# INTRODUCTION

---

Milwaukee Public Schools is pleased to offer extended-learning opportunities for the summer of 2023 to provide academic skills and acceleration experiences to youth residents of the city. For the summer of 2023, MPS will offer multiple modalities of learning and instruction beginning in June with the latest session ending in July. Summer Academy for high school students will run June 6-June 22 and a second session will run from June 26-July 27. K-8 sites will run from June 26-July 28. Classes and courses will be available in high schools Monday through Friday from 8:00 a.m. to 1:00 p.m., and in elementary schools Monday through Friday from 8:00 a.m. to 12:00 p.m. Most K-8 sites will also offer additional services including Wrap Around programming and Community Learning Centers. High School sites will also offer College and Career Centers. Breakfast and lunch will be provided at all Summer Academy sites.

We pay close attention to the needs of not only our students, but our MPS families in course offerings projected, site selections, and Summer Academy structure. Summer Academy programming is continually updated to increase academic engagement and facilitate family planning.

# 1. ACADEMIES OVERVIEW

---

## High School

MPS offers a variety of options for high school students to engage academically through recovery, acceleration, collegiate, and career skill-building opportunities.

- **Summer Academy** offers core and elective options through face-to-face courses, Edmentum, and Proximity learning with some bilingual and ESL sections.
- **College 101** students will be exposed to dual enrollment course at MATC and UWM with the opportunity to earn both high school and college credits.
- **Summer Academy Specialty Programming** offers a variety of specialty classes for students in grades K5 through 12 in all interest areas. Staff will submit proposals for course offerings based on student interest and staff talents.
- **GED Option #2 and competency-based programs** are for students who currently participate in the program and have two or fewer requirements for graduation.
- **Virtual Summer Program**, for students with daytime commitments, offers credit recovery and acceleration through Edmentum, which allows students to work independently and provides academic support and testing through evening resource hours.
- **Extended School Year (ESY)** services are provided to qualifying students during Summer Academy as mandated in their Individualized Education Programs (IEPs). Acceleration opportunities may include Schlitz Audubon Nature Center programs, Milwaukee Recreation Outdoor Education, and Discovery World Mobile Lab, which are built into programming.
- **School-to-Work Transition Program** prepares students with special education needs for the transition from school to the world of employment and community living. High school students can explore a variety of careers while practicing appropriate work behaviors.
- High school students will gain on the job experience through **Summer Internships**.

## Middle School

- **Summer Academy Specialty Programming** offers a variety of specialty classes for students in grades K5 through 12 in all interest areas. Staff will submit proposals for course offerings based on student interest and staff talents.
- **Science of Design** through academic skill/career-building camps with an academic and career-planning focus. Students in grades 6–8 have the opportunity to participate in project-based programs over five weeks in areas of high interest.
- **Extended School Year (ESY)** services are provided to qualifying students during Summer Academy as mandated in their Individualized Education Programs (IEPs). Acceleration opportunities may include Schlitz Audubon Nature Center programs, Milwaukee Recreation Outdoor Education, and Discovery World Mobile Lab, which are built into programming.
- **Eighth Grade Promotion** programming ensures that students gain necessary skills to be successful in their high school transition through skill-building camps.

## Elementary School

- **Summer Academy Specialty Programming** offers a variety of specialty classes for students in grades K5 through 12 in all interest areas. Staff will submit proposals for course offerings based on student interest and staff talents.
- **Summer Academy—Exploration Camp** combines academics in an acceleration model for an engaging five-week experience for K5–grade 5 students. The Summer Academy curriculum will be camp-based experience paired with hands-on activities, field trips, and special programs with community partners. Programming is provided in the areas of bilingual, ESL, Montessori, and arts with summer adventures offered at all grade levels.
- **Extended School Year (ESY)** services are provided to qualifying students during Summer Academy as mandated in their Individualized Education Programs (IEPs). Acceleration opportunities may include Schlitz Audubon Nature Center programs, Milwaukee Recreation Outdoor Education, and Discovery World Mobile Lab, which are built into programming.
- **Summer Adventures** are engaging field trips and onsite specialty programs that span a wide range of topics, such as STEM, nature/ecology, wellness/nutrition, and more.
- **Extended Learning Adventures** are held to give students exposure to new subjects, encourage curiosity, and further learning through community partnerships. Students identify new areas of interests and abilities. Camps are designed to help students gain

real-world experiences and prepare them for future success. Camps may be half-day, full-day, week-long, or overnight at MPS school locations or community organizations.

## Bridge Programs

- **Freshman Bridge** is offered at 22 high schools, providing freshmen with opportunities to interact with ninth-grade teachers and classmates, engage in academic activities and community service, connect to upperclassmen, learn about the freshman experience (including building locations), acquire tools/strategies to navigate freshman year with success, and explore extracurricular areas of interest.
- **Middle School Bridge** is offered at eight sites, allowing incoming sixth-grade families the opportunity to form a realistic expectation of what middle school will be like, build a sense of community, explore extracurricular activities, and learn how middle school is different from elementary school.

## 2. PROJECTED SITES

Based on enrollment trends we are estimating that fifteen sites are required for Summer Academy. Sites were selected based not only on enrollment trends but facility availability. Additionally, after-school care is available at some sites, or nearby, while also being spread out across the city.

