Any staff member that is not reasonably acceptable to MPS shall be removed by Provider from said staff member's assignment to MPS's Summer Recreation Program. MPS may request such removal at any time, in its sole discretion.

B. In the performance of work under this Contract, Provider shall not discriminate against any employee or applicant for employment on the basis of a person's sex, race, age, religion, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, disability or socio-economic status. This obligation shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeships. Provider will post in conspicuous places, available for employees of Provider and applicants for employment, notices setting forth the provisions of this non-discrimination clause.

C. Provider must comply with all requirements of Wis. Stats. § 48.685 and § 48.686, which identify the standards required for criminal history and child abuse record searches for licensed Caregivers and Child Care Programs.

1. Provider will conduct, at Provider's expense, any and all required background checks, as set forth below:

a) Providers participating in the YoungStar Quality Rating System and receiving Wisconsin Shares Child Care Subsidies must abide by all background check requirements prescribed by the Wisconsin Department of Children and Families ("Department"), including, but not limited to:

- (1) Submitting a request to the Department for a criminal background check for each potential caregiver and at least once every 5-year period for each existing caregiver;

administrators, board members, officers, full-time employees, part-time employees and volunteers who have, or who are anticipated to have direct, unsupervised contact with children throughout the Summer Recreation Program. (Note: No background checks are required for youth mentors/workers who are under the age of 18).

(1) An out-of-state background check should be completed in the state(s) in which the individual resided for at least six months within the last ten years and was 18 years or older at the time.

(2) For purposes of this Contract, a volunteer is any non-paid person who provides services on a regular and ongoing basis for more than five hours a week. A volunteer is not a parent or other adult who is a one-time volunteer for a field trip or other one-time-only activity. (3) No later than one month before work with children at the Summer Recreation Program begins, Provider will electronically submit completed background checks for all individuals providing services under this Contract utilizing the Smart Sheet link provided herein: <https://app.smartsheet.com/b/form/9095513a736c49a791df055c1e2fa879>. Records that indicate a history of conviction or pending criminal charges will be reviewed by the MPS Department of Employment Relations. Thereafter, MPS will immediately notify Provider of any individual(s) who, based on MPS standards, should not have contact with children. Failure to submit the results of any crime information records checks prior to the provision of services will result in the termination of services. All determinations made by MPS with regards to whether an individual is fit to provide services under this Contract are made in MPS's sole discretion.

c) As required by law, Providers shall complete the other searches required by Wis. Stat. § 48.685, review the results and determine that there is nothing in the background of Provider's employees, agents or sub-contractors that would render them unfit to provide services under this Contract where there is contact and access to children. Background factors that would disqualify any individual from providing services to MPS include, but are not limited to: falsification of background information; conviction of a criminal offense that substantially relates to the duties and responsibilities to be assigned to or performed by Provider under this Contract; or pending criminal charges alleging acts of a similar nature. Provider has a duty to retain all documentation related to background checks and other searches performed pursuant to this Contract and Wis. Stat. § 48.685 on file for the duration of this Contract and to provide the same to MPS upon request.

D. Provider agrees to strive to implement the principles of equal employment opportunities through an effective Affirmative Action program. A copy of such program shall be produced by Provider upon request by MPS. The program shall set its objective to increase the utilization of women, minorities, persons with disabilities, and other protected groups, at all levels of employment in all divisions of Provider's work force, where these groups may have been previously under-utilized and under-represented. Provider also agrees, in the event of any dispute as to compliance with the aforementioned requirements, it shall be Provider's burden to show it has met all such requirements.

E. When a violation of the non-discrimination, equal opportunity and/or affirmative action provision of this Contract has been determined by MPS, Provider shall immediately be informed of the violation and directed to take all action necessary to halt the violation, as well as such action as may be necessary to correct, if possible, any injustice to any person adversely affected by the violation, and immediately take steps to prevent further violations.

