# ESSER II Budget Detail

## The Elementary and Secondary School Emergency Relief Fund (ESSER) Budget Detail

The Consolidated Appropriations Act, 2021 [P.L. 116–260], also referred to as the federal stimulus package, was enacted on December 27, 2020, and is the federal government’s response to the ongoing COVID-19 pandemic. The stimulus package provides for the Elementary and Secondary School Emergency Relief Fund.

The ESSER II has become available and districts may start applying and budgeting for these funds. A total allocation of approximately \$225 million has been allocated to Milwaukee Public Schools (MPS). The table below details the separate allocations. School districts have until September 30, 2023, to obligate ESSER II funds.

Between March of 2020 and 2021, Congress passed three stimulus bills under ESSER with allocations of funding for school districts. These funds provide emergency financial assistance to address the impact that COVID–19 has had, and continues to have, on elementary and secondary schools. The following table summarizes those allocations, the amount of funding that is or will be allocated to MPS and the performance period.

## *MPS Planning for ESSER II*
