contractor further agrees that MPS is not to be charged with the obligation or responsibility of extending any fringe benefits such as hospital, medical and life insurance, or pension plans which may be extended to employees of MPS from time-to-time and further agree to indemnify and hold harmless MPS and all its employees, officers and agents from any liability for personal injuries, including death, or for damage to or loss of personal property, which might occur as a result of the performance of the services provided for under this Contract.

15. ASSIGNMENT LIMITATION

This Contract will be binding upon and inure to the benefit of the parties and their successors and assigns; provided, however, that neither party will assign its obligations hereunder without the prior written consent of the other.

The current livable wage rate can be found at the City of Milwaukee website <http://city.milwaukee.gov/ImageLibrary/Groups/daoPurchasing/forms/livingWageTable.docx>

17. NOTICES

18. WAIVER

The waiver or failure of either Party to exercise in any respect any rights provided for in this Contract will not be deemed a waiver of any further right under this Contract.

19. INTEGRATION / SEVERABILITY
