Provider shall comply with, and ensure its sub-contractors performing work under this Agreement comply with Milwaukee Board of School Directors' Administrative Policy 3.09(17), which requires that employees be paid a "living wage". If MPS determines in its sole discretion, Provider has violated this living wage policy, MPS may terminate this Agreement without liability for undelivered services or goods. MPS may also deem Provider ineligible to participate in future contracts with MPS.
- D. Provider must comply with all requirements of Wis. Stats. § 48.685 and § 48.686, which identify the standards required for criminal history and child abuse record searches for licensed Caregivers and Child Care Programs.

A volunteer is not a parent or other adult who is a one-time volunteer for a field trip or other one-time-only activity. Provider will use good judgment in accepting the services of a volunteer and will be familiar with the volunteer before accepting services of that volunteer.
- (3) No later than one month before work with children at the Summer Recreation Program begins, Provider will electronically submit completed background checks for all individuals providing services under this Agreement utilizing the Smart Sheet link provided herein: https://app.smartsheet.com/b/form/9095513a736c49a791df055c1e2fa879. Records that indicate a history of conviction or pending criminal charges will be reviewed by the MPS Department of Employment Relations. Thereafter, MPS will immediately notify Provider of any individual(s) who, based on MPS standards, should not have contact with children. Failure to submit the results of any crime information records checks prior to the provision of services will result in the termination of services. All determinations made by MPS with regards to whether an individual is fit to provide services under this Agreement are made in MPS's sole discretion.
- c) As required by law, Providers shall complete the other searches required by Wis. Stat. § 48.685, review the results and determine that there is nothing in the background of Provider's employees, agents or sub-contractors that would render them unfit to provide services under this Agreement where there is contact and access to children. Background factors that would disqualify any individual from providing services to MPS include, but are not limited to: falsification of background information; conviction of a criminal offense that substantially relates to the duties and responsibilities to be assigned to or performed by Provider under this Agreement; or pending criminal charges alleging acts of a similar nature. Provider has a duty to retain all documentation related to background checks and other searches performed pursuant to this Agreement and Wis. Stat. § 48.685 on file for the duration of this Agreement and to provide the same to MPS upon request.

Provider also agrees, in the event of any dispute as to compliance with the aforestated requirements, it shall be Provider's burden to show it has met all such requirements.
- F. When a violation of the non-discrimination, equal opportunity and/or affirmative action provision of this Agreement has been determined by MPS, Provider shall immediately be informed of the violation and directed to take all action necessary to halt the violation, as well as such action as may be necessary to correct, if possible, any injustice to any person adversely affected by the violation, and immediately take steps to prevent further violations.
- G. If, after notice to Provider of a violation of the non-discrimination, equal opportunity and/or affirmative action provision of this Agreement, further violation of those provisions are committed during the term of the Agreement, MPS may terminate the Agreement without liability for any remaining funds which may be disbursed. MPS, at its sole discretion, may permit Provider to complete the Agreement. In the case of any violations of these provisions, Provider may be ineligible to participate in future contracts with MPS.
- H. Provider certifies that Provider is not suspended, debarred, proposed for debarment, voluntarily excluded from covered transactions, or otherwise disqualified by any federal department or agency from doing business with the Federal Government pursuant to Executive Orders 12549 and 12689. Provider specifically covenants that neither the Provider nor its principals are excluded parties pursuant to the System for Award Management ("SAM") database.

Notwithstanding any references to the contrary, Provider assumes full liability for all of its acts and/or omissions in the performance of this Agreement, as well as the acts and/or omissions of any of its sub-providers, employees, and/or agents. Provider shall defend, indemnify and hold harmless MPS, its agents, officers and employees against all liabilities, losses, judgments, decrees, costs, and expenses that may be claimed against MPS as a result of Provider's performance under this Agreement or that may result from the carelessness or neglect of said Provider, its employees and/or agents. If judgment is recovered against MPS in suits of law or equity for any reason, including by reason of the carelessness, negligence, or acts or omissions of Provider, against such persons, firms or corporations carrying out the provisions of the Agreement for Provider, Provider assumes full liability for such judgment, not only as to any monetary award, but also as to the costs, attorneys' fees or other expenses resulting therefrom.

VII. INSURANCE AND PROOF OF FINANCIAL RESPONSIBILITY

Provider shall effect and maintain any insurance coverage, including, but not limited to, Workers' Compensation, Employers' Liability, Commercial General Liability, Contractual Liability, Professional Liability, Automobile Liability and Umbrella (excess) Liability to support such financial obligations. The indemnification obligation of Provider, however, shall not be reduced in any way by existence or non-existence, limitation, amount or type of damages, compensation or benefits payable under Workers' Compensation laws or other insurance provisions.

