<u>Funder</u>	<u>Proposal</u>	<u>Total Awarded</u>	<u>Abstract</u>
Marquette University	Pathways in Computer Science - Subaward	104,842	A subaward from Marquette University through a National Science Foundation Computer Science for All grant will provide job-embedded teacher support and coaching to enhance learning through improved integration of best practices in computer sciences instruction. Computer science professional development will be provided for teachers in the K-5, middle, and high school grade bands. The project provides continued collaboration to build capacity for MPS schools to offer rigorous computer sciences to students at all grade levels.
Target Corp	Target Youth Soccer (Allen-Field)	1,000	Grant funds will be used to purchase jerseys, new balls, and a portable goal.
Verizon Foundation	Verizon Innovative Learning Schools	900,000	Grant funds will be used to equip every student and teacher at five MPS middle schools with a device and up to a four-year data plan to empower 24/7 learning. It will provide extensive training, support, and the opportunity to engage in powerful teaching and learning that leverages technology in and out of classrooms.
Wisconsin DPI	Menominee Language and Culture Revitalization	8,000	Grant funds will support teaching, preserving, and revitalizing the Menominee Language and Culture. Approximately twenty-five students will participate in weekly Menominee Language and Culture classes.
Wisconsin DPI	WI DPI AODA Mini Grant (Reagan)	1,000	Grant funds will help start the Hope Squad program. The Hope Squad program is a school-based peer support team that partners with local mental health agencies. Student squad members will coordinate a yearly school-wide event (a week of suicide prevention awareness and mental wellness activities) and play an active role in educating family and friends on issues related to suicide prevention and community mental health resources.
Wisconsin DPI	WI DPI AODA Mini Grant (Morgandale)	1,000	Grant funds will be used by the Gender Diversity Club to host several activities. These activities will include hosting a school dance, having a field trip to the ropes course, having a professional mural artist complete a mural, and completing the outdoor classroom.
Wisconsin DPI	WI DPI Mini AODA (Milwaukee School of Languages)	1,000	Grant funds will provide the Be Inspired Works program, targeting African American and Latino male students. The program focuses on socio-emotional learning through spoken word, writing and community building. The older male students will then hold a workshop for middle school students in order to provide mentoring.
Wisconsin DPI	WI DPI Mini AODA (Curtin)	1,000	Grant funds will be used for the Gender-Sexuality Alliance group to help reduce bullying, risky behaviors, and cyberbullying and increase awareness. Students will learn about the effects of bullying on LGBTQ+ communities, learn how to raise awareness, educate others, and create a pledge campaign for students to use social media appropriately and positively.
Wisconsin DPI	WI DPI Mini AODA (Curtin)	1,000	Grant funds will be used for Mindful Mentors to create baskets of mindfulness supplies to each classroom and teach students the appropriate use of materials. The Mindful Mentors will teach mindfulness skills to individual students and lead mindfulness activities in classes.
Wisconsin DPI	WI DPI Mini AODA (Milwaukee School of Languages)	1,000	Grant funds will provide support for the Gay-Straight Alliance group. The funds will be used to bring in a guest speaker and for posters, announcement supplies, and t-shirts to promote a Day of Silence in spring of 2020.
Wisconsin DPI	WI DPI AODA Mini Grant (Westside)	1,000	The grant funds will provide the 5th Grade Leadership Group with supplies for various projects such as, educating younger students on how to be more self-aware and calm down on their own, mentoring younger students and creating mindfulness corners in classrooms.
