# Schools

The Milwaukee Public Schools budget is organized into four sections: Budget-in-Brief; Organizational; Financial, including Schools, Central Services and Line Items; and Informational, including City Profile, MPS Profile and Glossary. The Schools subsection is contained within the Financial section.

The Schools subsection of the 2017–18 Superintendent’s Proposed Budget describes various types of schools, school programs, centrally supported programs and staffing, student enrollment and its relationship to school funding and detailed information for each school.

## School Budget Background

The school allocation and budget development process was challenging entering into 2017–18. While district enrollment has stabilized after years of decline, projected revenues are essentially flat for the School Operations Fund. Inflationary pressures, particularly in the area of employee benefits, cause schools to lose buying power within their allocated funds. Before school allocations were developed in the spring, the superintendent, chief school administration officer and senior director of financial planning and budget services held budget carousels with every school at which school leaders, the school support teacher, parent coordinator and regional superintendent discussed school progress, school challenges and resource needs. With a decrease in the per pupil amount for all school levels, difficult decisions were made on the part of school communities and will require schools to focus on a small set of achievable goals that can be pursued immediately.

## Types of Schools

School-age children living in Milwaukee may attend the following types of MPS schools:

### *Milwaukee Public Schools*

- **Neighborhood schools** (also called attendance area schools) give priority for acceptance to children from the neighborhood to enroll before the school accepts children from other neighborhoods. These schools will accept children from other areas of the region if seats are available.
- **Comprehensive middle and high schools** offer a wide variety of academic, extracurricular programming and student supports to serve their diverse student populations. These schools have attendance areas and encourage those students living within the attendance area to enroll but will also accept students who live outside of those areas who are interested in the particular offerings at the school.
- **Neighborhood specialty schools** offer special programs or areas of study, such as the arts or technology. These schools encourage neighborhood students to enroll but also accept students citywide if seats are available.
- **Citywide specialty schools** accept children from across the city and outside of the city through open enrollment/Chapter 220. These schools offer special programs or areas of study including arts, International Baccalaureate, Montessori and language immersion.
- **Instrumentality charter schools** are administered and staffed by MPS but operate more independently than other schools within the MPS family and use their own enrollment process.

## *Programs available in MPS schools*

Academic programs are designed to meet a broad range of student needs, from early preschool to high school classes for college credit. Programs include:

- **Achievement Gap Reduction (AGR)** offers specialized support for students in five-year-old kindergarten (K5) through third grade
- **Advanced Placement (AP)** allows high school students to earn college credit by taking college-level courses at their school and passing a cumulative exam
- **Arts/Music Specialty Schools and Programs** offer visual and performing arts and music instruction including band, orchestra or choir. There are four MPS schools (King Jr., Lancaster, Sherman and Roosevelt) that participate in the Turnaround Arts program which provides arts access to students and uses an integrated arts model to boost student achievement

**Career and Technical Education (CTE)** prepares students for college and careers in high-demand, high-skill industries. Offerings include agriculture, business, construction/architecture, culinary arts, engineering, finance, health science, hospitality/tourism, information technology, manufacturing, marketing, media/graphic design and transportation

**Community Schools** are governed through a system that includes students, staff, families, partners and residents which allows all voices to be heard and encourage greater involvement by families and greater engagement from the community

- **Early Childhood Education** programs include half-day and full-day Head Start for three-year-old students, full day Head Start for four-year-olds and three- and four-year-old kindergarten (K3 and K4)
- **First Nation Studies** allows American Indian students to received native language revitalization classes and academic advisors
- **GE Schools** are select MPS schools that have been developed as models for putting students on track to college and career readiness through support of the GE Foundation
- **Gifted & Talented** programs offer gifted and talented specialty programming for academically advanced children
- **Homeless Education Program** provides a coordinator at each MPS school to assist children and families who are homeless pursuant to the McKinney-Vento Homeless Assistance Act
- **International Baccalaureate (IB)** helps students in all grades develop the intellectual, personal, emotional and social skills to live, learn and work in a rapidly globalizing world. At the high school level IB offers rigorous college preparatory classes that can be taken for college credit
- **International Newcomer Center** provides newly arrived immigrant and refugee students in fifth through eighth grade with intensive language development and cultural support at Milwaukee Academy of Chinese Language for high school students at South Division

- **Junior Reserve Officer Training Corps (ROTC)** is offered at select high schools and promotes character education, student achievement, wellness, leadership and diversity
- **Language Specialty Programs**
  - **Developmental bilingual** programs support native speakers of Spanish in building Spanish language skills while also mastering English
  - **Dual Language** programs teach both English and Spanish to all students in the program
  - **English as Second Language (ESL)** are for students whose first language is not English and are learning English
  - **Language Immersion** programs are offered in French, German, Italian and Spanish and students learn core subjects in the target language to develop early proficiency in the second language
- **Montessori** schools offer a method of instruction that fosters independence and problem solving skills through an individualized, self-directed classroom structure
- **Project Lead the Way (PLTW)** is a rigorous, nationally recognized program that connects students to science, technology, engineering and math

### *Other types of MPS schools/programs*

- **MPS non-instrumentality charter schools** are contracted with MPS but do not employ MPS staff, are operated by independent organizations and operate in their own facilities or lease from MPS. These schools offer a variety of academic programs.
- **Partnership schools** are operated by external agencies that contract with MPS under the provisions of the Wisconsin Children At-Risk Act, Wis. Stat. § 118.153. They provide services as follows:
  - **At-risk programs** provide alternative school options to students considered at risk of not completing high school. The student must meet the statutory definition of a child at risk.
  - **Behavioral reassignment programs** in partnership schools were established to provide education and services for students who are removed from traditional MPS schools for behavioral problems. The students are usually assigned for one semester or more to schools with behavioral reassignment seats.
- **Other partnership and supplemental programs include the following:**
  - **Contracted special education programs** are partnerships with various community agencies that provide services to EBD students (students with severe emotional behavioral disabilities).
  - **Adjudicated youth programs** are cooperative efforts between MPS and either the Milwaukee County Department of Human Services or the juvenile correctional system. These programs provide educational services to students who have been court-ordered to attend school.
- **MPS alternative schools for at-risk students** include various programs for alternative education for MPS students.

- **Groppi** and **Project STAY** enroll students considered at risk of not graduating from high school and provide a smaller learning environment and support services to improve academic achievement.
- **Transition High School** offers students the chance to have a personalized educational plan designed to develop personal growth and structured around virtual learning, employment or community service. Transition offers programs for youth transitioning from incarceration to a district school setting.
- Now in the MPS portfolio in 2017–18 is **South Acceleration and Vincent Acceleration**. These new small alternative high schools will serve 100 students at South and Vincent respectively. Students must have completed one full academic year at the high school level, be at or below 70 percent attendance, be considered at risk for credit attainment, meet one additional risk indicator and have parent consent. These schools will utilize the competency-based curriculum to support students in accruing credits, with additional supports including mentoring and community circles (restorative practices).
- **Milwaukee County Collaborative** includes the Milwaukee County Youth Education Center and is a partnership between the board and Milwaukee County to meet state law requirements concerning incarcerated school-age youth. The program provides education for inmates between the ages of 12 and 18 (up to age 21 if in special education). Upon enrollment, each student inmate’s educational history and skill levels are assessed, and they receive math, reading and language instruction specifically tailored to their needs.
- **Pregnant and Parenting Youth** services are available to school-age parents (young fathers and mothers) to improve the educational, wellness and social/emotional outcomes for school-age parents and their children. The goals of the program are to increase attendance and graduation rates, increase teen enrollment in higher education, increase parent knowledge of effective parenting practices, increase knowledge about and practices in healthy relationships and enhance coordination of school and community services.
- **Home and Hospital** provides educational services to students who are confined to their homes or hospital settings for extended periods of time due to serious medical or psychological conditions.
- **School-to-Work Transition** offers a continuum of services to students with special needs with three separate but highly related programs to prepare them for the world of work (Community Assessment Training Program, On-the-Job Training/Education and the Employment Training Program). Students can receive vocational assessments to determine vocational interests and readiness for competitive employment. Students receive on-the-job training to refine work skills and aptitudes needed for successful employment. Beginning in the 2017–18 school year, all traditional middle and high schools will be moved to an “early start” calendar,

beginning three weeks before the traditional school year and ending three weeks before the end of the traditional school year. The early start allows students more instructional time prior to testing windows and a clean semester break in which final exams are taken before the winter break.

A new J-Term is a non-compulsory instruction and enrichment opportunity following the end of the school year and prior to Summer Academy that offers credit recovery, academic acceleration opportunities, art, music and technology enrichment, internship and career based learning, and mentorship and restorative practices.

### ***School Accounts Allocation Methodology – School Operations Fund***

Each year the district determines how much of the School Operations Fund can be distributed to the schools and how much is to be “set aside” in central accounts. Chart 3.48 shows which funds are set aside for 2017–18 and the amount that has been allocated to schools in the School Operations Fund.

*Chart 3.48 School Operations Fund*

<b>2017–18 School Operations Fund (\$M)</b>	
<b>Description</b>	<b>Amount</b>
Total School Operations Fund	\$982.2
Less: School Nutrition Revenue (Separate Fund)	(51.5)
<b>School Operations (Net of School Nutrition)</b>	<b>\$930.7</b>
Less:	
Offices	(78.4)
Other Accounts	
Building Operations Sites	(28.0)
Debt Service	(32.8)
District Judgements	(9.0)
Benefits Clearing Account	(0.1)
ERP for HR/Finance System	(6.5)
Management Intern Program	(0.5)
Regional Development Plan	(3.1)
Special & Contingent Funds	18.3
Technology Licenses & Equipment	(13.8)
Tenant Costs	(2.0)
Transportation Operations	(62.7)
Utilities	(24.1)
Internal Income	9.8
<b>Subtotal</b>	<b>(\$232.9)</b>
<b>Available for Direct Allocation to Schools &amp; School Accounts</b>	<b>\$697.8</b>

After overall school revenues of \$697.8 million are determined, allocations of \$365.4 million for centralized school programs (art, music, physical education, library, guidance, specialized services, school office staff, etc.) and \$72.2 million for non-traditional school types (partnerships, non-instrumentality charter schools, etc.) are deducted. The remaining revenues of \$260.2 million are allocated directly to traditional schools, instrumentality charter schools and alternative schools.

The first step in allocating this \$260.2 million in revenue is to distribute site allocations. Site allocations are items that are not easily distributed on a per-pupil basis and are specific to a school due to staffing or other unique requirements. Site allocations include the following:

- Schools with Culinary Arts and Turnaround Arts programs are allocated 1.0 FTE of a teacher
- Schools with an enrollment of less than 350 are allocated 0.5 FTE of a teacher to offset the higher costs of staffing a small school
- High schools with an alternative education program are allocated 1.0 FTE of a teacher to staff the GEDO #2 and competency based alternative programs
- English as a second language (ESL) school-based classroom staff are allocated based on a weighted formula that takes into account the proficiency level of enrolled English learners and number of refugee students
- Specialty schools – such as art schools, IB schools, gifted and talented, career and technical education and STEAM (science, technology, engineering, arts and math) and Milwaukee School of Languages – receive 1.0 FTE teacher and \$150 per student
- All other specialty schools receive 2.25 FTE paraprofessionals and \$150 per student (Montessori, language immersion and dual language)
- Transportation support for instrumentality charter schools
- Allocation for audit costs related to instrumentality charter schools totaling \$53,700
- Additional funding for students provided at a weight of \$50 per bilingual program participant

### ***Weighted Student Funding***

The second step in allocating the remainder of the school-based allocations is to distribute funds on a per-student basis. In the spring, the per-pupil count used in this calculation is the projected full-time equivalent (FTE). Separate per-pupil amounts are calculated for each school level – high, middle, K–8 and elementary. The per-student dollar amount is multiplied by each school's projected pupil FTE figure to arrive at an allocation for each category. The per-pupil amount does not change when schools adjust their budget in the fall based on Third Friday enrollment, but the per-pupil is multiplied by the actual Third Friday enrollment. Per-pupil amounts for 2017–18 were derived using historical cost data for each type of school.

The diminished resources in this budget cycle required that the pupil amount allocated for each student to schools be reduced. School-by-school modeling was completed by the Department of Financial Planning & Budget Services to ensure that the 2017–18 allocation and per-pupil amount would provide for classroom staffing to maintain a reasonable class size and a modest non-position budget.

Centralizing school costs reduces the per-pupil allocation for each school and changes the school level per-pupil weight factors.

Chart 3.49 shows the weighted student allocation amounts for 2017–18 compared to 2016–17.

Chart 3.49 Weighted Student Funding Summary

Weighted Student Allocations			
School Level	2016–17 Amount	2017–18 Amount	Inc/(Dec)
High	\$3,928	\$3,450	(\$478)
Middle	\$3,653	\$3,312	(\$341)
K-8	\$3,649	\$3,632	(\$17)
Elementary	\$3,620	\$3,627	\$7

Weighted student funding helps the district to improve:

- **Equity:** Students are funded equitably regardless of which school they attend.
- **School Empowerment:** Schools have both the autonomy and the responsibility to design their schools to best meet their student needs.
- **Innovation:** Principals have the freedom to organize their school in whatever way they believe will best serve their students.
- **Accountability:** Every school controls its own budget and school leaders are responsible for resource decisions and related outcomes.
- **Transparency:** A weighted student formula in both school-based and central allocations makes it clear to all relevant stakeholders how much money schools receive and how the allocation process works.

### Other Weighting Factors

- Due to financial constraints on the district in the case of three-year-olds, three-year-olds with special education needs and other three-year olds (including Montessori students) are included for state funding purposes at a weight of 0.5 per pupil.
- The Head Start grant covers the cost of one teacher and one aide for every three-year-old Head Start classroom and half the cost of a teacher and aide for four-year-old Head Start classrooms. Schools do not receive a per-pupil allocation for three-year old Head Start students.

Efforts were made in this budget cycle to ensure equitable allocations among comparable schools. A transparent and consistent set of decision making criteria were applied to all schools equally. Central allocations, such as Art, Music and PE allocations and school counselor allocations were examined to ensure schools of similar size and type were allocated the same resources, and the differences between school sizes, program and student needs were evaluated and supported with limited available resources.

## Individual School Budget Development

The development of a school budget is a critical component of the district-wide process. A school's budget is driven by allocation formulas, district-wide policies and procedures, school-based initiatives and school support needs.

The budget process starts with the administration, school leaders and their School Governance Councils reviewing prior years' enrollments for patterns and identifying proposed program changes that will affect school enrollments. Other factors considered when predicting enrollment are the number of school-aged children from the census data and the competition of other Milwaukee options for education. The enrollment projections are

determined using demographic data and enrollment trends to develop grade-by-grade pupil projections for MPS elementary, K–8, middle and high schools. Finance staff produces instructional and reference materials, including allocation amounts. For additional support, due to the difficult budget realities in the 2017–18 budget every school leader met with their budget analyst individually to prepare their budgets.

During the winter, school and department budget carousels are held with each school leader and department head. These budget carousel meetings - hosted by the Superintendent, Office of Finance and Office of School Administration and identified progress, challenges, current school capacity to address the challenges identified, and school and department resource needs. All traditional, alternative and instrumentality charter schools participate in the budget carousels. Participants include the school leader, school support teacher and parent coordinator from each school.

From these discussions, feedback and community surveys, recommendations for infrastructure changes and the need to repurpose existing resources, roles and activities emerge to inform decisions at Central Services associated with technical assistance and centralized support to schools.

This winter, separate school facility carousel meetings were held in February and March 2017. The facility carousel meetings - hosted by the Chief Operating Officer, Office of Finance, Office of School Administration and the Office of Chief of Staff - addressed communication and collaboration on facility matters, adequacy of school facilities for instruction programming and priorities for facility repairs and improvements. The participants included the school leader, building engineer and parent coordinator from each school.

### ***Review Process***

School administrators reviewed the budget and worked with their School Governance Council (SGC) in making decisions regarding staffing and resource allocation for the following year. The school leader and SGC approved the budget before it was returned to the Department of Financial Planning & Budget Services. This department, along with the Offices of School Administration and Academics, ensure that the budget resources support sound instructional plans. The budget is then reviewed and approved by the superintendent of schools.

### ***Fall Budget and Staffing Adjustment Process***

In the fall, schools again work with the department of Financial Planning & Budget Services staff to adjust school budgets resulting from the difference between projected enrollment and actual enrollment, and for any other developments not known in spring. The enrollment at a school on the third Friday of September is used to determine a school's final allocation amount. Fall adjustments can present challenges for schools with large enrollment differences. In order to maintain consistency in staff and programming at the school, adjustments are carefully reviewed by staff in the Department of Financial Planning & Budget Services, the Office of School Administration and the Office of Academics.

## **Basic Funding for Traditional and Instrumentality Charter Schools**

Total enrollment for 2017–18 is projected to be 76,534 for all MPS school types. Funding for traditional, instrumentality charter and alternative schools in 2017–18 is \$260.2 million based on projected September 2017 enrollment of 68,390 students for these school types. Centralized services and staff for schools include \$365.4 million for a total of \$625.6 million supporting traditional, instrumentality charter and alternative schools. This is a decrease of \$21.9 million from the 2016–17 school year.

There are multiple school costs that are budgeted centrally. Centralization of these costs improves the overall standard of care for students by budgeting for these costs consistently, efficiently and equitably. Centralization allows school leaders time to focus on instruction, decreases their time spent on administrative issues and decreases the likelihood that individual schools will incur costs which are beyond their control. More detail on these allocations are described on the following pages.

**Centralized school costs** include the following:

- Costs associated with special education in a school
- At least a 0.6 FTE teacher to budget for art, music and physical education as best meets the needs of the school, plus a 0.2 FTE librarian teacher at every school with seventh grade and above; an allocation of \$10 per pupil is included in every school's art, music and physical education (AMP) allocation to purchase supplies
- Substitute teacher costs for teacher absences reported in the substitute teacher system (professional development not included)
- Salaries for all safety aides assigned to schools
- Building services and educational maintenance costs, except for repairs resulting from internal vandalism
- Armored car services
- A minimum of 0.2 FTE of school counselor time for every school; schools have the option of purchasing additional time for school counselors through the optional services process
- School leader and secretarial positions
- Assistant principal positions, which were allocated based on school type and size
- School bookkeepers

While Title I is a federal grant and separate from the School Operations Fund, it is an important component in a school's budget. Adding to the challenges schools faced in preparing their budgets was the reduction in the Title I per-pupil amount due to the change in the federal funding formula in the new Every Student Succeeds Act. Title I allocations for each school are determined through a formula that takes into account the previous year's Third Friday enrollment of 5- to 17-year-old students whose families live in poverty. Each year, a per-pupil amount for schools with 100 percent of students living in poverty is calculated based on the funding available for allocation to schools. For 2017–18, this per-pupil amount is \$400, down from \$440 in 2016–17. A unique per pupil for each school is calculated by multiplying the \$400 per-pupil amount by the percentage of student living in poverty at each school. To arrive at the total allocation, the prorated per-pupil is then multiplied by the number of students living in poverty.

Each school has latitude to budget the basic per pupil Title I allocation within federal guidelines. In addition, Title I funding has been allocated so that every school will have a 1.0 FTE school support teacher (SST) and a 0.75 FTE parent coordinator. Schools with a projected Title I enrollment of 800 or greater, or K-12 schools, were allocated 1.0 FTE parent coordinator and an additional 0.5 FTE to fill the role of a partial release school support teacher. This teacher would also be partially budgeted in other funds and would spend 50 percent of the time in the classroom and 50 percent of the time in the role of a school support teacher.

The parent coordinator engages in activities that build the parents' capacity to help their child succeed and works to develop strong parental connections to the school. The school support teacher serves under the direction of the school's principal and the Office of Academics to support the *Framework for Teaching* at the school and classroom levels. The teacher has several responsibility areas at the school level: instructional coaching, assessment coordination, use of data to inform instruction to improve student outcomes, implementation of educator effectiveness, facilitating peer observation, and planning and providing professional development based on teacher or school site needs.

## Centralized School Programs and Supplements

### *Central Art, Music, Physical Education (AMP) Teachers*

The 2017–18 AMP budget supports 234.5 FTEs, a decrease of 16.2 FTEs from the 2015–16 budget. Funding of \$23.2 million in board funds reinforces the district’s priority of a standard of care through investment in art, music, physical education (PE) and library services. Every school must budget a minimum 0.2 FTE each for art, music and physical education. Schools with grades 7–12 must also staff a minimum of 0.2 FTE librarian. Schools often choose to budget an additional amount for art, music, physical education and librarian staff in their board budgets. Schools may reallocate AMP funds to support

contracts with approved vendors in the Milwaukee community through the “Fill the Gaps” initiative if they have historically had troubles filling the positions. The initiative allows schools to provide access for all students to the arts even if there is no licensed teacher to fill the position, and gives the opportunity for schools to begin programming on the first day of the school year. In the spring budget process, 31 schools opted to contract with community vendors.

### *Central School Counselor Positions*

Centrally budgeted there is \$8.6 million in board funds for 91.4 FTE school counselor positions to ensure that state counselor service requirements are met. Another \$756,858 in federal funds will support 8.7 FTEs for elementary schools. Every traditional and instrumentality charter school will have school counseling services in 2017–18. Schools can choose to use part of their allocated board funds to increase their overall school counselor time through the optional services purchasing process. In K–8 schools, a school counselor will spend at least one day per week in the school. Pursuant to administrative procedure, the amount of time the school counselor spends in a middle or high school is determined by the enrollment of each individual school.

### *Central School Office Staff*

In 2017–18, \$47.1 million is set aside to cover the cost of school leaders, assistant principals and secretaries. In order to continue on the path to build a stronger standard of care, an allocation formula determines centrally funded principals and school secretaries. This funding strategy is used to ensure that all schools would have the leadership and support needed to grow student achievement. In 2015–16, assistant principal costs were also moved to the central school office staff budget. Schools are allocated assistant principal positions based on school type and size. The Office of School Administration assigns a small number of assistant principals based on special circumstances of a school.

### ***Supplemental School Support***

This fund supports \$3.1 million for various critical staffing needs that are not able to be met in individual 2017–18 school budgets. When school leaders submitted their budgets in the spring, they could also submit a “Critical Staffing Needs” request application if there were critical needs not met by the basic school allocation. Applications are reviewed by the administration and ultimately approved by the superintendent.

As fall enrollment is finalized, Finance and School Administration work with schools, particularly those which are adversely impacted by lower-than-projected enrollment. Where necessary, central funds are set aside to be certain that student needs could be met at each school. A small reserve is maintained to support mid-year school resource needs due to changing enrollment.

The Milwaukee Board of School Directors approved a district-wide uniform policy that will be in effect for the 2017–18 school year. With the focus of improving student achievement, research indicates that school uniforms can contribute to a positive school environment. Schools can opt out the policy if 66 percent of the school community votes to do so. An amount of \$20 per student has been set aside to support schools with implementation of this new policy.

### ***Education Maintenance***

There is \$1.9 million set aside both at schools and centrally to assist schools with identified costs related to a variety of building and building equipment repair, remodeling and maintenance activities. These activities represent aesthetic or educational program choices. Examples include repair of offices or audio-visual equipment, furniture and interior painting.

### ***School Office Support (Bookkeepers)***

The centralized school office support account allocates \$2.3 million (33 bookkeepers) to provide 128 traditional and instrumentality charter schools with school bookkeeping services and support in cash handling, bank reconciliations and procurement processing.

### ***Achievement Gap Reduction***

The SAGE program was transitioned by state law in 2016–17 to become the Achievement Gap Reduction (AGR) program. The AGR program provides supplemental funding support for K5 through grade three in schools previously receiving SAGE program funding. Allocations for the AGR program remains comparable to SAGE. Additionally, there is \$514,245 budgeted in board funds to support schools in the transition from SAGE to AGR.

### ***School Nurses***

Centralized school nursing includes a broad array of services for students, including administration and management of medicine, care for sick and injured students, vision screening, follow-up on immunization compliance, championing the defibrillator program, participation in the development of individual educational programs and other student programs, health and hygiene education, and assisting with managing chronic and communicable diseases.

This centrally funded budget provides \$2.0 million in board funds and is supplemented by Title I funding of \$3.5 million to support non–special education school nurse positions. Nurses funded by Title I manage care and provide services to support and sustain school attendance, reduce student absences and support increased academic achievement. One hundred fifteen schools will receive nursing services in 2017–18.

### *School Safety Operations*

The \$13.7 million in the central school safety operations budget provides safety assistants for all traditional and instrumentality charter schools in 2017–18. The central budget funds 281.0 FTEs, which is an increase of 12.0 FTEs from 2016–17. While safety assistants are centrally funded, schools may budget additional safety in their budget. Additional funds are allocated to support limited-term employees for safety assistant positions and other duties such as bicycle patrols, monitors at schools that perform daily weapon scans and training for all safety division staff.

### *School Special Services*

This central program provides special education classroom instruction and related services for traditional, instrumentality charter schools and alternative schools. Included in this program is classroom-based staff such as teachers, paraprofessional assistants and children’s health assistants. It also includes support staff of speech pathologists, psychologists and social workers for each school. Funding of \$168.3 million in 2017–18 provides 2,320.91 FTEs.

### *Substitute Costs*

In 2017–18, \$8.1 million is set aside to centrally fund most substitute teacher costs for traditional, alternative and instrumentality charter schools. Schools cover the cost of substitute teachers when staff is out for professional development. The district entered into a contract with a staffing firm that deploys substitute teachers when the need arises in order to ensure that all schools are fully staffed.

### *World Languages*

Through a revision of the MPS graduation requirements, all MPS students will graduate with coursework that helps prepare them for postsecondary education. Beginning with the graduating class of 2021, students will graduate with two credits of world language. In order to ensure that high schools are adequately staffed, World Language teachers were centralized for the 2017–18 school year. A total of \$7.5 million is allocated for 80 teachers. Staffing will be centralized with the Department of Curriculum & Instruction, but schools have input and are able to choose which languages they would like to offer.

### *Interscholastic Athletics and Academics*

The MPS Interscholastic Athletics program contributes to the athletic and academic development of each student while promoting sportsmanship, leadership and school unity. During the 2015–16 school year, 413 coaches mentored and trained 5,209 student athletes from 21 schools as they competed in 17 different sports.

Interscholastic Academics offers competitive opportunities in chess, debate and forensics. Student involvement enhances oral communication, competency, improved reading comprehension, more highly developed listening skills and stronger quantitative measures of academic achievement. These combined benefits contribute to students’ critical thinking sets, thereby preparing them for success beyond high school. During the 2015–16 school year, 894 students representing 30 schools participated in chess, debate and forensics.

A total of \$4.9 million is budgeted for school **Interscholastic Athletic and Academic** activities. These funds pay for coaches, equipment and contracted services such as officials, athletic trainers and uniform cleaning and repair. This is inclusive of funding added to ensure that athletic programs are available to more students, including those ineligible for Wisconsin Interscholastic Athletic Association competition due to age-eligibility criteria.

