

ESSER Background

Elementary and Secondary School Emergency Relief Funds (ESSER II & III)

The Consolidated Appropriations Act, 2021 [P.L. 116–260], also referred to as the federal stimulus package, was enacted on December 27, 2020, and is the federal government's response to the ongoing COVID-19 pandemic. The stimulus package provides for the Elementary and Secondary School Emergency Relief Fund.

Between March of 2020 and 2021, Congress passed three stimulus bills under ESSER with allocations of funding for school districts. These funds provide emergency financial assistance to address the impact that COVID–19 has had, and continues to have, on elementary and secondary schools. The following table summarizes those allocations, the amount of funding that has been allocated to MPS and the performance period of each grant.

Information Category	ESSER I	ESSER II	ESSER III
Stimulus bill	Coronavirus Aid, Relief, and Economic Security Act (CARES Act)	Coronavirus Response and Relief Supplemental Appropriations Act (CRRSAA)	American Rescue Plan Act (ARPA)
Performance period	3/13/2020 – 9/30/2022	3/13/2020 – 9/30/2023	3/13/2020 – 9/30/2024
Total amount in grants to Milwaukee Public Schools	\$41 million	\$225 million	\$506 million – Districts must reserve 20% to mitigate learning loss
School districts provide private school services	Yes; \$15 million	N/A	N/A

The table is an excerpt of information provided by the Wisconsin Department of Public Instruction for the state and modified to be applicable for Milwaukee Public Schools.

Fall 2022 Budget Update

The Fall 2022 ESSER II and ESSER III Budget Book is an informational document outlining the Administration's current program progress, expenditures, and remaining balances of the budgets approved by the Milwaukee Board of School Directors on May 27, 2021 (ESSER II), October 14, 2021 (ESSER III), and May 24, 2022. The budgets are balanced to the Wisconsin Department of Public Instruction allocation for MPS.

Message to the Reader:

The format of the Fall 2022 Proposed Budget Revision Detail combines elements of previous ESSER II & III Budget books for a streamlined review of the ESSER II & III allocations under each Funding Priority Committee:

This book is formatted by each committee detailing the following:

- Accomplishments through June 30, 2022
- Current/Planned Activities
- Request for Budget Revision
- Line Item Priority Detail

The green highlighted items reflect new lines of effort allowable under the use of ESSER funds, are aligned to the District's Strategic Plan, were selected for maximum impact, and are supported by unspent balances from previously approved line items and an increased allocation to MPS in ESSER III.

Accelerating Learning

The Accelerating Learning plan of action addresses four priority areas: direct services, high quality materials, professional development, and parent/family engagement across 105 lines of effort. Many of the activities in Accelerating Learning contribute to meeting the ESSER III requirement that a minimum of 20% of the ESSER III funds support evidence-based intervention strategies (EBIS) to address the disproportionate effects of the COVID-19 pandemic on students.

