2. Review May 2024, 2024 meeting agenda

NEW BUSINESS

1. Director Henry Leonard, District #7 Engagement
2. MPS Board Information

DAC FAMILY ENGAGEMENT REPORT

ELEMENTARY SCHOOLS: GT Parent Support Groups

Beginning in November, advanced academic programs will begin offering support groups for parents of advanced learners in grades 1–5. Navigating the unique challenges of raising an advanced and talented child can be both rewarding and complex. The support groups will meet monthly during the school day at a school site in each region and an evening virtual option will also be available. These support groups will offer a safe space for parents to connect with other parents who share similar parenting experiences. They will learn how to support their child at home with enrichment and social-emotional support.

Please share this opportunity with your families of students who have been identified as gifted and talented (GT) and high ability/high potential (HA/HP). The support groups will be facilitated in English; however, one Spanish-speaking group will be offered.

For more information, contact Dr. Martha Lopez, lopezm2@milwaukee.k12.wi.us.

Visit the New MPS Student Job Board

MPS has a Student Job Board to help your job search! Browse part-time and summer jobs and find youth apprenticeships, internships, volunteer opportunities, events, resources, and community programs. Jobs are constantly being added, so check back often!

The Job Board also allows you to research career areas, save jobs, and track your applications.