The school-based **Adaptive Athletics** program provides sports training and competition opportunities for students with disabilities. Slight modifications to traditional sports equipment and rules creates an inclusive environment that ensures success for all participants. Successful participation in Adaptive Athletics directly supports the classroom by promoting healthful physical activity, reinforces fine and gross motor skills, builds self-esteem and self-confidence, and teaches social skills through cooperation with teachers and classmates alike. Students receive skill-based instruction at school, culminating with 27 athletic contests covering seven sports: Soccer, Bowling, Volleyball, Team Basketball, Basketball Skills, Bocce, and Track & Field. During the 2016–17 school year, more than 1,700 students were enrolled from 51 elementary, middle, and high schools. Many of these students participated in multiple events, resulting in over 5,000 individual experiences gained in the MPS Adaptive Athletics programs.

### ***Instructional Resources***

There is \$3.5 million budgeted in 2017–18 for textbook adoptions and instructional resources. This budget funds district-wide textbook and software adoptions as well as license renewals.

### ***Learning Journeys***

Learning Journeys are extensive, beyond-the-classroom learning experiences offered at no cost to all MPS students. The implementation of Learning Journeys into the MPS curriculum is a district initiative that connects classroom instruction to the greater community where students experience hands-on, relevant learning, engaging both their intellect and imagination. The strategically planned, integrated experiences enhance the curriculum rather than simply add on to the current curriculum. These tailored experiences are designed for *exposure* in grades K3–3, *experience* in grades 4–8 and *exploration* in grades 9–12.

- **Kindergarten (K5) – “The Farm”**

This Learning Journey takes students through Oak Ridge Farm for a hands-on experience with farm life. Students learn how the farm is important to them and their community and which goods and products come from the farm as well as how they are produced.

- **Grade 1 – “Snackin’ on Plants”**

Students will be led through a firsthand experience with plants at Boerner Botanical Gardens where they will discover that the foods they eat every day are actually different parts of plants.

- **Grade 3 – “Planet Earth”**

Students travel back in time 4.6 billion years to when the Earth was beginning to form. This Learning Journey, which takes place at the Milwaukee Public Museum, extends students’ knowledge of the solar system and history of the planet Earth.

- **Grade 4 – “Where We Live”**  
Students become certified aquanauts during this Learning Journey as they learn about the Great Lakes. This Discovery World educator-led experience allows students to get up close and personal with animals of the Great Lakes and the role water plays in our communities.
- **Grade 5 – “BizTown”**  
At Junior Achievement’s BizTown, students experience life as an adult when they apply knowledge they have learned in class to their participation in an interactive, simulated town where they will take part in operating 15 businesses. This experience enhances understanding of free enterprise and increases knowledge of how the economy works.
- **Grade 8 – “Finance Park”**  
At Junior Achievement’s Finance Park, students have the opportunity to learn financial literacy lessons on banking, budgeting, credit, taxes and careers. Students are assigned a life scenario and then must manage their finances and construct a workable household budget.

Each Learning Journey is an investment of approximately \$55,000 per grade level per year. This includes transportation, curriculum materials and admission fees. All funding for Learning Journeys is through central services so schools are not responsible for the cost.

## Non-Instrumentality Charter, Contracted Schools and Programs

### *Non-Instrumentality Charter Schools*

By administrative policy, non-instrumentality charter schools receive the same per-pupil funding amount that the state determines for charter schools contracting through the University of Wisconsin–Milwaukee, Milwaukee Area Technical College and the City of Milwaukee.

The total amount of instructional and non-instructional support for 2017–18 is budgeted at \$8,405 per student. The per-pupil allocation is established in the state budget. Other funding is contingent upon various contractual provisions. Overall funding for non-instrumentality charter schools is \$63.4 million in 2017–18 and projected enrollment in non-instrumentality charter schools is expected to be 7,383 students in September 2017.

### *MPS Alternative Schools and Programs*

MPS alternative schools for at-risk students include various educational programs for MPS students. Funding varies by program. Allocations are different from regular MPS schools because of the variability of program enrollments throughout the year, resulting in different per-pupil rates. Total funding for these programs is \$9.3 million for 2017–18. For a description of these schools and programs, see the “Types of Schools” section earlier in the document; their allocations are listed below:

- **Alternative Schools** – Groppi, Project STAY and Transition High School are projected to enroll 250 students each at any given point in the school year. Their allocation is based off a formula that allocates a set amount for staff, contracted services and a dollar amount per student for supplies and other wages. The allocation is set with the fluctuating nature of enrollment at the schools. These three schools receive the same centralized support as other traditional MPS schools. The total allocation for these three schools is \$3.1 million

- **South and Vincent Acceleration** – Alternative sites at South and Vincent are expected to enroll 100 students each. These schools each receive an allocation of three regular education teachers, a special education teacher and a teacher leader, plus additional funding for contract services and supplies. Total funding for each of these two schools is \$814,030
- **Home and Hospital** – Allocation of \$514,245 for students unable to be at a school site
- **Milwaukee County Collaborative** – Allocation of \$311,783 for programs for incarcerated youth
- **Pregnant and Parenting Youth** – Allocation of \$748,869 for pregnant students and new mothers and fathers
- **School-to-Work Transition** – Allocation of \$3.0 million for on-the-job training and vocational programs for students with special needs.

### Partnership Schools

As described earlier, partnership schools are operated by external agencies that contract with MPS. Per-pupil funding for most partnership schools decreased from \$9,327 in 2016–17 to \$9,120.72 in 2017–18. Chart 3.50 shows the detailed calculation for the partnership per pupil:

Chart 3.50 Partnership Per-Pupil Calculation

Partnership Per-Pupil Calculation	
Adjusted CAFR Calculation (\$M)	Amount
1. Total of government funds reported in the district's FY16 Comprehensive Annual Financial Report (CAFR)	\$1,880.6
2. Subtract from the CAFR total	
a. Grants - Fund #1-13	(128.8)
b. Extension Fund and Recreation grants - Fund #3-80 and 3-13	(23.2)
c. IDEA grants - Fund #1-24	(17.2)
d. CAMPS	(4.7)
e. Construction Projects	(7.6)
f. Nutrition Fund and Grants	(49.2)
<b>Adjusted CAFR</b>	<b>\$949.9</b>
<b>Per Pupil Calculation</b>	
3. Divide adjusted CAFR by district enrollment (2015-16 = 83,314), to determine a per pupil adjusted CAFR	11,400.90
4. 80% of the adjusted per pupil CAFR number ("base number")	9,120.72
<b>5. Add to the base number the two most recent annual state revenue per pupil change. 2016–17: \$0 2017–18: \$0</b>	<b>\$9,120.72</b>

Note: Partnership schools pay an administrative fee of an amount written into their contract to MPS to contribute toward costs of oversight for their services.

These programs, as appropriate, receive a special education allocation for the non-grant-funded, school-based classroom staff for students with special education needs as well as supportive service staff (speech, diagnostic, psychological and social work services). At-risk partnership sites are budgeted at \$8.1 million in 2017–18. Grant funds for special education programs provide an additional \$1.9 million to serve students with severe emotional behavioral disability.

## Other Centrally Allocated Funds

### *Allied Health*

This program provides district-wide special education related services. It funds psychologists, social workers, occupational therapists, physical therapists and nurses. Funding in 2017–18 is \$5.4 million.

### *Common School Fund*

The common school fund provides school library resources such as newspapers, periodicals, library automation software and related software components or licenses. Revenue for 2017–18, which is finalized in January of the school year, is estimated at \$5.0 million. Schools are given an allocation of, and are required to budget, \$20 per pupil as part of their board allocation, which accounts for \$1.3 million in 2017–18. The remaining \$3.7 million will be spent through a central budget for district-wide library uses.

### *School Special Funds*

For 2017–18, the school special funds budget is \$39.9 million. The largest portion of the budget supports open enrollment payments of \$36.0 million to other districts. There are 5,250 students that participate in the open enrollment program. The fund will also include translation services and funding for other district initiatives, including funding for instructional program support, attendance and trauma-informed care. Trauma-informed care training will inform all MPS staff members on how trauma manifests in a school setting, prevention and intervention options, the importance of a trauma-informed perspective and vicarious trauma.

### *Summer School*

Board funding totals \$5.6 million, which is a \$1.6 million increase from 2016–17 due to program expansion. This includes an extended school year program for students with special education needs that is anticipated to enroll 640 students and will receive an allocation of \$1.8 million. Other programs include the following:

- A five-week high school summer session at one site accommodating about 900 ninth through twelfth grade students
- A five-week eighth grade summer program at one site serving about 250 students who need additional academic preparation to be promoted to ninth grade
- J-Term is a four week session held in June for students in grades 6-12. Students will be able to complete or take condensed course(s), participate in internship opportunities, build proficiency in key skill areas and get ahead or stay on track for graduation.

The summer school budget also includes funding for the “Freshman Bridge” program that will provide all incoming ninth graders with early opportunities to meet ninth grade teachers, connect to upperclassmen, identify extracurricular areas of interest and have opportunities to ask questions that help freshmen navigate their first year with information and skills that can lead to a better outcome. The summer of 2016 was the first year in which all high schools participated in the program, and 6,349 students were served. A new program for middle school students will allow incoming sixth graders opportunities to form a realistic expectation of what middle school will be like, build a sense of community, explore extracurricular activities and learn how middle school is different than elementary school.

## *Summer Wraparound Sessions*

Funding from the Extension Fund totals \$2.8 million in 2017–18. Programs include the following:

- Multi-faceted summer sessions at 18 elementary or K–8 sites providing a broad spectrum of opportunities in enrichment and developmental academics for 4,000 K–8 students. Literacy and math enrichment opportunities will be offered to identify and meet individual student needs.
- Be the Change, a program that is designed to improve outcomes among targeted high school students in the areas of academics, leadership and life skills. The program is a collaboration among MPS, the City of Milwaukee and supports the My Brother’s Keeper initiative.
- Summer Adventure field trips offer hands-on experiences that focus on Wisconsin’s unique heritage, the natural environment, insects, life cycles and farm life.
- MPS provides healthy meals for students participating in the Summer Academy program.

## *Community Learning Centers*

In 2017–18, MPS will partner with nine community-based agencies to facilitate 21st-century Community Learning Centers (CLCs) in 49 MPS schools. This is the same number of CLCs as 2016–17. These essential after-school programs engage young minds through tutoring, recreation and enrichment activities that complement and reinforce school-day curricula. Throughout the year, students participate in programs focused on reading, math, science, art, music, technology, recreation, character education, drug awareness and violence prevention. Families of participating students also receive educational assistance, including literacy training and help with job skills. In the 2016–17 school year, 49 CLC sites were open for a minimum of 30 weeks, serving 10,408 students at 37 elementary/K–8 schools and 12 middle and high schools. Funding of \$2.7 million is received as a federal grant for 47 schools with CLCs. Board funds of \$3.0 million in the School Operations and Extension funds augment the reduction in federal grant allocations and support summer CLC operations.

## *Advanced Academic Programs*

Advanced Academic Programs supports the expansion of the Advanced Placement, International Baccalaureate and world languages programs in MPS. Through a revision of the MPS graduation requirements, all MPS students will graduate with coursework that helps prepare them for postsecondary education. Beginning with the graduating class of 2021, students will graduate with 2 credits of world language and college and career readiness coursework such as AP, IB, and/or career and technical education courses. In 2017–18, 15,000 students are expected to be supported in world languages through instruction, materials and resources, curriculum support, and summer support courses. With the centralization of world language teachers at high schools, the Department of Curriculum & Instruction will provide access to online curriculum and resources to provide all schools with support for world languages. More than 4,000 students are expected to participate in AP or IB examinations in May 2018.

The SpringBoard program is funded through the Advanced Academic Programs budget. SpringBoard is the foundational component for the College Board’s College Readiness System, offering a proven pre-Advanced Placement (AP) program that increases participation and prepares a more diverse field of students for success in AP, college and beyond. Based on College Board Standards for College Success and aligned to the Common Core

State Standards, SpringBoard offers the only integrated college-readiness program that includes a rigorous curriculum, formative assessments and sustainable professional development. Ten schools are implementing the SpringBoard program in 2017–18 with 8,000 students expected to be served.

### *Credit Recovery*

A budget of \$1.5 million is set aside for additional programs that support student college and career readiness. The budget also provides support for these options:

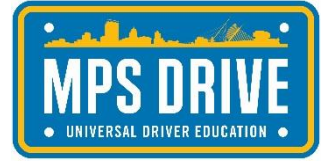

- **General Education Diploma (GED)** allows authorized school districts to use the GED test battery to measure proficiency in lieu of high school credits for students enrolled in an alternative education program. Students receive instruction that prepares them for successful completion of standardized GED content exams to earn a regular high school diploma. Instruction is also provided in the area of employability skills and financial literacy. Content area preparation is delivered through a blended model of online curriculum with differentiated support from licensed teachers based on results from approved GED practice tests. A student who passes the GED tests and completes the additional requirements is entitled to the traditional high school diploma. Students participating in this program must be at least 17 years of age, one year behind their ninth grade class in credits earned and be able to demonstrate an ability to read at or above the ninth grade level.
- **Competency Based Curriculum** is an option for students who do not meet the eligibility requirements for GEDO #2. This approach is personalized, offering high school students an opportunity to demonstrate proficiency through a path that is specific to individual student needs. Transcripts are reviewed to determine which academic requirements have previously been met. Students are required to have an 85% attendance rate and meet a minimum of 15 hours of face-to-face instructions per week. The goal is for a student to graduate with a traditional high school diploma.
- **Edgenuity** uses an online curriculum that aligns to MPS expectations regarding curriculum and rigor. The Edgenuity program provides individually paced lessons for which students can “test out” by demonstrating mastery. Students can work on Edgenuity coursework outside school but are required to attend school for blended learning support. Schools offer students to take two courses at a time (up to one full credit) and allow students to take additional courses if time allows. Students, parents and teachers can monitor their progress toward completion using the resource tools available online. When courses are completed, grades are updated to reflect student proficiency. Most MPS high schools offer this program to assist students with on-time graduation.

### *Other Central School Programs*

- **Assessments and Interventions** – The district budgeted \$2.1 million, plus an additional \$800,000 in Title I funds for the costs of contracts for various student assessments and supports, such as the following:
  - **CogAT** – The district universally screens all students in second grade for gifted and talented identification as part of Response to Intervention. Directions are available in Spanish or can be translated into another language. CogAT is a norm-referenced assessment that measures “learned reasoning abilities” through the following:
    - Verbal Battery: assesses ability to use search, retrieval and comparison processes
    - Quantitative Battery: assesses ability to reason about patterns and relationships
    - Nonverbal Battery: assesses ability to reason with novel questions that use spatial and figural content

- **STAR** – STAR is the district’s universal screener and progress monitoring assessment used to assess students in grades K–12 three times per year in both reading and math. STAR Early Literacy Spanish, STAR Reading Spanish and STAR Math Spanish are also available. These tests were normed during 2015–16. Accommodations for ELLs are available.
- **Odyssey** – Compass Learning Odyssey assignments in both math and reading are customized for each individual student based on his or her STAR score. Students are able to work independently to practice on specific areas that are needed to reach their targeted goals.
- **ACT Reporting** – Grades 9 and 10 take the ACT Aspire exam, which measures college and career-readiness skills and knowledge and provides a predicted ACT score range. The ACT, which is the national college admissions exam, is taken by all students in grade 11. Through the exam the district gains valuable information about what students have learned in high school courses, academic achievement and college-readiness levels. The ACT is the state accountability test for grade 11.
- **PSAT** – All eleventh graders and select tenth graders take the PSAT. Scores on the PSAT in grades 10 and 11 are used to qualify students for scholarships, including National Merit Scholarships. The test results match students to potential Advanced Placement courses.
- **PALS** – Phonological Awareness Literacy Screening, which is a screening tool for developmental milestones in literacy acquisition for students in K4 through second grade.
- **Equity Access Inclusion** – \$477,705 is budgeted to support the “My Brother’s Keeper” initiative by collaborating with branches of government, local businesses and community organizations to increase the number of males of color who are succeeding academically and socially. Efforts include ensuring that culturally responsive teaching practices are in place at all schools, enhancing the district vision for student participation in a wide range of after-school activities and supporting trauma-informed care.
- **Wraparound Services** – These services include social, emotional, health, enrichment and other critical services provided beyond the classroom to help students and families achieve academic and personal success. MPS departments and community organizations provide services to families in the following areas: whole child supports to address academic concerns, physical health supports, mental health activities, extended learning opportunities, and college and career supports.
- **College Access Centers** – The College Access Centers provide students and families with direct services that are easily accessible via public transportation and close to resources that families typically frequent, such as grocery stores and other retail ventures. These community-based locations support the college access outreach efforts of Milwaukee Public Schools and engage families in the support and reinforcement of college attendance for Milwaukee students in centers focused on college attainment. A total of \$1.5 million is budgeted for College Access Centers, plus GE grant funds that will also support the expansion of programming to support school-based centers at all traditional high schools
- **Newcomer Centers** – Starting in 2017–18, the International Newcomer Center, which historically served refugee students in grades 4 through 8, was expanded to include high school students at South Division. In this program, students learn academic content while simultaneously learning English. Students in the Newcomer Center are taught using a method called “sheltered instruction.” This teaching method involves using instructional scaffolding (an instructional technique in which the teacher builds on students’ experiences and knowledge as they are learning new skills), visuals such as picture dictionaries and both content and language objectives. Students participate in Learning Journeys and other opportunities to enhance their academic achievement.
- **MPS Drive** –MPS Drive, provides free driver’s education to any Milwaukee Public Schools student between the ages of 15½ and 17¾. This unprecedented initiative is designed to eliminate potential barriers

preventing a young person from obtaining a driver's license and works to close the gap between Milwaukee youth and their suburban counterparts as it relates to possession of a driver's license. Uniquely, the program also contains a restorative track so that young people with suspended driving privileges can restore their ability to obtain a driver's license prior to participating in driver education classes. Contracted services include the certified driving school, program evaluation, a partnership with the Center for Driver's License Recovery and Employability to reinstate driving eligibility for students who have suspended driving privileges, and the coordination of community service hours for students working to regain driving eligibility. A total of \$646,105 is budgeted to support the program.

*Going places.*

## Student Engagement

To support the cultures and climates where the academic needs of students can be met, the Superintendent Student Advisory Council was established. The advisory council provides the unique opportunity in which student voices will not only be heard but included in decision making. Students take ownership of their education while being afforded the opportunity to gain knowledge and experience in local-level policy making. The advisory council also provides a space for the development of leadership and communication skills for students who are not considered "traditional leaders." Bringing guest speakers to speak to the council, meeting private and public sector executives, college and career excursions and cultural enrichment activities will allow the council to be a robust student association. The Superintendent Student Advisory Council seeks to use these opportunities toward the advancement of the following goals:

- Student representation from each high school in the district
- Inclusion of students in the decision-making process of the Milwaukee Board of School Directors

## Family and Community Engagement

Families play a vital role in the education of their children. Milwaukee Public Schools works with families and staff to ensure that they have the tools needed to be equal partners in supporting student achievement and school improvement. When families and schools work together, students are more successful, and the entire community benefits.

MPS is committed to increasing its family and community engagement efforts. We know that a school with involved families is more likely to have high levels of trust and be able to make improvements in academics. To increase engagement, we must use national best practices, research and data to shift the paradigm of our system. The Family & Community Engagement team has created a playbook for use across the district, an online resource that is frequently updated with new information, tools, templates and strategies for use within schools.

The new MPS engagement framework builds from well-established practices across the country, including the community schools model, collective

impact theory and the dual capacity-building framework. Starting from a strengths-based perspective for both families and staff, MPS will work to build three core values at all schools within the district:

1. **Shared Leadership** – MPS provides avenues for family leadership and increases two-way communication and involvement opportunities for families.
2. **Equity** – MPS meets families where they are and accesses community assets to equip families and staff with the tools needed to partner in supporting student success.
3. **Cultural Relevance** – MPS creates a welcoming environment that recognizes the backgrounds, knowledge and experience of all families.

Shared leadership is built at the school level through parent groups and School Governance Councils that liaise at the district level to the family District Advisory Council. A new opportunity for shared leadership is the quarterly MPS Family Forums. These are full-day events that encourage knowledge exchange, discussion and collaboration between staff and families. These events are planned in partnership between district staff and family leaders and will have a variety of workshops geared toward both families and staff. Additionally, each will feature an opportunity for discussion with the superintendent on current issues facing MPS.

Equity is built at our schools by meeting families where they are and providing the tools necessary to partner to support student success. To do this, MPS launched a Family Empowerment University (FEU) in fall 2016. The FEU features a course catalog of different institutes, workshops and resources that families and staff can access to

build their capacity to work together for student success. Business and community partners as well as families will lead these learning opportunities at local schools.

Cultural relevance is critical if MPS is to build trust with families and communities. We must ensure a welcoming, customer-focused environment at all of our schools. Every family of an MPS student should feel they belong in that school. To create that sense of belonging, MPS Family Cafés are being created to provide an area for families to connect with each other, to receive referrals from MPS resource libraries, and to support their student's progress.

Creating this safe space in every school is essential, but we must also reach out into the community and ensure that all families have access to MPS. Therefore, MPS is establishing four regional Community Information and Enrollment Centers that will serve as customer service centers for families and community members to interact with MPS closer to home. Any family currently connected to MPS or interested in learning more will be able to come into the centers and receive a guided virtual enrollment tour that explains the various options within MPS schools and helps families through the process of selecting the best-fit school for their student. Additionally, these centers will offer Lau Compliance Testing, Child Find services, family dispute resolution processing, recreation activity sign-up, Parent Portal enrollment and navigation assistance, and much more.

All MPS schools have a parent coordinator to facilitate these activities and build the core values. To increase their capacity, seven new family and community engagement associate positions were created within the 2016–17 budget. These associates serve as backbone support for selected family-focused initiatives and work to implement those initiatives in schools through coaching of parent coordinators and school leaders. Through this work, the

associates will connect business and community partners to our schools and help to facilitate place-based collective impact by supporting schools in aligning all partners to the school improvement plan.

Focusing on shared leadership, equity and cultural relevance in all of our schools lays the groundwork for MPS schools to increase family and community engagement. Additionally, the added capacity of family and community engagement associates to align partners with a school improvement plan moves all of our schools closer to implementation of the community schools model by fostering collective impact. Through a partnership with United Way of Greater Milwaukee & Waukesha County, six MPS schools are able to operate at the highest level of family and community engagement by joining the Milwaukee Community Schools Partnership. This collective strategy employs a full-time community school coordinator at each school to work with numerous partners to transform schools into a place where students, families, staff and the surrounding community can work together to ensure that every student is successful.

### *Alumni Engagement*

Get plugged in!

Alumni of Milwaukee Public Schools are uniquely positioned to partner with the district to effect change in student achievement, in the engagement of students and families, and for the effective and efficient operations of our schools and the district.

We have placed a renewed emphasis on intentional and strategic alumni engagement to help us accomplish our goals. In 2015–16, that process began by inventorying our alumni assets and by reenergizing our alumni base by hosting the first-ever MPS All-Alumni Reunion.

In 2017–18, the district will continue its efforts to strategically engage and support alumni by ensuring that all alumni groups are robust and fully supported by the district, by creating opportunities to bring additional alumni into positions of leadership within the district and providing opportunities for alumni to participate in the success of the district’s initiatives. The “MPS Alumni Hub” serves as a central website for alumni to find ways to engage with MPS as well as their alma mater.

### *Volunteers*

Volunteers play a large role in the success of MPS schools and initiatives. Annually, over 3,000 volunteers work in schools, classrooms and district-wide to help the district meet its goals. MPS volunteers provide tutoring, literacy skills, teacher assistance and a helping hand in a variety of settings and at events such as our Biennial Music Festival and STEM Fair.

For 2017–18, MPS will continue to work to improve the efficiency of our volunteer program while working to ensure that our volunteers have a positive, rewarding experience in our schools. The overall volunteer application and process to become a volunteer is currently under review with the overall goal being to move to a system that will make becoming a volunteer in MPS easier and more user friendly. Additionally, systems will be put into place to better track volunteer data to allow us to be more strategic with our volunteer activities while also increasing community outreach to increase the number of volunteers in MPS.

# School Allocations – Board Funds Summary

**2017–18 Proposed Budget – School Allocations – Board Funds** – This spreadsheet shows the distribution of board funds as allocations for individual schools and school programs. Descriptions of the labeled headings on the spreadsheet follow.

- Column 1: School/Department Name – Traditional, instrumentality charter and alternative schools are listed alphabetically.
- Column 2: 3 Year Old Enrollment – Number of three-year-olds projected to be enrolled in the fall, including Head Start three-year-olds in authorized site programs.
- Column 3: K4–12 Enrollment – Total number of students projected to be enrolled in grades K4–12. Schools receive the applicable per-pupil amount by grade level of school for each student.
- Column 4: Program Support – Allocations include 0.5 FTE of a teacher for small schools, the distribution of cell tower lease revenue, a 1.0 FTE teacher allocation for high schools with an alternative program and a 1.0 FTE teacher for Turnaround Arts or culinary arts schools.
- Column 5: Total ESL – Funding is based on projected number of staff allocated on the basis of language-proficiency levels of the students at the school.
- Column 6: Specialty School Allocation – Additional FTEs and/or per-pupil funding for designated arts, language immersion, dual language, International Baccalaureate, STEAM, Montessori and gifted and talented programs.
- Column 7: Charter Transportation – Instrumentality charter schools are allocated funds based on per-pupil average. (Only charter schools are required to budget for yellow bus service if needed.)
- Column 7a: Charter Audits - Allocation for audit for instrumentality charter schools.
- Column 8: K4-12 Per Pupil Allocation - This is a school’s base allocation, which is calculated by multiplying the K4–12 enrollment by the basic weighted per-pupil amount.
- Column 9: Benefit Rate Adjustment – Schools received an additional allocation to cover the increased cost of benefits.
- Column 10: Other 3 yr old – Allocation for special education or Montessori three-year-olds at a school. Schools receive 0.5 of the base per pupil for other three-year-olds.
- Column 11: Total Board Allocation – Total base allocation to each school.

# School Board Funds Allocation

**2017–18 School Board Funds Allocation** – This spreadsheet shows the major board allocations for traditional, instrumentality charter and alternative schools. Descriptions of the labeled headings on the spreadsheet follow. Common names of schools are used and schools are listed alphabetically.

- Column 1: School Name – Listed in alphabetical order.
- Column 2: Student Count – The number of total students projected to be enrolled at a school in the fall.
- Column 3: Board Allocation – Total board allocations for each school which represents a school’s basic allocation. This is the projected K4–12 enrollment for a school multiplied by the per-pupil amount, plus funding for certain 3-year-olds. This allocation also includes site-specific allocations, such as the ESL allocation, the specialty school allocation, etc.
- Column 4: School Counselors – Provides school counseling services to traditional, instrumentality charter and alternative schools.
- Column 5: Art, Music, & Phy Ed – Provides art, music, physical education and library services to traditional, instrumentality charter and alternative schools.
- Column 6: Special Education – Provides funding for special education classroom and special education-related services for traditional, instrumentality charter and alternative schools.
- Column 7: World Languages – Provides funding for world language teachers in high schools to ensure adequate staffing to meet the graduation requirement of two credits of world language.
- Column 8: School Office – Provides funding for school office support including principals, assistant principals and school secretaries.
- Column 9: Total Board Funds – The sum of all major school board budgets.