F. If, after notice to Provider of a violation of the non-discrimination, equal opportunity and/or affirmative action provision of this Contract, further violation of those provisions is committed during the term of the Contract, MPS may terminate the Contract without liability for any remaining funds which may be disbursed. MPS, at its sole discretion, may permit Provider to complete the Contract. In the case of any violations of these provisions, Provider may be ineligible to participate in future contracts with MPS.

(ATTACHMENT 18) ACTION ON THE AWARD OF PROFESSIONAL SERVICES CONTRACTS

1. Each site must create and maintain a binder containing daily/weekly sign-in/out rosters for all activities for all participants that are located with group leaders.
2. All participants must be signed in/out by a parent, guardian or authorized individual as they are dropped off/picked up daily.
3. For walkers/bus riders:

Summer Meal Programs

MPS Summer Recreation Program CLC and Safe Place staff are responsible for wiping down and sanitizing cafeteria tables after each meal service (breakfast, lunch, and dinner).

MPS engineers or building service helpers are responsible for sweeping and mopping the cafeteria and handling/emptying all garbage bags and containers. Summer recreation program staff is not responsible for this.

Staff and children serving as “special helpers” are welcome to help staff sweep the floor or wipe down tables after meals. However, children are NEVER to handle garbage or mop floors.

If summer recreation program staff, food service managers, or building engineers should have any questions regarding these procedures, please contact MPS Nutrition Services.

Community Meal Program Locations only (School-based MPS CLCs and Safe Places): On off-site field trip days, one designated SRP staff member must remain on-site to serve cold meals to the community and check off each person eating on the Community Bag Meal Check Off Form.

Summer Dinner Service Requirements

Training:

- Summer Recreation Program CLC and Safe Place staff responsible for serving dinner must attend dinner program training provided by the MPS Department of Nutrition Services.
- During summer program operation, the dinner program will be audited by MPS Nutrition Services staff. During the audit, additional training will be provided for any areas out of compliance.

Meal Service:

- Each program service day, meals, milks, a thermometer, and daily paperwork will be set up in a designated refrigerator by MPS Nutrition Services staff.
- Before dinner service, Summer Recreation Program CLC and Safe Place staff must take the temperature of the cold entrée and milk and make sure the food is below 41 degrees. If the food is too warm, Summer Recreation Program CLC and Safe Place staff can call a nutrition services supervisor for guidance: 414-475-8370.

A department of MPS

- Summer Recreation Program CLC and Safe Place staff should select a designated table as the “Service Table”. Students will come up to the designated service table, select a milk and be served a meal by rec staff.

Point of Service (POS):

- One or two Summer Recreation Program CLC and Safe Place staff can efficiently serve meals depending on how many meals are being served. One staff member will hand out meals while the other checks off meals on dinner count form.
- Each child must be checked off on the dinner count form as they go through the POS and receive the dinner meal.

After Meal Service:

- After students eat dinner in the cafeteria, tables will need to be wiped down with soap and water by Summer Recreation Program CLC and Safe Place staff. The MPS Nutrition Services kitchen staff will set up the soap and water in advance.
- Summer Recreation Program CLC and Safe Place staff will need to accurately count the leftover meals and indicate the count on the dinner form.
- Summer Recreation Program CLC and Safe Place staff should leave the dinner count form with the leftover meals and milk in the designated refrigerator.
- The school building engineer will remove all dinner trash from the cafeteria.

Summer Program Closings: All requests for program closing must be submitted to MPS at least 1 business day (24 hours) in advance AND be pre-approved by Recreation Coordinator Leighton Cooper. CLC/Safe Place Site Coordinators and Lead Agencies are not permitted to close the summer recreation program or adjust program hours without the prior approval of MPS.

Prior to program end date, summer programs must disseminate summer program summer participant and parent surveys and enter results in the Cayen APlus system.

