

COMMUNITY FEEDBACK SURVEY UPDATE

AS OF JANUARY 9, 2018

Milwaukee Public Schools’ (MPS) budget planning is a continual process. District administration is currently seeking input on the FY19 budget. Community feedback is a critical piece needed to help further refine major initiatives that the FY19 budget highlights. The district began soliciting input via survey that was distributed in hard copy and pushed out electronically to the community on December 15, 2017.

Survey Respondents

Approximately **4,045** responses were recorded.

Of those responses:

42.2% responded as an MPS employee

43.1% responded as a parent/guardian

0.8% of the surveys were taken in Spanish

Deeper Dive

How should the data be broken down?

Data suggests that there are differences in who respondents are and how they responded in some areas. For example:

- 61.1% of parents/guardians want school to start one week later in August
- 43.1% of MPS staff want school to start one week later in August
