ESSER Background

Elementary and Secondary School Emergency Relief Funds (ESSER II & III)

The Consolidated Appropriations Act, 2021 [P.L. 116–260], also referred to as the Federal Stimulus Package, was enacted on December 27, 2020, and is the federal government’s response to the ongoing COVID-19 pandemic. The stimulus package provides for the Elementary and Secondary School Emergency Relief Fund.

Between March of 2020 and 2021, Congress passed three stimulus bills under ESSER with allocations of funding for school districts. These funds provide emergency financial assistance to address the impact that COVID–19 has had, and continues to have, on elementary and secondary schools. The following table summarizes those allocations, the amount of funding that has been allocated to MPS and the performance period of each grant.

Information Category	ESSER I	ESSER II	ESSER III
Stimulus bill	Coronavirus Aid, Relief, and Economic Security Act (CARES Act)	Coronavirus Response and Relief Supplemental Appropriations Act (CRRSAA)	American Rescue Plan Act (ARPA)
Performance period	3/13/2020 – 9/30/2022	3/13/2020 – 9/30/2023	3/13/2020 – 9/30/2024
Total amount in grants to Milwaukee Public Schools	\$41 million	\$225 million	\$506 million – Districts must reserve 20% to mitigate learning loss
School districts provide private school services	Yes; \$15 million	N/A	N/A

The table is an excerpt of information provided by the Wisconsin Department of Public Instruction for the state and modified to be applicable for Milwaukee Public Schools.

Spring 2023 Budget Update

The Spring 2023 ESSER II and ESSER III Budget Book is an informational document outlining the Administration’s current program progress, expenditures, and remaining balances of the budgets approved by the Milwaukee Board of School Directors on May 27, 2021 (ESSER II), October 14, 2021 (ESSER III), May 24, 2022 and October 25, 2022 (ESSER II and ESSER III). The budgets are balanced to the Wisconsin Department of Public Instruction allocation for MPS.

Message to the Reader:

The format of the Spring 2023 Proposed Budget Revision Detail combines elements of previous ESSER II & III Budget books for a streamlined review of the ESSER II & III allocations under each Funding Priority Committee:

This book is formatted by each committee detailing the following:

- Accomplishments through February 28, 2023
- Current/Planned Activities
- Request for Budget Revision
- Line Item Priority Detail

The **green** highlighted items reflect new lines of effort allowable under the use of ESSER funds, are aligned to the District’s Strategic Plan, were selected for maximum impact, and are supported by unspent balances from previously approved line items and an increased allocation to MPS in ESSER III.

ESSER II Spring 2023 Budget Summary	Fall 2022 Approved Allocation	Spring 2023 Adjusted Allocation	Expenditures	Encumbrances	Remaining Balance

Accelerating Learning

The Accelerating Learning plan of action addresses four priority areas: direct services, high-quality materials, professional development, and parent/family engagement across 103 lines of effort. Many of the activities in Accelerating Learning contribute to meeting the ESSER III requirement that a minimum of 20% of the ESSER III funds support evidence-based intervention strategies (EBIS) to address the disproportionate effects of the COVID-19 pandemic on students.

