Monthly Grant Awards  
For the Period May 1, 2017 Thru May 31, 2017

<u>Funder</u>	<u>Proposal</u>	<u>Total Awarded</u>	<u>Abstract</u>
Lowe's Char and Ed Found	Lowe's Toolbox for Education (Doerfler)	5,000	Doerfler wishes to create an attractive and inviting reading garden to inform, education, and motivate the students and community on issues about water quality and related topics.
Lowe's Char and Ed Found	Lowe's Toolbox for Education (Bay View)	4,915	Bay View High School will use the funds from this grant to create additional makerspaces for both the design and engineering programs of study offered at the school. The school has already designated spaces and cleared them out; the equipment and supplies have been ordered. The last task is to have the rooms painted and outfitted with lighting, shelving, and furniture.
Lowe's Char and Ed Found	Lowe's Toolbox for Education (Clement)	5,000	Clement Avenue wants to update current student technology. Digital technology offers an additional outlet for students to demonstrate their creativity and provide learning opportunities, as well as support the intervention initiatives. With this grant, Clement Avenue will purchase Chromebooks with touchscreens.
PLACEHOLDER	Office of Head Start - Head Start Grant	4,256,602	<p>Milwaukee Public Schools Head Start Program is dedicated to enhancing the cognitive, social, emotional and physical well-being of children and families in Milwaukee County. The agency provides quality educational programs for preschool children, as well as supportive family services in partnership with parents and their communities. The Head Start staff is committed to developing compassionate partnerships with families to support them in meeting their needs and goals.</p> <p>The vision is that all Milwaukee Public Schools Head Start children will attain high quality school readiness skills and their families will be empowered towards self-sufficiency and taking ownership in their future endeavors</p>
Sprint Foundation	Sprint 1Million Project	4,144,000	This grant will provide mobile hot spots for students who currently do not have internet access at home, who are sharing internet access, or who have poor quality internet. Access to the internet at home will facilitate opportunities for students to complete homework assignments and bridge the homework gap. Devices will be distributed over a period of 5 years to high school students and Sprint will provide free internet access throughout the course of each recipient's high school career. (Devices originally asked for: 5,000 per year or 25,000 total. Devices awarded: 2,800 per year or 14,000 total)
