Wild Space Dance Company (Contractor) shall provide services which combine English Language Arts standards with dance/movement to improve student competency. Services will be provided to four classrooms and teachers of Sherman MCA School on the following dates and times: January 19, January 26, February 2, February 9, February 16, February 23, March 2, March 9. March 16 will be used as an alternate/make-up date if necessary. Services will take place on Thursdays between the hours of 12:00PM to 2:00PM. Grades 1, 2, 3, and 5 will meet once a week for 8 weeks. Each class will engage in one 30min session per week. Services will include grade-appropriate lessons around spelling (for example, students using their bodies to explore the shapes of letters and vowel-consonant patterns), and reading vocabulary (for example, students using their bodies to explore the sounds of new words and to act out their definitions). Classroom teachers will gain tools in kinesthetic learning that they can bring back to the classroom. Expected outcomes of this residency for students include: Demonstrating their understanding of the creative process of making original choreography using ELA standard-based objectives. Demonstrating their understanding of ELA standards through creative movement and dance. Verbal and physical expression of student ideas that connect creative movement with language, social-emotional learning and the building of self-confidence by incorporating students of culture, identity, voice and choice into their learning, and working collaboratively to realize themselves in their collective works and student development of self-discipline and physical fitness. Contractor will work collaboratively with school teachers whose classes participate in services (determined by school principal) to identify cross curricular connections with the PDM