Accomplishments through February 28, 2023

- Secured contracts with instructional partners for two years of additional support with curriculum implementation across content areas and for specific support with the reading, science and math future adoption.
- Offered 154 after school professional development sessions in reading, science, math, writing, planning for biliteracy, and advanced academics. (6,400 participants)
- Implemented the Reading Corps tutoring program at Forest Home Avenue, Lincoln Avenue, Longfellow, Wisconsin Conservatory for Lifelong Learning, and Whitman. (\$150,000)
- Executed the Advanced Placement Summer Bridge Programs at three sites: Riverside, Milwaukee School of Languages, and Golda Meir.
- Offered Advanced Placement Breakfast Club and International Baccalaureate Saturday Academies during the 2022-2023 school year to support Advanced Placement students and provide planning time for teachers.
- Provided Digital Audio Workstation Sound Trap access to more than 30,000 MPS students and teachers during the 2021-22 and 2022-23 school years. Students use Sound Trap to compose beats and loops similar to the music they love to listen to.
- Purchased 2200 ukuleles/ukulele carts for more than 50 schools and more than 150 guitars.
- Provided access to a Google form for all visual arts educators to request art materials on an ongoing basis. (\$405,833)
- Provided access to a Google form for all visual arts educators to request technology items on an ongoing basis. (\$256,461)
- Hired a Visual Art Teacher Leader to provide coaching and professional development to all visual art educators in traditional middle schools and high schools.
- Renewed Early Childhood (EC) program to support reading (Lexia program). Lexia is a personalized reading program that targets skill gaps as they emerge, extends learning for students who are advanced and accelerates the development of literacy skills. (\$125,900)
- Provided three Supporting Oral Language in the Early Years (S.O.L.E.L.Y.) sessions for the community (Feb – May 2022) with Saint Vincent College. The S.O.L.E.L.Y. series is a practice-based, relationship-centered, and community-supported approach to improving daily interactions between adults and children. (\$6,000)
- Purchased standards-aligned writing resources for Pre-K through 12th grades. This curriculum material provides explicit writing instruction and outlines the process for teachers to facilitate standards-aligned explicit writing lessons. (\$704,033.39)
- Provided funding for professional development for The Writing Revolution and Launching the Writer's Workshop. Over 600 teachers attended professional development that supports the implementation of the MPS Instructional Design for Writing (Writer's Workshop Framework), and strategies that can be implemented during the writer's workshop.
- Provided the necessary resources to purchase custom Counting Collections Kits for 3K, 4K, and 5K general and special education classrooms.

- Purchased early childhood math resource books for use during EC teacher professional development, books for math teachers for book studies, and 1-20 number paths distributed to students.
- Provided the necessary funding for 2022 Math Teacher Summer Institute, 2022 Fall Math Proficiency for All Students Annual Conference (MPES), one LTE to coach Strong Start participants, sent 7 math team members to the WI Math Council Annual Meeting, offer extensive training opportunities to teachers on ST Math and train EC teachers on the Counting Collections Routine. The focus of the summer institutes and the MPES conference focused on the successful implementation of the five key shifts in the math standards. In addition, EC teachers are attending initial and weekly support meetings to ensure effective implementation of the counting collections routine.
- Provided professional development for educators to incorporate technology tools into their teaching practices. Purchased additional technology tools, like EdPuzzle, to support world language learning. Using both district trainers and external partners, we have offered nearly 100 professional learning opportunities. The data shows that students are being invited to show their thinking using these digital tools, which is an indicator on the district walk-through tool. This data also indicates that students have multiple opportunities to demonstrate learning in different ways, whether verbally, written, or visually that measure the standard.
- Purchased Pear Deck and another student engagement and formative assessment tool, Nearpod. Over 13,000 participants engaged in a Nearpod lesson in January 2023 alone. (\$250,000)
- Offered personal finance programming in 24 high schools with teachers accumulating 1,551 hours of professional development. The passing rate of the Personal Finance course increased from 66% in 2021-2022 to 76% for semester 1 in the 2022-2023 school year.
- Added two years of funding for the personal finance mentor teacher ensuring support for schools and personal finance teachers across the district.
- Funded the M³ College Connections program general nursing, and education pathways for the 2021-2022 and 2022-2023 school years with 289 students participating from schools across MPS. Students in 2021-2022 earned 1840 credits total and two Licensed Practical Nursing degrees.
- Contracted with the Parent Institute for Quality Education (PIQE) for facilitator training conducted in February 2022.
- Offered M³ Milwaukee Parent Institutes to help parents learn how to assist their students in navigating through high school, collaborate with teachers, support emotional and social development, create a supportive home learning environment, and assist them with college preparations and exploration. From fall 2021 to date, 628 parents were engaged and 221 graduated* from the institutes (*spring 2023 graduates are not included).
- Offered the first parent/family college tour to the UW-Milwaukee and Milwaukee Area Technical College for Milwaukee Parent Institute participants on November 19, 2023.
- Recruited and hired six school counselors.
- Expanded opportunities for MPS high school students to earn college credits through the dual enrollment program in 2021-2022 and 2022-2023. Courses were offered at Bradley Tech, Hamilton, Obama, Madison, Marshall, Milwaukee High School of the Arts, Reagan, Riverside, South, and Summer Academy.
- Offered graduate courses in English, mathematics, or a specific world language at UW-Milwaukee to become certified to teach dual enrollment classes. A total of 19 MPS high school teachers are enrolled.

