School Events/Activities

Event Attendance

What Parent Coordinators are  
Saying

# Sustainability

---

Engage parent coordinators in a supportive peer-based learning experience.

Facilitate family engagement activities by utilizing the skills learned.

Expose parent coordinators to strategies and best practices.

Emphasize the connection between family engagement and student achievement.

# How Has It Helped

# Next Steps

---

## Identify More Schools

Increase the school's capacity to engage with the community.

## Intentional Family Connection

Identify the barriers to effective family engagement and develop strategies to increase family participation.

## Maximize Virtual Learning Experiences

Provide creative opportunities for online learning and to increase technical skills.

## Full Implementation in October 2022

Continue to develop PC's to support ongoing family engagement implement best practices strategies.

# Thank you.

Dr. Keith P. Posley, *Superintendent*