# School Grant Funds Allocation

**2017–18 School Grant Funds Allocation** – This spreadsheet shows major grant allocations for traditional, instrumentality charter and alternative schools. Descriptions of the labeled headings on the spreadsheet follow. Common names of schools are used and schools are listed alphabetically.

- Column 1: School Name – Listed in alphabetical order.
- Column 2: Student Count – The number of total students projected to be enrolled in the fall.
- Column 3: Title I Schoolwide and Title I Targeted Assistance – Funding targeted at improving student achievement in reading and math and increasing parental involvement; distribution is based on poverty level.
- Column 4: School Support Teacher – Funding for a 1.0 FTE or 1.5 FTE school support teacher.
- Column 5: Title I Parent Involvement – Funding for a 0.75 FTE parent coordinator at every school, or a 1.0 FTE parent coordinator for K–12 schools or a school with a Title I projected enrollment of 800 or greater. Allocation also includes a \$1,000 supply allocation per school for parent involvement activities.
- Column 6: Carl Perkins – Grant for vocational education.
- Column 7: Head Start – Grant used to pay for Head Start staff to improve school readiness of three- and four-year-old children.
- Column 8: AGR – Achievement Gap Reduction grant used to implement strategies that promote student achievement in reading and math.
- Columns 9: Grant Transitional – Board funds used to supplement funding for SAGE staff positions to reduce class size.
- Column 10: Total of all major grant funds allocated to schools.

# Specialized Services Summary

**2017–18 Proposed Budget – Specialized Services Allocations** – This spreadsheet shows the distribution of specialized services board funds allocated for individual schools and school programs. Descriptions of the labeled headings on the spreadsheet follow.

Column 1:	School/Department Name – Schools are listed alphabetically, with multi-level schools split into their respective grade levels.
Columns 2-4:	Early Childhood – Teachers, children’s health assistants and paraprofessionals in these columns work with students with disabilities from pre-K through third grade.
Columns 5-7:	Multi-Categorical – Teachers, children’s health assistants and paraprofessionals in these columns work with students with a broad range of disabilities.
Columns 8-10:	Comprehensive – Teachers, children’s health assistants and paraprofessionals in these columns work with students with more severe disabilities.
Columns 11-12:	Visually Impaired – Teachers and paraprofessionals in these columns work with students with visual impairments.
Columns 13-15:	Hearing Impaired – Teachers, children’s health assistants and interpreters in these columns work with students with hearing impairment.
Column 16:	Special Needs Fund – The Special Needs Fund is a resource available to all schools needing assistance with the necessary resources to implement a student’s IEP.
Column 17:	Transition Coordinators – Transition coordinators work with students with disabilities ages 14 to 21 to create postsecondary plans for college and career.
Column 18:	Speech/Language – Speech-language pathologists provide prevention, assessment and remediation services for students who exhibit difficulties in the areas of language, speech, voice and fluency. These services are designed to help children meet their educational goals.
Column 19:	Psychologist – Psychologists perform specialized psychological work in an educational setting to enable students to achieve optimal learning.
Columns 20-21:	School Social Work – School social workers help parents, students and school staff identify needs that interfere with learning and work with students to get the services they need.
Columns 22-25:	Centralized Support – Staff members in these columns include program support teachers, special education supervisors and nurse associates. These positions are funded centrally but work at school locations.
Column 26:	Total Allocation – This reflects the total all

# School Snapshots

The presentation that follows includes school information and budget highlights for every MPS traditional, instrumentality charter and alternative school. Information includes:

***School Description/School Programs/School Points of Pride*** – Basic information on school, specialty/emphasis of school, school points of pride and programs at school.

***Enrollment and Staffing*** – Shows the projected enrollment for the 2017–18 school year. This information is accompanied by a line graph that shows the five year enrollment trend of the school.

***Capacity Information*** – The identified capacity is a program capacity that aligns with the facility standards described in Administrative Policy 5.01 for allocation of classroom space. The capacity number also accounts for dedicated classroom space allocations for parent centers, computer labs, art rooms, music rooms, libraries, and special education needs at each site. Where enrollment numbers exceed the capacity an emphasis is placed on how best to share spaces through proper scheduling and in some cases a consolidation of the dedicated spaces.

***2017–18 School Staffing/Budgeted Staff FTE*** – Lists the number of staff budgeted at the school by category. The Administrative (admin) FTE amount includes principals and secretaries. Support staff includes assistant principals, paraprofessionals, educational assistants, etc.

***School Information*** – Lists state report card score, school mobility and school poverty rate. School racial/ethnic identification for the current school year is listed numerically and graphically. Ethnic groups listed are African-American, Asian, Hawaiian/Pacific Islander (abbreviated as HI/PI), Hispanic, Native American and White. ELL and special education students (SPED) enrollment numbers are broken out to indicate student populations. These numbers are included in the total enrollment numbers.

***School Proficiency Rate*** – Graph displaying school ELA and math proficiency rate vs district average for 2015–16.

***School Expenditures*** – Displays school expenditures by type graphically since 2013–14.

***2017–18 Per Pupil Allocation Breakdown*** – Chart which represents proportion of school's budget by funding source per pupil.

# Academia De Lenguaje Y Bellas Artes (ALBA)

1712 S 32nd Street  
 Milwaukee, WI 53215  
 (414) 902-7525

## School Description

ALBA is proud to be a White House Bright Spot in Hispanic Education. ALBA is a Wisconsin School of Recognition and has received an honor by the state for moving students forward academically closing achievement gaps. All of our students engage in a rigorous educational program. Positive student climate and behavioral supports at ALBA also garnered a School of Distinction honor from the State of Wisconsin. ALBA School was founded on the conviction that bilingual students can reach their full potential academically, in English and Spanish, when challenged through rigorous academic studies, the integration of fine arts and the development of critical thinking, problem solving and creative abilities. Self-confidence and self-worth are developed as the students' cultural identity is both recognized and valued through curriculum. Partnerships with local arts organizations provide enrichment opportunities in music, art and dance. Parental involvement is a vital component to the success of our students.

### Points of School Pride

- The only K-12 school in Wisconsin recognized as a White House Bright Spot in Hispanic Education.
- Active PTO was awarded a commendation from the Milwaukee Common Council.

### School Programs

Arts specialty program, bilingual education program, parent resource center, gifted & talented, bilingual education, early childhood education/Head Start, Partnership for the Arts and Humanities funded partner, Parent Teacher Organization, parent resource center, gifted core curriculum, multi-age classrooms, after school athletics / sports (i.e. intramurals), band, instrumental lessons, choir/chorus

### School Description

The Academy of Accelerated Learning, as an authorized International Baccalaureate Primary Years Programme, strives to offer opportunities for students to engage in inquiry based learning in an inclusive environment, supporting the development of globally minded life-long learners. AAL has been recognized as a 2016-2017 Wisconsin Department of Public Instruction School of Recognition for the academic progress that students continue to make. The Art in Community Education (ACE) program in partnership with the Milwaukee Symphony Orchestra, instrumental music lessons and Spanish classes enhance student learning experiences. AAL's dedicated staff welcomes parent involvement and community partnerships to support student's educational experiences.

### Points of School Pride

- Received the Wisconsin Department of Public Instruction's School of Recognition for 8 consecutive years.
- Established and supportive Parent Teacher Association with more than 100 members.
- Recognized by the Wisconsin RTI Center as a School of Distinction in the areas of PBIS, math, and reading for two consecutive years.
- Fifth grade students complete a self-directed inquiry based action project that displays their development and understanding of the IB Primary Years Programme.

### School Programs

English as a second language (ESL), gifted & talented, world languages, before/after school child care, Parent Teacher Organization, parent resource center, after school athletics/sports (i.e., intramurals), choir/chorus, Girl Scouts, musical instrument lessons, school governance council, other student development, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI)

## Louisa May Alcott School

3563 S 97th Street  
 Milwaukee, WI 53228  
 (414) 604-7400

**Principal:** Marisol Alvarado-Patten  
**Board Member:** Paula Phillips  
**Region:** Southwest  
**Grades:** K4-8  
**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/alcott>

### School Description

Alcott has been named a K-8 National Blue Ribbon School and a six-time winner of the Wisconsin School of Recognition Award. Alcott concentrates on fundamental and higher level skills in reading, writing and mathematics in all grade levels. We strive to create an exciting, positive, high achieving learning environment for all students. At Alcott, we are proud of our partnerships with Junior Achievement, Skylight Theater, Milwaukee Rep and many colleges and universities.

### Points of School Pride

- We are pleased to be named a WI DPI School of Recognition for the fifth year in a row.
- We are pleased to be adding some new extra-curricular activities including track and flag football.
- In addition to our math night we also have added a fantastic literacy night for our students and families to increase family involvement.
- Our 4th through 8th grade students and staff participated in our 1st school-wide March Madness Basketball tournament to promote team building and enhance our school spirit.

### School Programs

Student governance council, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI)

**Grades:** K4-5  
**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/allenfield>

### School Description

Allen-Field Elementary School is a place of excellence where every student will be equipped with 21st century skills to succeed in middle school and beyond. Allen-Field School stresses high standards and a safe, positive learning environment. Allen-Field benefits from the Achievement Gap Reduction Program (AGR). In 2012 and 2013 Allen-Field was recognized as a Wisconsin Positive Behavioral Intervention Support (PBIS) Network School of Distinction. All students participate in the Playworks program which helps create a safe and positive school environment in the classroom and on the playground. All students receive music and art instruction from a certified specialist teacher. Through our music program students have an opportunity to participate in a student drumming group.

### Points of School Pride

- PBIS School of Distinction two years in a row.
- Arts@Large partner for over 3 years.
- Boys and Girls Club partner for over a decade.
- K4-5th grade traditional bilingual program offers students maintenance of their home language while fostering functional bi-literacy.

## The Alliance School of Milwaukee

850 W Walnut Street  
 Milwaukee, WI 53205  
 (414) 267-5400

**Teacher in Charge:** Allan Laird  
**Board Member:** Annie Woodward  
**Region:** East  
**Grades:** 9-12  
**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/alliance>

### School Description

The Alliance School is a safe, student-centered and academically challenging place for students regardless of sexuality, identity, appearance, ability or beliefs. Students considering Alliance should be open to working with students of all backgrounds and abilities. Academic excellence and the pursuit of higher education are expectations for all Alliance students. Flexible block scheduling provides class choices toward graduation requirements while accounting for students' interests and goals.

### Points of School Pride

- We are pleased to announce that the Milwaukee Board of School Directors approved a five year renewal for the Alliance School charter beginning in the 2017-18 school year.
- One of four sites within MPS to increase proficiencies in every category on the ACT
- One of 3 sites to demonstrate double-digit proficiency gains in one or more category in College Readiness (math: +10 percent, reading: +16 percent, science: +10 percent).
- The Circle Keepers from the Alliance School traveled to Boston to facilitate a workshop at The Harvard Alumni of Color's Conference - Define. Defy. Dismantle. - in March of 2017.

## School Description

Audubon High School is committed to providing students with a rigorous, relevant, student-centered education in which learners demonstrate growth towards academic and personal goals consistent with college and career preparedness. To these ends, we engage our learners through a progressive curriculum supplemented by the incorporation of technology. Our students stand in an advantaged position, as they are equipped with the 21st-century skills necessary to compete in a rapidly changing world. At Audubon, student growth and self-awareness are promoted through restorative practices which seek to promote a cohesive and peaceful environment built upon the growth and sustainability of community within our learning environment.

## School Description

Audubon Technology and Communication Middle School is a traditional, comprehensive middle school serving monolingual and bilingual students in grades 6-8. We provide extensive opportunities for personal and academic growth, offering a wide array of classes including but not limited to: Project Lead the Way (PTLW) Engineering courses, band and art. These classes are in addition to outstanding content area courses highlighted by access to a wealth of technology. Students are provided with extracurricular opportunities such as sports, music, chess, forensics and an after-school CLC program. Audubon Middle School also shares a building with Audubon High School, a feature which helps bridge the 'transition gap.' Our students stand prepared for the rigors of high school.

### Points of School Pride

- Herb Kohl Teacher Recognition Award
- CLC City wide Turn on the Talent
- Hosted the Citywide Holiday Resource Fair for families who have children with disabilities
- We are proud to have a comprehensive parent center servicing both monolingual and bilingual families.

### School Programs

Bilingual education, English as a second language (ESL), Project Lead the Way, Springboard curriculum, Boys & Girls Club, Community Learning Center (CLC), parent resource center, Parent Teacher Organization, after school athletics / sports (i.e., intramurals), band, Girl Scouts, robotics, yearbook, student governance council, after school clubs and associations, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI)

### School Description

Auer Avenue School's mission is to build leaders, thinkers and creative minds for tomorrow! We offer a standards-based curriculum emphasizing higher-level thinking and research-based instruction. Auer Avenue is departmentalized in grades 1-8. Our goal is to provide intense instruction that will prepare students for the high school experience. Our positive learning environment includes student council, girls group, art club, chess club, music club, physical education and extracurricular activities. We have an after-school Community Learning Center (CLC) program with academic support and recreational activities. Auer Avenue strives to provide optimal opportunities for each student to excel academically and behaviorally. Our goal is to be an instrumental part of preparing students to be college-ready excellent citizens.

## School Description

We offer K3-6th grade students the opportunity for a high-quality Montessori education in a vibrant, nurturing environment. We have a dedicated Montessori teaching staff that offers unique learning opportunities for our students. The Montessori Method of educating students is based on the philosophy that children reach their fullest potential through multi-age interactions in an inquiring, cooperative and encouraging atmosphere. Our staff focuses on fostering competent and responsible students who demonstrate creativity, concentration, coordination and independence in their work. We also offer a high quality arts program that includes visual arts, music, drama and instrumental lessons in violin and ukulele. We also offer a free afterschool arts camp. Our students and staff have also worked with Growing Minds to empower our students with mindfulness strategies to help build social emotional well being. Prior Montessori experience is required for students entering at grade K5 or higher.

### Points of School Pride

- Offers a high quality Montessori Curriculum.
- Supported by partnerships with many community organizations to engage with our students and families.
- We are a lighted school house open from 7 AM to 6 PM that welcomes all students and supports all families in a nurturing environment.
- A Wisconsin RTI school of distinction for behavior and a school of recognition for Reading and Mathematics.

### School Programs

Before school child care, community schools initiative partnerships, parent resource center, Parent Teacher Organization, arts, multi-age classrooms, after school athletics / sports, after school clubs such as Playworks coach and our art camp, college and university partnerships, mentoring partnerships, health initiative, violence prevention/violence free zone, Positive Behavioral Interventions and Supports (PBIS), nutrition education, recreation enrichment, neighborhood association partnerships, coordinated school health, Response to Intervention (Rtl)

<http://www5.milwaukee.k12.wi.us/school/barton>

### School Description

Barton is a place where collaboration occurs between families, staff and community members. Our highly-professional educators teach to the rigorous Common Core State Standards that prepare students for college and career success. We expect our students to aim high and achieve. Each week, teachers nominate candidates for student of the week on the basis of classroom successes in learning, behavior and leadership. We welcome all parents to visit us and see the calm, organized, warm and friendly learning environment at Barton.

### Points of School Pride

- Our 3rd-5th grade students participated in the Junior Docent Program with the Milwaukee Art Museum.
- Our community partner Marquette Dental provides free dental services for all our students.
- Students in 3rd and 4th grade learn about careers and animal care through the Animal Ambassador Program sponsored by the Milwaukee Zoo.
- Our 2nd and 3rd grade students learn about staying healthy through the program "Ask the Dr". This is an interactive program that students participate in once a week.

### School Programs

**Grades:** 9-12  
**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/bayview>

## School Description

Bay View High School provides a comprehensive 9th–12th grade education focused on the arts (including culinary arts), design, and engineering. Using a STEAM focus supports the philosophy of project-based learning, which builds student knowledge across multiple academic disciplines. In addition, Bay View sets rigorous expectations for graduation. Students have access to a math and ELA Springboard curriculum, honors, and Advanced Placement (AP) courses. In addition, students can earn special graduation recognition in the areas of visual art, culinary art, design and engineering.

### Points of School Pride

- We are extremely proud of the launch our new culinary arts program in 2016-17.
- We are pleased with the growth of our NAF Academy of engineering (PLTW), including the Formula 1 Race Car project, the longboard project and the robotics competition.
- 80 percent of our classroom teachers use our maker’s space for integrated project-based learning, infusing art into the core subject areas.
- We have increased the use restorative practices school wide, improving school climate (suspensions are down 7.6 percent from last year).

### School Programs

Advanced Placement (AP), arts specialty, career and technical education, honors courses, innovative approaches to literacy, Project Lead the Way, Springboard Curriculum, STEAM (Science, Technology, Engineering, Arts and Mathematics), Arts @ Large, City Year, financial literacy program, alumni association, Community Learning Center (CLC), parent resource center, violence prevention/violence free zone, arts, environmental science, great lakes studies, pre-engineering, urban agriculture, competitive athletics / sports, recreation enrichment, band, chess club, choir/chorus, debate, engineeringclub, forensics, student governance council, college and university partnerships, Earn and Learn, mentoring partnerships, other student development, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RTI), School to Work Transition Program, service learning, Student Retention Programs (GED/AGP), TEAM GEAR UP/College & Career Readiness

**Grades:** K-8  
**Hours of Instruction:** 8:40 AM - 3:55PM

### School Description

Andrew S. Douglas is a new school for the 2017-18 school year.

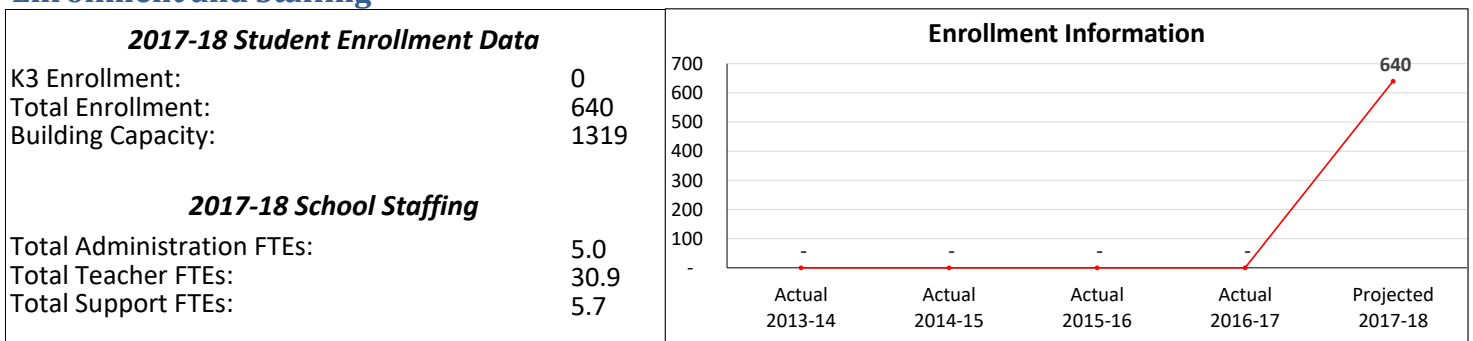

### Points of School Pride

- Douglass was the first school of its kind in Milwaukee, where, in addition to the traditional curriculum, the school specializes in teaching its students and parents/guardians how to become financially accountable and successful.
- Douglass features an innovative business and economics curriculum, focusing on themes relating to personal finance, entrepreneurship and the basics of a market economy.
- Students learn skills such as basic banking, personal budgeting, and problem solving.
- After school activities include the Millionaires Club and two student-run school businesses.

### School Programs

After school programs and activities include the Millionaires Club and a student-run school business, as well as a Book Club, Pearls for Girls, Basketball, Cub Scouts, Boy Scouts, Girl Scouts, Volleyball, and Karate.

### School Description

At Bethune Academy we are committed to preparing our students for the future by offering them an array of opportunities. We take pride in our passion for teaching by offering a safe, structured, positive environment where students learn core subjects such as Reading, Language Arts, Mathematics, Social Studies, Science and Health. When students are not participating in one of the core subjects, they are putting their talents to work with one of the many special classes we offer that includes Art, Physical Education, Dance, Drumline and Music.

### Points of School Pride

- Wisconsin DPI PBIS School of Distinction for PBIS and School of Merit in the areas of Reading and Math.
- Staff has been fully trained in Social Emotional Learning Strategies as we are a trauma sensitive school.
- Offer both K3 and K4 full day Head Start.
- Offers support for adult English language learners in the community.

### School Programs

English as a second language (ESL), early childhood education/Head Start, Project Prevent, Boys & Girls Club, Community Learning Center (CLC), parent resource center, after school athletics/sports, recreation enrichment, Boy Scouts, Girl Scouts, after school clubs and associations, mentoring partnerships, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI)

**Grades:** 9-12  
**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/bradleytech>

## School Description

Bradley Tech is the premier technology and trade high school in Milwaukee. Located in the heart of the Walker's Point neighborhood, the school educates more than 800 students from across the city. To support students in achieving academic and personal success, we partner with MATC and offer college credit classes. Students can obtain 12 or more college credits while developing workplace skills in carpentry, graphic arts, web design, mobile app design, machine tooling, welding and design drafting. We also offer a broad range of scholastic options and clear pathways into four-year universities, and apprenticeships. Students have access to Advanced Placement (AP), Honors level and Project Lead The Way courses, along with pre-college programs such as Diversity Scholars, My Life! My Plan, Lead to Succeed and Upward Bound. We have been honored as a PBIS School of Merit for utilizing Positive Behavioral Interventions and Supports (PBIS) to reinforce positive behaviors.

### Points of School Pride

- In May 1999, an Intergovernmental Cooperation Agreement among MATC, UW-Milwaukee and MPS established an entity known as the Bradley Tech Commission to provide operational oversight of Bradley Tech.
- Dual enrollment courses are offered through MATC as early as sophomore year.
- An emphasis on youth apprenticeships and internships allows students to gain on the job training in the different trade and tech specialties.
- As an MPS Community School, Bradley Tech works to better engage and align resources centered on the self-identified, real-time needs of communities focusing on the education of a child, understanding that a child belongs to a family, and that family lives and interacts within a larger community.

### School Programs

Advanced Placement (AP), career and technical education, honors courses, Project Lead the Way, STEM (science, technology, engineering and mathematics), student retention programs (GED/AGP), world languages, Arts @ Large, personalized learning school, alumni association, Boys & Girls Club, Community Learning Center (CLC), community schools initiative partnerships, neighborhood association partnerships, parent resource center, violence prevention/violence free zone, advanced manufacturing, after school athletics / sports (i.e., intramurals), competitive athletics / sports, recreation enrichment, chess club, choir/chorus, debate, forensics, robotics, sports, student governance council, after school clubs and associations, college and university partnerships, internship/co, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (Rti), School to Work Transition Program, service learning, TEAM GEAR UP/College & Career Readiness, bilingual education, mentoring partnerships.

### School Description

Browning School is a place of collaboration and learning where professionals, parents and community members share a passion for our school by efficiently and effectively implementing the Common Core State Standards to ensure that all students become college and career ready. Staff will provide a safe, nurturing environment with high academic and behavioral expectations for all students. Staff plan and present challenging lessons aligned to CCSS through a culturally responsive lens; facilitate student-centered activities to foster engagement; differentiate instruction for student needs; monitor student progress and adjust instruction accordingly; and consistently implement PBIS throughout the entire school day in all settings.

### Points of School Pride

- Our Early Literacy STAR assessment shows a significant gain of 80 percent compared to last year's 69 percent
- We have a strong partnership with the Silver Spring Neighborhood Center, providing free after-school services to over 100 students each day.
- We are one of the community schools in the district and as a result, we have partnerships with community members who are helping to enhance the services and resources we offer our students and families.

### School Programs

Arts specialty, Achievement Gap Reduction (AGR), MPS Commitment School, GE Foundation school, Community Learning Center (CLC), parent resource center, arts, Girl Scouts, student governance council, after school clubs and associations, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI)

**Grades:** K4-5  
**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/bruce>

## School Description

At Bruce, we are all mighty! Our vision is to become a high performing school where all students develop the knowledge, skills, and dispositions for a successful path in life. It is our mission to achieve our vision with a focus on people, practices and pride. We benefit from the Achievement Gap Reduction (AGR) Program. We offer art, music and physical education, and weekly music lessons. Before- and after-school child care is available along with after-school athletics and activities for the whole family. We love to showcase the accomplishments of our students and staff and have been featured in various news reports for our positive efforts. Bruce has been honored to be named a PBIS School of Merit and Distinction for reinforcing positive behavior. We are proud of our school.

### Points of School Pride

- All students recognized at Trimester Award Ceremonies three times a year.
- Blue Jay store visited monthly by students to purchase items with their earned Blue Jay Bucks for positive choices.
- Daily Power Hour devoted to writing across all grade levels.
- Student-led and facilitated daily announcements.

### School Programs

K3 Head Start, parent resource center, student governance council, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI), after school athletics/sports (i.e. intramurals), Arts @ Large, before and after school childcare

**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/burdick>

### School Description

Burdick School offers all of our students a traditional, rigorous, academic program with special emphasis on music and technology. Our staff includes full-time specialists in music; art in trade and technology; physical education; and special education. In addition, instrumental music lessons are also offered in piano, violin, and band. Burdick students participate in a variety of sports program that include basketball, soccer, volleyball and track. Burdick also participates in Lego Robotics and Future Cities competition. The staff and students of Burdick enjoy an enduring partnership with the Milwaukee Symphony Orchestra as part of the nationally recognized ACE (Arts in Community Education) program as well as Piano Arts. Burdick also has a strong working partnership with Cardinal Stritch University and we have been recognized as a School of Distinction based upon a successful implementation of PBIS to reinforce positive student behaviors. The vast majority of the Burdick staff hold advanced degrees and have been teaching at Burdick for more than 15 years.

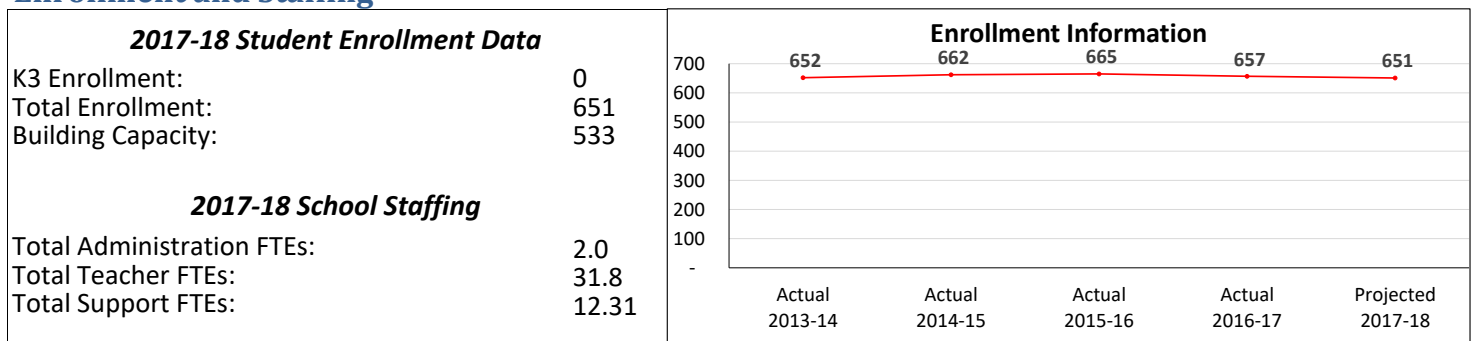

### Points of School Pride

- Burdick participates in The Lance Sijan Project honoring the life and heroism of Lance Sijan.
- Strong greenhouse program where students grow vegetables, flowers and herbs, learn food preservation and preparation and plan the greening of our playground.
- 8th grade team took first place and our 7th grade team took second place in the annual Thomas More math competition.
- Burdick has enjoyed a strong relationship with Cardinal Stritch University hosting numerous field students and student teachers over the years.

