<u>Funder</u>	<u>Proposal</u>	<u>Total Awarded</u>	<u>Abstract</u>
US Dept of Education	UW-Madison - UW Javits	50,674	This project builds on the assets of students, families, schools, districts, communities, and University of Wisconsin to support Smart Spaces, where academically advanced students from low-income settings have increased opportunities to develop their talents in challenging and innovative ways.
PLACEHOLDER	Administration for Children - COLA	148,715	<p>The Head Start staff is committed to developing compassionate partnerships with families to support them in meeting their needs and goals.</p> <p>The vision is that all Milwaukee Public Schools Head Start children will attain high quality school readiness skills and their families will be empowered towards self-sufficiency and taking ownership in their future endeavors.</p> <p>COLA funds will be used to off set salary costs and fringe benefits of Head Start personnel that received district raises. Head Start currently employs 56 teachers, 69 paraprofessionals, 7 social work assistants, 3 school nurses, 1 nutrition tech, 2 social workers and 3 secretaries</p>
Wisconsin DPI	WI DPI - Title 1, 1003(g) - New Cohort	585,452	The school improvement grant will provide an opportunity for school's to collaborate and implement research best practices that will improve instructional practices and increased academic achievement in six schools for the duration of the grant. Three k-8 schools, one middle school and two high schools will be recipients of the grant. The school improvement grant addresses and aligns with all Eight Big Ideas in Milwaukee Public Schools.
PLACEHOLDER	NRPA/Walmart Foundation Healthy Out of School Time - MPS REC	25,000	<p>The MPS Recreation summer playground program is one of the oldest and largest drop-in community programs in the City of Milwaukee. During the summer, over 10,000 youth ages 6-17 come to the playgrounds to engage in safe and fulfilling recreation and play. A major component of the summer playground program is providing access to free meals when school is not in session. The main goals to be addressed with this grant are:</p> <ol style="list-style-type: none"> <li>1. Increase the number of healthy meals children receive during out of school time.</li> <li>2. Provide nutrition literacy to children and families</li> <li>3. Implement nutrition standards that increase access to healthier foods</li> <li>4. Implement meal and program efficiencies that increase community sustainability.</li> </ol>
