For the Period March 24, 2018 Thru May 3, 2018

<u>Funder</u>	<u>Proposal</u>	<u>Total Awarded</u>	<u>Abstract</u>
WI Dept of Natural Res	WI DNR Stewardship (Rec-Burnham)	250,000	The Stewardship Grant Program supports projects for outdoor, nature-based recreation. The grant will focus on implementing improvement identified in Milwaukee Recreation's Mast Plan. The proposed improvements in the scope of the grant will address issues related to physical safety and accessibility while supporting the recreation needs for unstructured space for picnics and play.
Kohls Cares	Kohl's School Wellness (MSL)	500	This grant will fund athletic equipment for all Milwaukee School of Language students to use during recess time. Additionally, print and video materials would be purchased to supplement units of student taking place in middle school health classes.
PPG INDUSTRIES	PPG Innovative Classroom (Barbee)	5,000	This grant will fund food and supplies for Barbee Montessori's animals.
Target Corp	Target Soccer Grant (German Immersion)	1,000	This grant will help fund supplies and uniforms for the soccer team.
Milwaukee Public	MPM Early Learning Field Trip (Clement)	500	This grant will help fund an educational field trip for K4 & K5 students.
PPG INDUSTRIES	PPG Industries (Maryland, GF)	1,000	This grant will help fund a student-constructed wooden canoe project.
WI Econ Develop Corp	WEDC Fab Lab - Tech & Obama	25,000	This grant will fund the completion of the Fab Lab at Obama and the creation of a Fab Lab at Bay View.
Milw Metro Sewerage Dist	MMSD (Bradley Tech)	22,125	Bradley Tech High Schools proposed green infrastructure project is a product of over a year of extensive school stakeholder collaboration, visioning, and community engagement. The purpose of the project is to educate students, staff, and the community on the importance of water conservation, habitat restoration, stormwater management, and increased access to green space for the benefit of student and community. The proposed project would effectively manage the stormwater runoff from the asphalt playground and would provide an opportunity for students to engage in green infrastructure and eco-literacy topics first hand through STEAM (science, technology, engineering, arts, and mathematics) curriculum connections.
Milw Metro Sewerage Dist	MMSD (Vieau)	21,125	Vieau School's proposed green infrastructure project is a product of over a year of extensive school stakeholder collaboration, visioning, and community engagement. The purpose of the project is to educate students, staff, and the community on the importance of water conservation, habitat restoration, stormwater management, and increased access to green space for the benefit of student and community. The proposed project would effectively manage the stormwater runoff from the asphalt playground and would provide an opportunity for students to engage in green infrastructure and eco-literacy topics first hand through STEAM (science, technology, engineering, arts, and mathematics) curriculum connections.
Marquette University	STEM+C (CCR)	44,595	This grant will fund teacher professional development in computer science. The goal is to have every MPS high school offer an AP-level computer science course within three years.
French American Cultural Exchange	French Intern Grant (French Immersion)	4,000	This grant will help fund an intern from France to work with French Immersion students.

<u>Funder</u>	<u>Proposal</u>	<u>Total Awarded</u>	<u>Abstract</u>
Wisconsin DPI	WI DPI Project AWARE (C&I)	824,440	This is an extension of the Project AWARE grant Milwaukee Public Schools has already received. Milwaukee Public Schools has been selected by the State of Wisconsin to participate in a five-year grant. Project AWARE, or Advancing Wellness and Resilience in Education, is designed to address the mental health needs of youth, families/caregivers and communities. The grant will enhance the coordination and integration of mental, and emotional, and behavioral health, resulting in increased access to school- and community-based mental health services for our youth and families that need it most..
Bader Foundation	Bader Mentor Luncheon (BLMA)	2,500	This grant will fund the cost of a mentoring luncheon during which Black and Latino youth will meet with adult mentors to share experiences.
