

The MPS Assessment Advisory Committee is being called together for an information and data gathering session on Balanced Assessment and Every Student Succeeds Act (ESSA). After the presentation, please respond to the following questions.

1. After considering the information in the presentation what areas of assessment overlap do you see? What would you suggest to consolidate or eliminate?

2. After reviewing the handout with student test taking times, please indicate the additional time needed for preparation or delivery.

Assessment	Preparation/Training	Delivery
PALS/PALS Español		
STAR		
PSAT		
NAEP		
CogAT		
ACCESS for ELLs		
Forward Exam		
Dynamic Learning Maps		
ACT		
ACT WorkKeys		
ACT Aspire		
Civics Exam		

3. (Teacher) Identify how you use data from your grade level assessments.
(Principal) Describe how you use data to inform instruction in your building.
(Parent) How do you see assessment data being used to help your child(ren)?

I am a: Teacher Parent Principal Other

4. If a teacher, do you think there are other required assessments? Please list.

5. After reviewing the accommodations list, what accommodations are needed for students but are not available?

6. Other concerns or questions:

Please let others know that there is an additional opportunity to participate:

December 1, 2016: World Café at South Division High School 4:30 – 6:00 PM (Spanish Translation Available). Please RSVP at assessment@milwaukee.k12.wi.us so we can prepare sufficient handouts. Any other questions? Contact Melanie Stewart at 414-475-8751.
