Dear Ms. Newman:

Subject to approval by Milwaukee Public Schools's (MPS) Administration and the Milwaukee Board of School Directors, MPS would like to extend the current blanket contract with your firm for Cisco Switches, Routers, Wireless Access Points, Transceivers, and Interface Cards with no modifications. This contract, which resulted from MPS Request for Bid 5758, was for an initial term of one year with the option for two additional one-year extensions if certain performance metrics were met. The Contract was previously extended for the first one-year term (the "First Extension"). The parties now mutually agree to extend the Contract for the second and final additional one-year term (the "Second Extension").

If approved, this Second Extension will be for the term of June 1, 2019, through May 31, 2020. The estimated value for this contract term is \$968,494.

Please indicate below whether you agree to or decline the contract extension. Once agreed to, signed and returned, and approved by the Administration and the Board, this letter shall constitute the contract amendment.

We agree to the contract extension.

We decline the contract extension.