The minimum limits of insurance required of the Provider by MPS shall be:

The "Milwaukee Board of School Directors" shall be named as an additional insured under Provider's general liability insurance and umbrella liability insurance. MPS shall be afforded a 30-day written notice of cancellation, non-renewal or material change in coverage for the duration of this Agreement. Insurance companies must be acceptable to MPS and must have a current A.M. Best rating of A- or better.

VIII. BREACH BY PROVIDER

It is mutually agreed the breach of this Agreement on Provider's part will result in irreparable and continuing damage to MPS for which money damages may not provide adequate relief. Therefore, the breach of this Agreement on Provider's part shall entitle MPS to both preliminary and permanent injunctive relief and money damages insofar as they can be determined under the circumstances.

IX. TERM AND TERMINATION BY MPS FOR VIOLATIONS BY PROVIDER

The term of this Agreement commences on June 1, 2021 and ends on August 31, 2021. This Agreement is contingent upon the approval of the Milwaukee Board of School Directors. Except as otherwise provided hereunder, if Provider fails to fulfill its obligations under this Agreement or violates any of such provisions, MPS shall thereupon have the right to terminate this Agreement by giving five days written notice of termination, specifying the alleged violations, and effective date of termination. This Agreement shall not be terminated if, upon receipt of the notice, Provider promptly cures the alleged violation(s) prior to the end of the five-day period. In the event of termination, MPS will only be liable for services rendered through the date of termination and not for the uncompleted portion, or for any materials or services purchased or paid for by Provider for use in completing, the Agreement.

X. UNRESTRICTED RIGHT OF TERMINATION BY MPS

MPS further reserves the right to terminate this Agreement at any time, for any reason, by giving Provider five days written notice by Certified Mail of such termination. In the event of said termination, Provider shall reduce its activities hereunder as mutually agreed to, upon receipt of said notice. Upon said termination, disbursements shall be made to Provider for all services rendered through the date of termination. This section also applies should the Milwaukee Board of School Directors fail to appropriate additional monies required for the completion of the Agreement. Nothing in this, or any other, section shall prevent MPS from immediately terminating this Agreement if it determines, in its sole discretion that continuing this Agreement would cause an immediate and incurable threat to the safety of the participants in the Summer Recreation Program.

XI. ASSIGNMENT LIMITATION

This Agreement shall be binding upon and inure to the benefit of the parties and their successors and assigns; provided, however, that neither party shall assign its obligations hereunder without the prior written consent of the other.

XII. PROHIBITED PRACTICES

Closings: All program closings must be pre-approved by Recreation Coordinator, Leighton Cooper. Prior to program end date, summer programs must disseminate summer program summer participant and parent surveys.

Shared Facilities: Summer programs may be one of many programs operating in an MPS school facility. Thus, it is critical for summer program Site Coordinators and staff, along with Lead Agencies, to work with the many partners in the building to coordinate use of facility space, programming schedules, and entrance and exit of participants from the building. In order to ensure the safety of participants and staff during the operation of all summer programming, program Site Coordinators and staff must follow these procedures:

- Provide copy of building permit to principal/administrator, school engineer/building service helpers, school secretary/office staff, and MPS Recreation.
- Provide a daily/weekly schedule of activities to all summer program partners in the building (principal/administrator, school engineer/building service helpers, school secretary/office staff, MPS Recreation, etc.)
- Update building permit as changes occur. Give updated copies to principal/administrator, school engineer/building service helpers, school secretary/office staff, and MPS Recreation.
- NOTE: Summer program Site Coordinators, program staff, and Lead Agencies are NOT permitted to grant permission of use of any space within the school building to any individual, organization, or group. Registration & Data Tracking

Registration:

- All participants must complete the Summer Recreation Program Registration Form as provided by MPS. This information must be
 entered into the 2021 Summer Term in APlus for all participants.
- Sites may customize the registration form as needed to include specific programming or activity information. This is the extent in which
 the form can be modified. All sites must use form provided.

