Mission & Vision

MISSION

To enrich and strengthen the community through memorable recreational and educational experiences for people of all ages and abilities.

VISION

To be the leading provider of high quality and affordable recreation and community services in Milwaukee.

Values

The following are the **core values** that **drive the work and interactions with the team and customers:**

EQUITY

Ensuring access to recreation services for all.

ACCOUNTABILITY

Taking individual and collective responsibility.

MEMORABLE EXPERIENCES

Creating special, distinctive recreation experiences.

PROFESSIONAL STAFF

Employing staff who possess the core competencies of the department.

QUALITY SERVICE DELIVERY

Exceeding customer expectations through responsive and respectful service delivery.

SENSE OF COMMUNITY

Providing services that encourage personal connections and relationships.

COLLABORATION + PARTNERSHIPS

Fostering and maintaining partnerships with individuals and organizations that benefit the community.