### School Programs

Athletics, Girls on the Run, robotics and Lego, STEM, summer enrichment program, green team, Boy and Girl Scouts, chorus, forensics

## School Description

Carson Academy of Science works in partnership with parents and the community to develop a supportive relationship for student learning. A partnership that is committed to and encourages academic excellence will help students display self-confidence and a positive attitude towards science, math and technology. The hands-on activities focus on science, math and technology, with support from community and parents. Carson challenges students with a rigorous curriculum.

### Points of School Pride

- Added a hands on Science Discovery Lab for students in grades K4-3rd.
- For upcoming school year 2017-18, Carson will be adding a Full Day Head Start!
- Students in grades K5-5th grade participated in an Anti-bullying Campaign sponsored by the Social Development Center.
- Parents participated in a Positive Parenting Presentation sponsored by Social Development Commission (SDC).

### School Programs

Achievement Gap Reduction (AGR), Project Lead the Way, SPARK literacy, STEM (science, technology, engineering and mathematics), full-day early childhood education/Head Start , Boys & Girls Club, Community Learning Center (CLC), parent resource center, competitive athletics / sports, student governance council, after school clubs and associations, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI)

### School Description

Dr. George W. Carver Academy of Mathematics and Science, located in the Brewer's Hill neighborhood, is a math and science focus school, offering additional coursework in art, physical education, music and technology. We serve approximately 450 students in kindergarten through 8th grade. Every day, we strive to create meaningful learning experiences for all scholars to prepare them for college and beyond. We have teamed up with many partners this school year including; Playworks, City Year, Teach for America, Schools that Can Milwaukee, Boys and Girls Club, SPARK and many others that help us transform our learners today into leaders for tomorrow. We have an active parent group that works alongside our parent engagement specialist. Carver is a uniform school. Our scholars wear a Carver logo, navy blue polo and navy blue bottoms.

### Points of School Pride

- We are privileged to be a community that hosts many large families.
- Closed the achievement gap in all grades in the area of math.
- Many returning teachers that participated in the beginning stages of school transformation and are currently assisting new members to our staff.
- Strong positive culture in each classroom through morning meetings and weekly assemblies.

### School Programs

Innovative approaches to literacy, SPARK literacy, City Year, MPS Commitment School, Boys & Girls Club, Community Learning Center (CLC), parent resource center, arts, recreation enrichment, sports, student governance council, theater, after school clubs and associations, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI), service learning, coordinated school health

**Grades:** K4-8  
**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/cass>

### School Description

Cass Street School is located on the lower east side of Milwaukee within walking distance of museums and downtown cultural attractions. Our school benefits from the Achievement Gap Reduction Program (AGR) and strong college and career readiness curriculum with an emphasis on STEAMM (science-technology-engineering-arts-math-mindfulness). We also offer art, physical education and music classes. A library/media center, computer lab, Project Lead the Way lab and STEAM lab are available for all students.

### Points of School Pride

- Zero academic achievement gap in early literacy (K5 and 1st Grades).
- Awarded an Arts @ Large Grant in 2016.
- Fully embedded mindfulness program to help students in all grades focus and regulate their emotions.
- Earned three first and second place awards in the 2016 MPS STEM fair.

### School Programs

Achievement Gap Reduction (AGR), parent resource center, student governance council, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI), GEAR UP, Boys & Girls Club, after school program, Parent Teacher Organization, several sports teams, cheerleading, step/drill team

## School Description

Milwaukee Academy of Chinese (MACL) is a K4 through eighth grade traditional school that offers various programs to support students' social and academic success. MACL is the first MPS program to offer instruction in Mandarin Chinese. Students in grades K4 through eight receive Mandarin language instruction for thirty minutes each day. This coursework also increases students' global understanding of various Asian cultures and their influence on the global community. MACL also houses the International Newcomer Center (INC), a program that serves recently arrived middle school refugee students. In this program, students learn academic content while simultaneously acquiring the English language.

## Points of School Pride

- MACL is the first MPS program to offer instruction in Mandarin Chinese. Students in grades K4 through eight receive Mandarin language instruction for thirty minutes each day. This coursework also increases students' global understanding of various Asian cultures and their influence on the global community.
- MACL also houses the International Newcomer Center (INC), a program that serves recently arrived middle school refugee students. In this program, students learn academic content while simultaneously acquiring the English language.
- Fourth and sixth grade MACL students participated in a new curriculum focusing on the United Nations. Students researched various UN countries, their cultures, and sustainable development goals aligned with each country.

## School Programs

### School Description

Clarke Street School is a professional learning community that provides high-quality education for students in grades K3-8. Our school's primary focus is to equip students with the essential skills and strategies required to assist them in becoming college and career ready. We envision students who are 'Expert Citizens,' which encompasses: creativity, hard work, fair play, teamwork, and students who are active and engaged community citizens. We are committed to enriching and enhancing student's educational experiences through increased engagement, quality instruction and high academic expectation. Clarke Street School offers a caring, supportive atmosphere where the spirit of mutual cooperation, collaboration and respect is established.

### School Description

Samuel Clemens School is an integrated learning school, where teachers integrate science and social studies into rigorous literacy units. We have a safe and caring learning environment where safety nets are put in place to help all students succeed. We believe in preparing our students to become responsible citizens and we respect the diversity of all families. We provide every student with learning opportunities to advance their critical and individual thinking skills. Samuel Clemens' students leave our learning environment with a multitude of experiences in music, literature, theatre, physical education and art.

### Points of School Pride

- PBIS School of Distinction.
- During Winter STAR 2017, every grade level closed the achievement gap (K5-5th grade)
- K4 students out performed the District on the PALs Assessment with beginning sounds with an average score of 9 out of 10.
- 90 percent of our K5 students scored proficient on the beginning sounds portion of the PALs Assessment.

### School Programs

Artists working in education, gifted & talented, innovative approaches to Achievement Gap Reduction (AGR), before school child care, parent resource center, Parent Teacher Organization, health initiative, violence prevention/violence free zone, arts, after school athletics/sports (i.e. intramurals), other recreation and athletics, recreation enrichment, sports, student governance council, theater, after school clubs and associations, mentoring partnerships, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI)

### School Description

Clement Avenue school prides itself on offering support for all students to reach their full potential on an academic, social, emotional and behavioral level. We believe there is a strong connection between social/emotional learning and the academic success of our children and young adolescents. We provide social and emotional programs for all students to build positive, nurturing relationships with each other and the Clement staff. We integrate technology throughout the curriculum and ensure our students are exposed to rigorous and challenging learning opportunities that support their success in college and career readiness. Our goal is to provide transformational learning experiences that will prepare our students to think in a critical and creative manner while collaborating with others in competing in a global society. We offer numerous extracurricular activities that address the whole child and the unique needs of the young adolescent.

### Points of School Pride

- Rtl and PBIS School of Distinction.
- 8th grade mentor program offers opportunities for all 8th grade students to have a personal connection with a Clement staff member.
- Forged a partnership with Johnson Controls to fund a robotics after school program.
- Every year our forensics team secures first place awards at state competitions.

### School Programs

Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (Rtl), Boy Scouts, robotics, after school sports, drama club, before and after school camp, school governance council, Parent Teacher Organization, after school sports programming, 8th grade mentoring program, full day K3 (special education) and K4 classrooms.

### School Description

Congress Year-Round School is committed to creating a well-prepared and caring community of learners in which students work hard to be successful and learning never stops. We offer extended-day activities, half-day 3-year-old a.m./p.m. Head Start program and NAEYC-accredited child care available beginning with children who are 2 years old. Our school emphasizes communication, collaboration, consistency, continuity and commitment, allowing us to be frequently recognized as a National Blue Ribbon School of Excellence.

### Points of School Pride

- We are a GE Demonstration School which has helped us maintain our focus and unite staff around research based instructional practices.
- We have strong community partnerships that help us develop and maintain strong relationships with parents.
- As a result of our partnership with Play Works we have seen an improvement in our school culture, this has alleviated lunch hour incidents by putting an emphasis on socialization and appropriate play.
- The institution of uniforms has allowed us to improve our school culture and reduce the number of bullying incidents and increase the focus on learning.

### School Programs

Innovative approaches to literacy, Project Lead the Way, Achievement Gap Reduction (AGR), early childhood education/Head Start, GE Foundation school, before school child care, parent resource center, Parent Teacher Organization, after school athletics / sports (i.e., intramurals), recreation enrichment, band, Girl Scouts, sports, student governance council, yearbook, after school clubs and associations, Positive Behavioral Interventions and Supports (PBIS), TEAM GEAR UP/College & Career Readiness, Response to Intervention (RtI)

## School Description

Cooper earned the most coveted distinction of Significantly Exceeding Expectations on the 2015-16 Wisconsin State Report card. Cooper is a K-8 school recognized for high achievement as well as closing the achievement gap, and provides a solid academic foundation for all children. Cooper promotes positive attitudes toward life, a "do the right thing" philosophy, learning and living through authentic learning experiences, community service and a student council. Two Cooper staff members have been honored as Herb Kohl recipients recognized for their excellence. Physical education, music, art, extra-curricular sports and whole-child wellness and well-being support the success of our K-8 program. Cooper is one of the first solar panel-equipped schools in southeastern Wisconsin!

### Points of School Pride

- Rated a 5 Star School by DPI, earned the most coveted distinction of Significantly Exceeding Expectations on the 2015-16 Wisconsin State Report Card.
- Outperforms all elementary and middle schools in the nearest suburban district.
- Two staff members have been honored as Herb Kohl recipients recognized for their excellence.
- Cooper's W.I.N. intervention program has served as a model for the district as well as surrounding communities.

### School Programs

Project Lead the Way, before school child care, Parent Teacher Organization, parent resource center, after school athletics / sports (i.e., intramurals), band, Boy Scouts, Girl Scouts, National Junior Honor Society, student governance council, college and university partnerships, Positive Behavioral Interventions and Supports (PBIS), What I Need (WIN) Response to Intervention (RtI)

## School Description

Curtin is known for its student leadership focus and strong community environment. We are a Wisconsin PBIS School of Distinction and a GE Foundation School known for quality instruction. We have a small neighborhood feel to our school environment immersed with positive character development, promoting positive attitudes and academic rigor for our future leaders. Art, gym, music, Playworks, instrumental music lessons and extra-curricular sports support the success of our K-8 program addressing the needs of the whole child academically, wellness and well-being. Our students participate in leadership activities that include: National Junior Honor Society, student council, middle school advisory committee, service learning and our junior coach program. Parents are invited to partake in a number of activities to connect them to our school community. We are a leadership academy that develops children into the leaders for tomorrow, one child at a time.

### Points of School Pride

- Curtin exceeded expectations on the 2016-2017 Wisconsin School State Report Card.
- Curtin has a model climate and school culture.
- Curtin is being recognized for the Wisconsin Title 1 School of Recognition Award.
- Our students and staff take pride in our school.

### School Programs

National Honor Society, student council, junior coach program.

**Grades:** K4-8  
**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/doerfler>

### School Description

We serve students from K4 through 8th grade in Milwaukee’s south side Silver City neighborhood a few blocks from the Mitchell Park domes. The school is named after MPS’ first woman principal, Anna F. Doerfler and was originally Scott Street School. We value our culturally diverse population of Latino, African American, White, Asian American and Native American students. We support our large Spanish-speaking population with a Bilingual Program for grades K4-5th. Doerfler benefits from the Achievement Gap Reduction (AGR) program which allows us to keep K5 class sizes at an 18:1 student-to-teacher ratio and provide extra supports for teaching and learning in the elementary grades. Doerfler’s vision is to become a safe and united community of lifelong learners. Doerfler values respectful and positive relationships, growth mindset, social and emotional learning, equity, collaboration, family and community partnerships, rigor, differentiation, inquiry/project-based learning, and cultural relevance.

### Points of School Pride

- Met expectations on 2015-16 Wisconsin State School Report Card
- Strong parent involvement, including regular volunteers and workshops
- Social Emotional Learning prioritized through full-time counselor, School Social Worker, and psychologist as well as Second Step curriculum and peer mediation program
- Structured recess to increase positive, healthy, inclusive play through partnership with Playworks

### School Programs

Bilingual education, English as a second language (ESL), First Nations studies, Achievement Gap Reduction (AGR), Community Learning Center (CLC), sports, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (Rtl), peer mediation, second step

**Grades:** K3-5  
**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/81st>

### School Description

Eighty-First Street School fosters a safe, nurturing learning community that prepares all students to reach their fullest potential by taking risks and assuming ownership of their academic achievement through personalized learning in all grades 1st through 5th. In our continued integration of content and personalization of student learning in our everyday school environment, we are incorporating STEM (science/technology/engineering/math) programming as a vehicle to enrich student learning in Pre-K through second grades with a goal of building this program school-wide. We strive to provide high quality instruction using best practices in a least restrictive educational environment to improve student achievement and to prepare all students to be college and career ready for success as life-long learners.

### Points of School Pride

- Named as a WI DPI School of Distinction for Behavior for the 2015-2016 school year.
- Students with the Boys and Girls Club of Greater Milwaukee participated in the first annual Citywide Black History Knowledge Bowl in 2017, and captured 1st place at this inaugural event.
- During the 2016-17 school year, Eighty-First Street School added a large area of green space to our playground for students, staff and the community to enjoy its environmental benefits.
- Joined in partnership with the Parenting Network to enhance the services and resources we provide to students and families in the form of Triple P (Positive Parenting Program) Seminars.

### School Programs

Personalized learning school, full inclusion special education, STEM (science, technology, engineering and mathematics), Boys and Girls Club marvan scholars Community Learning Center (CLC), Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI), after school athletics (basketball)

## Elm Creative Arts School

900 W Walnut Street  
 Milwaukee, WI 53205  
 (414) 267-1800

**Principal:** Tonya Love  
**Board Member:** Annie Woodward  
**Region:** East  
**Grades:** K4-5  
**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/elm>

### School Description

Elm Creative Arts encourages active family involvement, appreciation for various genres of art and emphasizes the strengths of its activities and programs. Fine arts are integrated into our academic areas. Creativity and self-expression help to promote academic and behavioral achievement and growth. PBIS is a great focus in our building and helps to educate students on what it means to be safe, respectful and responsible inside and outside of the school building. We offer physical education, art, music and dance courses for students beginning in kindergarten. Our 4th and 5th graders have the option of choosing band instruction and perform inside and outside of school throughout the year. To meet the needs of our families, parents can enroll students in Camp Elm which is available before and after school. Parents are invited to attend monthly events and encouraged to register as volunteers at our school. Teamwork makes the dream work and we look forward to being your teammate in creating a brighter future for our children.

### Points of School Pride

- School has an art gallery, drama room, dance studio, a fully-stocked costume room and a large Great Room that allows students to perform on a large stage under professional lighting.
- All kindergarten through fifth grade students receive weekly instruction in music, art and dance.
- 4th and 5th grade students have the option of participating in band instruction
- We have a partnership with BMO Harris-Bradley Center that focuses on enhancing literacy.

### School Programs

Before and after school care offered through Camp Elm, parent resource center, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI), extra-curricular activities: cheerleading, basketball and soccer, Girl Scouts

**Grades:** K4-5  
**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/Emerson/>

## School Description

Emerson is a culturally diverse school supported through strong involvement by parents and community members. We align our instructional practices with the rigorous Common Core State Standards and characteristics of high-performing urban schools to prepare students for college and career success. We use data and research to set goals. Emerson offers adaptive technology to help students with special needs.

### Points of School Pride

- For the fourth year, fifth grade students, with support from H2O, are writing and recording song lyrics, choosing scenes and helping direct their own music video.
- Students are recognized for their achievement in district competitions, and have earned awards for participation in the MPS STEM Fair and the Martin Luther King, Jr. writing and speech contests.
- Named a WI DPI School of Merit and/or Recognition for reading, math and PBIS, each year for the past 6 years.
- Staff and students use Systems Thinking tools and habits to focus on the way that a system's parts are interrelated, and how systems work over time.

### School Programs

Before and after school child care offered through Camp Eagle, extra-curricular athletics (football, basketball, cheerleading, track, and soccer for both boys and girls), Boy Scouts, Girl Scouts, H2O, neighborhood house, and Kohl's Cares grant recipient over multiple years.

### School Description

Engleburg Elementary School students are given the opportunity to become independent learners. Our staff works to engage all of the senses in learning. We base the content of classes on research. All pupils are provided with the tools that they need to prepare themselves for the 21st century. We benefit from the Achievement Gap Reduction (AGR) Program.

### Points of School Pride

- 146 percent gain in Early Literacy according to Winter STAR
- Partnership with local community who provide school supplies, hats, gloves and food baskets for families
- Anti-Bullying program sponsored by Black Firefighters of Milwaukee
- Only 5-star CLC program in MPS due to strong working relationship and equal partnerships.

### School Programs

Innovative approaches to literacy, SPARK literacy, Achievement Gap Reduction (AGR), Community Learning Center (CLC), neighborhood association partnerships, parent resource center, health initiative, violence prevention/violence free zone, after school athletics / sports (i.e., intramurals), recreation enrichment, Boy Scouts, choir/chorus, Girl Scouts, other student clubs and groups, theater, student governance council, after school clubs and associations, college and university partnerships, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI), Arts @ Large, nutrition education

### School Description

Fairview School is a partnership of families, staff, and community that educates 640 students in grades K4 to 8. We continue to prepare our students for global citizenship and future career opportunities. We celebrate the diversity of our population and the uniqueness of each individual through a multi-cultural curriculum, individualized programming in art and music, and technology options enable us to modify and adapt learning experiences to make every student successful. This is evident in our assessment scores being at or above district and state levels. Parental support and enrichment activities strengthen our programming. The Fairview School Governance Council has a strong voice in directing and maintaining the focus of our educational environment. The Fairview PTA supports the educational programming and sponsors family activities.

### Points of School Pride

- Celebrated school wide Hispanic Heritage Month and Black History Month this school year.
- Project Lead the Way program has grown to all grade levels, and now includes computer programming and a 3D printer to accent student learning.
- New business partnership with American Transmission Company which provide volunteer corporate engineers in our classrooms during Project Lead the Way.

### School Programs

Project Lead the Way, SPARK literacy, Camp Fairview-before school child care, Parent Teacher Organization, parent resource center, arts, after school athletics / sports (fall, winter and spring sports), competitive athletics / sports, band, Boy Scouts, chess club, choir/chorus, forensics, Girl Scouts, National Honor Society, orchestra, student governance council, after school clubs and associations, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (Rtl)

## Fernwood Montessori School

3239 S Pennsylvania Avenue  
 Milwaukee, WI 53207  
 (414) 294-1300

**Principal:** John Sanchez  
**Board Member:** Carol Voss  
**Region:** East  
**Grades:** K3-8  
**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/fernwood>

### School Description

Fernwood is a high-performing school which follows the Montessori Method. In the Montessori classroom, children use specially-made materials to help them learn practical life skills, activities that promote concentration, math concepts and problem solving. They also gain language acquisition skills and integrate science, history and arts into their studies. Through research and project based learning, we prepare our students for active and involved citizenship in the larger community. All of our classroom teachers are either AMI- or AMS-certified Montessori trained professionals. Previous Montessori classroom experience is required to enter beyond K4.

### Points of School Pride

- School of Distinction for Reading, Math and PBIS.
- High achieving school with high value-added rating-exceeds expectation rating for the Wisconsin State School Report Card.
- Sustainability and environmental focus (Greenhouse-Aquaponics - We are a certified farm with 3 restaurant clients)
- High parental and family Involvement with a strong foundation for fundraising.

### School Programs

Gifted & talented, STEAM (science, technology, engineering, arts and mathematics), Arts @ Large, Montessori programming, urban agriculture/aquaponics/ sustainability, before school child care, neighborhood association partnerships, Parent Teacher Organization, parent resource center, arts, environmental science, gifted core curriculum, multi-age classrooms, urban agriculture, after school athletics / sports (i.e., intramurals), other recreation and athletics, recreation enrichment, Boy Scouts, camera & media club, chess club, Girl Scouts, other student clubs and groups, boat building, adolescent occupation focus, sports, theater, yearbook, student governance council, after school clubs and associations, college and university partnerships, other student development, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI), service learning

## School Description

Our staff is dedicated to meeting the academic and social/emotional needs of all students. We believe that each child can and will succeed and we work diligently to create a culture of success. We partner with Sherman Park Neighborhood Association and with RUACH Inc. on various ongoing art projects in the community. We have a robust PBIS/RtI structure in place that provides universal, small group and individualized supports to students. These include scheduled character time each morning, school wide implementation of the Second Step curriculum, use of mindfulness strategies and weekly school wide assemblies. At the tier 2 level of support, students receive academic interventions, check in/check out, brief behavioral plans and social skills training. Ropes and Challenges and restorative practices are used to build community within individual classrooms. At tier 3 level of support, students and families are involved in the Wraparound and Wraparound with mapping process.

### Points of School Pride

- one-to-one ratio of computers to students in every classroom.
- We are a Marvan Scholar CLC site which encourages leadership, attendance and academic success.
- Mindfulness strategies used school-wide.
- Partnerships and ongoing art projects with Community Organizations-RUACH, Sherman Park Association and Arts@Large.

### School Programs

Boys and Girls Club-Community Learning Center (CLC), Girl Scouts, Mad Hot Ballroom dancing, STEM club, art club, boys mentor program, African drumming and dancing

## School Description

Forest Home Avenue School proudly offers families a developmental bilingual program, where students are taught in Spanish and in English, as well as the traditional monolingual program in grades K3-5th. Our students have demonstrated continuous improvement in reading and in math for the past four years as reported on district and state assessments, moving us proudly out of the “fails to meet expectations” category on the state report card. Our Positive Behavioral Incentive Systems (PBIS) Team plan monthly student celebrations for positive choices and 95% attendance! The Second Step Curriculum is used in all grades to promote safe, respectful, and responsible behaviors throughout our school. Our Parent Center is open every Monday through Friday to assist our parents with enrollment, ESL classes and any other need that may arise. FHA provides before and after school care in our “Safe Place” for the convenience of our parents.

### Points of School Pride

- Gains on the state report card during the last 3 years from 49.6 to 60.3.
- Students are closing the reading gap by 32 percent, up from 7.3 percent in the fall, as evidenced by the most recent winter district assessment.
- Students are closing the achievement gap in math by 56.4 percent, up from 9.1 percent in the fall, as evidenced by our most recent winter district assessment.
- Newly developed partnership with Northwestern Mutual Life in support of our PLTW classes.

### School Programs

Head Start, bilingual education, parent resource center, monthly food pantry for fha families, before/after school care, Achievement Gap Reduction (AGR), Positive Behavioral Intervention Systems (PBIS), Response to Intervention (RtI), Aurora counseling, Mad Hot Ballroom, Project Lead the Way, Milwaukee Succeeds tutoring

**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/fratney>

### School Description

La Escuela Fratney provides a rigorous curriculum in English and Spanish that includes a focus on multiculturalism and collaboration with both parents and the community. Dual-language immersion allows English-speaking students to learn Spanish as their Spanish classmates learn English. We are one of 19 MPS GE Foundation Schools, an honor that provides us with additional support to help us continue to move student achievement forward through innovative implementation of the rigorous Common Core State Standards. We offer a safe and respectful place for all: students, staff, families and community. Families are recognized as the first teachers of their children and it is with their support and participation that we make our school a caring and responsive place.

### Points of School Pride

- Pride in our diverse school community.
- Unique dual language program and our curriculum teaches all students to learn in Spanish and English.
- Strong commitment to teach social justice issues through the lens of our four school wide themes.
- Parent Teacher Organization is a vital partner in our efforts to educate our children with parent involvement present at all levels in our building.

### School Programs

Arts specialty, bilingual education, dual language program, English as a second language (ESL), innovative approaches to literacy, STEM (science, technology, engineering and mathematics), Achievement Gap Reduction (AGR), Arts @ Large, early childhood education/Head Start, GE Foundation school, Playworks, before school child care, Boys & Girls Club, Community Learning Center (CLC), neighborhood association partnerships, parent resource center, Parent Teacher Organization, health initiative, violence prevention/violence free zone, arts, after school athletics / sports (i.e., intramurals), other recreation and athletics, recreation enrichment, Girl Scouts, sports, student governance council, after school clubs and associations, college and university partnerships, mentoring partnerships, other student development, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (Rtl)

# Milwaukee French Immersion School

2360 N 52nd Street  
 Milwaukee, WI 53210  
 (414) 874-8400

**Principal:** Gina Bianchi  
**Board Member:** Wendell Harris  
**Region:** Central  
**Grades:** K4-5  
**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/mfis>

## School Description

Milwaukee French Immersion School provides English speaking students an opportunity to learn French in an environment where French is the primary language of instruction. Students learn to read and write in both French and English. 5th grade students participate in a capstone experience where they are immersed in French culture and language for one week at Concordia Language Villages. New students are accepted in K4, K5, and 1st grade. Prior French language instruction is needed to enter in 2nd-5th.

### Points of School Pride

- Honored as a School of Distinction in PBIS in 2015-2016.
- Has a diverse, inclusive community making language immersion education accessible to all students.
- "Exceeded Expectations" on the 2015-2016 School Report Card.
- Students compete in the Grand Concourse, a nation-wide competition recognizing our students both written and oral proficiency in French.

### School Programs

Language immersion, Danceworks, African dance, robotics, French theater, Playworks, Positive Behavioral Interventions (PBIS), Response to Intervention (RTI), 4th and 5th grade basketball, before and after school care, healthy living initiative

## School Description

Gaenslen is committed to assisting all students to reach their academic, social and personal potential. Our students in regular education learn alongside students with disabilities. We are equipped to serve students with severe special needs. Our students benefit from the Achievement Gap Reducation Program (AGR).

### Points of School Pride

- Gaenslen has the only National Certified Project Lead the Way Lab in Milwaukee Public Schools.
- We have an aquatic program for students in grades K5- 8th and a nationally recognized instructor in adaptive aquatics. Gaenslen has been able to maintain full time staff for art, music, physical education and library.
- We have several community partnerships with the CLC, The Riverwest Food Pantry, Hunger Task Force, Interfaith Older Adult Tutors and the ABK Weaving Center.

