For the Period December 21, 2021 Thru January 22, 2022

Funder	Proposal	Total Awarded	Abstract
US Environmental Protection Agency	Scaling Greener, Healthier Schools for Milwaukee's Low Income and Minority Communities	200,000	Grant funds will be used to create a system of support to educate and train school staff and community members in how to use newly constructed green spaces, outdoor classrooms, traffic gardens, and fitness stations in MPS. Activities include creating and implementing professional development, developing school health plans, collecting data to support environmental health literacy.
Wisconsin DPI	WI DPI Peer-to-Peer Grant (Marshall HS)	565	Grant funds will support the implementation of a peer-to-peer group at Marshall High School in grades 9-12. This project will educate students on suicide prevention, identify and train a group of peer leaders to identify and assist students that may be having mental health issues, and build a stronger community at the school.
Wisconsin DPI	WI DPI Peer-to-Peer Suicide Prevention Grant (Groppi)	1,000	Grant funds will support a peer-to-peer suicide prevention program at Groppi High School that focuses on therapeutic beat making as an intervention. Funds will be used for professional development that will allow the staff at Groppi to carry out sessions.
Wisconsin DPI	WI DPI Peer-to-Peer Suicide Prevention Grant (Project STAY)	1,000	Grant funds will support a peer-to-peer suicide prevention program at Project STAY High School that focuses on therapeutic beat making as an intervention. Funds will be used for professional development that will allow the staff at Project STAY to carry out sessions.
Wisconsin DPI	WI DPI Peer-to-Peer Suicide Prevention Grant (Regan)	1,000	Grant funds will be used to support HOPE Squad, a peer-to-peer suicide prevention program, at Regan High School.
Verizon Foundation	Verizon Innovative Learning Schools C9	2,000,000	Grant funds will support Chromebooks for every middle school students, coaches, and professional development. Schools in cohort 9 include ALBA, Lancaster, Garland, and Metcalfe.
Children's Hospital of Wisconsin	Children's Wisconsin & Kohl's Healthy Kids Grant (Victory)	1,000	Grant funds will be used to provide resources to students and families at Victory/Italian Immersion school for the purpose of health and wellness education.
