Dr. Darienne Driver
Superintendent
Milwaukee Public Schools
5225 West Vliet Street
Milwaukee, WI 53208

Dear Dr. Driver:

Universal Academy for the College Bound (UACB) would like to thank you and your staff for the support that you have provided to our schools over the past few years. We believe that we have had a productive and positive partnership with the Milwaukee Public Schools (MPS) in our efforts to provide a high quality education to the students of UACB Webster. Despite our efforts, we believe that it would be in the best interest of the students and families of UACB Webster to transition the management of operations to MPS. We are confident that MPS will maintain an academically sound, operationally efficient, safe and stable climate to continue to increase student achievement for our scholars.

As we discussed and mutually agreed upon, the transition of management of operations of UACB Webster to MPS will occur on April 7, 2017. We have begun working with the MPS staff to ensure a smooth transition for MPS to begin full operation on April 10, 2017.

We are aware that we may not resolve all of the business matters related to this change in operations before April 10, 2017, but we pledge to continue working with MPS until all matters are resolved. Again, we thank you for your commitment and we are looking forward to a smooth transition.

Sincerely,

Penny Nixon, Ed.D.
Superintendent of Schools
Senior Executive Vice President of Education
