

**ADMINISTRATIVE PROCEDURES OF THE
MILWAUKEE PUBLIC SCHOOLS**

**ADMINISTRATIVE PROCEDURE 6.23(3)
FILLING PRINCIPAL VACANCIES**

(a) AUTHORITY OF THE SUPERINTENDENT

1. When a principal position is vacated or newly created, the Superintendent will determine if the position is to be filled by appointment or through the interview process. Once the Superintendent has determined to fill the principal vacancy through the interview process, it is the expectation that one of the recommended candidates from the interview process will be nominated by the Superintendent to fill the principal vacancy; however, the Superintendent will maintain the final authority for the recommendation. The Superintendent will have the authority to assign or nominate for appointment an individual to fill a principal vacancy, in lieu of advertising the vacancy, for the following reasons:

- a. the best interests of the district;
- b. organizational needs;
- c. specialized requirements of the position;

2. Such appointments are subject to verification of possession of the appropriate licensure and at least one year of administrative experience.

3. Every reasonable effort will be made to fill a principal vacancy within 120 days of the occurrence of the vacancy. This timeline may be extended at the discretion of the Superintendent. In the event the vacancy will be filled through the interview process, steps (b) through (g) below will be followed.

(b) SELECTION THROUGH INTERVIEW PROCESS

1. Advertising Principal Vacancies

a. The ~~Department~~ Office of Human Resources will advertise all principal vacancies that will be filled through the interview process. A focus on diversity among qualified candidates will be a continuous goal in all advertising. Advertisements for principal vacancies will be placed on the MPS website, on the DPI website, and on national websites, and will be sent to national education periodicals, related national organizations, community newspapers, and selected colleges and universities as determined by the ~~Department~~ Office of Human Resources. In addition, job announcements will be emailed to all MPS sites ~~and the office for the Administrators and Supervisors Council.~~

b. After the published deadline, no additional applications will be accepted; however, the Department of Human Resources will have the discretion to extend the posting period or to reopen the application process if it determines that such action is necessary to ensure an adequate, representative number of qualified applicants, consistent with the Board's policy on equal employment opportunity and affirmative action.

2. Submission of Applications

Any individual interested in being considered for an advertised principal vacancy must complete and submit an official application form, along with any other information, as determined by the Administration, which will establish the individual's eligibility as principal candidate for the specifically advertised vacancy. Applications submitted after the advertised application deadline will not be considered. At the conclusion of the selection process, applications of unsuccessful candidates will be archived. A separate application must be submitted for each vacancy.

3. Screening of Applications

All members of the Review Committee members must be present when determining which applicants will continue to the next step. The Review Committee will thereafter forward a list of candidates eligible for interview by the School Interview Panel.

The Employment Compliance Officer shall ensure that the interview process is conducted in a fair and valid manner, consistent with generally accepted personnel practices. A staffing specialist from the ~~Department of Talent Management~~ Office of Certificated Staffing will assist the Interview Panel during the actual interviews.

e. The School Interview Panel shall choose finalists to be interviewed from the list submitted to the Panel by the Superintendent's Review Committee. The Interview Panel will recommend three (3) of the finalists interviewed (in no rank order) to advance to the second round of interviews with the Superintendent or his/her designees. The Panel will also include a listing of each finalist's strengths and weaknesses as they relate to the particular needs of the school and its Educational Plan.

6. Final Selection Process

a. Upon presentation of the three (3) finalists by the School Interview Panel, the Superintendent will either:

- (i) select one candidate from the list of finalists and recommend this candidate to the appropriate Board committee for appointment; or
- (ii) direct his designee(s) to conduct a second round of interviews with the three finalists recommended by the School Interview Panel. One finalist will be recommended to the Superintendent for appointment; or
