

REPORT TO THE MILWAUKEE BOARD OF SCHOOL DIRECTORS: DECEMBER 2023

The Office of Accountability and Efficiency (OAE) was established to enhance transparency, oversight, and accountability to the District's financial operations; to evaluate fiscal performance; and to recommend solutions in furtherance of fiscal stewardship of Milwaukee Public Schools.

Accountability and Efficiency Services

Between November 4, 2023 and December 9, 2023, Accountability and Efficiency Services fulfilled four requests for information/research and six special projects. Accountability and Efficiency Services also completed two constituent inquiries and satisfied one impartial hearing officer (IHO) request.

Accountability and Efficiency Services also continued to support the District's implementation of Administrative Policies 3.09 and 6.35.

Contract Compliance Services (CCS)

During the reporting period, Contract Compliance Services (CCS) staff members focused on our Student Engagement Programming.

On October 25, 2023, CCS staff members participated in Marshall High School's 2nd Annual Eagle Nation Career Connection Fair. These types of events provide CCS the opportunity to promote our Communities In Need (COIN) program and current internship opportunities.

Since the last month's report, 18 students were referred out for interviews. Five were hired in the following career industries: administrative services, architectural services, culinary arts, library management, and technology.

CCS continues to partner with departmental and internal sponsors to create additional internships and work-based learning opportunities for our high school students.

Contract Compliance Services continued to support the District's implementation of Administrative Policies 3.10 and 3.13