- Completed school counselor professional development on American School Counselor Association (ASCA) model (April 2022) and the Wisconsin School Counselor ASCA training (January 2023).
- Engaged 48 schools in tutoring during the 2022-2023 school year resulting in 1,443 unique students receiving 9,600 hours of additional academic instruction and support to date.
- Provided accelerated course offerings for high school students in the 2022 – 2023 school year through Proximity Learning.
- Provided to students in the virtual program (MVP), mandated special education, English as a second language, and school counseling in 2021-2022 and 2022-2023 school years.
- Offered Winterim for high school students to complete credit recovery courses over the winter break between the first and second semesters in 2022.
- Expanded summer programming, including college courses for high school students and specialty courses for elementary, middle, and high school students.
- Hired a sixth GE ilab teacher and provided professional development and support services.
- Purchased Science, Technology, Engineering, Mathematics (STEM), Project Lead the Way (PLTW), General Electric (GE) iLabs, and CTE equipment.
- Supported hands-on learning with the GE iLabs, Project Lead the Way (PLTW), career and technical education (CTE), and STEM classes by providing equipment materials, and supplies.
- Competed at the Badger State Science and Engineering Fair winning first, second, and third place in the engineering category qualifying for the national competition (Milwaukee Public Schools middle school students).
- Increased the total number of Youth Apprenticeships within MPS Department of Facilities and Maintenance Services.
- Completed the Obama School of Career and Technical Education barber/cosmetology lab renovation and purchased materials and supplies. Classes began on January 25, 2022, and were taught by a Milwaukee Area Technical College (MATC) instructor for college credit.
- Renovated Certified Nursing Assistant (CNA) labs in four high schools and offered college classes in both fall and spring semesters at Hamilton, Madison, and South.
- Purchased Transeo, a tool to more effectively and efficiently run and manage work-based learning for 21 high schools.
- Purchased Social Studies textbooks/consultant and built teacher capacity. (\$12,000,000)
- Planned and executed new/expanded afterschool extra-curricular options for students to support relationship building and healthy outlets after-school at all high schools.
- Hired two Talent Management Specialists.
- Funded full-time librarians at Wedgewood, Fernwood, Lloyd Barbee Montessori, and Bayview Montessori. (\$376,233)
- Trained over 400 teachers and paraprofessionals at a three-day summer reading institute that focused on small-group instruction. Participants received this training as well as resources. (\$300,000)
- Trained a total of 55 teachers and 25 School Support Teachers/Achievement Gap Reduction teachers from 19 different schools at six in-depth training sessions on small-group instruction.
- Added to classroom libraries of those teachers that attended the independent reading session at the Guided Reading Institute. (July 2022)
- Held school improvement retreats for Summer 2022.
- Offered afterschool clubs and activities at high schools during the 2021-2022 and 2022-2023 school years.
- Provided Camp Rise for students and parents, reporting 192 of 200 registered students participated in the program. Students earned just over \$200,000 total for the summer of 2022.

Ninety-eight percent of parents/guardians said they would enroll their child again with 9 out of 10 recommending the program to others. Ninety percent of families reported visible growth in their child's behavior.

Processes developed/implemented

- Established a process for schools to request funding for after-school and Saturday tutoring.
- Established a rubric and process for anti-racist/equity mini-grants.

