

53206 Initiative Update

Presenters:

Maurice Turner, Instructional Leadership Director, High School Region
Dr. Carletta Noland, Regional Superintendent - Central Region
Janel Hawkins, Senior Director, City-Wide Region

Dr. Keith Posley, Superintendent

Five Priorities for Success

53206 Promise Partnership Vision

We believe in and envision 53206 as a neighborhood of promise that is a destination for families. A community committed to nurturing children from cradle to career with a seamless continuum of opportunities that encourages each child's mental, physical, and academic development and success. A community for families where children play, grow, and learn as they transition successfully through various academic and developmental milestones. A place where students, families, and educators are the beneficiaries of the coordinated and collective impact of community-driven data and a shared agenda that provides the equitable access and distribution of resources to deliver on this promise. A collaborative of schools, local government, non-profits, and faith-based organizations that champions student learning and increased academic achievement for students to thrive in the 21st century.

Promise Partnership Schools Demographics

- 8 schools
- 1,896 students
- 0.2% English language learners
- 26.1% students with disabilities
- 86.4% economically disadvantaged

Focus Pillars

- **Alignment:** Academics, Pathways, and Engagement
- **Filling Gaps:** Equitable Access and Opportunity
- **Strengthening Outcomes:** College and Career Readiness

Strategic Priorities

2021-2022
