**Monthly Grant Awards**

**For the Period January 1, 2017 Thru January 31, 2017**

<u>Funder</u>	<u>Proposal</u>	<u>Total Awarded</u>	<u>Abstract</u>
WisItalia	K-12 Integrated Italian Language Curricula (Victory)	1,000	Victory would like to offer two students the opportunity to attend a one-week session at Concordia's Language Villages: Lago del Bosco. We will use the award to pay for half of each student's registration; if there is only one student, we will pay the full registration. The funding would be available to any Victory student over the age of 7. This opportunity would give students a way to continue their language learning throughout the summer.
Wisconsin DPI	Educators Effectiveness - MCP Lloyd Street	2,640	Educator Effectiveness focuses on the development of teacher and leader practice to have a positive impact student performance. This work correlates to the district's improvement plan as a part of all three strategies: Curriculum and Instruction, Professional Development, and Continuous Improvement.
Wisconsin DPI	Educators Effectiveness - MCP 38th St.	10,160	Educator Effectiveness focuses on the development of teacher and leader practice to have a positive impact student performance. This work correlates to the district's improvement plan as a part of all three strategies: Curriculum and Instruction, Professional Development, and Continuous Improvement.
Society of Health and Physical Educators	SHAPE America Jump Rope for Heart (Rogers)	2,500	This grant supports professional development and provides funds to purchase school equipment. Grantees will be invited to attend the SHAPE America National Convention & Expo in Boston, they will be awarded a one-year membership to SHAPE America, and a US Games gift certificate redeemable for physical education equipment.
WestED	Making Sence of Science	18,100	Through an Investing in Innovation (i3) grant from the U.S. Department of Education, WestED is working with targeted schools to improve the science achievement and reading/writing skills of your students in grades 45 through the Making Sense of SCIENCE project. The participating schools will receive funds for science instructional materials.