### Summer Academy 2023 Proposed Sites

Proposed Summer Site	Region	Grade Levels	# Of Rooms	Capacity	Childcare	Summer Programming
<b>Elementary</b>						
Allen Field	Southwest	K3-5	35	678	CLC	ESL/Bilingual
Bethune	Central	K3-8	25	452	CLC	ESL/ESY
Browning	Northwest	K3-5	26	479	Safe Place	
Cass	East	K4-8	30	560	CLC	
Clemens	Central	K4-5	21	388	Camp	
Fernwood	East	K3-8	25	452	Camp	
Grantosa	Northwest	K4-8	37	705	CLC	
Manitoba	Southwest	K4-8	28	506	Camp closed	ESL
Maple Tree	Northwest	K3-8	21	388	CLC	
MLK Jr.	East	K3-8	36	705	N/A	
Rogers	Southwest	K4-8	28	506	N/A	ESL/Bilingual
Sherman	Central	K3-8	28	732		
<b>High School</b>						
Bradley Tech	Southwest	9-12	52	931	CLC	ESL

Milwaukee School of Languages	Northwest	6-12	60	1073	N/A	
WCLL	East	K3-12	59	1053	N/A	
Montessori						
MacDowell	Central	K3-12	52	988	Camp	
Alternative sites						
Auer Avenue	Central	K-8	31	533		
Hi Mount	Central	K4-8	29	533	Closed	
King	East	9-12	67	1024		
Morgandale	Southwest	K4-8	25	452	Camp	ESL
Morse Middle	Northwest	6-8	---	---		
North	Central	9-12	53	951	CLC	
Riverside	East	9-12	77	1376	N/A	

### 3. MARKETING PLAN

- ❖ Begin advertising in January to attract students, families and residents with youth in the Milwaukee County area
  - Special Internal Advertising Campaign to attract MPS staff
- ❖ Avenues of Advertising
  - Postcards/flyers/Enrollment Guides
    - Save-the-date postcard
    - Flyers with registration links
    - Enrollment guides with all SA information
  - Internal Messaging
    - Send messages to student Remind and Xello accounts
    - MPS Friday Family Newsletters
    - School Messenger (reminders with deadlines for registration, reminder of first day to parents)
  - Social media
    - Digital Flyer advertisements (Facebook, Twitter, Instagram)
    - Video advertisements (Facebook, Twitter, Instagram)
  - Websites
    - District homepage communication
    - School websites with link to Summer Academy page
      - Proposed to Summer Academy Sites
    - Summer Academy website with registration links and program information
  - In-school recruitment

- Parent-teacher conferences (recorded messages using online format for schools to play in school libraries, cafeterias where parents are waiting for conferences)
  - Host virtual informational parent meetings
  - Flyers emailed to school leaders for distribution
  - Attend parent coordinators meeting to promote programs
  - Direct mailings
    - schedules for enrolled high school students
      - (confirmation for enrollment, participation)
  - MCTS
    - Bus tails and kings
- ❖ Submit dates for promoting on MPS calendar

## 4. REGISTRATION

---

Registration for the 2023 summer session will be available online, with registration links for high school (grades 9–12), middle/elementary school (K5–grade 8). Registration for Extended School Year (ESY) students will be handled through the Department of Specialized Services.

Registration is expected to begin as early as March 1, 2023, to provide planning time to MPS families for scheduling purposes and course need identification.

## 5. HEALTH AND SAFETY

---

Our guiding principles in the Roadmap to Readiness Plan—which include Health and Safety, Quality Instruction, Student and Staff Support, Efficient and Safe Operations, and Effective Communication—are top of mind as we continue to plan for a safe summer. We will continue to follow safety protocols put in place by the district, via multiple modes of learning available for different programming options.

## 6. PROPOSED STAFFING NEEDS

Position	Number of Sites	Staff/Site	Number of Staff Needed
HS Administrator – Session I	1	3	3
HS Administrator – Session II	3	3	9
Elementary Administrator	14	1	14
HS Secretary – Session I	1	2	2
HS Secretary – Session II	3	2	6
Elementary Secretary	14	1	14
HS School Counselors – Session I	1	5	5
HS School Counselors – Session II	3	5	15
HS Safety – Session I	1	8	8
HS Safety – Session II	3	8	24
Elementary Safety	12	1	12
Session I Teaching Staff	1	20	20
Session II Teaching Staff	3	39	117
K5–8 Teaching Staff	12	13	156
Specialty Sites Teaching Staff	1	15	15
Paraprofessionals	18	2	36
Site Coordinators	15	1	15
<b>Grand Total</b>			<b>471</b>

## 8. 2022 EOY REVIEW & HIGHLIGHTS

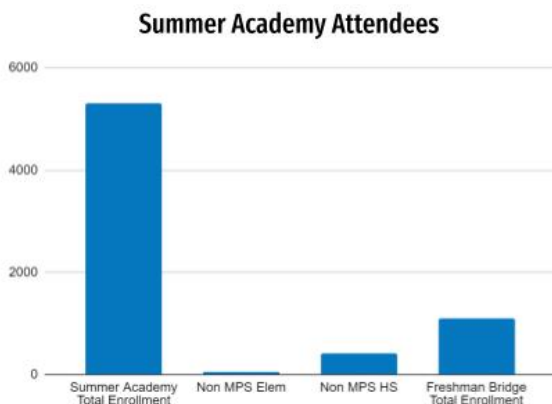

Summer Academy 2022 was a very interactive and engaging summer for MPS students and families. We were able to offer multiple services in addition to academic and exploration enrichment. With Extended School Year (ESY) opportunities, Bilingual Camps, ESL services, Montessori Camps, and Promotional Programming, there was no student within or outside of our district that was not able to be reached. Our high schools focused on credit recovery and acceleration opportunities, that also included career exploration, service-learning, and collegiate level courses, and experiences.

- 3,127 courses recovered
- 48 students earned college credits
- 128 college credits earned
- 149 graduates
- A dozen new program offerings

- 295 courses recovered in virtual night school
- In-person and off-campus Adventure
