

MILWAUKEE PUBLIC SCHOOLS
Milwaukee, Wisconsin

July 22, 2019

TO THE MEMBERS OF THE BOARD OF SCHOOL DIRECTORS:

In 2012, the State of Wisconsin passed Wisconsin Act 125. Act 125 provides directives for schools on the use of seclusion and restraint with students in public schools. Act 125 has several key components that include the following:

- Conditions for use of seclusion
- Conditions for use of physical restraint
- Notification and reporting requirements following use of seclusion or restraint
- Training on the use of seclusion and physical restraint

Act 125 also establishes additional requirements for the use of seclusion and restraint on students with disabilities.

To ensure compliance with Act 125, the Administration has taken the following steps:

- Provided training to staff across the district on the use of seclusion and restraint. These trainings also focused on positive interventions and supports to address potentially dangerous behavior. More than 2000 staff members have been trained over the past three years.
- For the last four years, all principals, school leaders and special education supervisors received in-services on the requirements of Act 125.
- The district's mechanism for reporting incidents of seclusion and restraint has been significantly enhanced by the transition to a new student information system. Previously, schools would have to create and mail a separate form documenting restraint/seclusion. Now, all serious breaches of discipline are entered into Infinite Campus and administrators must indicate whether restraint/seclusion was used. If so, respondents are required to complete the reporting documentation in Infinite Campus before they can exit the system.

During the 2018-19 school year, the Office of Administration directed schools to submit restraint and seclusion data in accordance with Act 125. A total of 650 students, including 404 with disabilities, were involved in 1021 incidents of restraint/seclusion during the 2018-19 school year. Please see the table below for additional information. Only schools with restraints/ seclusions are listed.

School Name	Total # of Restraints & Seclusions	Total # of Students Restrained/ Secluded	Total # of IEP Students Restrained/ Secluded