Accomplishments through June 30, 2022

- Secured contracts with instruction partners for two years of additional support with curriculum implementation across content areas and for specific support with the reading and science adoption and math future adoption.
- Offered 80 after school professional development sessions in reading, science, math, writing, planning for biliteracy, and advanced academics (6,400 participants).
- Implemented the Reading Corps tutoring program (\$150,000) at Forest Home Avenue, Lincoln Avenue, Longfellow, Wisconsin Conservatory for Lifelong Learning, and Whitman.
- Executed the Advanced Placement Summer Bridge Programs at three sites: Riverside, Milwaukee School of Languages, and Golda Meir.
- Secured license for Soundtrap online digital services providing students with access to an extensive collection of creative tools for use in music education.
- Secured music specific personal protective equipment (PPE) ensuring students could continue in the development of their music education.
- Purchased instruments such as guitars and ukuleles resulting in expanded access for students.
- Spent \$57,370 on arts supplies, \$53,612 on electronics and \$13,322 on two kilns (\$125,404).
- Renewed Early Childhood (EC) program to support reading (Lexia program). Lexia is a
 personalized reading program that targets skill gaps as they emerge, extends learning for
 students who are advanced and accelerates the development of literacy skills (\$125,900).
- Provided three Supporting Oral Language in the Early Years (S.O.L.E.L.Y.) sessions for the community (Feb – May 2022) (\$6,000) with Saint Vincent College. The S.O.L.E.L.Y. series is a practice-based, relationship-centered, and community-supported approach to daily interactions between adults and children.
- Ordered writing support material: for \$49,000 for first grade 6 traits material.
- Purchased Nearpod which is an interactive instructional technology tool to support learning in the content areas. The first Nearpod training was held on December 23, 2022. In the past 30 days nearly 2000 students a week are using Nearpod.
- Invested in world language programs which includes a subscription to an online portfolio called Mango Languages.
- In Spring 2022 personal finance programming expanded to eleven schools (Hamilton, Green Tree, Riverside, Bay View, Bradley Tech, MacDowell, Marshall, Milwaukee High School of the Arts, Project STAY, Vincent Accelerated Academy, Wisconsin Conservatory of Lifelong Learning). Added an additional two years of funding for the personal finance mentor teacher ensuring support for schools and personal finance teachers across the district.
- Funded the M³ College Connections program general, nursing, and education pathways for the 2021 2022 school year for 140 MPS students earning a total of 1,655 college credits and two Licensed Practical Nursing degrees.
- Offered four virtual M³ Milwaukee parent institutes to help parents learn how to assist their students in navigating through high school, collaborate with teachers, support emotional and social development, create a supportive home learning environment, and assist them with college preparations and exploration.

- Expanded opportunities for MPS high school students to earn college credits through the dual enrollment program. Now offering 16 courses up from 11 on high school and college campuses. College math sections were offered at MATC downtown campus, Milwaukee High School of the Arts, Riverside, and Reagan. College English sections were offered at UWM campus, Reagan, and South Division. Course work was offered in the Barber/Cosmetology program at Obama SCTE.
- Purchased books, materials, and transportation for students in dual enrollment classes.
- Expanded the reach of dual enrollment to include students in alternative programs.
- Provided graduate courses to a cohort of twelve MPS math teachers to become qualified to teach college math courses as dual enrollment in high school. The math cohort finished their first class at UWM during the spring semester.
- Recruited English and world language teachers to take graduate courses at UWM to become qualified to teach dual enrollment in high school.
- Contracted with the Parent Institute for Quality Education (PIQE) for facilitator training conducted February, 2022 (\$30,000).
- Completed school counselor professional development on American School Counselor Association model (April 2022).
- Tutoring application provided to schools to host their own tutoring programs before or after school and/or Saturdays.
- Completed request for proposals (RFPs) for extended learning opportunities for summer, afterschool, and Saturday and contracts submitted.
- Completed request for proposals for tutoring and contracts approved by the Milwaukee Board of School Directors on June 30, 2022.
- Providing accelerated course offerings for high school students in the 2022 2023 school year through Proximity Learning.
- Mandated special education, English as a second language, and school counseling provided to students in the virtual program (MVP).
- Offered Winterim for high school students to complete credit recovery courses over the winter break between first and second semester.
- Expanded summer programming, including college courses for high school students and specialty courses for elementary, middle and high school students, and expansion of summer elementary sites.
- Provided professional development and support services for GE iLab teachers through devX (\$95,000).
- Supported hands-on learning with the GE iLabs, Project Lead the Way (PLTW), career and technical education (CTE), and STEM classes by providing equipment materials and supplies.
- Completed the Obama SCTE barber/cosmetology lab renovation and purchased materials and supplies. Classes began on January 25, 2022 and were taught by a Milwaukee Area Technical College (MATC) instructor for college credit.
- Started renovations for the CNA classrooms at North Division, Madison, Hamilton and South Division. Ordered supplies, materials, and equipment for each of the classrooms. Began recruiting students for the 2022 2023 school year.
- Provided ongoing professional development for teachers to support the textbook adoptions. We are preparing for the upcoming social studies textbook adoption, and providing intensive support for postsecondary planning and career and technical education opportunities.
- Planned and executed new/expanded after school extra-curricular options for students to support relationship building and healthy outlets after school at all high schools.
- Hired two Talent Management Specialists.
- Hired library media specialists for the 2022 2023 school year.
- Added to classroom libraries of those teachers that attended the independent reading session at the Guided Reading Institute (July 2022).

