Wisconsin DPI	WI DPI Refugee Impact Grant (C&I)	11,500	This grant provides continued support for the refugee student population by creating welcome teams at schools with high refugee student populations. The district continues to enroll increasing numbers of immigrant and refugee students with low level English and/or native language skills, and often limited formal schooling in their native countries.
US Dept of Education	US Dept of Ed Arts Assistance (C&I)	2,500,000	The AIMing for Quality Arts and Achievement project will focus on serving and addressing the academic needs of disadvantaged students through high quality arts instruction and arts integration. The project is designed to effectively (1) increasing access to high-quality, standards-based arts education; (2) integrating standards-based arts education into other subjects; and (3) improving students academic performance.
Wisconsin DPI	WI DPI Open Educational Resources (C&I Algebra)	10,000	The district will recruit and develop a team of current teachers involved in Algebra programming. The team of teachers will collaboratively create a bank of lesson plans and projects to be used by teachers in MPS and state-wide. In addition, the team of teachers will create modules designed to support successful classroom implementation in the new content areas. These modules will be uploaded to the district learning management system and WISELearn.
WI Dept Workforce Dev	WI DWD Fast Forward Teacher Training Grant	50,000	This grant supports the pipeline of special education teacher certification for paraprofessionals who have not completed their bachelor's degree. This program is a collaborative effort between MPS, Milwaukee Area Technical College and the University of Wisconsin-Milwaukee.
Teacher Tolerance	Teaching Tolerance - ELO	9,611	This grant will help refresh the curriculum for the citizenship course requirement for high school students.
UW-Madison Center for the Humanities	Great World Texts (Milw. Sch. Languages)	800	This grant will help fund the purchase of literature books that will bring challenging work in world literature to the classroom that is also across disciplinary boundaries.
Wisconsin Promise	School to Work Transition Program Interview Event	1,000	The funding provides students with disabilities the experience to practice mock interviews with business professionals and receive feedback on their performance. In conjunction with this experience, students who have volunteer experience and work skills training will interview with hiring companies.