Shared Facilities: Summer Recreation Programs may be one of many programs operating in an MPS school facility. Thus, it is critical for summer program Site Coordinators and staff, along with Lead Agencies, to work with the many partners in the building to coordinate use of facility space, programming schedules, and entrance and exit of participants from the building. In order to ensure the safety of participants and staff during the operation of all summer programming, program Site Coordinators and staff must follow these procedures:

- Provide copy of the 2023 Summer Recreation Program building permit to school principal/administrator, school engineer/building service helpers, school secretary/office staff, CLC/Safe Place Lead Agency, and MPS Recreation.

- Update building permit as changes occur. Give updated copies to principal/administrator, school engineer/building service helpers, school secretary/office staff, Lead Agency, and MPS Recreation.
- **NOTE:** Summer Recreation Program Site Coordinators, program staff, and Lead Agencies are NOT allowed to grant permission of use of any space within the school building to any individual, organization, or group. All MPS Building Permit Requests or questions about the use of MPS facilities by outside entities must be submitted to MPS Recreation. Weather Advisories

- Summer recreation programs will follow weather advisory protocol as determined by MPS administration. The MPS Summer Recreation Program Project Team will notify sites of closures through the district's portal and communication.
- If the District issues a weather/heat emergency and summer recreation programs are cancelled or close early, programs will remain open until parents/guardians have picked up their children and/or all children have been transported home safely.
- Summer recreation programs should take all necessary steps to keep participants in the coolest areas of the building while utilizing fans and other efficient airflow methods to ensure safety on hot days.

Rosters: Listed below are methods for tracking summer attendance.

- Use the **Daily Site Roster** to collect daily attendance as students check in.
- Create individual classroom rosters. Students will remain in the same group with the same instructor(s) for the entire program period. Rosters can be collected, and all data entered into Cayen APlus for attendance for that classroom.
- Print out a **Daily Sign Out** to record the time and signature of those leaving early.
- Use classroom rosters to check attendance at different times during the day to ensure security and safety of youth.

V. ADDITIONAL RESPONSIBILITIES OF PROVIDER

A. Provider is an independent contractor and is not an agent, servant, or employee of MPS. Provider's engagement with MPS is limited solely to the operation of the Summer Recreation Program as outlined in this Contract. Provider shall employ a sufficient number of qualified and properly trained staff according to the contractually required minimum average daily attendance and DCF licensing standards. Any staff member that is not reasonably acceptable to MPS shall be removed by Provider from said staff member's assignment to MPS's Summer Recreation Program. MPS may request such removal at any time, in its sole discretion.

B. In the performance of work under this Contract, Provider shall not discriminate against any employee or applicant for employment on the basis of a person's sex, race, age, religion, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, disability or socio-economic status. This obligation shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeships. Provider will post in conspicuous places, available for employees of Provider and applicants for employment, notices setting forth the provisions of this non-discrimination clause.

C. Provider must comply with all requirements of Wis. Stats. § 48.685 and § 48.686, which identify the standards required for criminal history and child abuse record searches for licensed Caregivers and Child Care Programs.

1. Provider will conduct, at Provider's expense, any and all required background checks, as set forth below:

a) Providers participating in the YoungStar Quality Rating System and receiving Wisconsin Shares Child Care Subsidies must abide by all background check requirements prescribed by the Wisconsin Department of Children and Families ("Department"), including, but not limited to:

- (1) Submitting a request to the Department for a criminal background check for each potential caregiver and at least once every 5-year period for each existing caregiver;
- (2) Obtaining FBI fingerprint checks every five (5) years;
- (3) Submitting background checks for any and all employees and contractors with the opportunity for unrestricted (i.e. direct and unsupervised) access to children;
- (4) Using the Child Care Provider Portal (CCPP) to submit new and prospective employee information needed to trigger fingerprint-based checks;
- (5) Abiding by all other requirements prescribed by the Department, available at <https://dcf.wisconsin.gov/ccbgcheck>.

b) Providers not subject to the requirements set forth in the above Section V(C)(1). must obtain a criminal information background check through the Wisconsin Department of Justice (<https://recordcheck.doj.wi.gov/>) and other states' agencies, as applicable, on all current and potential

(ATTACHMENT 18) ACTION ON THE AWARD OF PROFESSIONAL SERVICES CONTRACTS

administrators, board members, officers, full-time employees, part-time employees and volunteers who have, or who are anticipated to have direct, unsupervised contact with children throughout the Summer Recreation Program. (Note: No background checks are required for youth mentors/workers who are under the age of 18).