### School Programs

### School Description

Milwaukee German Immersion School provides English-speaking pupils the opportunity to learn German in a school where German is the primary language of instruction. Children receive reading instruction in English beginning in second grade. Milwaukee German Immersion has won countless honors through the years, including the prestigious Melba D. Woodruff Award from ACTFL (American Council on the Teaching of Foreign Languages) in 2014. This award is given to only one school in the United States every year. New students are accepted only in kindergarten and first grade.

### Points of School Pride

- We have a strong corps of parent volunteers who regularly support the school by helping in the lunchroom, with field trips or in many other ways.
- We are celebrating our 40th anniversary in May.
- We are the largest German language program in the nation.
- We are the highest achieving school in our region and one of the highest in the district.

### School Programs

Language immersion, before school child care, neighborhood association partnership, parent resource center, Parent Teacher Organization and Association, health initiative, after school athletics / sports (i.e., intramurals), student governance council, after school clubs and associations, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI)

### School Description

At Goodrich, we strive to meet the needs of all children so that they can become responsible, productive citizens. Classroom activities focus on critical thinking, exploration and problem solving in a safe and nurturing environment. By integrating technology into our curriculum, the staff encourages students to take advantage of online resources while reinforcing classroom learning. We recognize that each child's learning style is unique and students often require personal attention tailored to their specific needs. Our staff members emphasize integrity, mutual respect, flexibility, innovation and humor.

### Points of School Pride

- We exceeded our projected student enrollment by 18 students for the 2016-17 school year.
- We collected over 2,000 food items and received the Golden Community Service Award from the Salvation Army.
- We have continued to increase parental involvement through our monthly Coffee Conversations with the school principal, parent coordinator, AGR reading interventionist and SST/IB coordinator.
- We are pleased to be named a WI PBIS/RTI School of Merit in Mathematics and Reading during the 2015-16 school year.
- We have sustained a level of growth on the 2015-16 STAR Gap Closure Analysis in reading and mathematics.

### School Programs

Parent resource center, student governance council, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI), extra-curricular activities

### School Description

Grant School prepares its students to meet or exceed the rigorous Common Core State Standards in all subject areas so that all students are ready for success in high school, college and beyond. We provide all students with a solid learning foundation around the Common Core. In partnership with our parents and community organizations, we focus on educating the whole child with an emphasis on nurturing a love of learning, a sense of self and preparing students for the demands of the real world.

### Points of School Pride

- Named a Wisconsin PBIS School of Distinction 4 years in a row.
- "Meets Expectations" on Wisconsin Report Card.
- Early Childhood literacy has no gaps.
- Welcoming attitude of our staff and students toward our refugee newcomers.

### School Programs

Achievement Gap Reduction (AGR), parent resource center, student governance council, National Junior Honor Society, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (Rtl), before and after school camp

### School Description

Grantosa Drive pupils learn in an orderly environment in which academic achievement, positive attitudes and respect for self and others are emphasized. We welcome our parents to play an active role in the education of their children. Our school benefits from the Achievement Gap Reducation Program (AGR ).

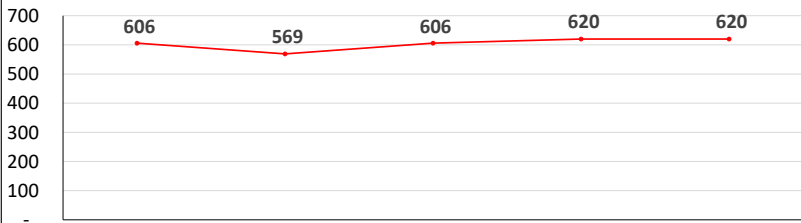

### Points of School Pride

- Expanded recreational (sports) and academic clubs, including the cultivation of a garden club that maintains the recently constructed raised garden beds.
- Grantosa is also exploring the adoption of an urban agricultural focus and is one of three schools on the Northwest side, developing a feeder pattern into Vincent high school.
- 5th grade students participate in in STARBASE Wisconsin which affords students the opportunity to learn through hands on experiences in Science, Technology, Engineering & Mathematics based projects.
- We were awarded the "Making Sense of Science" grant that provides 4th and 5th grade students extended learning opportunities in Science.

### School Description

At Green Bay Avenue School, we offer educational opportunities for students in K4 through grade 5. It is our mission to empower scholars to acquire, demonstrate, articulate and value knowledge and skills that will support them as life-long learners. We value the process that enables all learners' access to learning through the provision of: differentiated, in-depth and cohesive learning programs aligned to year level content and achievement standards. Our school has highly effective teachers, focused on improving student outcomes through their commitment to on-going professional development, quality teaching, evidence based practices, coaching and mentoring and collaboration. We offer a quality, inclusive learning environment that is responsive to student voice. Our enriching, engaging resources allow opportunities for community and parents to participate in learning and decision-making partnerships future goals include becoming a fully integrated arts program school.

### Points of School Pride

- 4th and 5th grade scholars are working with Black Arts MKE, taking theatre/drama and visual arts courses.
- Before/after school camp is building an arts focus.
- Fourth grade scholars hosted a school-wide wax museum that will take place every year.
- School curriculum is fully integrated with technology.

### School Description

Greenfield Bilingual School offers Milwaukee’s families a K4-8 experience in a solid bilingual program that reflects the multi-ethnic neighborhood that it serves. Our school has been recognized as a Wisconsin Title I School of Recognition for the past 5 consecutive years (2011-2012 through 2016-2017) with regards to student achievement in the areas of reading and math as well as our implementation of Positive Behavioral Intervention Supports (PBIS). Our school progress is very close to exceeding state expectations in the areas of reading and math.

### Points of School Pride

- Greenfield Bilingual School has been named by the Wisconsin Response to Intervention Center as a 2015-16 Wisconsin School of Merit in three areas: Positive Behavior Interventions Strategies (PBIS), in math, and reading. This is an important honor given to schools that move students forward academically and behaviorally.
- Greenfield School has been named a School of Recognition for the last four years in a row.

### School Programs

Bilingual education, English as a second language (ESL), Achievement Gap Reduction (AGR), Community Learning Center (CLC), after school athletics / sports (i.e., intramurals), chess club, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI)

**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/Groppi>

### School Description

Groppi's primary goal is to meet the educational needs of at-risk students ages 16-20. All students must complete an alternative school application and attend orientation. A parent is required to accompany students who are 17 and younger. Groppi is located in the heart of the city and is easily accessible via the Milwaukee County Transit System. Our educational program is designed to improve students' attitude, attendance record, work habits, social skills and academic achievement. Student programs are mostly half-day with opportunities for extended days for qualifying students. The curriculum includes computer-based instruction, small traditional classroom settings, and GED02. We offer special education inclusion classes. Groppi offers a strong support to students as they transition from school to higher education, the world of work or the military. Our program is enhanced by the support of a full-time social worker, guidance counselor, part-time transition coordinator and psychologist.

### Points of School Pride

- Senior student was Kohl Scholarship recipient.
- Student received the Mount Mary Grace Scholarship which financed 85 percent of her tuition for four years. She also received over \$10,000 in scholarships.
- Continuing to raise the bar on graduation rate annually, seeing a five percent increase.

### School Programs

GED02, Edgenuity, and competency based, financial literacy program, parent resource center, after school athletics / sports (i.e., intramurals), competitive athletics / sports, student governance council, after school clubs and associations, college and university partnerships, Positive Behavioral Interventions and Supports (PBIS), Pregnant and Parenting Youth, Response to Intervention (RtI).

**Region:** Northwest  
**Grades:** K4-5  
**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/hampton/>

## School Description

Academic excellence is Hampton’s mission. Academic Gap Reduction (AGR) and intervention time allow for smaller class sizes and more personalized instruction to giving students the one-on-one mentoring needed for success. Students learn computer skills and technology which is integrated in daily lessons and classroom teaching. Each classroom has computer carts with Chromebooks for individual technology instruction. Monthly parent newsletters, special events, Saturday recreation and family night activities create a strong bond between home and school. Hampton students have a uniform policy of red shirt and black pants which contributes to a safe and peaceful school environment.

### Points of School Pride

- Hampton was a recipient of the 2016 Response to Intervention (RTI) School of Distinction award in Reading.
- Throughout the years, Hampton teachers modeled distinguished teaching instruction in Core Knowledge Language Arts (CKLA) for the benefit of others, including coaches from Chicago’s AUSL Schools.
- Hampton students attended educational screenings by Milwaukee Film at the Oriental Theatre and entered the essay contest. Two fourth grade students won first and second place for the city-wide essay competition.
- Students participated in Martin Luther King Art & Wisconsin Art Educator Association (WAEA) youth art month exhibits and in 2015-2016 one kindergarten student received first place and another second grade student received third place.

### School Programs

Innovative approaches to literacy, Achievement Gap Reduction (AGR), Arts @ Large, GE Foundation school, before school child care, Community Learning Center (CLC), parent resource center, health initiative, violence prevention/violence free zone, competitive athletics / sports, student governance council, after school clubs and associations, other student development, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI)

## School Description

Our vision at Hartford Avenue University School is to empower students to acquire, demonstrate, articulate and value knowledge and skills that will support them, as life-long learners, to participate in and contribute to the global world and practice the core values of the school: respect, tolerance & inclusion, and excellence.

### Points of School Pride

- Hartford University School meets expectations based on the DPI school report card.
- Our partners at UWM include the Peck Fine Arts Department of Art and Design, the Departments of Electrical Engineering and Computer Science, Integrated Marketing Communications, the Lubar Business School, the Nursing Department, and the School of Education.
- Next year, Hartford will be a Springboard school. Our students will develop academic skills and knowledge anticipating the successful completion of Advanced Placement coursework, for college credit.
- Hartford will partner with Riverside University High School. The partnership will allow our advanced learners, in 7th grade, to take Algebra I and II.

### School Programs

Gifted & talented, Playworks, before school child care, neighborhood association partnerships, parent resource center, health initiative, arts, after school athletics / sports (i.e., intramurals), competitive athletics / sports, band, choir/chorus, Girl Scouts, orchestra, other student clubs and groups, sports, theater, student governance council, after school clubs and associations, college and university partnerships, mentoring partnerships, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI), service learning

### School Description

Hawley Environmental School offers K4 through 5th grade students a special focus on environmental education. Our students benefit from weekly environmental education classes, school gardens and other special programs and resources that support our special environmental focus. We offer an educational program that is centered on the global child of the 21st century. A strong academic curriculum and a professional teaching staff ensure all of our students achieve academic success. Our school has a solid history of academic achievement and has been awarded the School of Recognition Award from the Wisconsin Department of Public Instruction for moving students forward academically for the second year in a row.

### Points of School Pride

- Named a WI DPI PBIS School of Distinction for Mathematics, and a WI DPI PBIS School of Merit for Positive Behavioral Interventions and Supports.
- Added a new academic support program for all K-5 students through our daily W.I.N. (What I Need) program where students receive specialized academic support in reading and mathematics through computer based instructional programs and small group teacher led explicit instruction based on student STAR data.
- Our older students read with younger students through our Book Buddies program.
- Students participate in frequent field trips to the Urban Ecology Center receiving educational experiences outside of the classroom around science education.

### School Programs

Innovative approaches to literacy, early childhood education, urban agriculture/aquaponics, before and after school child care through our camp program, neighborhood association partnerships, Parent Teacher Organization, parent resource center, music, art and full time physical education, environmental science, after school athletics / sports (i.e., intramurals), competitive athletics / sports, recreation enrichment, sports, student governance council, college and university partnerships, mentoring partnerships, other student development, Positive Behavioral Interventions and Supports (PBIS), and Response to Intervention (RtI).

### School Description

Hawthorne Elementary is nestled in a quiet, working-class neighborhood on the northwest side of Milwaukee. Our school has a diverse student population and offers a standards-based curriculum which emphasizes developmentally-appropriate focused instruction that promotes academic success for all students. Our extended school program includes all day K4, art, music, physical education and Head Start. Hawthorne also benefits from the Achievement Gap Reduction (AGR) Program and is supported by a part-time school nurse, guidance counselor and physical education teacher. We also offer after-school child care services (Camp Hawthorne) that provide academic enrichment and recreation activities. Hawthorne is proud to be recognized by the Wisconsin Department of Instruction as a PBIS School of Distinction for promoting a positive learning environment for all students.

### Points of School Pride

- Recognized as being a PBIS School of Merit in improvement in Math and in the area of positive in school climate.
- National Partnership with the US Department of Education for My Brothers Keeper Success Mentor Program.
- Recognized as a Power Partner with Playworks.
- Offers cultural experiences through theatre (Skylight) and dance (Kho-thi).

### School Programs

Achievement Gap Reduction (AGR), parent resource center, school governance council, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI), after school athletics/sports (i.e. intramurals), before school child care, bilingual education, early childhood education/Head Start, GE Foundation, Parent Teacher Organization, Playworks

## School Description

At Hayes Bilingual Elementary School, all children develop language and literacy skills in both English and Spanish. Our students benefit from the Achievement Gap Reduction Program (AGR). Children are accepted only in kindergarten and first grade, unless they have had previous instruction in the second language.

### Points of School Pride

- Recognized as being a PBIS School of Merit in the area of positive school climate and improvement in math.
- Meeting expectations according to the Wisconsin State Report Card.
- Selected as one of four prototype schools in the district to implement Susan Beeman's "Teaching for Bi-literacy."
- Recipient of awards for the highest number of MarVan scholars for hours logged (502,800) in Compass Learning Odyssey Intervention Program (2015-16 CLC K-8).

### School Programs

Achievement Gap Reduction (AGR), annual science and technology focused science fair, Project Lead the Way, animal ambassadors, engineering is elementary, folkloric dance group, sciGirls, CLC (after-school academic and extracurricular activities), English as a second language (ESL) and GED courses offered to parents, EII Estrella grant for parents to connect to local libraries, scores, MATC reading buddies, Arts@Large, positive behavior intervention systems (PBIS), Kohl's grant partnership for field trips, and learning journey's field trips, Cantos de Las Americas, before and after-school child care.

## School Description

Hi-Mount Community School focuses on high-quality instruction for all students in a nurturing, caring environment. Our school is located in the popular Washington Heights neighborhood on the city's west side. As a Personalized Learning Project Site, our educators focus on tailoring lessons to meet the needs of individual students.

### Points of School Pride

- Hi-Mount Community School focuses on high-quality instruction for all students in a nurturing, caring environment.
- Our school is located in the popular Washington Heights neighborhood on the city's west side.
- As a Personalized Learning Project Site, our educators focus on tailoring lessons to meet the needs of individual students.
- As a K4 – grade 8 school, Hi-Mount students experience educational continuity, receiving an education in the same building for 10 years. This continuity allows students and teachers to develop lasting relationships and Hi-Mount learners know that each year they will be held to similar expectations and expected to follow consistent rules.

### School Programs

Achievement Gap Reduction (AGR), personalized learning school, before school child care, parent resource center, violence prevention/violence free zone, after school athletics / sports (i.e., intramurals), competitive athletics / sports, Boy Scouts, Girl Scouts, theater, student governance council, other student development, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI), extended learning opportunities/Teaching for You (T4U)

## School Description

Holmes promotes successful learning for students through the use of the Comprehensive Literacy Plan and the Comprehensive Math and Science Plan. The integration of technology in every classroom promotes a high level of student engagement. Students are taught Positive Behavior Interventions and Supports (PBIS) expectations, which reinforce positive behaviors and contribute to our positive school climate. We strongly believe in teaching our students skills for college and career readiness. Our goal is to be a premier school on a national level. Holmes was one of 21 schools statewide to be named a School of Distinction in the areas of reading, math and PBIS by the Department of Public Instruction.

### Points of School Pride

- One of 21 state schools recognized as a "School of Distinction" for improvements in reading, math, and positive school climate.
- Award winning and community supported STEM program.
- Strong community partnerships with the Milwaukee Rotary Club, WE Energies, Anthem BlueCross BlueShield, and UWM.
- Diverse extra-curricular activities that include African Drum and Dance, Basketball, Cheerleading, and an afterschool CLC program.

### School Programs

## School Description

We engage students, parents and the community to work toward the common goals of success for our children, while enriching parents' lives as well. We benefit from the Achievement Gap Reduction Program. Hopkins Lloyd Community School provides long, uninterrupted blocks of literacy and math in accordance with MPS' comprehensive plans to boost these critical skills. Our partnerships with Transformative Reading Instruction, Core Knowledge Language Art, and Reading Corp boost our reading program while our City Year partners support small-group intervention for students. Our students have access to a library, technology in the classroom and in computer labs as well as coursework in music and art with our Arts@Large partners. We use research-based strategies to improve student achievement and to continuously monitor our progress. HLCS provides special education services and access to a community learning center, offering tutoring and extracurricular activities.

### Points of School Pride

- Moved from a school which fails to meet expectations to a school which meets few expectations.
- Milwaukee Community School Partnership collaboration has afforded us many opportunities for our school that we would not have been given previously.
- Partnerships have assisted us in closing the achievement gap in early literacy.
- We offer Spanish classes daily to our first grade students.

### School Programs

SPARK literacy, Achievement Gap Reduction (AGR), Arts @ Large, City Year, milwaukee community school partnership, Partnership for the Arts and Humanities, Playworks, Community Learning Center (CLC), community schools initiative partnerships, neighborhood association partnerships, parent resource center, health initiative, competitive athletics / sports, recreation enrichment, Boy Scouts, chess club, debate, forensics, Girl Scouts, student governance council, after school clubs and associations, mentoring partnerships, other student development, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI), service learning, college and university partnerships, coordinated school health, extended learning opportunities/Teaching for You (T4U), nutrition education

### School Description

Howard Avenue Montessori School is the seventh Montessori program in the Milwaukee Public Schools family, offering primary classrooms for 3-, 4- and 5-year-old children as well as first through third grade, growing through sixth grade as the children advance. Montessori schools in the MPS family have a record of strong academic achievement. K3 and K4 students attend in the mornings only, from 8:45 a.m. to 11:50 a.m.

### Points of School Pride

- No achievement gaps in math and reading.
- Attendance rate of 95 percent and above. Zero suspensions and only 1 referral.
- First Junior Lego Teams in MPS history.
- Howard Montessori is expanding to a two campus school in order to grow to eighth grade.

### School Programs

Authentic Montessori curriculum; before school, mid-day wrap-around and after school recreation department child care, junior Lego league within MPS, parent resource center, spanish after school, after school drama club, Girls Scouts, after school competitive sports teams, parent garden committee, Parent Teacher Organization (PTO), student led gardening and composting, daisys, Positive Behavioral Intervention Support (PBIS), Response to Intervention (RtI), frequent parent/child after school events

### School Description

Humboldt Park K4-8 School is dedicated to the education of the whole student with a commitment to both academic and social growth. We offer a unique setting in which to educate your child. Approximately 20 different languages are spoken in our school by students from Africa, Asia, Central And South America, Eastern Europe and the Middle East. Humboldt Park is truly a microcosm of the world. In addition to full-time music, art and physical education, we offer the engineering program Project Lead the Way for all students in grades 3-8. We are a Systems Thinking school, as well as a United Nations School for International Studies. Our middle school offers students a variety of opportunities including band, drumline, student council and National Junior Honor Society. With a focus on higher-level thinking skills, Humboldt Park Elementary prepares students to be successful in high school, college and beyond.

### Points of School Pride

- Diverse student population.
- We are a Systems Thinking School.
- Participate in United Nations School of International Studies.
- Participate in Project Lead the Way and Project Lead the Way/Launch.

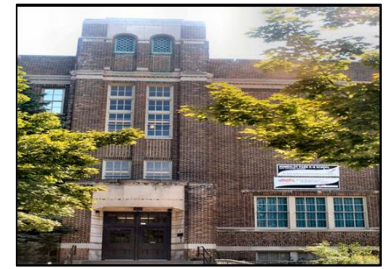

### School Programs

English as a second language (ESL), Project Lead the Way grades 6-8, Project Lead the Way/launch grades 3-5, Springboard math and ELA curriculum grades 6-8, systems thinking, United Nations school of international learning grades 4-8, band grades 6-8, drumline, Parent Teacher Organization, co-ed soccer, flag football, basketball, and softball band, Cub Scouts, Brownies and Girl Scouts, National Junior Honor Society, after school camp

### School Description

Individualized Developmental Educational Approaches to Learning School (I.D.E.A.L.) is rooted in the wisdom and success of Individually Guided Education (I.G.E.) which combines current research and best practices to create a technology rich curriculum that prepares students for higher learning. The learning environment is child-centered and promotes active learning and exploration. I.D.E.A.L. is a 2016 PBIS School of Distinction, 2014-15 DPI Spotlight school and a seven-time recipient of the Wisconsin School of Recognition. I.D.E.A.L. School's unique, multi-age, science-themed program incorporates strong community partnerships.

### Points of School Pride

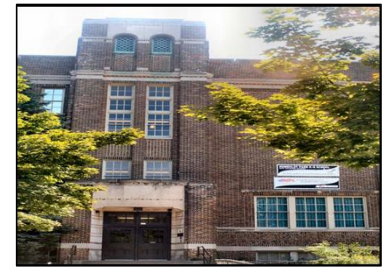

- PBIS School of distinction for 2015-16.
- I.D.E.A.L. offers unique multi-age classrooms taught by teams of teachers in large classroom spaces.
- I.D.E.A.L. has a partnership with the YMCA of Metro Milwaukee that offers sports opportunities for all students as well as a student mentoring program.
- I.D.E.A.L. had two teams in the Future Problem Solvers Program qualify for the state championship. One additional student qualified as a "Scenario Writer" for the state championship.

### School Programs

Gifted & talented, before school child care, parent resource center, Parent Teacher Organization, arts, multi-age classrooms, after school athletics / sports (i.e., intramurals), recreation enrichment, debate, Girl Scouts, sports, student governance council, after school clubs and associations, college and university partnerships, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI)

## School Description

Gwen T. Jackson Early Childhood and Elementary School (GTJS) is a K3 – 5th grade school nestled in the heart of the city dedicated to educating and empowering ALL members of the GTJS Community. In a welcoming, student centered, open concept environment, GTJS offers the following programmatic options that promote social and academic growth: Head Start (3 and 4 year olds), Early Childhood Speech and Language Extended Therapy (3 and 4 year olds), K5 - 5th grade classrooms. Our Community Learning Center (CLC) ensures academic support and recreational opportunities continue after school through a partnership with Neu-Life.

### Points of School Pride

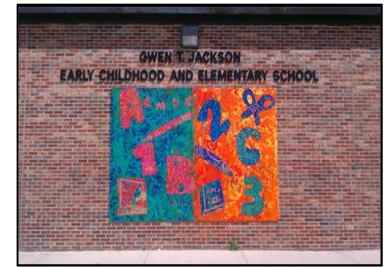

- One of 21 state schools recognized as a "School of Distinction" for improvements in reading and positive school climate.
- Encourage families to utilize our Parent Center to help Head Start Program and Early Childhood Speech and Language Program for 3 and 4 year olds ensures that our youngest learners receive the foundational skills to be successful in K5 and beyond.
- Students in K5 - 3rd grade receive transformative reading instruction and one-on-one tutoring through our partnership with Milwaukee Succeeds and AmeriCorps.

### School Programs

Achievement Gap Reduction (AGR), early childhood education/Head Start, Community Learning Center (CLC), parent resource center, health initiative, basketball, cheerleading, other recreation and athletics, other student clubs and groups, after school clubs and associations, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI), coordinated school health

**Region:** Southwest  
**Grades:** K4-5  
**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/kagel/>

## School Description

Kagel welcomes all students, preparing them for success in higher education, work, and citizenship. Kagel offers a K3 to 5th grade neighborhood school environment with the option of a bilingual program to prepare for an increasingly global society. We are one of ten of MPS GE Foundation Demonstration Schools, a distinction which provides us with additional support to bolster student achievement and prepare students for college and career success through the Common Core State Standards. Collaboration is a driving force within our school culture. Families benefit from a full-day K4 program and a Community Learning Center (CLC) after-school program in partnership with Journey House. The Kagel mantra is 'Achieving Excellence Through Innovation!'

### Points of School Pride

- School Report Card increased by 17.1 percent, increasing from 45.4 to 62.5.
- Partnerships with the Hilton Milwaukee City Center Hotel and Trilogy Insurance include tutoring, job shadowing for our 5th graders, student and parent incentives.
- Added a violin program for our K4 students updates to our school library and the purchase of multicultural books for our classroom libraries.
- On a weekly basis, Kagel parents receive computer classes and English as a Second Language classes.

### School Programs

Bilingual education, English as a second language (ESL), innovative approaches to literacy, early childhood education/Head Start , GE Foundation school, Community Learning Center (CLC) (journey house), parent resource center, health initiative, arts, Boy Scouts, Girl Scouts, after school clubs and associations, college and university partnerships, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI), nutrition education, Project Prevent school, SPARK literacy, computer classes for parents, K4 violin classes, soccer (coed)

**Grades:** K3-8  
**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/keefe/>

### School Description

Keefe Avenue is an innovative K3-through-grade 8 school providing our students with a strong academic curriculum based upon the Common Core State Standards. The standards prepare our students for success in college and careers. Students in grades K5-3 benefit from the Achievement Gap Reduction Program (AGR). Our innovative instruction is enhanced by technology in the classrooms to improve the educational experience.

### Points of School Pride

- Selected to participate in GE Community Service Day in 2016 and again in 2017.
- Increased student opportunities to participate in extra-curricular activities by including girls basketball as an option.
- Increased opportunities for parent participation including monthly family programs.
- Continuation of Tiger Elite Leadership Club, which consists of students who regularly demonstrate the Keefe Avenue PBIS Tiger Proud Expectations.

### School Programs

Achievement Gap Reduction (AGR), early childhood education, Boys & Girls Club,, Community Learning Center (CLC), parent resource center, whole school, whole community, whole child program, Girl's and boy's basketball and cheerleading, tiger elite student leadership club, Positive Behavior Interventions (PBIS), Response to Intervention (Rtl), Arts@Large, Project Prevent school, Project AWARE school

**Grades:** K4-5  
**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/kilbourn>

### School Description

Kilbourn believes that excellence is the expectation both academically and socially. Our children will reach their full potential and become lifelong learners through our safe and supportive learning environment.

### Points of School Pride

- According to the state report card for the previous school year, Kilbourn exceeds expectations (78.5 percent), earning us the highest average in our region.
- Kilbourn's scores on the reading and math assessments are higher than the choice and charter schools in our surrounding area.
- As Kilbourn strives for a positive school culture and climate by implementing the Eagle's Nest and Eagle Expectations, our children all know the character education words of the week and can recite our Kilbourn Motto, which is: "Through hard work and perseverance, we will do our best learning at all times".
- Kilbourn has implemented a monthly progress monitoring system (M.O.S.) which supports the personalization of learner needs and helps improve their success.