Current/Planned Activities

- Seeking bids for supplemental writing materials.
- To fund Phase II of Makerspace for libraries. Students will use their creativity to problem-solve, communicate and collaborate with other makers and use critical thinking skills when presented with an obstacle Megafest will take place in four high schools. Books will be distributed to students for summer reading. An LTE will be hired to lead the programs along with support from librarians and paras. Megafest will celebrate reading and showcase the most popular genre of reading for middle and high school students. Providing books to students during summer school will assist to prevent summer learning loss.
- Provide professional development for teachers across content areas throughout summer.
- Submit, review, and award anti-racist/equity mini-grants.
- Implement 36 Equity mini-grant projects at 31 schools.
- Offer district-wide Positive Behavioral Interventions and Supports (PBIS) professional development in the fall to support culturally and linguistically responsive classroom practices.
- Utilize expansion funds (\$1.2-\$1.8 million) for community schools for a health clinic at South Division High School with the remaining funds distributed to the other 15 schools.

Request for Budget Revision

At this time, Accelerating Learning is requesting reallocation of funds to support additional items for providing direct services to students. Multiple expenditures and encumbrances were moved to other lines to balance areas where initial needs were overestimates with those that were underestimated.

ESSER II and III Proposed Budget Revision Detail *Spring 2023*

Submitted to the Milwaukee Board of School Directors in May, 2023

Office of Finance | 5225 W. Vliet St., Milwaukee, WI 53208 | mpsmke.com

Health and Wellness

Accomplishments through February 28, 2023

- Utilized a request for proposal (RFP) for broader mental health services across the district, via teletherapy, has been in 21 schools in the first three months of the contract.
- Utilized Social Emotional Learning discretionary funds to access school programming from a vetted vendor list developed by the committee: 23 different vendors have been contracted by our schools.
- Provided Summer Ropes Course trainings for personnel to expand trainer capacity.
- Provided SEL professional development and supplies for interested schools (including SEL self-regulation spaces and manipulatives).
- Expanded the School Community Partnership for Mental Health (SCPMH) by 50%, to 38 schools.
- Increased Success Center funding to serve more students and extend services into summer.
- Provided training for school psychologists and social workers in evidence-based interventions for trauma: Such interventions have already been used with students in over 400 instances.
- Implemented a new, more robust Employee Assistance Program (EAP) for staff.
- Addressed COVID-19 mitigation through such measures as distribution of personal protective equipment (PPE), surveillance testing, contact tracing after hours, and occupational nursing.
- Acquired nursing supplies such as AED equipment/parts, asthma spacers, and vision screening materials.
- Strengthened the Department of Black and Latino Male Achievement (BLMA) by hiring two additional coordinators.
- Established the Department of Gender, Identity and Inclusion (GII). Hired director, and coordinators.
- Acquired assessments and protocols for special education testing.
- Hired additional mental health support staff (social workers and counselors).
- Extended District's license with the Second Step SEL curriculum for all K-5 students.
- Hired additional restorative practices coaches.
- Implemented anti-racism and bias professional development using Courageous Conversations.
- Provided mental health support during summer Community Learning Center (CLC) programming.
- Began implementation of community exercise stations and traffic gardens for K-5 and K-8 playgrounds.
- Began renovation of exercise/fitness rooms for high schools.
- Supplemented school nutrition operational costs.
- Addressed needs for instruction, professional development, pupil support, family engagement, extracurricular activities, remodeling, and construction. Schools have begun addressing the unique needs identified and prioritized through stakeholder engagement conducted during the 2021 – 2022 school year. (\$100,000 per school)

Current/Planned Activities

- Provide professional development for mental health support staff on crisis management and advanced trauma training for schools.

- Improve Ropes & Challenges site, adding an outdoor structure and additional course elements; these improvements will increase capacity for student programming.
- Launch a centralized nutrition professional development center, including testing kitchen, educational spaces, and administration.
- Modernize school nutrition kitchen equipment.
- Strengthen Restorative Practices across the District through professional development and family engagement opportunities, expanding access to toolkits and enhancing restorative practices circle spaces for students.
- Continue scale-up of Success Center programming focusing on students enrolled in grades 4 through 12 (with expansion to younger grades in development).

