

## REPORT TO THE MILWAUKEE BOARD OF SCHOOL DIRECTORS: SEPTEMBER 2023

---

The Office of Accountability and Efficiency (OAE) was established to enhance transparency, oversight, and accountability to the District's financial operations; to evaluate fiscal performance; and to recommend solutions in furtherance of fiscal stewardship of Milwaukee Public Schools.

### *Accountability and Efficiency Services*

Between August 19, 2023 and September 16, 2023, Accountability and Efficiency Services fulfilled ten requests for information/research and one special project. Accountability and Efficiency Services also completed one constituent inquiry and satisfied three impartial hearing officer (IHO) assignment requests.

Accountability and Efficiency Services also continued to support the District's implementation of Administrative Policies 3.09 and 6.35.

### *Contract Compliance Services (CCS)*

During the reporting period, Contract Compliance Services (CCS) staff members focused on Student Engagement Programming.

CCS staff members participated in Reagan High School's College and Career Fair. The event provided CCS with an opportunity to engage juniors and seniors, and gain an understanding of their career interests to determine how they align with our current internship opportunities. CCS is scheduled to participate in two more fairs this fall.

Additionally, seven students were referred out for interviews. Five were hired in the following career industries: architecture, culinary arts, and technology.

CCS continues to partner with department/internal sponsors to create additional internships and work-based learning opportunities for our high school students.

Contract Compliance Services also continued to support the District's implementation of Administrative Policies 3.10 and 3.13