### School Programs

Parent/teacher organization, parent resource center, after school sports (flag football, dance, basketball, track, cheerleading), after school child care, all-day 3-and 4- year old Head Start, Response to Intervention, school governance council, coordinated school health care nurse, Kilbourn Eagles Nest

## School Description

With a strong focus on academics, activities and diversity, Rufus King International High School is consistently a top-rated Wisconsin public high school (U.S. News & World Report and the Washington Post). We offer a rigorous pre-university course of study which meets the needs of highly-motivated secondary students. Grades 9 and 10 emphasize the IB Middle Years preparatory program, with students in grades 11 and 12 eligible to earn the coveted IB diploma or individual subject certificates in addition to the MPS diploma. King offers all athletic opportunities and a large number of academic, special interest and social groups. This is a high school with entrance requirements and entry is granted through the early admissions process.

### Points of School Pride

- Recognized as a Wisconsin Department of Public Instruction School of Recognition for the 8th consecutive year.
- Moved from the "Meets Expectations" category to the "Exceeds Expectations" category on its state report card.
- Robotics team won the state championship, and will compete in the World Robotics Championship for the second year in a row.
- Chess team took 4th place at the state competition in March of 2017.

### School Programs

Honors courses, School to Work Transition Program, world languages, alumni association, Parent Teacher Organization, arts, after school athletics / sports (i.e., intramurals), competitive athletics / sports, band, chess club, choir/chorus, debate, forensics, math club, mock trial, Model UN, National Honor Society, orchestra, Black Student Union, other student clubs and groups, robotics, student governance council, theater, yearbook, after school clubs and associations, college and university partnerships, Earn and Learn, Response to Intervention (Rti), service learning, TEAM GEAR UP/College & Career Readiness

### School Description

As an African American Immersion school (AAI), Dr. Martin Luther King, Jr. School features curriculum and practices designed to maximize the intellectual, socio-emotional, and cultural development of African American children. Emphasis is placed on self-esteem, community involvement, family support, staff development, and extracurricular activities. Scholars wear uniforms. MLK is also a Turnaround Arts Partner School. Turnaround Arts is the signature program of the President's Committee on the Arts and the Humanities. The program empowers high-need schools with innovative arts, dance, theater, and music programs, arts integration across subject areas, arts resources, musical instruments and high-profile arts mentors, as a proven strategy to help address broader school challenges and close the achievement gap. No other school in the city offers the unique blend of culturally responsive and arts integration practices.

### Points of School Pride

- One of four MPS Turnaround Arts partner schools. Fourth grade scholar Maurice Willis won 1st Place in the Dr. Martin Luther King, Jr, Speech Contest for his age group.
- Recognized the last two school years as a Wisconsin PBIS School of merit and distinction for behavior.
- School staff completed professional development related to dignity-based education.
- Features a roster of community support and vendors who have helped to increase arts access across grade levels including dance, music, visual arts, and theater.

### School Programs

Turnaround Arts, Achievement Gap Reduction (AGR), early childhood education/Head Start, Project Prevent school, parent resource center, Parent Teacher Organization, after school athletics / sports (i.e., intramurals), student governance council, college and university partnerships, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI), extended learning opportunities/Teaching for You (T4U), nutrition education, Focus Five

## Richard Kluge School

5760 N 67th Street  
 Milwaukee, WI 53218  
 (414) 578-5000

**Principal:** Trila Pitchford  
**Board Member:** Mark Sain  
**Region:** Northwest  
**Grades:** K4-5  
**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/kluge>

### School Description

Richard Kluge School, the creative arts specialty school in the northwest region of MPS, offers families a rigorous standards-based academic program with emphasis on attaining proficiency in all subjects. Our school benefits from the Achievement Gap Reduction (AGR) Program. Our mobile laptop labs, iPads and smart boards ensure that Kluge students are connected to the technology they will need to succeed. Kluge offers its students full-time specialist-taught art and music classes along with additional arts activities thanks to grants and our community partners such as Danceworks, Johnson Controls and Sharp Literacy. We also partner with First Stage for Literacy Through the Arts programming during our school day as well as our after school CLC program. We partner with RSVP to bring tutoring into many of our classrooms. Kluge also offers an English as a Second Language (ESL) program and extensive services for medically fragile students.

### Points of School Pride

- Partnering with Johnson Controls, our 5th grade students participate in A World in Motion demonstrating team work while designing and engineering cars out of recyclable materials.
- Partnering with First Stage Theater, students participate with First Stage Artists during the school day with the Literacy through the Arts programs. The seven-week lessons culminate in each classroom attending a performance related to their previous research and study in the classroom.
- Partnered with My Very Own Library to enhance students' love of reading and to build their own libraries at home by providing 10 free books to each student during the school year.
- Named a WI DPI School of Distinction in the areas of Reading, Math and PBIS.

### School Programs

Arts specialty, English as a second language (ESL), early childhood speech/language, Achievement Gap Reduction (AGR), First Stage Theater, GE, Community Learning Center (CLC), parent resource center, violence prevention/violence free zone, after school athletics / sports (i.e., intramurals), competitive athletics / sports, recreation enrichment, choir/chorus, coordinated school health.

## Robert M. LaFollette School

3239 N 9th Street  
 Milwaukee, WI 53206  
 (414) 267-5200

**Principal:** Dr. Marny Donalson-Gamble  
**Board Member:** Annie Woodward  
**Region:** Central  
**Grades:** K4-8  
**Hours of Instruction:** 8:55 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/lafollette/>

### School Description

LaFollette offers families an educational environment with one basic goal: the education of our children through high expectations and academic achievement. Our school benefits from the Achievement Gap Reduction Program (AGR) in kindergarten through third grade. We offer two computer labs, multiple computer carts (all students have access to technology) and each classroom has a smart board. Gym classes, Spanish curriculum available for all grades, Children's Hospital services on site, school uniforms, transportation, after school programs through Community Learning Center (CLC), and a host of other programs aimed to support student growth and development are available. LaFollette is a true school family focused on students, their families and staff.

### Points of School Pride

- Strong Early Childhood Unit, in grades K4 and K5, where the focus is hands-on learning while creating a safe place for learning where students are engaged and view learning as fun.
- “All-day” Head Start K3 added to our school in the Fall of 2017.
- Through a partnership with America Scores-Milwaukee LaFollette will receive a soccer field built on our playground.
- Engaged in a pilot program where 8th grade students, upon graduation, will have earned a semester credit in Spanish prior to entering high school.

### School Programs

Achievement Gap Reduction (AGR), Community Learning Center (CLC) through the Boys and Girls Club of Greater Milwaukee, health initiatives through Children's Hospital and coordinated school health, multi-age classrooms, Head Start , after school athletics, PBIS (positive behavioral interventions and supports), RTI (Response to Interventions), extended learning opportunities/Teaching for You (T4U), nutrition education with our fresh fruits and vegetable program.

**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/msl/>

### School Description

Milwaukee School of Languages (MSL), named among the 15 best high schools in Wisconsin in 2015 by U.S. News & World Report, offers language immersion programs in German, French and Spanish. MPS elementary language immersion graduates enter our full immersion program in Grade 6. Students continue their second language studies until graduation. This unique program produces advanced levels of foreign language proficiency, translating into advanced standing in college. Art, music and physical education classes are offered at all grade levels as well as other elective classes. Students have the opportunity to participate in the AP Capstone Program as well as take Advanced Placement courses in 11 subjects. In 2016, MSL was recognized in the Washington Post as America’s Most Challenging High School in Wisconsin.

### Points of School Pride

- In 2016, MSL was recognized in the Washington Post as America’s Most Challenging High School in Wisconsin.
- The only 6 - 12 Language Immersion program in the state of Wisconsin.
- Offers 11 Advanced Placement courses along with the new AP Capstone diploma.
- Proud of the accomplishments of our Middle and High School students in sports and after school activities.

### School Programs

Project AWARE, middle school sports and extra curricular activities, all high school sports, language immersion program.

## School Description

Lincoln Avenue Elementary School offers a safe and disciplined learning environment for a diverse group of students from many different ethnic backgrounds. Our goal is to accelerate the academic and social development of each child. Our programs include bilingual education, band, fine arts and chorus. The Parent Teacher Organization (PTO), Community Learning Center (CLC) and other school partners hold events that bring parents and the community into the school. Before- and after-school childcare is available.

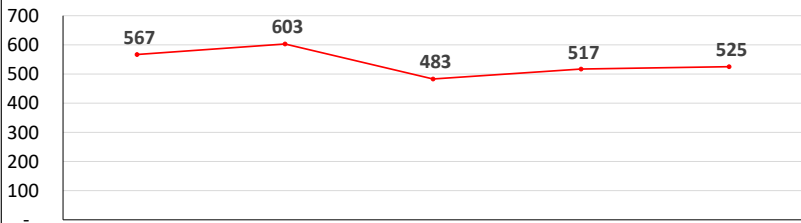

### Points of School Pride

- Lincoln Avenue School is a School that Meets Expectations on the State Report Card.
- Lincoln Avenue School joined the Milwaukee Community Schools Partnership in the Fall semester of 2016. Lincoln Avenue School is partnered with Sixteenth Street Community Health Center - Environmental Health Department. Sixteenth Street has been instrumental in helping Lincoln Avenue School apply and receive numerous grants this school year, two of which will go towards a community garden and water encashment system.
- Lincoln Avenue School Camp received a 5-Star Rating from Young Star.

### School Programs

Achievement Gap Reduction (AGR), parent resource center, student governance council, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI), before and after school child care.

### School Description

Lincoln Center of The Arts, the Heart of the Arts, offers families a location near downtown's arts and cultural attractions. We are a highly requested school where students study with and through the arts, positively impacting the academic achievement of all students. In addition to daily core academic and arts classes, we offer a two-way bilingual program and the opportunity to participate in our high-quality school performances. Our Resident Artist program has professionals working with students and staff. LCA is connected to our neighborhood. We invite families to call us for a tour of our beautifully decorated school building, covered inside and out with student artwork! Many of our students continue their arts education at Milwaukee High School of the Arts or attend our neighborhood high school, Riverside University High School.

### Points of School Pride

- Closing the Achievement in reading over 15 percent (2015-16 school year) and closing the achievement gap in ELA more than the state average.
- Music and Arts program with our Chorus and Orchestra receiving top scores in the WSMA's.
- C.L.C after-school program provides extra-curricular activities for students.
- Governors Fitness award for \$100,000 Fitness Center.

### School Programs

Arts specialty, bilingual education, English as a second language (ESL), Project Lead the Way, STEAM (science, technology, engineering, arts and mathematics), personalized learning school, alumni association, Community Learning Center (CLC), parent resource center, violence prevention/violence free zone, arts, environmental science, competitive athletics / sports, recreation enrichment, band, chess club, choir/chorus, forensics, orchestra, sports, student governance council, theater, yearbook, after school clubs and associations, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI), coordinated school health

**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/lowell>

### School Description

Lowell Elementary School is a small school that offers a rigorous academic program to students in K4 through grade 5. We aim to develop well-rounded students with character who respond to challenges with optimism and an open mind, are confident in their own identities, make ethical decisions, join with others in celebrating our common humanity and are prepared to apply what they learn in real-world, complex and unpredictable situations. Violin lessons are offered in the 1st grade. Piano lessons are offered beginning in the 2nd grade. Students have many opportunities to enhance their leadership skills and can extend their learning beyond the school day through participating in Camp Lowell's before- and after-school program. Lowell Elementary is an authorized International Baccalaureate (IB) Primary Years Programme. These are schools that share a common philosophy and commitment to high quality, challenging international education that Lowell Elementary School believes is important for our students.

### Points of School Pride

- Lowell was named a Wisconsin Title I School of Recognition from 2010 to 2015 by the Wisconsin Department of Public Instruction for moving students forward academically.
- Lowell was also awarded the Give with Target \$25,000 Grant for the 2012-2013 school year.

**Grades:** K3-12  
**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/macdowell>

## School Description

MacDowell Montessori School promotes concentration, practical life and problem-solving skills as students apply knowledge in all subjects. In Montessori education, classrooms are multi-age, combining the ages of 3-6, 6-9, 9-12, 12-15, and 15-18. Students integrate science, history, geography and the arts through lessons, projects and community experiences. Our high school program combines the Montessori philosophy with the International Baccalaureate program, which provides a rigorous curriculum for college preparation. MacDowell emphasizes the importance of productive community involvement and a humanistic worldview. Students with previous Montessori experience and/or IB interest are encouraged to apply for the high school program. Grade-school students must have had continuous previous Montessori school attendance to enroll in grades above K4.

### Points of School Pride

- Over a dozen volunteers weekly serve as librarians, literacy and math tutors, 4H club leaders, assistant coaches and material making for the classroom.
- Expanded “Socratic Seminar” to embed close reading strategies combined with writing to design authentic assessments tied to standards in in all content areas.
- From the fall of 15-16 to the winter of 16-17 there has been a 5 percent improvement of achievement across all grade levels combined in the area of literacy.
- Students use mindfulness to self regulate during times of stress and practice these techniques regularly resulting in a peaceful learning environment for all students.

### School Programs

### School Description

A comprehensive MPS Community High School on Milwaukee’s northwest side, we focus on the education of the whole child, with the understanding that a child belongs to a family, and that family lives and interacts within a larger community. Our vision is that through rigorous instructional foundations and nurturing, all students will become proficient learners, prepared to succeed in post-secondary education or careers, and to become productive citizens. We offer a challenging curriculum of rigorous classes including AP and Honors classes. We are also a National Academy Foundation School. We offer two academics: Academy of Health Sciences and Academy of Finance. Students have opportunities to stay after school and participate in the Community Learning Center for enrichment programs. Our Student Council and Community School Leadership Team govern many school social events. We encourage students to show strong character, develop leadership skills and be positive role models.

### Points of School Pride

- Students have been exposed to a variety of health career opportunities and are supported by many medical institutions and colleges within the Milwaukee area.
- The students are exposed to the world of financial careers and opportunities supported by banking and investment institutions, with a promise for internship opportunities.
- Students in the culinary arts program are supported by area restaurants and top level chefs that visit the school twice a week to provide hands on instruction and exposure.
- We are proud of our students and the positive school culture which has brought more support from the community and is resulting in students' success.

### School Programs

Career and technical education, AP and regular courses, National Academy Foundation: Academy of Finance; Academy of Health Sciences, prostart culinary arts, GEDO2, after school programs, Community Learning Center (CLC), Twilight Center, MPS after school recreation and athletic activities- football, basketball, cheerleading, golf, honors course, Spring Board challenging curriculum, personalized blended learning, Google classroom, Positive Behavior Intervention & Support (PBIS), TEAM GEAR UP, GE: career and college center, violence prevention zone, boys and girls mentoring programs

### School Description

Manitoba is proud to offer a culturally rich learning environment which serves students from K4 through 8th grade. We have strong regular and special education programs along with a stand-alone English Language Learner component. Value is placed on academics, extra-curricular activities, and diversity to nurture the whole child with equitable opportunities. Each student’s goal is to reach his or her highest level of proficiency in all academic areas while displaying a high level of personal growth and character. Manitoba has a full time music program with specialized sessions in band, piano, drums, including partnerships with the Milwaukee Symphony Orchestra and Skylight Theater. Additionally, art, physical education, technology, and an active Parent Teacher Association strengthens our school community while fostering academic and individual success in high school, college and beyond.

### Points of School Pride

- Proud to report that Wisconsin DPI state school report card shows that Manitoba School meets expectations.
- Added new enrichment programs which include soccer, forensics, and Arts at Large.
- Recognized as a PBIS School of Distinction for Reading and Math.
- Parent outreach programs are held by kindergarten teachers 2-4 times a year that increase positive communication between parents and the school.

### School Programs

Before and after school care program (Manitoba Kids Camp), multi-age classrooms, multi-grade level buddy programs, specialty programs in art, music and band, physical and adaptive education programs, choir/chorus, innovative approaches to literacy, STEM (science, technology, engineering and mathematics) pre-engineering: grades 3-5 engineering is elementary program, English language learner stand-alone program, school and student governance council, parent resource center and Parent Teacher Association (PTA), all school health initiatives, First Nations study and service learning programs. Positive Behavioral Interventions and Supports programs (PBIS), after school clubs: athletics/sports (soccer, basketball, and flag football), debate, forensics, Girl Scouts, Boy Scouts, chess and math club, robotics and Manitoba kids camp tutoring.

## School Description

Our motto is: "At Maple Tree, average is over. High expectations, student achievement and accountability! Every period. Every hour. Every day!" Maple Tree School is committed to the goal of working to ensure that every student is proficient or advanced in reading and writing across all content areas. Our school promotes an educational environment that aligns curriculum and instruction to the Common Core State Standards. At Maple Tree, we educate all students for success in higher education, careers, and responsible citizenship. Our school offers a Head Start Early Childhood Program, and grades K3-5. Maple Tree School benefits from the Achievement Gap Reduction (AGR) Program. We offer a rigorous academic curriculum and a dedicated professional teaching staff that works to ensure all students achieve academic success.

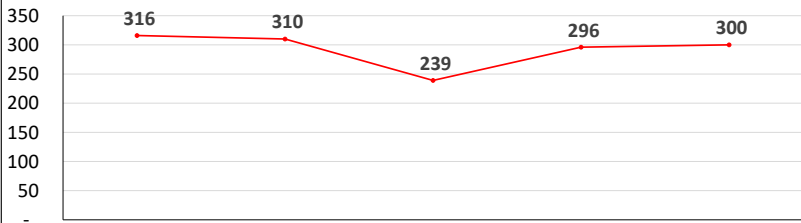

### Points of School Pride

- Maple Tree Elementary families receive \$20.00 worth of free groceries from Molina Healthcare Mobile Food Pantry. Families are only required to bring a grocery bag.
- Gee's Clippers, Business Partner; Gee's Clippers provided free hair-cuts for Maple Tree Elementary male students; Gee's continues to visit Maple Tree 1x per month to provide mentorship and conflict resolution skill building with our 3rd - 5th grade male students;
- City of Milwaukee Department of Agriculture partners annually with Maple Tree Elementary to plant a tree on Arbor Day.
- Students with 100 percent attendance and 95 percent or better are acknowledged annually at the Spring Open House and parents of students with 100 percent attendance serve as guest speakers.

### School Programs

Technology specialty, innovative approaches to literacy, SPARK physical education, art, music, Achievement Gap Reduction (AGR), early childhood education / K3 and K4 Head Start, Boys and Girls Club, basketball co-ed (intermediate and primary school teams), flag football, co-ed soccer, parent resource center, second step, Positive Behavioral Interventions and Supports (PBIS), Parent Teacher Organization, school governance council, Boy Scouts, Girl Scouts, Marquette High School project service learning, Response to Intervention (RtI)

## School Description

Milwaukee Marshall High School is focused on Science, Technology, Math, Arts and Engineering (STEAM) education and college preparation. Our Advanced Placement + Project Lead the Way (AP + PLTW) program prepares students for college and career. The Springboard curriculum is used to provide students with the necessary skills to be successful in their AP and PLTW courses. We also use principles of AVID (Advancement Via Individual Determination) to further develop students college and career readiness through emphasizing Writing, Inquiry, Collaboration, Organization and Reading (WICOR)

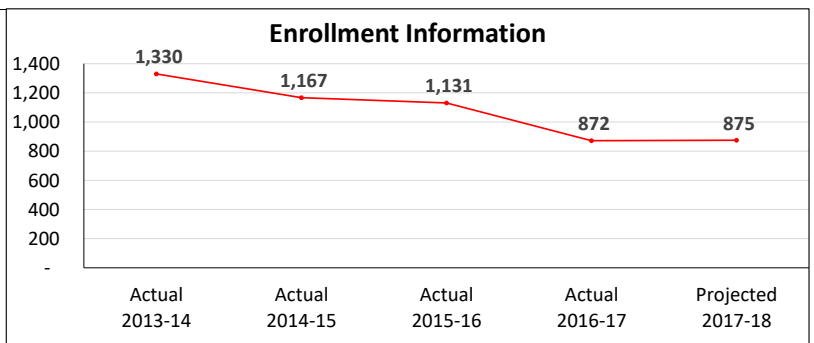

### Points of School Pride

- Expanded Advanced Placement (AP) and Project Lead the Way (PLTW) course offerings with AP Exam Pass Rate growing from 3.6 percent to 13.8 percent for 2015-2016.
- Makerspace: We will be unveiling a Science Lab for the fall of 2017-2018 in addition to the existing Media Makerspace creating an opportunity to integrate science, media and communication into established course offerings.
- Increased fine arts offerings, especially in the area of music with 26.3 percent of students currently enrolled in music classes including guitar, piano, and percussion courses,
- In the 2016-2017 school year 22 out of 30 GED02 students are on track to complete their program.

### School Programs

Springboard curriculum in English language arts and mathematics, Advanced Placement (AP) courses, Project Lead the Way include engineering , biomedical science and computer science, fine arts, commercial art, GE technology, adaptive art, beginning and intermediate band, orchestra, piano, guitar and percussions, GED02 and credit recovery, advancement via individual determination, Positive Behavioral Intervention and Supports (PBIS), National Honor Society and School to Work Transition Program, after school extracurricular activities include chess and mock trial, boys and girls basketball, track, football, girls volleyball, boys and girls soccer, and boys and girls tennis

### School Description

Marvin E. Pratt Elementary School, formerly Silver Spring Elementary School, is a safe setting for K3 through 5th-grade students offering physical education, art and music specialists, Learn to Succeed tutors, Girl Scouts and the Head Start program. Those positive connections increase pupil knowledge, promote self-esteem and develop the decision-making skills that are necessary for lifelong learners. Our students benefit from the Achievement Gap Reduction (AGR) Program.

### Points of School Pride

- Marvin E. Pratt Elementary School is a safe setting for K4 through 5th-grade students offering a physical education specialist, violin lessons, Learn to Succeed tutors, Girl Scouts and the STEM (science/technology/engineering/math) program. Those positive connections increase pupil knowledge, promote self-esteem and develop the decision-making skills that are necessary for lifelong learners.
- Our students in K5-3rd grade learn in smaller classrooms with no with additional instructional support thanks to the AGR program.
- Milwaukee fellow grant award 2017.
- Pratt has many community partnerships including Junior Achievement peace program and Schools that Learn.

## School Description

Maryland Avenue Montessori School is located in the heart of Milwaukee’s historic and culturally diverse East Side. We are a Montessori School for students in K3-Grade 8, providing a holistic, high quality Montessori education which prepares students for life. Montessori classrooms are multi-age leveled (3-6, 6-9, 9-12, 12-14), utilizing the developmental Montessori material curriculum to support individualized learning. We offer a rigorous Montessori curriculum, which enables all students to achieve academically to become critical thinkers and life long learners. Staff, parents and community partners work together to create a learning environment where character development, creativity and high academic achievement are valued. Students are enrolled at K3 and K4. Enrollment at K5 and older requires previous, continuous Montessori experience.

### Points of School Pride

- Montessori theory of holistic natural child development, Peace Education.
- Montessori classroom community emphasis with strong student engagement and high academic achievement.
- Strong parent and neighborhood community involvement that supports students and teachers, provides extra arts and science programming, and developed an outdoor environmental educational rain garden and orchard.
- Positive, peaceful and collaborative school climate.

### School Programs

Montessori curriculum with multi-age classrooms, after school childcare camp program, Parent Teacher Organization , parent fund board (MPS Foundation), school governance council, after school mandarin chinese, after school spanish, Girl Scouts, sports teams (soccer, basketball, volleyball, cross country), band, chess club, choir, mathcounts math club, Model UN, yearbook, Lego club, Danceworks (Mad Hot Ballroom & Tap), cultural dance, Korean drumming, boat building, garden clubs (growing and cooking), discovery world, Urban Ecology Center, going out program, Arts@Large

## School Description

Golda Meir School offers an array of Gifted and Talented programs and services for students in Grades 3-12. These programs include Project Lead the Way, Springboard, and extended local, regional, national and international field trips, and national college tours by region. We offer cultural experiences in collaboration with Skylight Opera, Milwaukee Repertory Theatre, Milwaukee Youth Symphony Orchestra and First Stage Children's Theatre. Other collaborative initiatives include work with Urban Ecology, Danceworks, Groundworks, and the Milwaukee Art Museum. Our after-school activities for elementary, middle and high school students include debate, forensics, basketball, volleyball soccer, football, track, chess, swimming, tennis, band, orchestra, and drum line, Math Counts, TAP and Mad Hot Ballroom. We feature clubs for math, science, computers, media and Junior Great books. Meir accepts applications for students at grades 3, 6 and 9 through applications and recommendations from a student's teacher.

### Points of School Pride

- Advanced Placement diploma program
- Growing high school athletic program - varsity basketball (Girls and Boys) and Varsity Volleyball (Boys)
- Multi-level STEM program
- Immersion in arts related courses and activities

### School Programs

## School Description

Metcalfe is the first school in the nation to share a facility with a Boys and Girls Club, providing our students with additional academic and recreational activities. A variety of enrichment programs combined with rigorous academics help our students develop all of their talents. We offer specialist teachers in music, physical education, art and library/technology to help ensure a well-rounded education for our students! School uniforms are navy tops with collar and navy or khaki bottoms.

### Points of School Pride

- We have been able to increase our fine art offerings, especially in the area of music. This year 26.3 percent of our students are enrolled in music classes. We have added additional sections of music which include guitar, piano, and percussion courses.

## School Description

Milwaukee HS of the Arts (MHSA), an AP Capstone Diploma high school, is the premiere arts focused school in the state. MHSA offers students the opportunity to select an artistic major (creative writing, dance, theater, music or visual arts) and take two class hours of arts instruction per day within that major. In addition to its focus on the arts, MHSA also provides an academically rigorous educational program that includes Advanced Placement, AP Capstone (Diploma Program) and honors courses. Students may select from over 20 AP courses for both high school and college credit. This is a high school with entrance requirements and entry is granted through the early admissions process, which includes an audition. Students at MHSA benefit from consistent access to technology through our 1:1 Chromebook initiative. The philosophies of restorative practices provides a supportive environment which focus on building relationship among our exceptionally diverse community.

### Points of School Pride

- We are an AP Capstone Diploma Program.
- Multi-award winning arts program with many students who have received national recognition for their accomplishments in the arts and academics.
- Rated among the most rigorous high schools in the nation according to the Washington Post for three consecutive years.
- Pride in offering a warm and welcoming, restorative environment that extends throughout the school community and beyond the four years of their time in the school.

### School Programs

Advanced Placement (AP), arts specialty, bilingual education, English as a second language (ESL), honors courses, Boys to Men boys leadership group, Female Empowerment Movement Club, restorative practices, innovative approaches to literacy, world languages, student created museums, art internships, service learning, community service projects, Community Learning Center (CLC), parent resource center, Parent Teacher Organization, health initiative, violence prevention/violence free zone, arts, after-school athletics / sports (i.e., intramurals), competitive athletics, recreation enrichment, band, camera & media club, choir/chorus, debate, mock trial, Chromezone student technology group, National Honor Society, orchestra, robotics, school newspaper, student governance council, poetry slam competitive team, theater, yearbook, college and university partnerships, Earn and Learn, mentoring partnerships, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI), School to Work Transition Program, TEAM GEAR UP/College & Career Readiness, College Possible, College Access Centers

## School Description

Mitchell is a large bilingual school with a small-school atmosphere. Our hardworking, dedicated staff uses the Common Core State Standards to provide all students comprehensive instruction that prepares them to succeed in college and careers. As a Positive Behavioral Interventions and Supports (PBIS) School of Merit, we work with all stakeholders to provide a safe, respectful learning environment which allows students to focus on being responsible learners. Our Community Learning Center (CLC) extends services to our Mitchell families beyond school hours and our partnership with City Year enhances both school-day and after-school programming. We are proud of our connections to our neighborhood!

