DAC FAMILY ENGAGEMENT REPORT

21ST Annual Foro Latino-Special Education Family Forum

Milwaukee Public Schools will host a family forum on October 5, 2024, focusing on the needs of special education students and their families. The event will help families learn more about special education services, programs, and resources. Please share the information with all families. This family-friendly event will include informative workshops, programs for families, and a resource fair featuring representatives from dozens of community agencies. Free childcare is available for children over age 3. The forum is presented by the Department of Strategic Partnerships & Customer Service.

High School Enrollment

Select an MPS high school for the 2025-26 school year and enroll during high school enrollment, which will be open September 28 through November 4, 2024. Mark your calendars and watch for more information!

Parent/Guardian Survey Share valuable input, feedback, and suggestions

MPS parents and guardians play a vital role in student success. Your school wants to understand how best to support you to improve family and community engagement — your opinion is important to us. The survey will provide the school with important information including the best ways to communicate with families and to now better understand key aspects of family/school relationships.

Visit the New MPS Student Job Board

MPS has a Student Job Board to help your job search! Browse part-time and summer jobs and find youth apprenticeships, internships, volunteer opportunities, events, resources, and community programs. Jobs are constantly being added, so check back often!

The Job Board also allows you to research career areas, save jobs, and track your applications.
