This contract is for the M3 Middle College High School program. The M3 Middle College High School program is an innovative dual enrollment program between Milwaukee Public Schools (MPS), Milwaukee Area Technical College (MATC), and University of Wisconsin-Milwaukee (UWM) that allows eligible students to complete their high school graduation requirements while earning 10 college credits from both MATC and UWM. This contract is students to take 7 of those credits at Milwaukee Area Technical College. Up to 46 MPS students will attend classes at the MATC Downtown Campus 4 times a week (Monday through Thursday) and be working to earn up to 7 college credits in the courses listed below. MATH-200 (Enhanced section) (4 Credits) Students study the construction and resulting properties of the

real number system. Students simplify and factor algebraic expressions using fundamental laws and order of operations; solve first and second-degree equations and inequalities in one variable, systems of equations and exponential and logarithmic equations, graph first degree and second-degree equations and inequalities in two variables; inverse functions and solve equations involving rational expressions, fractional exponents and radicals. Students will learn the basic definitions of relations and functions and perform operations on functions. Additionally, this course comes with 2 hours of instructional support each week of class where students will meet with instructional coaches for academic tutoring and support to ensure success in the course. ENG-201, English 1-E (Enhanced section) (3 Credits) Introduces students to the basic principles of college-level composition, research, critical reading, and critical thinking with an emphasis on academic writing conventions. In addition to

Contractor shall provide a course that consists of one (1) face-to-face session to be taught to new Milwaukee Public School CTE (Career & Technical Education) teachers in two full-day periods (8am - 4pm), tentatively scheduled for June 13-14. The course session will be taught in the Milwaukee area at Milwaukee Public Schools Central Services building rooms 210 & 211 to approximately five (5) adult students. Adult students in this session will only include third-year Experience Based License CTE teachers. The teacher certification areas within CTE are as follows: Agriculture (1); Business Ed (1); FACE/Food Services (1); Marketing (1); Tech Ed (1).

The Contractor will teach the courses from a CTE perspective, and that whenever possible, the content of the course and any related pre-work or post-work, be from a CTE perspective. This will be a practical course that new CTE teachers will be able to implement lessons learned/assignments worked on in their own classrooms. The Contractor will provide an instructor(s) and any required materials to present the session. Milwaukee Public Schools will provide the required textbook for five (5) students: Career and Technical Educators Survival Guide, Revised Edition. The instructor for the course will email MPS teacher participants with reading and reflection to complete prior to the face-to-face session. Post-work will involve written assignment(s) and application of learning in teachers programs followed by written reflection. A project director from Contractor will be assigned to coordinate with the MPS CTE office regarding logistics for the face-to-face class session and to serve as

Upstream Arts will carry out interactive arts programming with embedded professional development in 6 Special Education Milwaukee Public School classrooms in the 2019-2020 school year. In each program, teams of Upstream Arts teaching artists will lead theatre, music, dance, visual arts, and poetry activities tailored to the ages and abilities of students in each classroom. Every arts activity deliberately develops social/emotional and communication skills essential to academic success. Upstream Arts proven program model and curriculum are aligned with evidence-based practices for fostering social/emotional learning, and address WI State Arts Standards. Each program will include 8, 1-hour sessions over a two-week time frame with 6 MPS schools. Each program will engage 15 students, in total serving 90 students ages 5 to 18 with

intellectual, behavioral, emotional, and/or physical disabilities, as well as those who are Deaf or Hard of Hearing and those with vision impairments. Special Education teachers and staff in these classrooms will benefit from embedded professional development during the programs. In addition, Upstream Arts will lead professional development trainings at each of the 6 schools sites for educators and support staff on arts-based instructional strategies and Universal Design for Learning (UDL). These trainings will equip educators with arts-based engagement and teaching strategies for diverse learners that they can use in their own instruction. This programming and professional development address Milwaukee Public Schools' objectives of educating the whole child and redefining the MPS experience for ALL students by providing an innovative, inclusive approach to social emotional learning and equitable arts access, both of which are foundational to closing achievement gaps.