Request for Budget Revision

Multiple items have been revised within Health and Wellness due to adjusting areas where initial needs were overestimated with those that were underestimated.

Facilities

Accomplishments through February 28, 2023

The Facilities ESSER team met with schools for both ESSER II and III projects. Currently, there is approximately \$74M in ESSER II project encumbrances that include scopes for testing and balancing of mechanical systems, addressing deficiencies with mechanical equipment in buildings, removing outdated carpeting and installing new flooring, reinstalling missing bug screens and upgrading some older window systems, removing existing drinking fountains and replacing with new water bottle stations and installing of new outdoor classroom features and structures.

Tasks are organized based on the following:

- In Design: Projects have been scoped and are currently in the design process
- In Progress: Projects have been put out to bid and/or are currently under construction
- Work Complete: Except for any minor corrections, work is complete

Number of Schools "Work Complete"	67	0	0	0	83	0	0	1	0	51	0

Currently, there is approximately \$69M in ESSER III project encumbrances that include additions, renovations, major remodeling and furniture replacement. In addition, we have scopes that include painting, shade updates, ceiling repairs, flooring modifications and other improvements to building aesthetics.

Current/Planned Activities

Board approved school project requests consisting of \$72M will be completed along with facilities projects through the schools’ \$100,000 menu of services. Other projects addressing mechanical or building system deficiencies will be completed.

Request for Budget Revision

The Facilities Team is seeking to reallocate funds to cover cost overages in task priorities while reducing the budget for other priorities. The additional budget will fund overtime and project manager, and to enter into a purchased service agreement for accounting services

Extracurricular Engagement

Accomplishments through February 28, 2023

Extracurricular Engagement was not funded through ESSER II, and given that, much of FY22 has been a planning year to begin the majority of implementation in FY23. Below are examples of the planning completed thus far.

- Began Saturday programming with 4 community-based agencies serving 616 students.
- Received cost estimates for life skills labs at South Division and Obama.
- Provided professional development opportunities for 182 after-school staff.
- Conducted 3,074 after-school club sessions.
- Engaged 3,578 students in after-school clubs (the number who came to 50% or more of a club's meetings).
- Provided free Driver Education to 2,147 MPS students.
- Received 14 responses to RFP 1091 (overnight camping), with 6 of those being deemed eligible by Procurement
- Received bids for the tennis courts, Bradley Tech artificial turf, cluster one pool updates, and South Division Fieldhouse project.

Current/Planned Activities

- Hosted parent orientations on April 11 and 15 for overnight camping: 300 RSVPed for virtual, 365 RSVPed for in-person orientation
- Began registration for summer overnight camping (currently have 40+ families going through the registration process)
- Release of overnight camping information picked up by WISN 12 – on-air interview and remote interview at April 15 information fair. Fox 6 is also covering the program.
- Commencing of athletic facility construction. South Division fieldhouse construction to start on April 10, 2023. Tennis court construction to start in April, Bradley Tech turf project to start in May, Riverside and Gaenslen pools to start in June.
- Continuing after-school clubs into the spring.
- Completed Winter Sports Study Table session with more than 1,600 student-athletes taking advantage of this opportunity.
- Secured two motivational speakers (both MPS alum) to visit each athletic program and deliver motivational speeches to our MPS Student Athletes to encourage continual progress in the academic and athletic space.
- Continuing use of the TeamBuldr Strength and Conditioning app for each athletic program to promote proper injury prevention and strength during practices and contests.
- Launched after-school transportation on March 21, 2023. Currently, 75 students across seven schools are participating.

Request for Budget Revision

All requests are articulated on the Spring 2023 ESSER Proposed Budget Revision spreadsheet. The main activity involves moving excess funding into athletic infrastructure projects where a budget shortfall currently exists.