(1) An out-of-state background check should be completed in the state(s) in which the individual resided for at least six months within the last ten years and was 18 years or older at the time.

(2) For purposes of this Contract, a volunteer is any non-paid person who provides services on a regular and ongoing basis for more than five hours a week. A volunteer is not a parent or other adult who is a one-time volunteer for a field trip or other one-time-only activity. Provider will use good judgment in accepting the services of a volunteer and will be familiar with the volunteer before accepting services of that volunteer.

(3) No later than one month before work with children at the Summer Recreation Program begins, Provider will electronically submit completed background checks for all individuals providing services under this Contract utilizing the Smart Sheet link provided herein: <https://app.smartsheet.com/b/form/9095513a736c49a791df055c1e2fa879>. Records that indicate a history of conviction or pending criminal charges will be reviewed by the MPS Department of Employment Relations. Thereafter, MPS will immediately notify Provider of any individual(s) who, based on MPS standards, should not have contact with children. Failure to submit the results of any crime information records checks prior to the provision of services will result in the termination of services. All determinations made by MPS with regards to whether an individual is fit to provide services under this Contract are made in MPS's sole discretion.

c) As required by law, Providers shall complete the other searches required by Wis. Stat. § 48.685, review the results and determine that there is nothing in the background of Provider's employees, agents or sub-contractors that would render them unfit to provide services under this Contract where there is contact and access to children. Background factors that would disqualify any individual from providing services to MPS include, but are not limited to: falsification of background information; conviction of a criminal offense that substantially relates to the duties and responsibilities to be assigned to or performed by Provider under this Contract; or pending criminal charges alleging acts of a similar nature. Provider has a duty to retain all documentation related to background checks and other searches performed pursuant to this Contract and Wis. Stat. § 48.685 on file for the duration of this Contract and to provide the same to MPS upon request.

D. Provider agrees to strive to implement the principles of equal employment opportunities through an effective Affirmative Action program. A copy of such program shall be produced by Provider upon request by MPS. The program shall set its objective to increase the utilization of women, minorities, persons with disabilities, and other protected groups, at all levels of employment in all divisions of Provider's work force, where these groups may have been previously under-utilized and under-represented. Provider also agrees, in the event of any dispute as to compliance with the aforementioned requirements, it shall be Provider's burden to show it has met all such requirements.

E. When a violation of the non-discrimination, equal opportunity and/or affirmative action provision of this Contract has been determined by MPS, Provider shall immediately be informed of the violation and directed to take all action necessary to halt the violation, as well as such action as may be necessary to correct, if possible, any injustice to any person adversely affected by the violation, and immediately take steps to prevent further violations.

F. If, after notice to Provider of a violation of the non-discrimination, equal opportunity and/or affirmative action provision of this Contract, further violation of those provisions is committed during the term of the Contract, MPS may terminate the Contract without liability for any remaining funds which may be disbursed. MPS, at its sole discretion, may permit Provider to complete the Contract. In the case of any violations of these provisions, Provider may be ineligible to participate in future contracts with MPS.

(See **Appendix D**).