Activity Creation:

- Create an activity for general attendance for all participants named 2021 Summer Recreation.
- Activities must be created in APlus for all activities that take place throughout the summer. These activities must be broken out by
 grade level or student groups as they are on-site. This standard for creating individual activities for each on-site group and individual
 activity is the same as is expected throughout the school year.
- All activities must begin with the word "Summer." For example: Summer Book Club 6-8 Grade.
- CLC ONLY: When creating activities, select one of the following for the Primary Type and Focus:

Primary Type	Focus
Academic Enrichment	Academic Support
Recreation	Recreation Enrichment
Snacks/Meals	Snacks/Meals
Daily Attendance	Other (i.e. attendance, bus tickets)
Family Education	Family Events
Parent Orientation	Other (i.e. attendance, bus tickets)
Tutoring	Small Group Tutoring

- Ensure the session days and dates offered are complete and accurate in the Session Edit screen.
- Once all activities have been created, view the Activity Summary Report for the Summer Recreation Program dates to ensure the report encompasses all summer activities that are schedule and planned.
- Activities must be created in APlus by Monday, June 21, 2021, at the same time the Program Proposal is emailed to your MPS Project Team Representative.

Attendance Tracking:

- Track a single "front door" attendance in the **2021 Summer Recreation** activity. Specific activity attendance should be tracked consistently in the individual program activities by group in APlus.
- Group sizes (actual ADA) should not exceed 15 participants per activity with 1-2 group leaders.
- All attendance must be entered in APlus by the designated date.

Parent & Participant Evaluations

- MPS will email evaluation template to site coordinators.
- Sites must collect 25 anonymous Parent Surveys and 40 anonymous Participant Surveys to be entered into APlus within 5 business
 days of the last date of CLC/Safe Place programs.

For assistance: MPS Technology Support at 438-3400

Important Things to Remember

Emergencies

- If an accident or incident occurs requiring police, fire, CPS or ambulance services, it must be <u>immediately</u> reported
 to your Supervisor and an MPS Project Team Member. Note: You must speak with an individual from MPS (voicemails
 are not sufficient).
- An Incident Report Form must be completed and forwarded to MPS within 24 hours of the incident. This includes statements from all involved parties, police reports, and other supporting documents.

In case of emergency, call 911. Non-emergency: (414) 933-4444

Weather Advisories

- Summer recreation programs will follow weather advisory protocol as determined by MPS administration. The MPS
 Summer Recreation Program Project Team will notify sites of closures through the district's portal and communication.
- Sites should take all necessary steps to keep participants in the coolest areas of the building while utilizing fans and other efficient airflow methods to ensure safety on hot days.

Rosters: Listed below are methods for tracking summer attendance.

- Use the Daily Site Roster to collect daily attendance as students check in.
- Create individual classroom rosters. Students will remain in the same group with the same instructor(s) for the entire
 program period. Rosters can be collected, and all data entered into APlus for attendance for that classroom.
- Print out a Daily Sign Out to record the time and signature of those leaving early.
- Use classroom rosters to check attendance at different times during the day to ensure security and safety of youth.

Health and Safety Checklist - Public School Operated Programs - DCF 251

Use of form: Section 120 13 (14), Wis. Stats, allows for school boards to establish and provide or contract for the provision of day care programs for children without being licensed by the department of children and families, However, those programs are required to meet the standards for licensed day care centers established by the department of children and families (DCF 251 Licensing Rules for Group Child Care Centers). In November of 2014, new federal requirements were signed into law that require annual inspection of public school operated programs as a condition of receiving federal child care subsidy funds. While every administrative rule in Chapter DCF 251 is important to the quality of the program, the department has identified a subset of rules which, if violated, are likely to pose the most serious threat to the health, safety and welfare of children in care. This checklist contains that subset of health and safety rules and will be used by DCF staff to notify public school operated child care programs of the rules within DCF 251 that will be monitored annually for compliance and to document program compliance and / or areas of deficiency observed during the initial assessment visit.

Instructions – DCF Staff: During the initial assessment visit, address each item on the checklist to determine the program's compliance, or areas of deficiency, with the health and safety rules of the program is in compliance with the specific rule, check "Met." If a specific rule does not apply to the program, check "N/A" for not applicable. If the program is not in compliance with the specific rule, record your observations in the comments section and describe the area of deficiency.

Instructions – Public School Operated Program: Public school operated child care programs may use this checklist to familiarize themselves with the health and safety rules that will be monitored annually. However, if the program is looking for a self-monitoring tool to ensure compliance with DCF 251 Licensing Rules for Group Child Care Centers in its entirety, they should refer to the department's form DCF-F-CFS0063 Licensing Checklist – Group Child Care Centers.

"School-age child" means a child 5 years of age or older who is enrolled in a public school or a parochial or other private school.