### Points of School Pride

- Mitchell added ESL classes for our Spanish-speaking parents this school year, which was offered in the evenings and included childcare.
- Mitchell’s forensics team participated in the MPS City Championship with four students receiving blue ribbons. Two students came in fourth place, one in persuasive speaking and the other for informative speaking. These students then went on to participate in the state championship.
- Mitchell added a Student Council this school year, which expands on the vision of incorporating student voice into the school environment.
- Mitchell is partnering with Boys and Girls Club RBI baseball programming to offer additional opportunities for students.

### School Programs

Achievement Gap Reduction (AGR), parent resource center, student governance council, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI), Boys & Girls Club, Community Learning Center (CLC)

**Grades:** K4-8  
**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/morgandale>

### School Description

Morgandale offers a traditional educational program. We also offer the opportunity for all children to understand, speak, read and write in Spanish as a second language. Morgandale stresses high standards in all academic subjects and a positive learning environment. Parents have an important voice in our learning community. We love our Positive Behavioral Interventions and Supports (PBIS) program, which creates a calm, nurturing and respectful environment.

### Points of School Pride

- Increased two levels on the State Report Card for the 2016-2017 School Year and exceed expectations.
- Offered two sessions of ESL classes for our parents.
- Made our environment more welcoming and aesthetically pleasing with the assistance of GE.
- Created a Garden Club to help beautify our community and grow vegetables that could be enjoyed by our students.

### School Programs

Dual language program, world language, financial literacy, before and after school child care, parent staff organization, parent resource center, after school athletics/sports (i.e., soccer, volleyball, cross country, track, basketball, softball), Boy Scouts, Girl Scouts, and student council

## School Description

The Morse Middle School Gifted and Talented program focuses on science, technology, engineering and math (STEM), and college preparation. It's science programming includes Project Lead the Way coursework, which incorporates hands-on project-based learning. In addition to rigorous curriculum, students enjoy a wide variety of sports, arts and extracurricular opportunities.

## Points of School Pride

- We offer a well rounded Gifted and Talented Program.
- Students participated in the Lego League Competition and were a second place winner.
- Students have opportunities to earn high school credits.
- Extracurricular activities (band, cheerleading, basketball, football, etc) are offered to students.

## School Programs

STEM (science, technology, engineering and math), college prep, Project Lead the Way, sports, and arts.

<http://www5.milwaukee.k12.wi.us/school/neeskara/>

### School Description

Neeskara is a traditional elementary school, in the popular Washington Heights neighborhood, offering a student-centered, supportive learning environment for students in grades K4-5. We are committed to all of our students learning at high levels. Neeskara's well-rounded curriculum offers art, music, library and physical education programs. Our students benefit from the Achievement Gap Reduction (AGR) Program. Our special education program specializes in serving students with deaf and hard of hearing needs and can support every student's individual needs.

### Points of School Pride

- Exceeded expectations on the state report card this school year.
- A School of Merit for Reading
- School of Distinction for PBIS in 2015 - 2016.

**Grades:** K4-5  
**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/95th/>

### School Description

Ninety-fifth Street School, located a mile and a half northeast of Mayfair Mall, offers a traditional school setting with a focus on individual student achievement. As an MPS GE Foundation Demonstration School, we focus on putting the rigorous Common Core State Standards into practice in innovative ways. Staff receive intense professional development focused on the Common Core. We are also recognized by the Wisconsin Department of Public Instruction as a PBIS School of Distinction for implementing Positive Behavioral Interventions and Supports (PBIS) and creating a positive school climate for our students. We are also recognized by the Wisconsin Department of Public Instruction as a School of Distinction in RTI in both Reading and Math. Our high expectations in all core subject areas are making a positive difference for our students' academic achievement. Music, art, physical education and library media access add diversity and value to our students' educational experience.

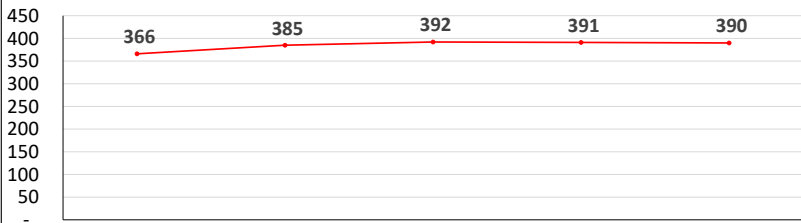

### Points of School Pride

- Recognized as receiving School of Distinction for reading, math, and also PBIS.
- We continue to add new programs and partnerships with community members to help enhance the services and resources we offer our students and families.
- Because of strong relationships we are able to offer our students the opportunity to learn French and Spanish.
- Participated in it's first annual STEM Fair.

### School Programs

GE Foundation school, Partnership for the Arts and Humanities funded partner, before school child care, parent resource center, Parent Teacher Organization, arts, after school athletics / sports (i.e., intramurals), Boy Scouts, Girl Scouts, sports, student governance council, after school clubs and associations, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI)

### School Description

North Division High School is committed to providing academic excellence, while instilling morals and values that will create individuality by fostering a passion for learning within our students. North Division will enrich our student's mind, body, and character, as we encourage our students to have respect and compassion for others.

### Points of School Pride

- Adding a new swimming program and creating a North Division swim team.
- Welding will be offered during both the 1st and 2nd semesters.
- The NAF (National Academy Foundation and IT (Instructional Technology) academies continue to prepare students to be college or career ready in the fields of healthcare and instructional technologies.
- The school academies continue to be the flagship programming for our school.

## School Description

Barack Obama School of Career and Technical Education, located in the former Custer High School building, serves students in a small school setting aimed at high achievement in reading, writing and math. We offer students a project-based, career-centered and partner-supported education. Our HVAC lab operates with the assistance of our partners at Milwaukee Area Technical College (MATC). Our new advanced manufacturing lab offers students access to state-of-the-art Computer Numerical Control (CNC) equipment and computer-integrated manufacturing technology. We match our students to an appropriate career cluster: advanced manufacturing or energy conservation. Obama SCTE also has robotics, welding, wood shop and barber/cosmetology labs. Obama SCTE offers credit recovery and GEDO2 in a personalized blended learning lab on campus.

### Points of School Pride

- High Schools participating in Skills USA program ranked 1st in the state Robotic and Automation and 10th nationally.
- Successfully added the Skills USA program to the Middle school providing students with experience in soft skills, increasing student confidence and self-esteem.
- Middle school students created a living Black history museum developing a biography of a historical figure, when guest entered the museum they would press a button and the figure would come alive and share the biography.
- Held our 2nd annual High School Literacy Conference, B.L.A.Z.E. Fest (Bringing Literacy Alive Zealously Everywhere).

### School Programs

HVAC lab, manufacturing lab, robotics, welding, wood shop, barber/cosmetology labs, GEDO2, Advanced Placement (AP), after school athletics/sports (i.e. intramurals), City Year, Community Learning Center (CLC), book club, drill team, National Honor Society, student council, student leadership initiative

## School Description

The high achievement at Milwaukee Parkside School for the Arts is the direct result of the way we approach learning, along with strong parental support and community involvement. Themes and the arts integrated approach are used to promote learning in the basic skills of reading, writing, social studies, science and math and our Wisconsin Model School Arts Program is nationally recognized. We offer art, music, physical education, instrumental music lessons (grades 2-8), ballet (grades 3-5) and theater (grades 6-8). We partner with Arts@Large, Milwaukee Symphony Orchestra, various art museums, Danceworks, First Stage Children's Theater, Milwaukee Children's Choir, Mad Hot Ballroom & Tap, Junior Achievement and the Milwaukee Ballet to create wonderful arts related experiences for our students.

### Points of School Pride

- Added a new aquaponics Lab.
- Built a strong partnership with Bay View High School.
- Built a partnership with local restaurants in the area to use the produce grown in the aquaponics lab.
- Strong Arts programming integrated into the curriculum with opportunities to experience the arts both in school and in the community

### School Programs

Arts specialty, English as a second language (ESL), before school child care, arts after school program , athletics / sports (i.e., intramurals), competitive athletics / sports, recreation enrichment, band, Boy Scouts, orchestra, school newspaper, sports, student governance council, yearbook, after school clubs and associations, college and university partnerships, mentoring partnerships, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI), service learning

### School Description

Parkview is a K4-5th grade GE Foundation School with a strong emphasis on working collaboratively to implement the Common Core State Standards (CCSS). Our dedicated, multicultural staff implements rigorous instruction, based on the CCSS by incorporating technology and research based best instructional practices. We are a culturally diverse community of learners that offers English as a second language (ESL) classes and participate in the Achievement Gap Reduction Program (AGR). Art, music, and physical education instruction ensures that our students are well-rounded. Our students are consistently recognized for displaying positive behaviors through the use of Positive Behavioral Interventions and Supports (PBIS) activities. Camp Bobcat is available for before and after school care.

### Points of School Pride

- Approximately 23 percent of our students are English Language Learners who speak 14 different languages.
- Our 4th grade students were selected to participate in the United Nations World Fair Day.
- Partnership with Black Entertainment Youth Center to offer drama, origami, dance and African and Korean drumming.
- Our school is a part of Arts at Large.

### School Programs

Achievement Gap Reduction (AGR), English as a second language (ESL), GE Foundation school, Arts@Large, Tessa's Black Entertainment & Youth Center (TBEY), student council, robotics club, Camp Bobcat before & after school care.

## School Description

Pierce Elementary School offers a developmental bilingual program, as well as a monolingual program, based on the Common Core State Standards. We serve an ethnically diverse group of students from Head Start(3 year olds) through 5th grade. Pierce believes that all students benefit from an inclusive environment and we are dedicated to upholding the highest academic and social emotional standards and supports. Students at Pierce are prepared for success above and beyond the classroom. Pierce is a uniform school and all students wear red polo-style shirts and blue pants.

### Points of School Pride

- Recipient of the Project Prevent program that allows us to improve the standard of care to our students and families that suffer from mental health issues and incidents of trauma.
- Recognized as a school of distinction for PBIS.
- One of the top finishers in the 2017 Mad Hot Tap Competition.
- Our "Girls on the Run" program has been adopted by the Brewers' Wives Club.

### School Programs

### School Description

Project STAY Alternative High School is a small high school located in the downtown area of Milwaukee. This program offers a nurturing and challenging education to 250 high school students, ages 16-20, who are at risk of dropping out of a traditional high school. Parents & students are welcome to apply in person and participate in the orientation process once accepted to the school. To be enrolled, students must follow school rules, maintain 90% attendance and complete the at-risk requirement. While in school, students prepare for high school completion and enrollment in a post secondary school. We offer students the opportunity to participate in a diploma plus program, partnering with an outside agency to earn other certifications while still attending high school. Students will need to petition the school to participate in the diploma plus program. Teen parents at Project S.T.A.Y. will be able to bring their child to school while they attend high school. We make a difference in the life of a student contemplating dropping out of high school.

### Points of School Pride

- Student certification program
- Men's & Women's group providing extended support for problem solving.
- Small class sizes to allow students more opportunities to be successful in their academics.
- Family learning environment where educators are passionate about student success in learning face to face or online.

### School Programs

Career and technical education, financial literacy program, personalized learning school, parent resource center, after school athletics / sports (i.e., intramurals in conjunction with Bradley Tech high school), other student clubs and groups, Earn and Learn, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (Rtl), School to Work Transition Program, students returning from expulsion or incarceration

## School Description

The Pulaski mission centers on strengthening relationships among staff, students and families and assisting students in attaining world-class academic and career proficiencies. Pulaski is preparing to offer rigorous, popular International Baccalaureate (IB) courses as the school grows its bilingual and ESL programs and builds on strong offerings including the city's top automotive program and Project Lead the Way in biomedical engineering.

### Points of School Pride

- Through the ESL & bilingual program, students come from over 20 different countries.
- Pulaski has the only full service automotive program in the city.
- Pulaski is a candidate for the MYP Middle Year Program in IB.
- Over 50 students in our first band class played for Mayor Barrett and in the annual Milwaukee Christmas Parade.

### School Programs

Advanced Placement (AP), arts specialty, bilingual education, career and technical education, English as a second language (ESL), Project Lead the Way, violence free zone, automotive specialty, after school athletics / sports (i.e., intramurals), competitive athletics / sports, sports, student governance council, theater, college and university partnerships, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI), school to work transition, College Possible, GEAR UP, Lead to Change, driver's education

## School Description

Founded in 2003, Reagan High School is a nationally-recognized International Baccalaureate World School offering a comprehensive IB curriculum. This college preparatory school's core program is based on rigorous, pre-university study in a supportive, research-based, best practices environment. Ranked 2nd in the State of Wisconsin in 2014, this high school's awards include: 2012, 2014, 2016 Gold Award (U.S. News & World Report); 2012-2014 and 2016 America's Most Challenging High Schools Award (The Washington Post); 2016 Beating the Odds: America's Top High Schools Award (Newsweek); 2015 Silver Award (U.S. News & World Report); 2014-2016 PBL Site School (Wisconsin CESA #1); 2013 America's Best 2,000 High Schools (Newsweek); 2013-2014 School of Distinction (State of Wisconsin, PBIS Network); 2012 School of Merit Award (State of Wisconsin, PBIS Network).

## Points of School Pride

- Scholarships offered to our high school graduates increased from \$3.5 million in 2013 to \$10.8 million in 2016.
- Thirty-one different cultures are embraced within the student population, including many students who are immigrants, refugees, or first generation Americans.
- The only high school in Wisconsin authorized to host all three academically-challenging IB Programs: the Middle Years Programme, the Career-related Programme, and the Diploma Programme.
- Twenty regional, state or national awards have been presented to our staff members over the course of the past four years.

## School Programs

English as a second language (ESL), student retention programs (GED), world languages, financial literacy program, Partnership for the Arts and Humanities funded partner, aquaponics, parent resources, Earn and Learn, fine arts, after-school athletics and sports, competitive sports, after-school clubs, beginning through advanced band, choir, chorus, debate, forensics, chess, jazz band, National Honor Society, orchestra, school newspaper, student governance council, theatre, urban promise mentoring, yearbook, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI), School to Work Transition Program, service learning, TEAM GEAR UP and College & Career Readiness, ACP-advisory (academic and career planning).

**Grades:** K4-5  
**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/riley/>

### School Description

Riley School is a progressive school that exposes students to a rigorous curriculum that challenges them to think creatively, communicate effectively and develop problem-solving skills. Our instructional program includes regular education and special education. We also provide specialized bilingual and English as a secondlanguage (ESL) instruction for our non-English speaking students. Beginning in fall 2017, Riley will offer dual-language Montessori education beginning with grades K3 and K4. Current Riley students would stay in their existing programs, but younger siblings would have the opportunity to enroll in the new program. At Riley, we have a multicultural school community that celebrates cultural diversity and promotes positive character development. Academic and recreational activities are available in our Community Learning Center and child care program throughout the school year and in the summer. We love our families and they love us!

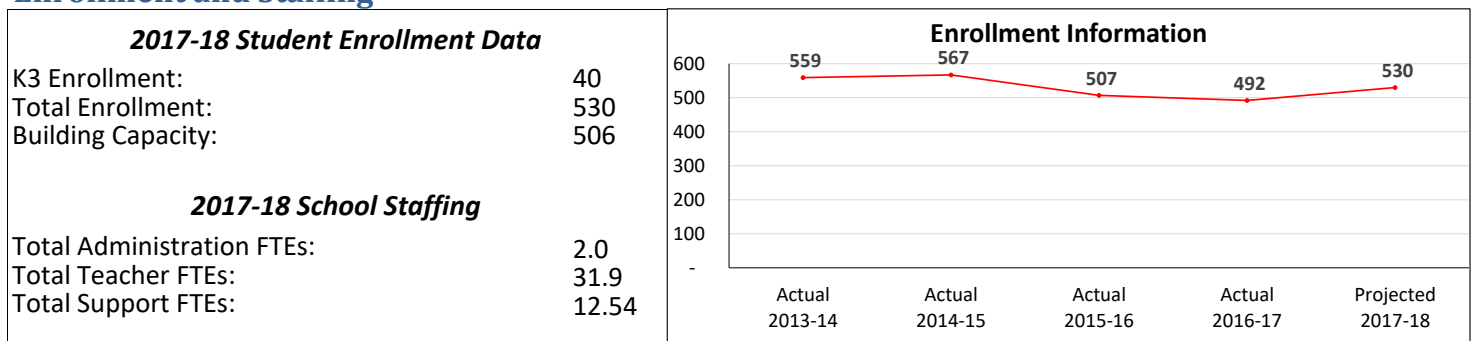

### Points of School Pride

- In 2017-18 Riley School will start a new exciting program that will bring together the Montessori philosophy and the dual language approach beginning with K3-K4 students.
- Students are motivated to come on time and stay in school all day through weekly, monthly and long term rewards and incentives, such as the movie premieres of Sing and Boss Baby.
- Students will perform the bilingual opera "The Elixir of Love" with the Opera for Youth, a Madison performance group, on May 9, 2017.
- Riley's SafePlace/ ChildCare is open year round for a total of 283 days, including winter and spring recess.

## River Trail School

12021 W Florist Avenue  
 Milwaukee, WI 53225  
 (414) 393-2200

**Principal:** Tiffany Fisher  
**Board Member:** Mark Sain  
**Region:** Northwest  
**Grades:** K4-8  
**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/rivertrail>

### School Description

River Trail is a early start school serving more than 450 students on Milwaukee's northwest side. Our school is organized into three multi-grade units with an open environment (no interior walls). Our program emphasizes a Comprehensive Literacy framework, the scientific process, use of technology and rigorous research-based math, reading and writing. Exiting 8th graders must complete a digital exit portfolio for promotion.

### Points of School Pride

- River Trail is exploring the adoption of an urban agricultural focus and is one of three schools developing a feeder pattern into Vincent High School.
- We are proud of the fact that our enrollment is growing as more families are making River Trail School its first choice.
- River Trail has an extensive parent volunteer program that includes a school governance council, PTO and activities such as the annual Learning Fair, Multi-Cultural History Program, and parental after-school programming.
- River Trail is the only open concept K-8 school in the Northwest Region.

### School Programs

Achievement Gap Reduction (AGR), early childhood education/Head Start, before school child care, Parent Teacher Organization, parent resource center, after school athletics / sports (i.e., intramurals), competitive athletics / sports, recreation enrichment, Girl Scouts, theater, yearbook, student governance council, college and university partnerships, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI)

## Riverside University High School

1615 E Locust Street  
Milwaukee, WI 53211  
(414) 906-4900

**Principal:** Michael Harris  
**Board Member:** Larry Miller  
**Region:** East  
**Grades:** 9-12  
**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/riverside>

### School Description

Riverside University High School for the past two years has been the most requested high school in Milwaukee Public Schools. Riverside offers more Honors and Advanced Placement courses than any other area high school. Students learn in a safe, orderly environment with a focus on college preparation. More than 85% of graduates are accepted into college. With a state-of-the-art lab for its Project Lead the Way engineering and biomedical programs, students get hands-on learning experiences while earning college credits. With close proximity to UW-Milwaukee, students may take college courses on the UWM campus. Riverside also is known for its award-winning music, bilingual and special education programs. Riverside, "the school that has it all," features outstanding athletic teams, musical, after-school activities and student leadership. Parents are welcomed as partners in the teaching and learning process. The school has a Parent Resource Center for families.

### Points of School Pride

- 90 percent Graduation Rate (4-year)
- Most offered Advanced Placement courses in the district
- 85 percent of students are accepted to college/university 5 teachers earned National Board Certification

### School Programs

Advanced Placement (AP), bilingual education, career and technical education, dual language program, English as a second language (ESL), honors courses, innovative approaches to literacy, Project Lead the Way, Springboard curriculum, STEM, world languages, Arts @ Large, bilingual education, financial literacy program, alumni association, before school child care, clcs, neighborhood association partnerships, parent resource center, Parent Teacher Student Organizations and Associations (PTA/PTSA), health initiative, arts, environmental science, gifted core curriculum, pre-engineering, sports, recreation enrichment, band, camera & media club, chess club, choir/chorus, debate, engineering club, FBLA-Future Business Leaders of America, forensics, math club, National Honor Society, orchestra, robotics, school newspaper, student governance council, theater, after school clubs and associations, college and university partnerships, Earn and Learn, internship, mentoring partnerships, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (Rtl), School to Work Transition Program, service learning, TEAM GEAR UP/College & Career Readiness, College Access Centers

**Grades:** 6-8  
**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/roosevelt>

### School Description

Roosevelt offers students the chance to participate in multicultural lifelong learning experiences and highly-acclaimed arts performances along with the chance to shadow master artists. Our high arts and academic standards attract students from across the Milwaukee area. We are located on historic Walnut Street in a cluster of arts focused schools including Elm Creative Arts. As a citywide school, we welcome students who are excited about the arts from across the city! We are proud of our Positive Behavioral Intervention and Supports (PBIS) program that recognizes and reinforces positive behaviors. We offer numerous after school activities that include arts, sports and academics. Many of our community sponsors help us provide after school tutoring and other programs.

### Points of School Pride

- Dinner Theater is a continuing tradition that has been ongoing for over 33 years.
- Talented African American Dance program/teacher who was trained by, and a former member of, the Ko-Thi Dance Company.
- Students take elective classes every school day including dance, music and or drama.
- In year 1 one of our Turnaround Arts implementation bestowed by the White House's Cabinet for the Arts and Humanities that provides opportunities for teachers to improve student engagement through learning various arts integration techniques.

### School Programs

Arts, sports, Positive Behavioral Intervention and Supports (PBIS), arts specialty, band, bilingual education, City Year, competitive athletics/sports, gifted & talented, mentoring partnerships, orchestra, parent resource center, STEAM (science, technology, engineering, arts and mathematics)

## School Description

Sherman Multicultural Arts School is one of four nationally recognized Turnaround Arts Schools in the state. Sherman emphasizes academic achievement, arts intergration and celebrates the arts through the various cultures in the world. Our students benefit from an enriching physical education and art program and, our strong partnership with Arts@Large, which together bring the arts to life at Sherman! Our students in Grades K5 – 3 learn in classrooms with no more than 18 students to 1 teacher.

### Points of School Pride

- Parent/Guardian participation is our most important partnership and is highly encouraged in all areas at Sherman Multicultural Arts School.
- Sherman is proud to be part of Turnaround Arts! Turnaround Arts is the signature program of the President’s Committee on the Arts and the Humanities. It empowers high-needs schools with innovative arts, dance, theater and music programs, arts integration across subject areas, arts resources, musical instruments and high-profile artist mentors, as a proven strategy to help address broader school challenges and close the achievement gap.

### School Programs

Arts specialty, SPARK literacy, Achievement Gap Reduction (AGR), Arts @ Large, early childhood education/Head Start, Project Prevent school, before school child care, Boys & Girls Club, Community Learning Center (CLC), parent resource center, health initiative, arts, after school athletics / sports (i.e., intramurals), competitive athletics / sports, recreation enrichment, Boy Scouts, choir/chorus, debate, forensics, Girl Scouts, sports, student governance council, after school clubs and associations, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (Rtl), extended learning opportunities/Teaching for You (T4U)

**Region:** East  
**Grades:** K4-5  
**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/siefert>

### School Description

Siefert School serves more than 300 students in Head Start through grade 5. The Efficacy Paradigm, which is the belief that all students have the capacity for academic success at high levels is an integral part of our vision. We utilize a constructivist 'minds-on' approach to help students conceptualize academic skills and apply their knowledge in the real world, thus becoming prepared for higher education and world careers.

### Points of School Pride

- Implementing Project Lead The Way in K5-3rd grade classrooms.
- Received the School of Merit (math and reading) and School of Distinction (PBIS).
- Structured and tiered interventions are in place to monitor discipline and minimize suspensions resulting in a low suspension rate.
- Participation in Parent Teacher Conferences improved by 90 percent from fall to spring by simply contacting all parents and inviting them to participate.

### School Programs

Achievement Gap Reduction (AGR), early childhood education / K3 and K4 Head Start , Project Lead the Way, Playworks, Boys and Girls Club, basketball and cheerleading, Community Learning Center (CLC), Positive Behavioral Interventions and Supports (PBIS), prevention-intervention-extension math and reading intervention groups (PIE), Response to Intervention (RtI)

## Milwaukee Sign Language School

7900 W Acacia Street  
 Milwaukee, WI 53223  
 (414) 393-3800

**Principal:** Suzanne Gahan  
**Board Member:** Mark Sain  
**Region:** Northwest  
**Grades:** K4-8  
**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/msls>

### School Description

Milwaukee Sign Language School brings together hearing, deaf, and hard of hearing children in a supportive environment. In addition to a regular elementary curriculum, all students receive instruction in American Sign Language. A bilingual, bicultural climate exists throughout our program. Our citywide program is available only to children who are deaf or hard of hearing and their siblings. We have been chosen as one of ten MPS GE Foundation Demonstration Schools, an honor that provides the school with additional teacher support in literacy, math and cultural competency. This support will improve student achievement through innovative and stronger implementation of the rigorous Common Core State Standards.

### Points of School Pride

- GE show school for CKLA. Have had teams come in to view how our teachers do CKLA in their classrooms.
- Early Literacy has increased by over 150 percent based on the winter STAR data.
- PBIS tier 2 interventions have been implemented with fidelity and show a 80 percent success rate.
- School culture is one of respect and pride

### School Programs

Innovative approaches to literacy, Project Lead the Way, Achievement Gap Reduction (AGR), GE Foundation school, parent resource center, Parent Teacher Organization, health initiative, after school athletics / sports (i.e., intramurals), Boy Scouts, Girl Scouts, sports, student governance council, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (Rtl), college and university partnerships, English as a second language, honors courses, National Honor Society, orchestra, robotics, School to Work Transition Program

## South Division High School

1515 W Lapham Boulevard  
 Milwaukee, WI 53204  
 (414) 902-8300

**Principal:** Jesus Santos  
**Board Member:** Luis A. Báez (Tony), Ph.D  
**Region:** Southwest  
**Grades:** 9-12  
**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/south/>

### School Description

South Division is the largest multicultural/bilingual high school in Wisconsin, offering rigorous curriculum for college-bound students. South Division provides Advanced Placement (AP) coursework in most content areas including calculus, English, history, Psychology and Spanish, allowing our students to earn college credits. Project Lead The Way prepares students for careers in engineering, and the National Academy Foundation supports health and biomedical sciences. The school has partnerships with post-secondary institutions, allowing our students to take college-level course work.

### Points of School Pride

- South Division HS is the most diverse high school in the state with over 22 countries represented and 24 different languages spoken by our student body.
- WIABE student writing contest winners for the last 3 years.
- Offers adult ELL classes during the school day and after school.
- Y.E.S club student leaders advocated and presented initial efforts to make MPS a Sanctuary District.

