## **District Updates**

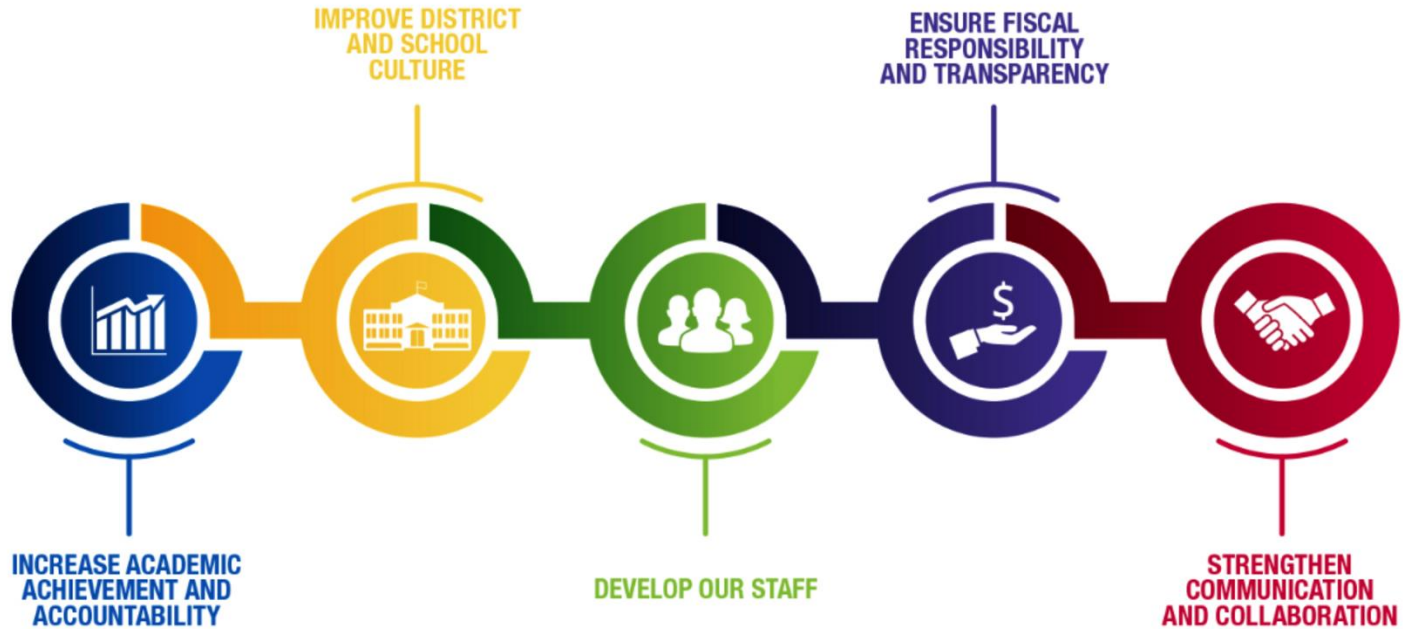

# **Multi-Tiered System of Supports and Interventions**

### *Presenters*

Jon Jagemann

District Discipline Manager

# *Five Priorities for Success*

# Proactive Supports & Interventions

- School PBIS Tier 1 Teams and Building Intervention Teams (BIT)
- Over 4,900 students received a Tier 2 or Tier 3 Intervention
- Collaborative professional development offered across a variety of departments
- Restorative Practices coaches in 8 schools providing on-site coaching

# Proactive Supports & Interventions

- 53206 Promise Partnership Schools
- Expanded mental health interventions and a comprehensive mental health framework
- School psychologist professional development focused on non-discriminatory assessment practices and interventions
- School social workers continued integration of Courageous Conversation protocols

# Proactive Supports & Interventions

- Culture, Climate & Alternatives to Suspension Toolkit
- District Discipline Disproportionality Team met monthly cross-departmentally
- Most utilized classroom strategies included one-on-one conversation, redirection, and parent contact
- Most utilized alternatives to suspension included administrator counseling and conference

# Student, Staff, & Community Collaboration

- District Equity Leadership Team (DELT) and My Brothers' Keeper seminar
- Courageous Conversations about Race sessions
- Student Discipline Committees
- Gender Sexuality Alliances (GSA)
- BLMA Mentoring, Manhood Development Academy and BLMA Buddies offered at schools

# Next Steps

- Year-end data analysis
- Annual Discipline Disproportionality Survey
- Integration within School Improvement Plans
- Continue sessions of Courageous Conversations about Race Exploration
- Alignment of four pathways supporting district culture & climate
