#### *Superintendent Search Update*

The Board anticipated being able to name finalists on Friday, January 31st, 2025. A special meeting of the Board took place at 4:00 p.m. in the auditorium of the Central Office building at 5225 W. Vliet Street. At this meeting, the Board retired to closed session and returned to open session after a brief deliberation to take action on naming the finalists.

A press conference was held directly after the meeting of the Board, and bios for the named finalists were available for interested media and community members. The selected finalists were invited to spend two days in the District, on February 6th and 7th, 2025, participating in interviews, visiting schools and meeting with stakeholders.

There were two opportunities on February 6th for community members to hear from and provide feedback on the Superintendent Finalists Candidates. Community stakeholder meetings with the finalists were held at MPS Central Office – 5225 West Vliet Street in the Auditorium on Thursday, February 6th.

#### *9th Annual Celebrating Abilities 2025*

Celebrating Abilities Family Forum on March 8, 2025. The event is designed to promote the inclusivity of students with special needs and their families and community building in schools. The event's goal is also to raise awareness of the resources for students with special needs.