### School Programs

Advanced academic studies, Advanced Placement (AP), NAF, career and technical education engineering, Project Lead the Way, video production, community partnership school art/music: drawing, painting, visual arts, choir athletics: baseball, basketball, cheerleading, football, golf, soccer, softball, tennis, track, volleyball, Community Learning Center (CLC) (journey house), community recreation, Twilight Program, world languages (French, Spanish), bilingual program, ESL services extracurricular options: chess club, cardinal council, french club, gsa club, multicultural club, peer jury, senior board, Youth Empowerment Services (YES)

**Grades:** 9-12  
**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/south/>

### School Description

A small alternative high school inside of South Division High School will serve a projected enrollment of 100 students who are considered at risk of not graduating based on credit attainment or attendance. To be enrolled students must have completed one full academic year at the high school level, must be at or below 70% attendance rate, must be considered at risk for credit attainment, meet one additional at risk indicator and have parent consent. The site will utilize the competency-based curriculum to support students in accruing credits, with additional supports such as mentoring, Check In Check Out (CICO) and community circles (restorative practices). Only current South Division students will be eligible for enrollment in the site.

**Region:** Southwest  
**Grades:** K4-5  
**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/msis>

## School Description

MSIS has been named as a Wisconsin School of Recognition School for 11 (according to a 2016 release) consecutive years, an honor given to schools that move students forward academically. We provide English-speaking pupils an opportunity to learn Spanish in a school where Spanish is the primary language of instruction. Students become proficient in the second language and develop an appreciation for Latin cultures. Beginning in the fall of 2016, all of MSIS' K4 and K5 students will be located at the 88th Street campus, with students in grades 1-5 remaining at the 55th Street campus. By fall 2017, the 88th Street Campus will serve all students in K4, K5 and 1st grade with students in grades 2-5 learning at the 55th Street School Campus. Children receive reading instruction in English beginning in grade 2. Children are accepted in kindergarten and grade 1 only. Previous Spanish language experience is required to enter grades 2-5.

## Points of School Pride

- Named a WI DPI School of Recognition for the 11th year in a row and named a school of Merit for WI RTI - Reading and PBIS.
- Successfully expanded its immersion program to include a second campus.
- The new Lower Campus offers additional K4 - 1st grade classrooms.
- MSIS hosted El Festival Hispanic, celebrating music and cultural dancing with over 400 parents and community members attending.

## School Programs

Full Spanish immersion program, before school child care, Parent Teacher Organization, violence prevention second step curriculum, after school athletics/sports (i.e., intramurals), Girl Scouts, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI)

## School Description

At Story, our goal is to prepare learners today as leaders tomorrow. Visitors are impressed by the child-centered programs in our beautiful art-filled building, which is located near Miller Coors and Harley-Davidson. Our staff emphasizes success in reading, mathematics, language arts, science and technology. Story offers many academic enrichment opportunities in a multicultural setting. Our English as a second language (ESL) program serves our diverse population. Our students benefit from the Achievement Gap Reduction Program (AGR). All students receive music and art classes from certified teachers. All students participate in the Playworks program, which helps create a safe and positive environment in the classroom and playground.

### Points of School Pride

- Visitors are impressed by the child-centered programs in our beautiful art-filled building, which is located near MillerCoors and Harley-Davidson.
- Our staff emphasizes success in reading, mathematics, language arts, science and technology.
- Story offers many academic enrichment opportunities in a multicultural setting.

### School Description

At Stuart, our children come first. Our staff is committed to academic excellence. We achieve that excellence by providing a relevant, rigorous and real-world program that is student-centered and based upon the Common Core State Standards. The availability of technology, such as smartboards, document cameras, and Chromebooks, gives our students the opportunity to compete in the 21st century. Our full-time English as a Second Language (ESL) program serves our diverse student population. Parent involvement is strongly encouraged through our School Governance Council, PTA, parent workshops and classroom volunteers. Our Camp Stuart before and after school program provides child care and homework help. Our vision: We the Stuart School community will successfully provide all students with rigorous, high-quality learning opportunities that will allow students to perform at or above grade level in all subject areas and also prepare them for success in middle school and beyond.

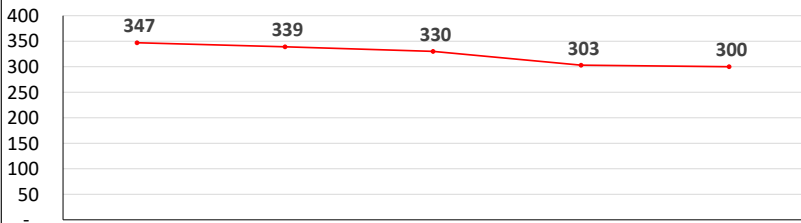

#### Points of School Pride

- Named a WI DPI School of Merit for PBIS and RTI Math and named a WI DPI School of Distinction for Reading.
- Identified by the state as Meeting Expectations on our School Report card.
- MPS retired teachers volunteer their time providing students with additional support in the areas of reading and math.
- African Drumming taught to our students during the day and afterschool by a volunteer.

#### School Programs

Baseball, basketball, cheerleading, football, golf, English as a second language (ESL), Achievement Gap Reduction (AGR), before school child care, Parent Teacher Organization, parent resource center, multi-age classrooms, after school athletics / sports (i.e., intramurals), sports, student governance council, theater, after school clubs and associations, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI)

## School Description

Thoreau School, located in the Bradley Estates neighborhood of Milwaukee, is a leading technology school offering families a challenging program for their students. We believe strongly in our motto: Learning today, learning tomorrow! Our teaching and learning process takes place in multi-age student groups. We have an active parents group and our School Governance Council (SGC) sponsors a fall/spring Thoreau Family Gathering. Our SGC has also facilitated fall/spring fundraisers to bring extra dollars in to supports our wonderful programs.

### Points of School Pride

- Thoreau School is exploring the adoption of an urban agricultural focus and is one of three schools, on the Northwest side, developing a feeder pattern into Vincent High School.
- Thoreau is a PBIS school of Distinction.
- Students in grades 3-8 use the ALEKS, a computerized intervention program designed for the gifted and talented.
- We have a 4-star rating for our after school camp.

### School Programs

Soccer, softball, tennis, track, volleyball, Achievement Gap Reduction (AGR), before school child care, parent resource center, Parent Teacher Organization, health initiative, arts, after school athletics / sports (i.e., intramurals), competitive athletics / sports, student governance council, after school clubs and associations, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (Rti), coordinated school health, nutrition education

**Hours of Instruction:** 8:40 AM - 3:55PM

<http://www5.milwaukee.k12.wi.us/school/thurstonwoods-campus>

### School Description

Thurston Woods Campus is one of Milwaukee's well-kept secrets. When featured as Neighborhood of the Week by the Milwaukee Journal Sentinel, reporters stated it best: "The Thurston Woods area may not ring a bell to outsiders, but the residents of the area have long enjoyed it's remote seclusion on Milwaukee's north side." Thurston Woods is a kindergarten through eighth grade MPS neighborhood school that uses Systems Thinking tools to promote a growth mindset and help students to understand the complexities of systems. Students will also be able to identify leverage actions and analyze perspectives to achieve desired results. Great things are happening at the home of the WILDCATS!

### Points of School Pride

- Implemented Systems Thinking for the past three years and was chosen as the premier school for the National Systems Thinking Conference held in Milwaukee in 2017.
- TWC increase student performance measures on the State Report Card for the 2016 school year moving from 43.7 percent "Fails" to 61.3 percent "Meets Few Expectations".
- Received RtI's School of Distinction Award for Reading and Math for the past five years.
- Received a PBIS School of Distinction Award for the past five years.

### School Programs

Achievement Gap Reduction (AGR), MPS commitment school, early childhood education/Head Start, Community Learning Center (CLC), parent resource center, after school athletics / sports (i.e., intramurals), other student clubs and groups, student governance council, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI), TEAM GEAR UP/College & Career Readiness

### School Description

Townsend is a beautiful, well-kept school in Milwaukee's proud Sherman Park neighborhood. Our instructors create learning environments that help students achieve success. All teachers utilize a standards-based approach to teaching. Students in grades 7 and 8 benefit from a middle school approach with multiple instructors in different academic areas. Our students also benefit from the Achievement Gap Reduction (AGR) Program. Strong and dedicated business partners support our overall program.

### Points of School Pride

- Outside agencies come to the school and offer motivational speakers, creative artists, and other community members who share their experiences.
- Chosen as a school of merit in the areas of PBIS, math interventions, and reading interventions by the Wisconsin Rita Center.
- Majority of student grade levels have closed the gap in STAR math and reading tests.
- Parent Center conducted a computer class, offering parents the necessary skills in computers and upon completion, they were given a computer.

### School Programs

Community recreation, Twilight Program, Achievement Gap Reduction (AGR), dream school (art's grant), Boys & Girls Club, Community Learning Center (CLC), parent resource center, Parent Teacher Organization, health initiative, arts, after school athletics / sports (i.e., intramurals), Boy Scouts, camera & media club, Girl Scouts, other student clubs and groups, student governance council, after school clubs and associations, mentoring partnerships, other student development, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (Rtl), extended learning opportunities/Teaching for You (T4U)

# Transition High School

2610 W North Avenue  
 Milwaukee, WI 53205  
 (414) 212-2670

**Assistant Principal in Charge:** Raymond Moore  
**Board Member:** Annie Woodward  
**Region:** Central  
**Grades:** 9-12  
**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/transition/>

## School Description

Transition High School offers students returning from incarceration or expulsion the chance to have a personalized educational plan designed to develop personal growth and structured around virtual learning, employment or community service. We offer individualized online coursework in math, science, social studies and English supported by in person instruction from MPS teachers and electives in traditional settings. Our school curriculum is supported by integrated community-based and culturally relevant learning opportunities.

### Points of School Pride

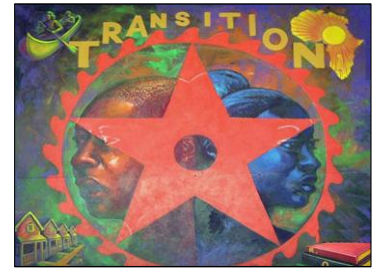

- Highly successful alternative education program that has increased graduation rates.
- Positive and warm school climate.
- Specializes in graduating students who come from difficult circumstances.
- Centered around building strong relationships with our young people.

### School Programs

Bilingual/multicultural: world languages (French, Spanish), bilingual band, debate, math club, National Honor Society, orchestra, other student clubs and groups, school newspaper, sports, student governance council, theater, yearbook

**Grades:** K4-8  
**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/trowbridge/>

## School Description

Trowbridge School of Discovery and Technology, located closer to Lake Michigan than any other MPS school, offers families a rigorous academic curriculum with a focus on ecological, Great Lakes and freshwater studies. We offer a hands-on approach to science thanks to our computer lab, aquaponics lab, butterfly garden and a perennial rain garden with an outdoor classroom. We work with every major arts organization in the city to provide our students with arts integrated instruction and to allow our students access to arts experiences city wide. Trowbridge has established partnerships with public and private businesses to allow students to explore various career opportunities.

### Points of School Pride

- Curriculum focus is Great Lakes and Fresh Water Studies.
- To further advance our environmental science driven focus we partner with the United States Coast Guard and Discovery World
- The closest Milwaukee Public School to Lake Michigan which provides opportunity for in depth Great Lakes studies.

### School Programs

Program, ESL services, career and technical education, innovative approaches to literacy, STEM (science, technology, engineering and mathematics), early childhood education/Head Start , Partnership for the Arts and Humanities funded partner, urban agriculture/aquaponics, before school child care, parent resource center, Parent Teacher Organization, health initiative, arts, environmental science, Great Lakes Studies, multi-age classrooms, urban agriculture, after school athletics / sports (i.e., intramurals), competitive athletics / sports, recreation enrichment, Boy Scouts, other student clubs and groups, sports, student governance council, after school clubs and associations, college and university partnerships, mentoring partnerships, other student development, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI)

**Grades:** K4-8  
**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/victory>

## School Description

Victory offers full Italian language immersion classes from K4 through grade 7. We are meeting the needs of our Gifted and Talented students through differentiated learning and engineering for students. Victory also offers band, drumline choir, art, physical education, computer access and a librarian on staff, along with both morning and afternoon care. We encourage our parents to be involved! Several annual family events are held such as PTO Welcome Back to School event, open houses, Water Day, PBIS dances, a STEM fair and a holiday program. Parent-teacher conferences are held twice a year and our PTO and Governance Council meet on a monthly basis. We offer college, career and leadership-focused field trips for our middle school students. Our students have access to a nurse as well as a guidance counselor.

### Points of School Pride

- Exceeding expectations on the DPI state report card. Two years ago we were a failing school.
- Closed the achievement gap on the DPI State average by 23.6 points
- Students growth on the DPI state report card was 71.8 out of 100 points, 5.8 points higher than the state average.
- Every K4-8 Classroom participates in the school wide STEM fair 2x per year.

### School Programs

Extracurricular options: chess club, cardinal council, french dual language program, first nations studies, gifted & talented, STEM (science, technology, engineering and mathematics), Achievement Gap Reduction (AGR), world languages, English as a second language (ESL), GE Foundation school, immersion program, before school child care, Parent Teacher Organization, parent resource center, health initiative, competitive athletics / sports, band, choir/chorus, Model UN, other student clubs and groups, sports, student governance council, college and university partnerships, other student development, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI)

### School Description

Vieau, a high achieving school, offers a monolingual and bilingual curriculum focused on improving achievement in reading, mathematics, science and writing. We offer specialists in physical education, art, music, Project Lead the Way, Engineering is Elementary, technology, ESL, parent coordination, guidance and literacy on staff. Vieau partners with community organizations to enrich our students' experiences. Partners include Rockwell Automation (Project Lead the Way), Skylight Opera, Milwaukee Ballet, String Academy of Wisconsin, Bader Foundation, Danceworks and more. An after-school Community Learning Center (CLC) program provides academic support after school, GEAR UP college readiness activities and recreational activities. At Vieau, we love our parents and encourage parental involvement!

### Points of School Pride

- We are proud to be recognized as a School of Distinction in PBIS and Reading.
- We have met expectations on the last two state report
- We offer STEM/PLTW classes for all students K-8th grade, taught by a Master PLTW teacher.
- We began a Chess Club this year that has placed in three chess tournaments.

### School Programs

parent resource center, school governance council, positive behavioral interventions and supports, Response to Intervention , bilingual education, student council, after school clc, student sports and clubs.

**Region:** Northwest  
**Grades:** 9-12  
**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/vincent>

## School Description

Vincent High School offers career-focused programs meeting the interests and needs of youth. In grades 9 and 10, students focus on high-level skill development and gaining academic skills proficiency. In grades 11 and 12, students participate in advanced courses and internships. Students can take up to four AP courses at Vincent, which can result in both high school and college credit. We offer a number of facilities that support our new Urban Agriculture educational programming including a greenhouse, hoop house, animal room, landscape equipment, aquaponics and outdoor study areas. The new program connects agriculture with the science and technology departments offering students courses that cover: introduction to urban agriculture; veterinary science; landscape and design; urban gardening/horticulture; aquaponics; greenhouse techniques and food science.

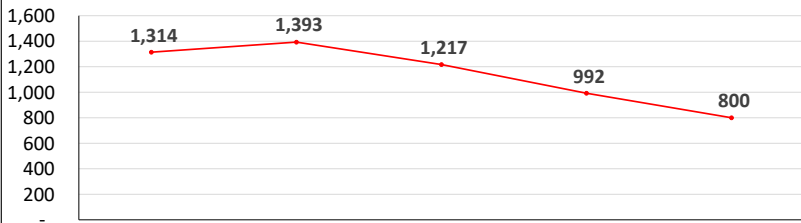

### Points of School Pride

- Redesign of Vincent High School provides a unique opportunity for academic achievement through distinct pathways such as agricultural sciences and culinary arts.
- The agricultural science pathway is the only Wisconsin high school to offer hands-on learning environment to its students, ultimately preparing them for the current high demand industrial field.
- Both agriculture and culinary arts pathways create project based Learning applicable to real world experiences.
- Data driven, academic foci of the following: Close reading, argumentative writing, morphology, higher level thinking questions, and agricultural sciences.

### School Programs

Youth empowerment services (YES), Advanced Placement (AP), career and technical education, honors courses, Project Lead the Way, School to Work Transition Program, student retention programs (GED/AGP), world languages, urban agriculture/aquaponics, alumni association, parent resource center, violence prevention/violence free zone, environmental science, after school athletics / sports (i.e., intramurals), competitive athletics / sports, recreation enrichment, debate, forensics, National Honor Society, other student clubs and groups, sports, student governance council, yearbook, college and university partnerships, Earn and Learn, internship/co, Positive Behavioral Interventions and Supports (PBIS), Pregnant and Parenting Youth, Response to Intervention (RtI), service learning, students returning from expulsion or incarceration, TEAM GEAR UP/College & Career Readiness, College Access Center

### School Description

A small alternative high school inside of South Division High School will serve a projected enrollment of 100 students who are considered at risk of not graduating based on credit attainment or attendance. To be enrolled students must have completed one full academic year at the high school level, must be at or below 70% attendance rate, must be considered at risk for credit attainment, meet one additional at risk indicator and have parent consent. The site will utilize the competency-based curriculum to support students in accruing credits, with additional supports such as mentoring, Check In Check Out (CICO) and community circles (restorative practices). Only current South Division students will be eligible for enrollment in the site.

## School Description

Washington High School uses an integrated technology driven curriculum which prepares students for the challenges of our ever-changing global society. We incorporate technology to drive knowledge outside the classroom and re-conceptualize inspired learning through our Academy of Information Technology, Academy of Hospitality and Tourism, and ProStart Culinary Arts. We offer an English Language Learner (ELL) program to help meet the needs of the fourteen languages spoken by our students. As a comprehensive high school, we are able to offer athletic programs and extracurricular activities to help develop well-rounded students.

### Points of School Pride

- Ninth grade success rates have increased by 11 percent toward graduation since the implementation of the freshman academy.
- Washington High School Alumni Association has provided tens of thousands of dollars in scholarships to Washington students for the past several years and also pays for all student college application fees.
- With the integration of technology across the curriculum, students have been afforded opportunities to create cross academy projects which has resulted in students presenting at national conferences in 2017.
- 2017 Regional, Sectional Champions for the Boys' Basketball Team and Chess Team placed 4th in the State with two students receiving 1st and 2nd place awards.

### School Programs

Advanced Placement (AP), honors courses, career and technical education, english language learner program, Project Lead the Way, School to Work Transition Program, Fab Lab, GED02, credit recovery, & newly added competency based program, world languages, Arts @ Large, Lead the Change, money coach, pearls for Girls, alumni association, Community Learning Center (CLC) through the Boys & Girls Club, neighborhood association partnerships, parent resource center, Parent Teacher Organization, violence free zone, competitive athletics / sports, chess club, robotics, school newspaper, student governance council, National Junior honor Society, student ambassador leadership program, college and university partnerships through dual enrollment, black collegetour, Earn and Learn, job shadowing, internship, & apprenticeship opportunities & partnerships, mentoring partnerships, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (Rtl), service learning, james place college & career center, College Access Center, MPS Twilight Center, National Academy Foundation, Black Data Processing Association (BDPA)

## School Description

Wisconsin Conservatory of Lifelong Learning uses a family/team approach to education in which each student is placed with the most appropriate core teacher or teachers. Our K-12 school with roughly 550 students allows staff to work closely with families for a longer period of time. We offer Advanced Placement (AP) courses for college credit. High school students applying for entrance to the Conservatory will be accepted on the basis of available space. Sibling preference does not guarantee acceptance at the high school level.

### Points of School Pride

- The mission of WCLL is to develop our children who are diverse in cultural and ethnic backgrounds, ability levels, and learning styles, into caring individuals and responsible citizens.
- We provide quality education through a cooperative relationship of home, school and community. It is our goal to empower students to meet the global challenges of today and realize the dreams of tomorrow.

### School Programs

Advanced Placement (AP), arts specialty, career and technical education, English as a second language (ESL), Springboard curriculum, Achievement Gap Reduction (AGR), student retention programs (GED/AGP), world languages, parent resource center, competitive athletics / sports, band, forensics, sports, student governance council, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI), early childhood education, Earn and Learn, financial literacy program, nutrition education

### School Description

Webster Academy is a 6-11 campus which offers rigorous academics with the intent of being a 6-12 campus by the fall of 2020. The 6-12 concept allows the school better support students by addressing their academic needs at both the middle and high school level. The sprawling campus includes nature reserves creating the opportunity for environmental and biological studies. Webster offers traditional high school course work to include advanced placement options.

### Points of School Pride

- The mission of UCAB is to provide an unparalleled rich and high-quality education for every scholar and to prepare them for college, technical school or entrepreneurships leading to sustainable careers in the 21st century.
- We seek to build altruistic alumni who contribute to the transformation of their communities as future leaders and positive members of society. UACB offers this unique educational opportunity in a free public charter school!

### School Description

Wedgewood Park International School is the first International Baccalaureate Middle Years Programme in the state of Wisconsin. The IB program is delivered with fidelity because each and every member of the Wedgewood Park staff is passionate about ensuring each student receives a high-quality middle school education. Eight subject areas are required in every IB Middle Years Programme and Wedgewood Park students have a minimum of 50 hours per school year in math, language and literature, language acquisition (Spanish), individuals and societies, science, performing arts, visual arts, design and physical education. Additional advanced offerings for gifted students are available in math, science, writing, art, Spanish and music.

### Points of School Pride

- Wedgewood has held 6 week parent class for Spanish English and Technology classes.
- Wedgewood has also held rallies around bullying with Box Out Bullying and a parent workshop on March 28th, 2017.
- Wedgewood is proud to celebrate two teachers: Ms. Laubeheimer ( Kohl's award recipient) and Ms. Patricia Rian as the MMABSE Teacher of the Year Award.
- Wedgewood has increased its governance council attendance by 30 percent, meeting regularly the third Wednesday of the Month at 5:30 PM.

**Grades:** K4-5  
**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/westsideacademy>

### School Description

Westside Academy is a high-achieving school. Westside emphasizes learning to solve complex problems using higher-order thinking skills. Our students connect with community mentors and benefit from an extensive Community Learning Center (CLC) providing free after-school programs. The CLC offers intramural sports, homework help, literature arts, SPARK, and academic achievement. We require uniforms. We are a peaceful school, embracing Positive Behavioral Interventions and Supports (PBIS) to reinforce positive behaviors. Westside Academy will be an K4-5 grade school beginning in the 2017-18 school year.

### Points of School Pride

- The students at Westside Academy have begun daily interventions. Interventions are opportunities for students to engage in structured, focused and rigorous learning to improve a specific skill.
- The staff and students interact through conversations and hands-on activities, and teachers use student performance data to guide future lessons.

### School Programs

Achievement Gap Reduction (AGR), Arts @ Large, early childhood education/Head Start , Community Learning Center (CLC), parent resource center, Parent Teacher Organization, health initiative, violence prevention/violence free zone, arts, multi-age classrooms, after school athletics / sports (i.e., intramurals), competitive athletics / sports, debate, Girl Scouts, sports, theater, student governance council, after school clubs and associations, college and university partnerships, other student development, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (Rtl), TEAM GEAR UP/College & Career Readiness, College Access Centers

**Board Member:** Paula Phillips  
**Region:** Southwest  
**Grades:** K4-8  
**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/whitman>

### School Description

At Walt Whitman, we believe that parental involvement is critical to student development. We offer a number of activities to connect parents to our school community, including an active PTO and our School Governance Council. We are proud to offer extended day services for those families that are in need of before and after school care, tutoring and homework help. Camp Whitman is open from 6:30 a.m. to 6:00 p.m. on all school days. With Milwaukee Recreation and the YMCA, Whitman also offers after school activities.

### Points of School Pride

- 2017 Regional, Sectional Champions for the Boys' Basketball Team
- Chess Team placed 4th in the State with two students receiving 1st and 2nd place awards.

### School Programs

Gifted & talented, innovative approaches to literacy, Project Lead the Way, STEM (science, technology, engineering and mathematics), world languages, engineering is elementary, financial literacy program, GE Foundation school, before school child care, parent resource center, Parent Teacher Organization, health initiative, arts, after school athletics / sports (i.e., intramurals), competitive athletics / sports, recreation enrichment, Girls on the Run, band, camera & media club, chess club, choir/chorus, robotics, school newspaper, student governance council, theater, yearbook, after school clubs and associations, college and university partnerships, other student development, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (Rtl), service learning, school uniforms

## John Greenleaf Whittier School

4382 S 3rd Street  
Milwaukee, WI 53207  
(414) 294-1400

**Teacher Leader:** Margaret Mystrow  
**Board Member:** Carol Voss  
**Region:** East  
**Grades:** K4-5  
**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/whittier>

### School Description

Whittier is a warm, welcoming place where students feel comfortable about learning. All stakeholders provide routines and procedures that create the structure needed to give children a strong academic foundation. Our staff works together to support the values and character that our families instill in their children. Whittier promotes high academic rigor and differentiated instruction to assure academic success. Whittier has offerings for gifted and talented students 1st through 5th grade.

### Points of School Pride

- Exceeds expectations on the DPI Report Card.
- Great Schools rating 9 out of 10.
- We build kids with great character.
- Strong parent support and involvement.

### School Programs

Gifted & talented, before and after school child care, Parent Teacher Organization, after school athletics / sports (i.e., intramurals), student governance council, Positive Behavioral Interventions and Supports (PBIS), Response to Intervention (RtI)

## Clement J. Zablocki School

1016 W Oklahoma Avenue  
 Milwaukee, WI 53215  
 (414) 294-2200

**Principal:** Christopher Garza  
**Board Member:** Carol Voss  
**Region:** Southwest  
**Grades:** K4-5  
**Hours of Instruction:** 8:40 AM - 3:55PM  
<http://www5.milwaukee.k12.wi.us/school/zablocki>

### School Description

We offer a sterling opportunity for student success at Clement J. Zablocki, which has been honored as a Blue Ribbon School. Respect, good citizenship, and discipline are part of our daily environment. All students participate in an extra-curricular reading program and K5 through Grade 3 classrooms benefit from the Achievement Gap Reduction Program (AGR). We also offer after school childcare and recreation programs. Located on Oklahoma Avenue in the old Polonia neighborhood on Milwaukee's south side, Zablocki is steeped in history!

### Points of School Pride

- Engaging family monthly activities take place at the school with the support of current partners.
- One of the district's most diverse schools, students participated in the United Nations Project where students showcased their cultural projects to celebrate diversity during an MPS Multicultural Night event.
- Through the Javits Grant (U-Stars), Zablocki supports the early recognition and nurturing of children from economically disadvantaged, culturally/linguistically diverse families and in children with disabilities.
- Implanted a school-wide reading program to support teacher understanding of the components of reading and building teacher capacity and individual skills in teaching reading to reinforce student foundational reading skills.

### School Programs

After school childcare, Boys & Girls Club, Community Learning Center (CLC)