• Offered after school clubs and activities at high schools during the 2021 – 2022 school year.

Processes developed/implemented

- Established a process for schools to request funding for afterschool and Saturday tutoring.
- Established a rubric and process for anti-racist/equity mini-grants.
- Cohort created with focus on writing instruction aligned to standards (Oct 2021 May 2022).
- Worked with teachers to create scope and sequence for the 2022 2023 school year. Created training content for scope and sequence for writing instruction grades 1-8.

Current/Planned Activities

- Advanced Placement Breakfast Club: Saturday Academies! dates identified for the 2022 2023 school year. Plan to recruit teachers and order supplies for those sessions.
- Hire a sixth GE iLab teacher.
- Contract with five vendors to provide in-school, virtual, and oversee peer tutoring.
- Purchased Transeo, a tool to more effectively and efficiently run and manage work-based learning for 21 high schools.
- Recruited and hired six school counselors.
- Offer CNA classes in September 2022.
- Resume cosmetology spring semester at Obama SCTE during the 2022 2023 school year.
- Execute two contracts each with MATC and UWM for the 2022 2023 school year. One for the M³ College Connections program and the other for dual enrollment in school.
- Continue graduate coursework to qualify English, world language, and math teachers to teach dual enrollment courses.
- Seeking bids for supplemental writing materials.
- Plan for Pop-up Book Mobile library activity/project has begun. Estimates gathered for a van with plans to hire a manager June 1, 2023.
- Summer Camp for AP Summer Bridge with dates beginning in July.
- Held school improvement retreats for Summer 2022.
- Conducted professional development for teachers across content areas throughout summer.
- Held guided reading training for Summer 2022.
- Submit, review, and award anti-racist/equity mini-grants.
- Purchase Science, Technology, Engineering, Mathematics (STEM), Project Lead The Way (PLTW), General Electric (GE) iLabs, and CTE equipment.
- Hired school counseling position for Milwaukee Virtual Program
- Held elementary and high school summer Milwaukee Parent Institutes.
- Expand Youth Apprenticeship opportunities for the 2022 2023 and 2023 2024 school years.
- Implement 36 Equity mini-grant projects at 31 schools.
- Offer districtwide Positive Behavioral Interventions and Supports (PBIS) professional development in the fall to support culturally and linguistically responsive classroom practices.
- Utilize expansion funds (\$1.2-\$1.8 million) for community schools for a health clinic at South Division High School with the remaining funds distributed to the other 15 schools.

Request for Budget Revision

At this time, Accelerating Learning is requesting reallocation of funds to support new items for organizational development, student support, and online instruction.

Health and Wellness

Health and Wellness

Accomplishments through June 30, 2022

- Finalized RFP for broader mental health services across the district through teletherapy and/or increased access.
- Utilized SEL discretionary funds to access school programming from "vetted" vendor list developed by committee.
- Provided Summer Ropes Course trainings for personnel to expand trainer capacity.
- Provided SEL professional development and supplies for interested schools (including SEL self-regulation spaces and manipulatives).
- Expanded the School Community Partnership for Mental Health (SCPMH) by 50%, to 38 schools.
- Increased Success Center funding to serve more students and extend services into summer.
- Provided training for school psychologists and social workers in evidence-based interventions for trauma.
- Implemented new, more robust Employee Assistance Program (EAP) for staff.
- Addressed COVID-19 mitigation through such measures as distribution of personal protective equipment (PPE), surveillance testing, contact tracing after hours, and occupational nursing.
- Acquired nursing supplies such as AED equipment/parts, asthma spacers, and vision screening materials.
- Strengthened the Department of Black and Latino Male Achievement (BLMA) by hiring two additional coordinators.
- Established the Department of Gender, Identity and Inclusion (GII). Hired director, coordinators.
- Acquired assessments and protocols for special education testing.
- Hired additional mental health support staff (social workers and counselors).
- Extended District's license with the Second Step SEL curriculum for all K-5 students.
- Hired additional restorative practices coaches.
- Implemented antiracism and bias professional development using Courageous Conversations.
- Provided mental health support during summer Community Learning Center (CLC) programming.