Health and Safety Checklist – Public School Operated Programs – DCF 251

Use of form: Section 120.13 (14), Wis. Stats., allows for school boards to establish and provide or contract for the provision of day care programs for children without being licensed by the department of children and families; However, those programs are required to meet the standards for licensed day care centers established by the department of children and families (DCF 251 Licensing Rules for Group Child Care Centers). In November of 2014, new federal requirements were signed into law that require annual inspection of public school operated programs as a condition of receiving federal child care subsidy funds. While every administrative rule in Chapter DCF 251 is important to the quality of the program, the department has identified a subset of rules which, if violated, are likely to pose the most serious threat to the health, safety and welfare of children in care. This checklist contains that subset of health and safety rules and will be used by DCF staff to notify public school operated child care programs of the rules within DCF 251 that will be monitored annually for compliance and to document program compliance and / or areas of deficiency observed during the initial assessment visit.

Instructions – DCF Staff: During the initial assessment visit, address each item on the checklist to determine the program’s compliance, or areas of deficiency, with the health and safety rules. If the program is in compliance with the specific rule, check “Met.” If a specific rule does not apply to the program, check “N/A” for not applicable. If the program is not in compliance with the specific rule, record your observations in the comments section and describe the area of deficiency.

Instructions – Public School Operated Program: Public school operated child care programs may use this checklist to familiarize themselves with the health and safety rules that will be monitored annually. However, if the program is looking for a self-monitoring tool to ensure compliance with DCF 251 Licensing Rules for Group Child Care Centers in its entirety, they should refer to the department’s form DCF-F-CFS0063 Licensing Checklist – Group Child Care Centers

MPS Community Learning Centers & Safe Places *Incident/Accident Reporting Form*

This request form should be used to report and document incident/accident reports as they are communicated to the MPS CLC/Safe Place Project Team.

Incidents are events that have the potential to cause an injury or disrupt an event. Any event that causes damage to MPS property is also considered an incident.

Accidents are events that cause injury or illness to a person (i.e., a child or adult). Even 'minor' injuries such as cuts or sprains are considered accidents. When in doubt, treat the situation as if it were an accident.

Reporting Policy Requirements:

Below is a list of most common types of incidents/accidents as reported by afterschool programs. This should *not* be considered a complete list. If you have a question as to whether you should report a specific incident/accident, contact your MPS CLC/Safe Place Project Team immediately.

Incidents/accidents involving the following **MUST** be reported via phone call to MPS CLC/Safe Place Project Team within 30 minutes:

- 911 is called (police, ambulance, medical services)
- Incidents which require Child Protective Services (CPS) to be called
- Serious bodily injury accidents that require medical attention
- Dangerous situations or incidents in the school and on or around the school playground
- Disorderly conduct or unsafe behavior from students, parents, guardians, staff, etc.
- Non-health related event occurs (e.g., vandalism, fighting, threats, property damage, broken equipment, suspicious activity, theft, etc.).

CLC/Safe Place staff are mandated reporters and **MUST** report to CPS suspected incidents of abuse, neglect, etc. If a CLC/Safe Place observes an incident, he/she should report the incidents to the CLC/Safe Place Site Coordinator immediately. The CLC/Safe Place Site Coordinator should then work with the frontline staff in reporting the incident to CPS and following up as needed.

The CLC/Safe Place Site Coordinator and CLC/Safe Place Lead Agency are responsible for assuring that all CLC staff are fully trained in all areas, including MPS incident/accident reporting policy and procedures.

If media (TV, radio, newspaper, online journalists, etc.) approach or contact the CLC/Safe Place site coordinator or lead agency, immediately defer to MPS. Do not make any statements to the media at all.

Reminders When Writing a Narrative for Incident/Accident Reports: *(The 5 W's & H: Who, What When, Where, Why and How)*

- Provide details of the incident (date, time, location, program area/activity) and staff, students, and others involved [full name, age, grade level (-if student)]
- Use objective language (no opinions) and only relevant facts pertaining to the current incident.
- Write in the first person ("I saw...", "I called MPS...")
- Provide a specific timeline of the incident and all follow up reporting that occurs afterwards
- Collect written statements from all students, staff, and others involved, including the Site Coordinator. The Site Coordinator should only write statements for an individual if that person (i.e., a child) is unable to write a statement themselves.
- Provide a written timeline of event.
