MILWAUKEE BOARD OF SCHOOL DIRECTORS PROFESSIONAL SERVICES CONTRACT

This Contract is being entered into this 1st day of December, 2014, by and between **Goodwill TalentBridge LLC** ("Contractor") and Milwaukee Board of School Directors ("MPS").

I. SCOPE OF SERVICES

Contractor shall specifically perform the following tasks:

Contractor shall provide qualified staffing services for non-teaching, non-executive personnel (classified positions). Positions include, but are not limited to custodial, secretarial/clerical, food service, safety assistants, children's health assistants, school nurse associates, bookkeepers, and technology positions. Services include dispatching of substitute teachers and other staff.

MPS desires a flexible talent acquisition strategy that includes the use of contingent, contract-to-hire and direct hire strategies that is a more balanced and effective approach. Contractor shall partner with MPS in establishing a new talent-acquisition process that provides MPS with increased workforce flexibility, reduced time-to-fill, greater talent diversity and lower cost. The successful partnership will provide MPS with a balanced talent hiring strategy and approach. Contractor also shares in MPS' vision to increase opportunities for the disabled and military veterans.

MPS reserves the right to request the replacement of personnel assigned by Contractor with no notice and at no additional cost to MPS if, in MPS' sole discretion, it is determined that the personnel do not adequately meet the needs of MPS.

Responsibilities in the balanced hiring strategy are to:

- a) Provide timely service for filling classified positions (30-45 days).
- b) Maintain multiple recruiting sources, both physical and virtual across the state, the region and metro-Milwaukee area.
- c) Identify applicants to form a diverse pool: ethnic, racial and gender, as well as the under-and unemployed. Select and train them for multiple positions.
- d) Maintain an on-going pool of talent for frequently recruited positions, and provide a vetted list of candidates to MPS.
- e) Continue as employer of record for all contingent and contract-to-hire staff.
- f) Assist with the design and implementation of assessments and recruitment plans, particularly hard to fill positions.
- g) Contractor shall also manage the dispatching of the District's substitute teachers, secretarial/clerical, Handicapped Children's Assistants ("HCA") and food service assistants ("FSA") using AESOP (Automated Substitute Placement and Absence Management) software. Contractor has the geographic capacity and presence in the community to fill these positions equitably throughout the district.
- h) Requirements

Contractor shall be required to provide the following services:

- i. At the Contractor's site, provide sufficient staff to facilitate and manage all facets of support for schools in their use of the MPS substitute dispatching software, Aesop.
- ii. Provide a dedicated individual to be the main contact with the MPS Office of Human Capital ("OHC") Manager, Talent Management.
- iii. Provide support for school principals and secretaries experiencing problems with the use of the system.
- iv. Proactively call substitute teachers if there are problems recruiting subs for certain placements.
- v. Provide support for substitute teachers having problems with the use of the system.
- vi. Identify problems in the working of the system to the Aesop help desk and/or MPS staff.
- vii. Coordinate the placement of contract secretaries/clerical, HCAs and FSAs once MPS employees have been placed. Note that Aesop should be able to manage this by assigning the MPS staff a higher priority, and there may be little if any need for human intervention.
- viii. Provide sufficient qualified and licensed staff to meet a 100% fill rate on all vacancies. Contractor may establish subcontracting relationships to provide required staff. Contractor must identify the subcontracting relationship to MPS for MPS' approval. In assigning any candidate to work at MPS from a source other than the MPS secretarial/clerical or HCA staffing pool, the Contractor agrees to ensure that the candidate(s) assigned under this contract meets the following MPS pre-employment qualifications:

- a. Passed a recent pre-placement physical exam and drug screen and is free from tuberculosis.
 - b. Been subjected to a name-based criminal information background check by Contractor in the 365 days prior to the date candidate will commence work for MPS. The results of each check must be provided to MPS's Department of Employment Relations before candidate may commence work. Contractor shall not assign and/or subcontract any candidate from a source other than the MPS secretarial/clerical or HCA staffing pool to work at MPS until Contractor performs such a criminal background check, and it is determined by MPS's Department of Employment Relations, in its sole discretion, that there is nothing in the background of the candidate that would render the candidate unfit to work at MPS with children. Reasons candidates may be rejected include, but are not limited to, falsification of background information or conviction of an offense or pending charges which substantially relate to the duties and responsibilities to be assigned to the candidate. Allowing a candidate who has not been subjected to a background check in accordance with these provisions to perform work for MPS will be a material breach of the contract between MPS and Contractor and may result in the immediate termination of the same.
 - c. Costs for pre-employment qualification testing and screening shall be borne by Contractor.
- ix. Contractor will abide by all terms and conditions of the applicable MPS labor contract and will be responsible for any subcontractors who perform under this contract. Contractor shall provide MPS's Office of Risk and Insurance with acceptable proof that its subcontractors are in compliance with the insurance requirements of this contract prior to any subcontracting as referenced herein.
 - x. Contractor shall provide specific job training to all candidates before being placed in an MPS building.
 - xi. MPS reserves the right to reject any Contractor or subcontractor employee it determines is not able to meet the minimum requirements of the temporary position to which she/he is assigned.
 - xii. Assure that all vacancies are filled by 8:00a.m. or negotiated start time. Contractor shall be responsible for filling all vacancies even in the event that there is a technical problem with Aesop.
 - xiii. Provide weekly billing to school/sites for dispatching provided from vendor's pool. Invoice must include at a minimum, name of individual, classification, dispatched site, day(s) worked, hours worked, rate billed, and total amount due.

The term of the initial Contract will January 1, 2015 through December 31, 2015 with the option to extend for up to two additional one-year periods. The total cost of the Contract for the first year of the Contract shall not exceed \$3,750,000.00.

Any continuation of the Contract beyond this term must be set forth in writing and signed by the original signatories to the Contract.

3. COMPENSATION

Total compensation under this Contract shall not exceed \$3,750,000.00.

If judgment is recovered against MPS in suits of law or equity for any reason, including by reason of the carelessness, negligence, or acts or omissions of the Contractor, against such persons, firms or corporations carrying out the provisions of the Contract for the Contractor, the Contractor assumes full liability for such judgment, not only as to any monetary award, but also as to the costs, attorneys fees or other expenses resulting therefrom.

In accordance with applicable laws, MPS shall be responsible for defending and paying judgments on behalf of its officers, employees and agents while acting within the scope of their employment or agency for any claims that may arise out of MPS' negligence for acts, policies, or directives that affect the activities covered by this Contract.

MPS will, in its sole discretion, determine whether there is anything in a background check that would render a person unfit to work in an MPS facility with contact or access to MPS students. MPS shall perform background checks in the state(s) in which the individual resided for at least 6 months in the last 5 years, and was 18 years old or older at the time.

Please note that all forms must be filled out and submitted at least 30 days prior to the commencement of the services.

All background checks must be completed prior to the commencement of services under this Contract. MPS will NOT be responsible for the payment of any services rendered by Contractor before the completion of these criminal information background checks.

8. INSURANCE AND PROOF OF FINANCIAL RESPONSIBILITY

Contractor and its subcontractors shall effect and maintain any insurance coverage, including, but not limited to, Workers' Compensation, Employers' Liability, General Liability, Contractual Liability, Professional Liability, Automobile Liability and Umbrella Liability to support such financial obligations. The indemnification obligation, however, shall not be reduced in any way by existence or non-existence, limitation, amount or type of damages, compensation, or benefits payable under Workers' Compensation laws or other insurance provisions.

The minimum limits of insurance required of the Contractor by MPS shall be:

Workers' Compensation	Statutory Limits

Contractor agrees and stipulates that in performing this Contract, it is acting as an Independent Contractor, and that no relationship of employer and employee, partnership or joint venture is created by this Contract. Contractor has exclusive control over work hours, location, and other details of such services, and MPS' sole interest is to ensure that said service shall be performed and rendered in a competent, safe, efficient, timely and satisfactory manner in accordance with the terms of this Contract.

Contractor has the sole obligation to provide for and pay any contribution or taxes required by federal, state or local authorities imposed on or measured by income. Contractor specifically covenant not to file any complaint, charge, or claim with any local, state or federal agency or court in which Contractor claims to be or to have been an employee of MPS during the period of time covered by this Contract and that if any such agency or court assumes jurisdiction of any complaint, charge or claim against MPS on Contractor's behalf, Contractor will request such agency or court to dismiss such matter.