Current/Planned Activities

- Provide professional development for mental health support staff on crisis management and advanced trauma training for schools.
- Improve Ropes & Challenges site, adding an outdoor structure and additional course elements; these improvements will increase capacity for student programming.
- Construct community exercise stations and traffic gardens for K-5 and K-8 playgrounds.
- Renovate exercise/fitness rooms for high schools.
- Launch a centralized nutrition professional development center, including testing kitchen, educational spaces, and administration.
- Modernize school nutrition kitchen equipment.
- Supplement school nutrition operational costs.

- Continue COVID-19 mitigation measures by resupplying schools and departments with PPE, offering COVID-19 related hazard pay and emergency paid sick leave as needed.
- Each school will be addressing the unique needs identified and prioritized through stakeholder engagement conducted during the 2021 2022 school year. Funding of \$100,000 per school was allotted to address needs for instruction, professional development, pupil support, family engagement, extracurricular activities, remodeling, and construction.
- Strengthen Restorative Practices across the District through professional development and family engagement opportunities, expanding access to toolkits and enhancing restorative practices circle spaces for students.
- Continue scale up of Success Center programming focusing on students enrolled in grades 4 through 12.

Request for Budget Revision

The Health and Wellness Committee is requesting a portion of the funding originally allotted for social emotional learning (SEL) programming be reallocated for more assessment kits and compensatory special education services for students.

Extracurricular Engagement

Accomplishments through June 30, 2022

Extracurricular Engagement was not funded through ESSER II, and given that, much of FY22 has been a planning year to begin the majority of implementation in FY23. Below are examples of the planning completed thus far.

- Met with overnight camp professionals to gather information about how to structure overnight camp experiences for MPS students, including Camps for Kids and Camp Kindred.
- Met with principals (high school, east region and southwest region) to share information about and get feedback on the extracurricular clubs' mini grant opportunity.
- Realigned services such as ACT/SAT prep, tutoring, etc., to the appropriate internal department where there is expertise to execute.
- Completed site review and investigations for priority pools (Vincent, Riverside, South Division, Gaenslen).
- Met with IPD team (4 times) and Owners Reps (8 times) to discuss athletic facility project scopes. Scope and site reviews being set up for all projects.
- Provided basis of design for all athletic facility projects.
- Developed rubric to prioritize tennis court projects based on condition and equity.
- Surveyed high schools to gather information on athletic facility condition, recent improvements, and needs.
- Developed RFP for Saturday programming for students in grades 1-12.

Current/Planned Activities

- Issue survey to principals to understand their after-school transportation needs to inform the after-school transportation plan.
- Review responses to RFP 1074 and award contracts for Saturday Youth Programming. Vendors will engage youth in grades 1-12 in academic enrichment, wellness, youth leadership development, mentorship, the arts and/or recreation.
- Issue parent survey in collaboration with Research, Assessment & Data to assess parent/guardian interest in sending their children to overnight camp.
- Issue RFPs for overnight camping experiences for MPS students.
- Launch Study Table during after school hours targeting student-athletes in jeopardy of being academically ineligible for Fall 2022 sports season.
- Continue planning for the Athletics Speaker Series event for Winter 2022.
- Complete Afterschool Clubs Guide for Principals.
- Continue scoping and design meetings for athletic facility projects.
- Enlist parent engagement regarding athletic facility project branding, color, and finish options.
- Conduct site visits for all athletic facility projects with consultants and MPS stakeholders.

Request for Budget Revision

At this time Extracurricular Engagement is not requesting a budget revision for new budget line items.
